

Distance

Everytime we say hello
to some new encounter
we're on our way
toward good-bye.
Some distance
from the actual phrase
but moving toward it all the same.
The distance between those two words
becomes a little less
as we grow older.
Be aware then
that tomorrow
is only tomorrow.
There is nothing to fear
except the coming of another day.
But two against a winter morning
are sure to claim one more victory
over chance and trouble.

In Memoriam

On September 18, 1972 the flags of Hornell flew at half mast as the schools and community mourned the loss of Mr. George M. Hammond. In his 26 years as a teacher and principal at Lincoln School, he left an indelible imprint upon the lives of thousands of students. His contributions to the community earned him the respect and admiration of all who knew him. Mr. Hammond's tireless and willing involvement in serving his fellow man will not be forgotten for years to come.

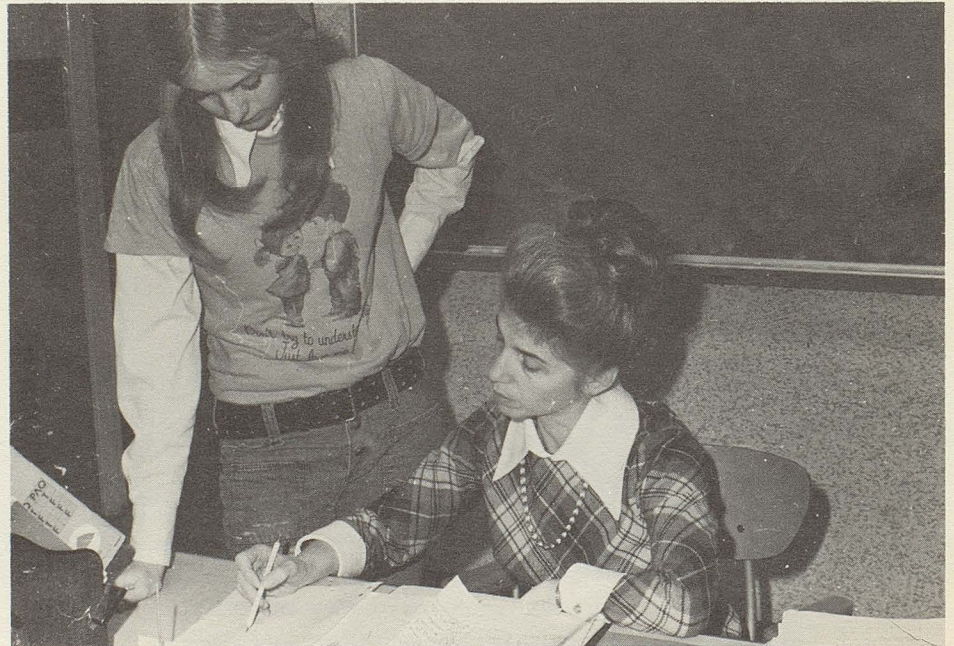

We Admire . . .

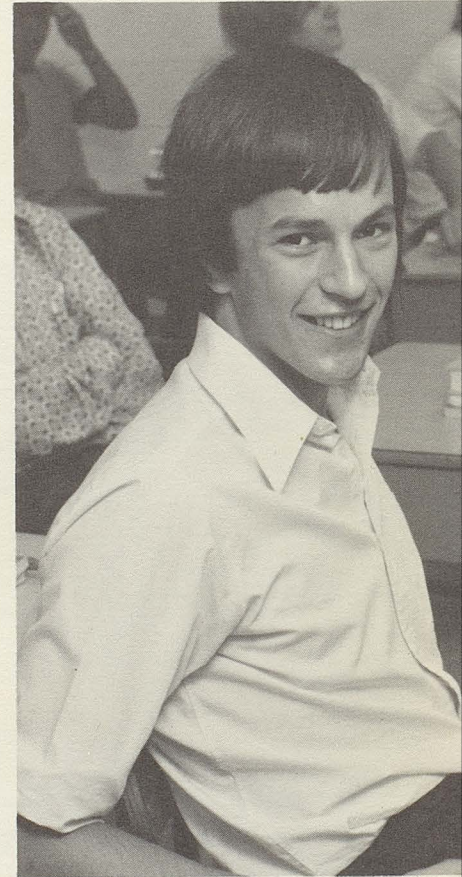

- a human being, small in stature, but big as life when it concerns altruistic compassion for her fellow man
- a person whose own thirst for knowledge should be the aspiration of all students
- an educator whose primary goal is to impart an appreciation for learning to all her pupils
- a teacher who has tutored us in the correlation between points, lines, angles, and polygons
- an instructor whose maxim "say what you mean, mean what you say" still rings in our ears

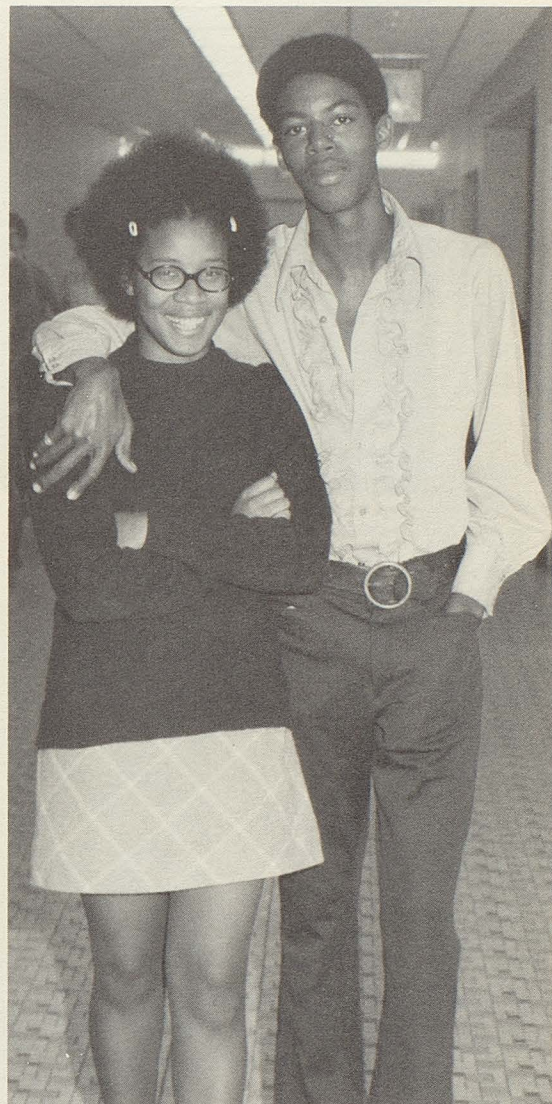

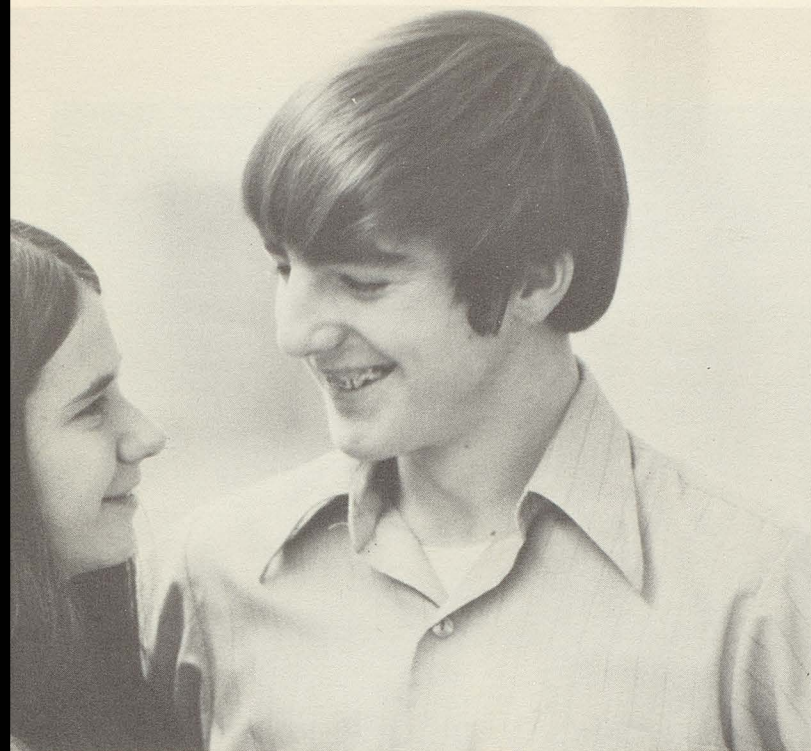

In our own small way, we thank you Mrs. Cropp, for being yourself.

FACULTY

The Ruling Hands

The Hornell City School District is one of the areas largest employers, and as all "big businesses" it requires knowledgeable people in key decision-making and managerial positions.

While most curricular revision is a cooperative effort of teachers and administrators, the responsibility for implementing new policies ultimately rests with the Board of Education and Superintendent of Schools. The five Board members represent a cross section of the community—a doctor, a teacher, a businessman, a working mother, a clergyman—and their decisions continue to reflect their genuine concern for the students in our schools.

Mr. Paul and Mr. Walker supervise the hundreds of professional and service personnel, keeping things running smoothly and efficiently. The building principals work with the teachers and students to see that the programs and policies function to the mutual benefit of all.

Mr. Walker—Assistant Superintendent of Schools
Mr. Paul—Superintendent of Schools

HIGHLIGHTS

Helping To Bridge The Gap

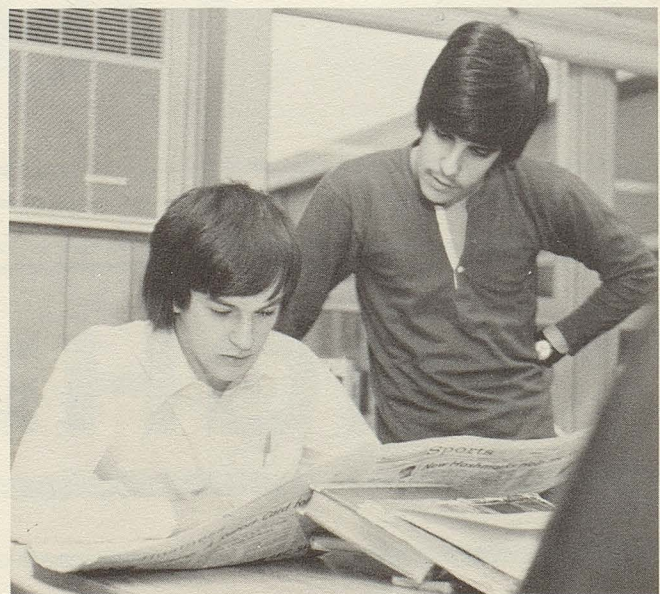

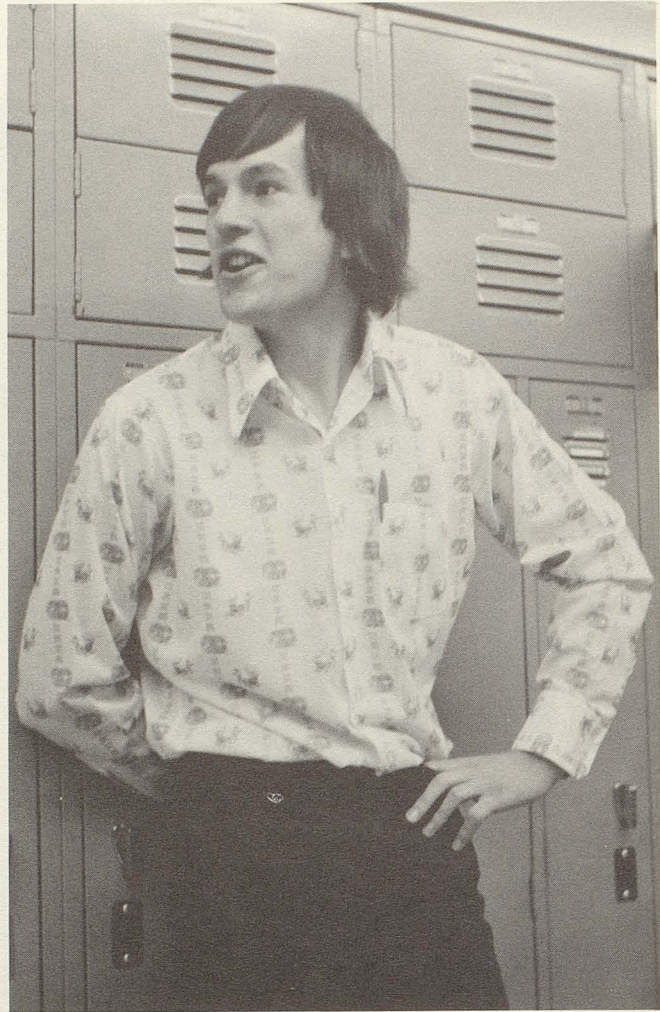

Up until the time at which I am writing this, just after Christmas, the most difficult question which I have been asked concerns what differences there are between life in England and America. This question is hard to answer because there seems to be no one big difference. Rather there are numerous small ones which combine to make life over here quite different from life at home.

For instance, sports have a much more professional approach, with long daily sessions, paid coaches, large crowds at the games, and a great emphasis on winning. At home, we would only have one practice a week and no coverage from the local paper. The important sporting events in England are those of the town teams with students from the schools often taking part. The big school sports are rugby, soccer, and cricket for the boys and tennis, netball, and field hockey for the girls.

Another difference is that while we do have quite a number of grocery supermarkets in England, there still are numerous small grocery and butcher shops owned by single proprietors.

However, there is one possible difference which I hope is non-existent. That is that I hope the reception that a student from another country would receive in England would be similar to that which I have had here.

Somehow, to my great regret, I doubt it, because it would be very difficult to equal the reception which you have given to me. It's something I am very grateful for and for which I would like to thank everyone. Paul Roberts

Being able to adapt to a culture very different, in some aspects, from our own was at first a formidable task. For the first few days, it was rough, but then the initial tensions wore off. By living with these people, by getting used to their unsanitary conditions, and by living their customs and traditions, I learned to understand the Filipinos.

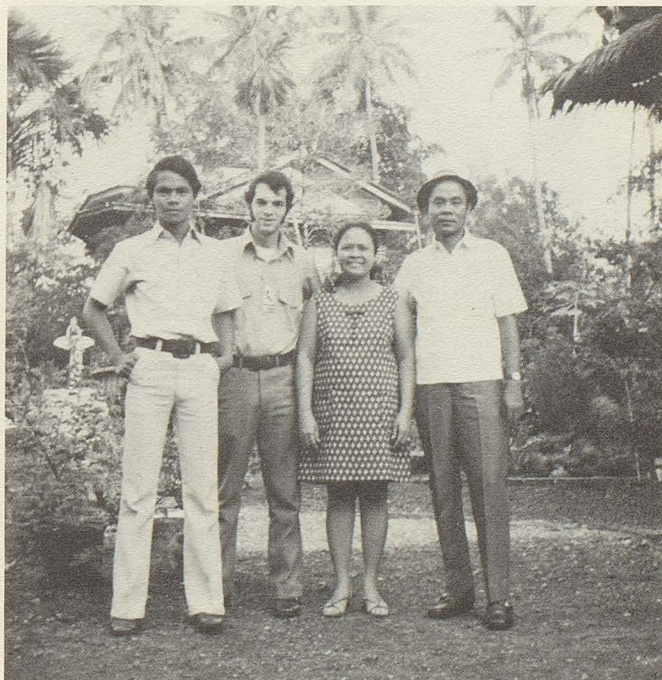

AFS enables the youth of the world to "Walk together, Talk together", but most of all, understand one another. Only when we can do this "shall there be peace upon the earth." Living in a bamboo house without electricity, experiencing typhoons and earthquakes, and eating strange foods are only a few examples of an unforgettable experience which fulfills AFS's purpose of promoting universal understanding.

Hopefully through me, our nation and its people have been brought closer to the people of the Philippines. I believe a good example of the closeness that AFS brings out is embodied on an inscription on a gift to me from the faculty of my school which read:

"'You came, you saw, you conquered' us with your ready smile and sincere efforts to make friends.

"We look forward to the day when you will come back to us, not only as an American, but also as a Filipino".

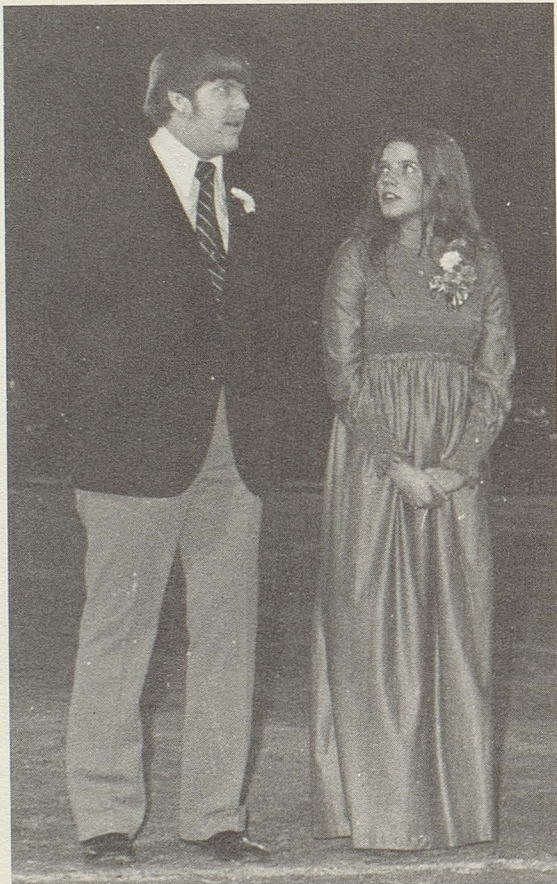

I look forward to the day when we can live together with our fellow man in peace and harmony. Mike Cipolla

Larry Clark, Queen Karla Drake

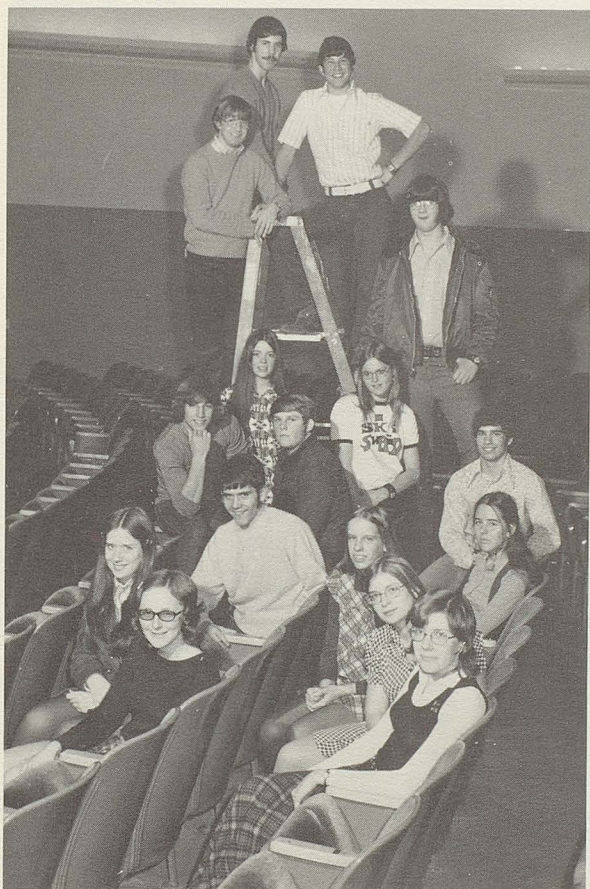

Homecoming 1972 will be long remembered by the student body, especially the seniors. Although the night was cold, the radiance of the contestants warmed the air. The girls were all equally beautiful, but only one could become queen on this night. The tension mounted as everyone awaited the decision of the Senior class. When Karla Drake was announced queen, a wave of applause flowed through the stadium. Everyone admitted that the evening was a tremendous success.

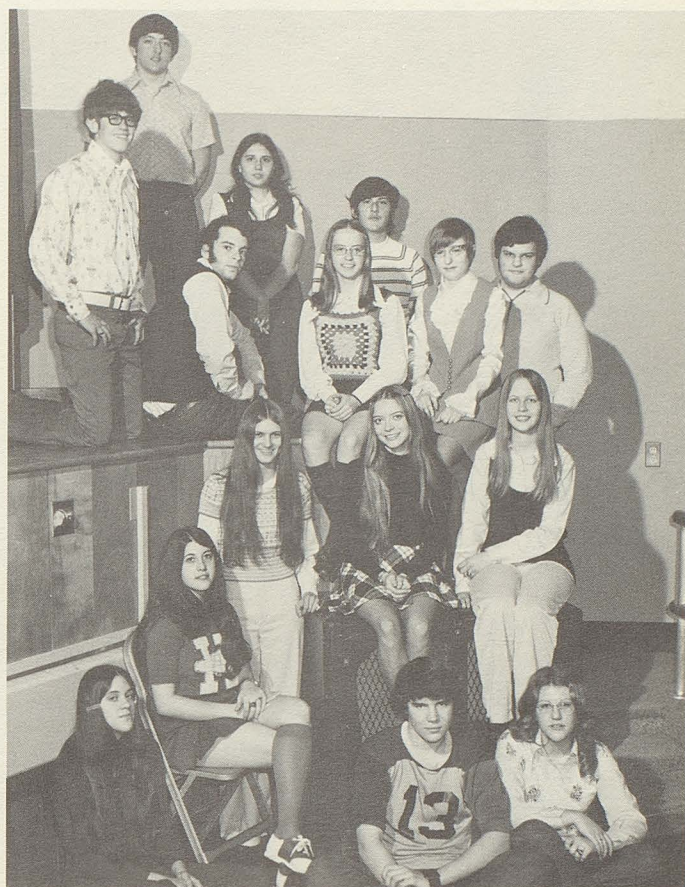

Students Receive State Aid

HHS is proud that 28 seniors won Regents Scholarships this year. Six more stand in line as alternates. Hornell recipients constituted a sizable percentage of the county quota.

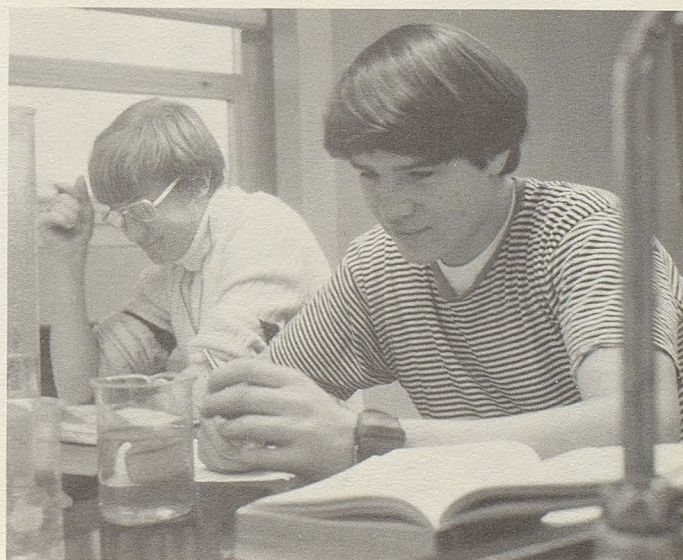

To qualify for the scholarship, ample knowledge in various fields of study had to be portrayed during a six-hour examination. In addition to math and English, questions were asked in such areas as biology, chemistry, physics, music, and art. The number of winners speaks highly for our educational system as a whole.

Tip-Toe Through The Mushrooms

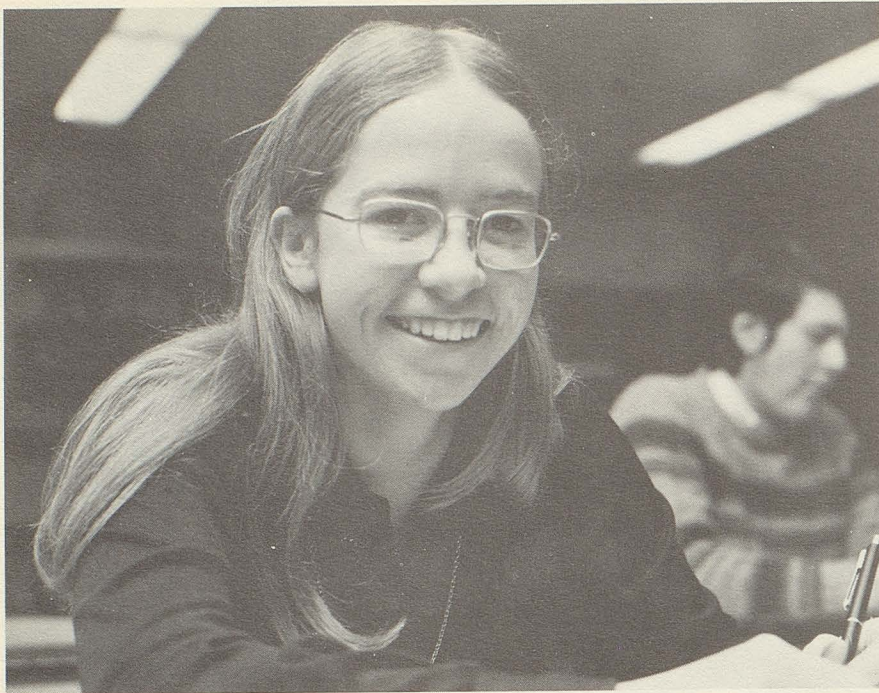

The class of '74 danced the night away surrounded by flowers, trees, mushrooms and the music of "Mother Freedom." The sixty couples who attended thoroughly enjoyed themselves. Many hours of hard work on the part of the committees paid off, for the setting aptly portrayed the theme "Reflections of My Life." The crowning of Joanne Crosby as queen climaxed another successful Jr. Prom.

McGovern Victor In Sudden Coup

On Tuesday, May 16th, the auditorium of Hornell High was invaded by news photographers, TV cameramen, and hundreds of delegates representing every state in the union for the National Democratic Convention.

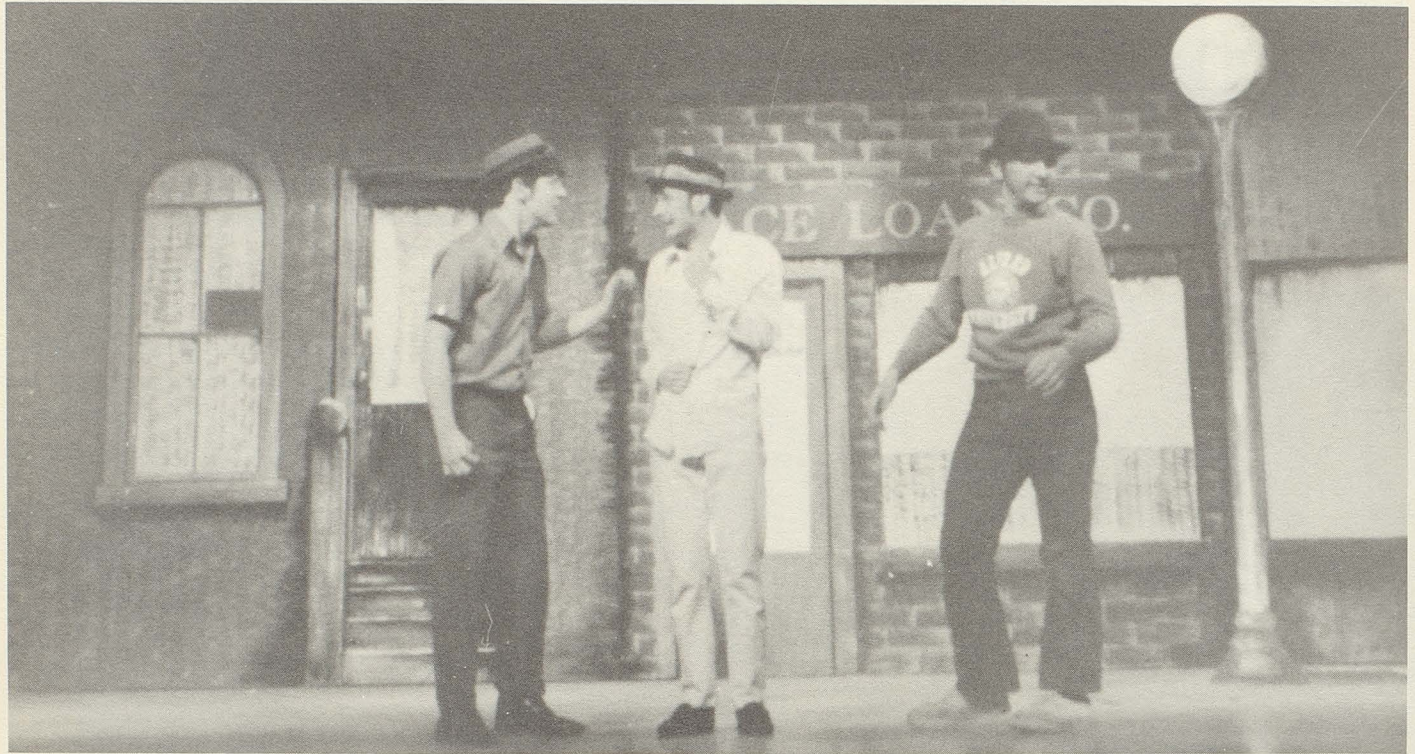

Carefully planned campaign strategies, including huge banners, balloons, persuasive speeches and demonstrations, were executed by campaign managers in hopes of attaining victory for their candidates.

McGovern showed early strength although it was apparent that he alone could not win on this day. Through a coalition of the minor candidates, who threw their support to McGovern in a surprise attack against Kennedy, McGovern emerged victor.

A special thanks to Mr. Kevin Doran without whose help and inspiration this convention would not have been possible.

Broadway Heyday Comes Alive

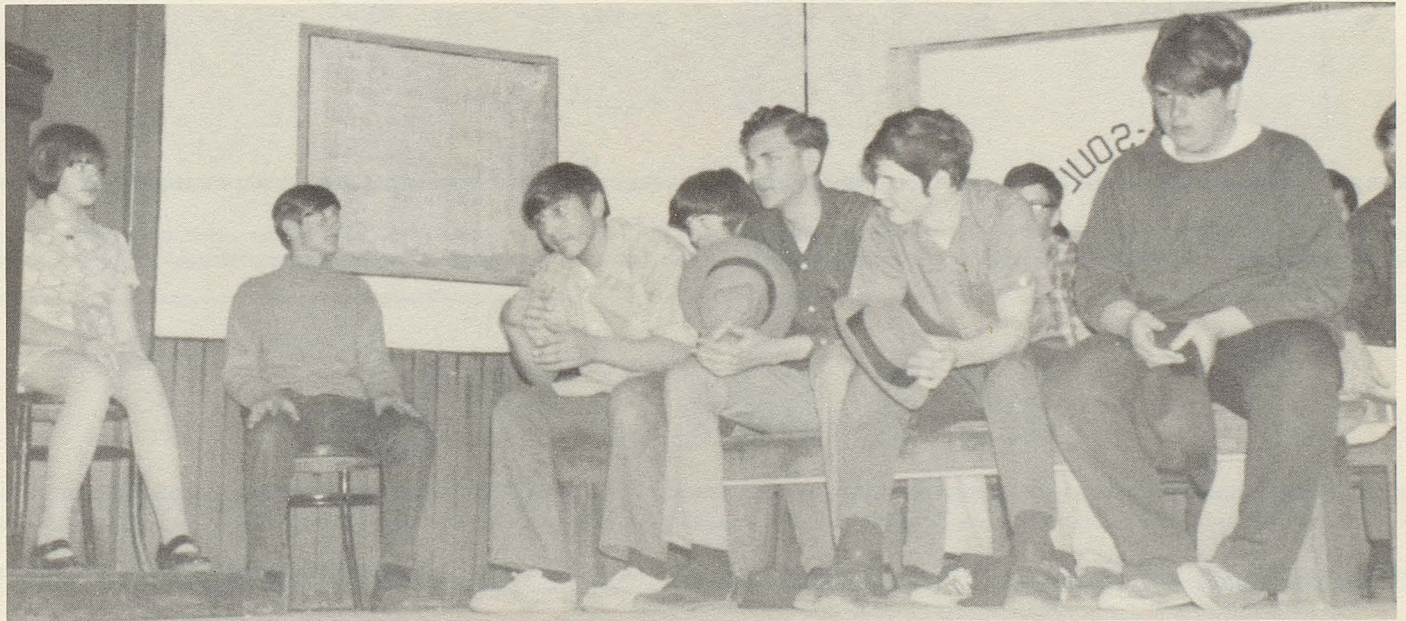

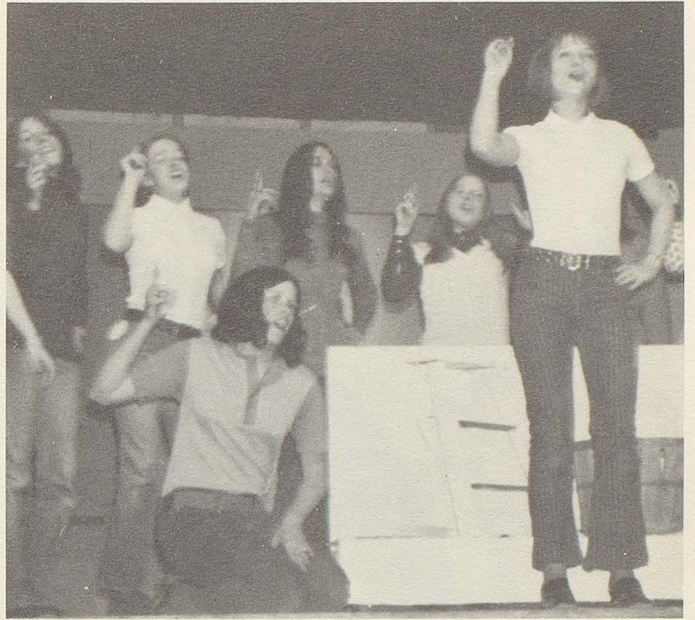

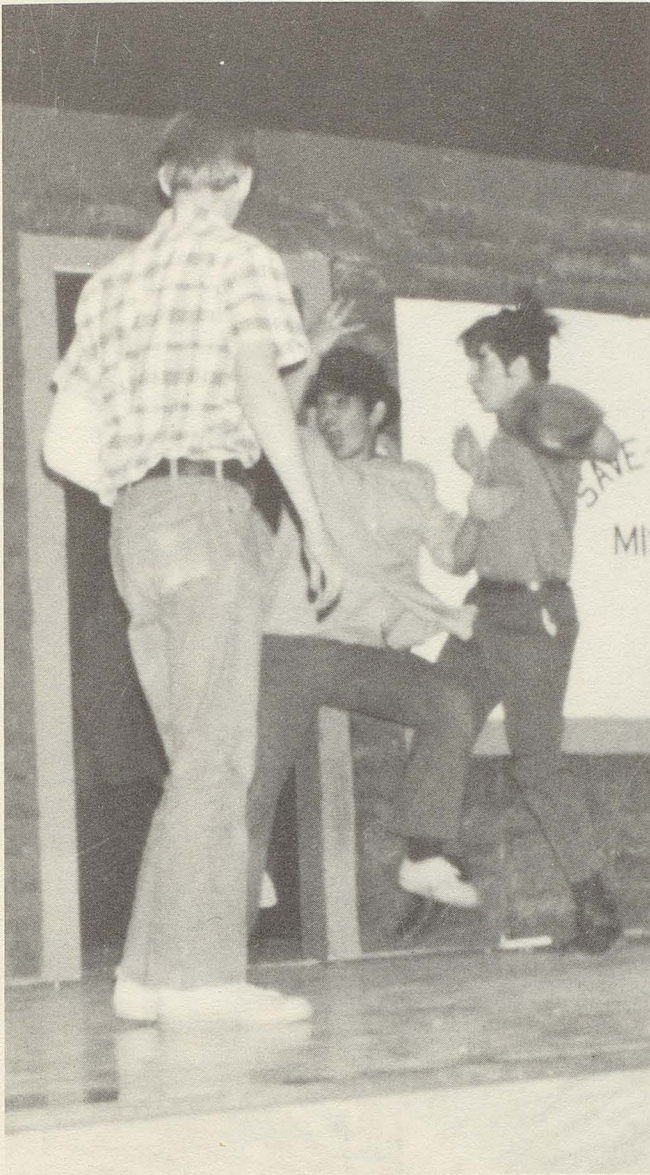

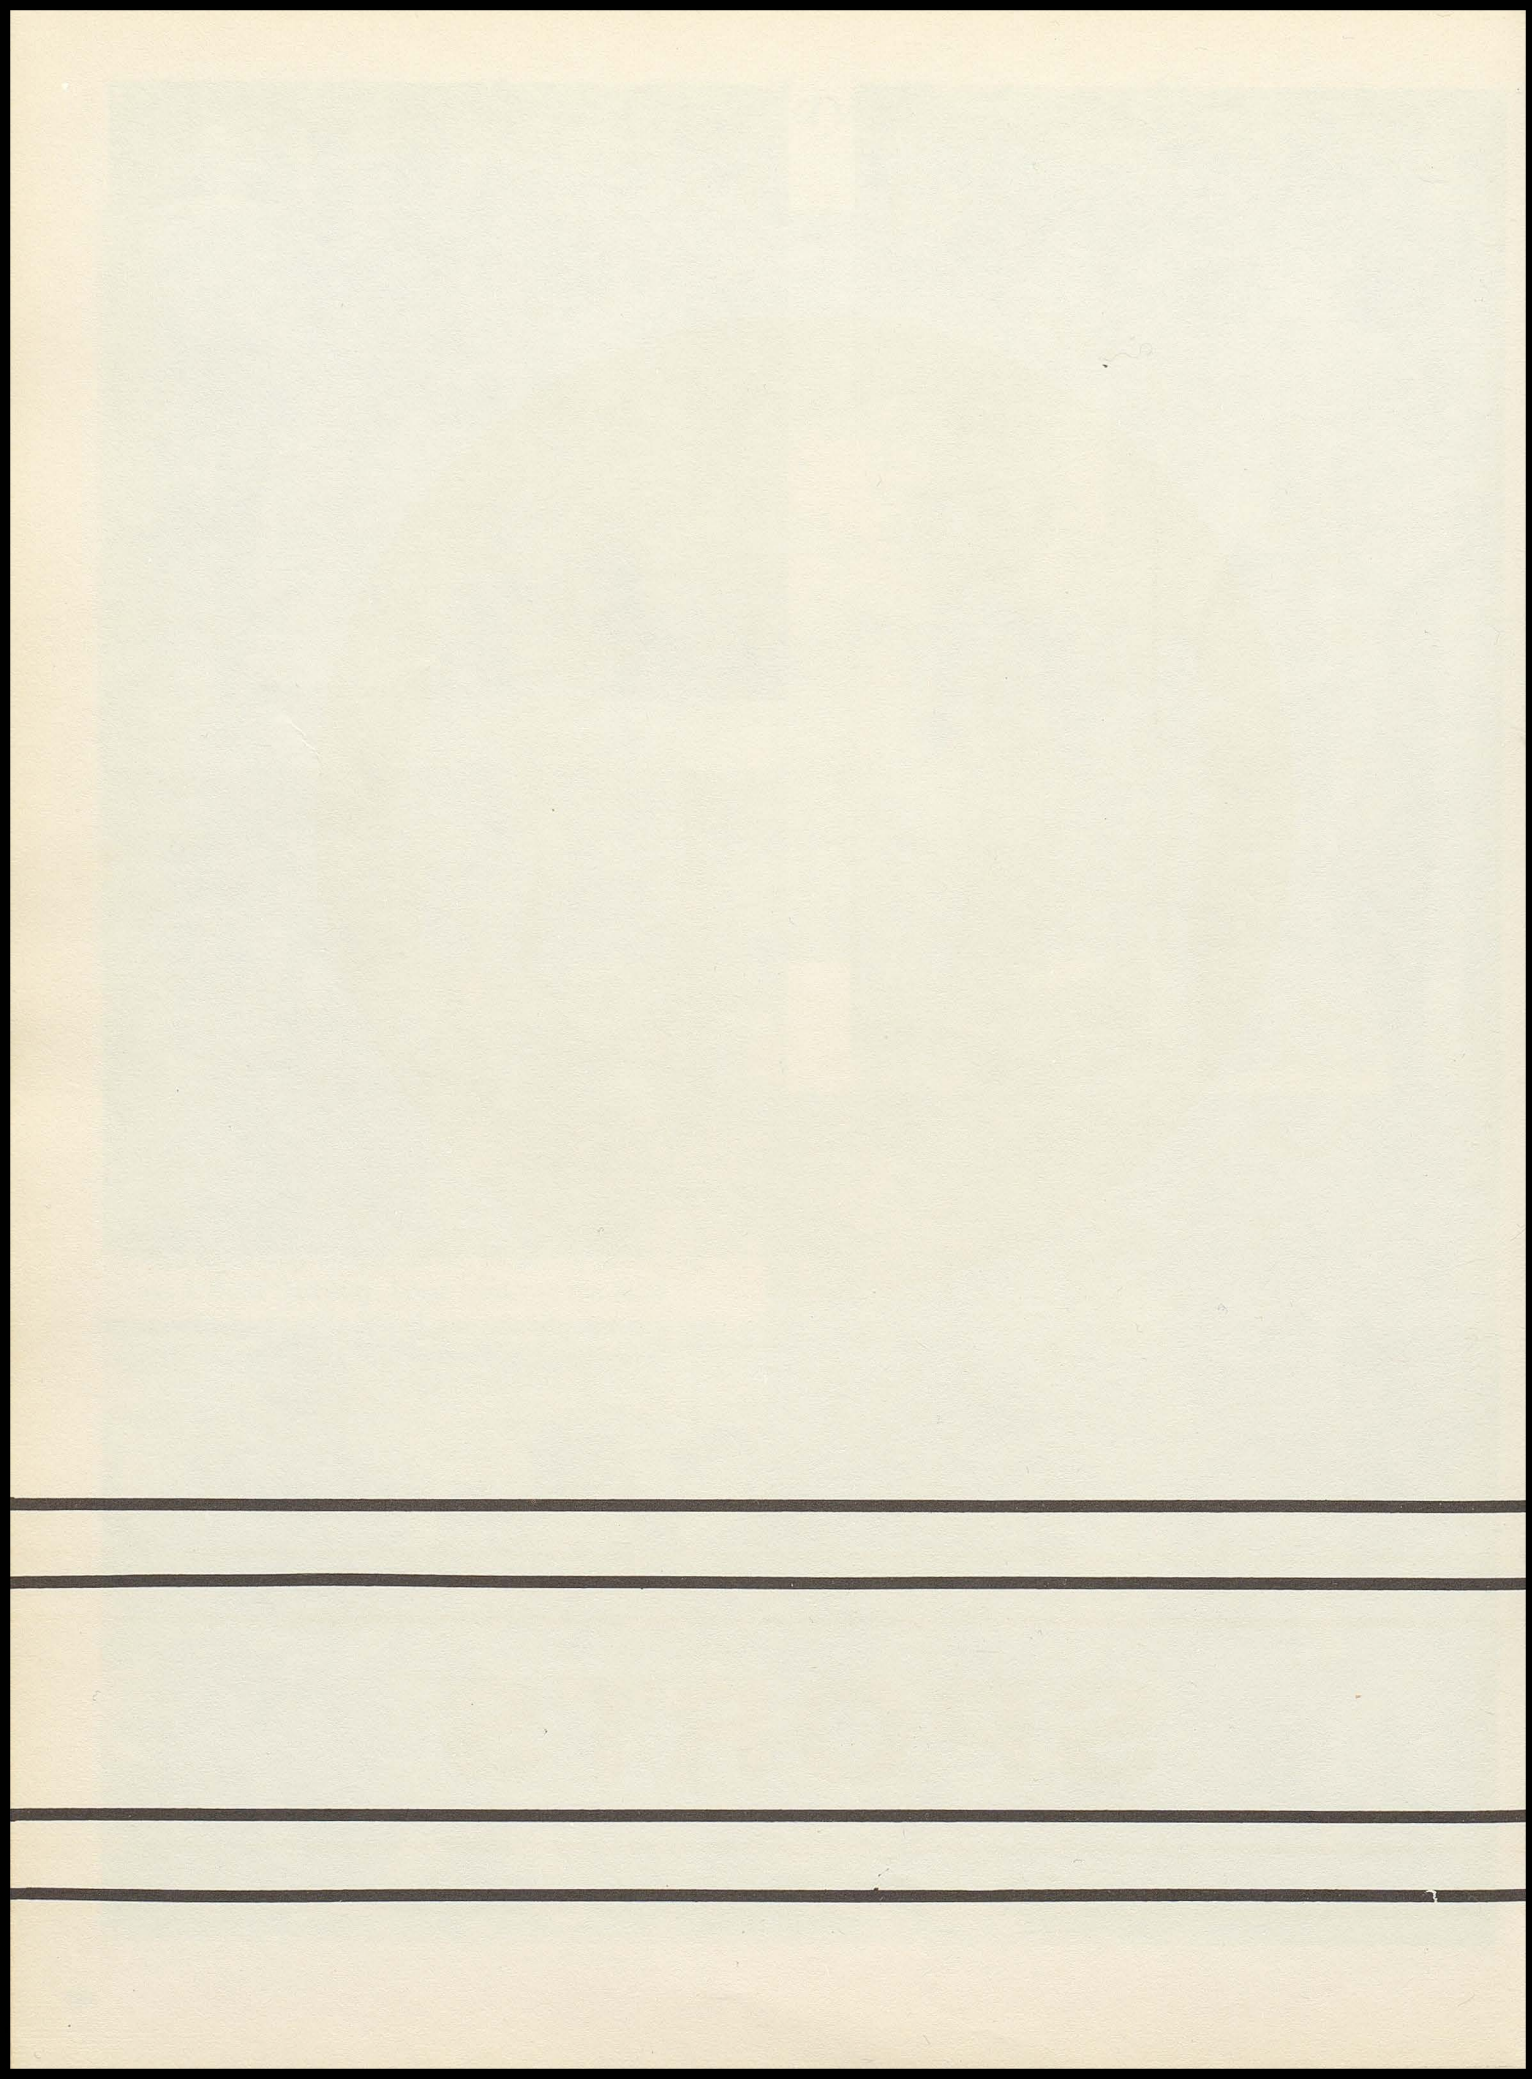

There is much more to a musical than just learning lines and songs. That's what many members of the choir discovered when they undertook the project of producing "Guys & Dolls" last May. Long, hard, but fun-filled hours were spent after school, constructing and painting scenery under the watchful eye of Mrs. Cyndi Besig.

The experience of Margo Prior, Sam Goldman, Peggy Swackhammer, Jim Clifford, Sammy Suriani, Brian McShane, Charles Burritt, and J.P. Lynch, along with the enthusiastic role of the others in the cast made for an excellent performance enjoyed by the entire audience.

Also, the pit band under the direction of Mr. James Hover performed quite admirably. But the key to the success of this production, beyond a doubt, was the fine and dedicated efforts of the director, Mr. Donald Besig.

Raiders Capture Steuben AA Title

The 1972 baseball season started out as any other season. Hornell dropped its first two games, the feeling wasn't there and the overall team play left something to be desired. But Coach Caruso stuck to his guns; he said, "Things will begin to happen" and they did.

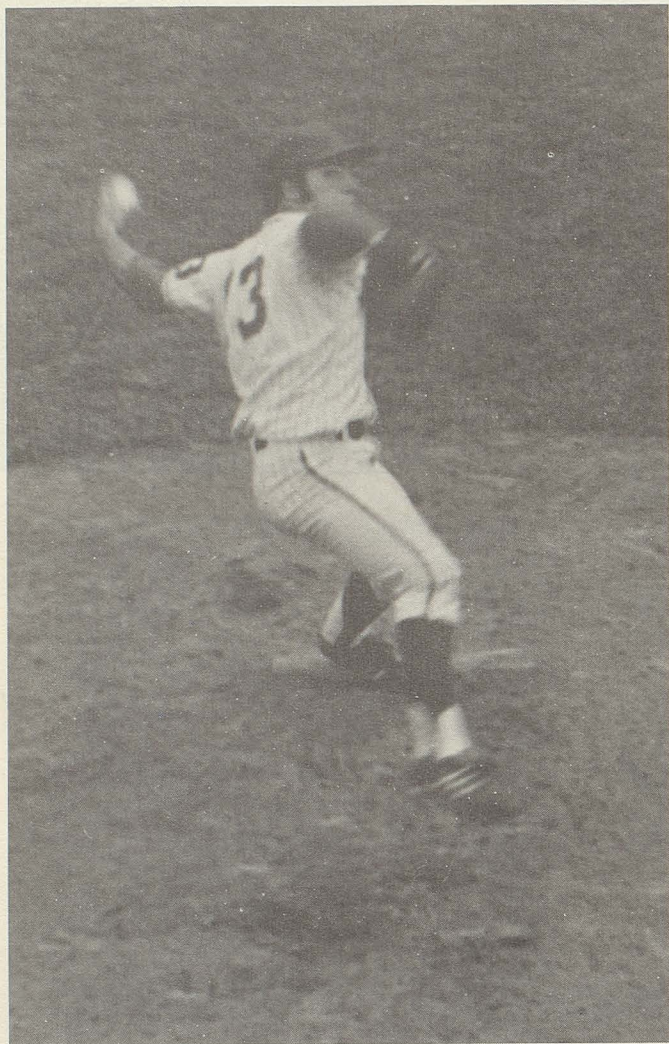

Suddenly the "Big Red Machine" started rolling, defeating such teams as Wellsville, Horseheads, Waverly, Southside, Corning East, and Corning West. In their wake, the Raiders left many teams with shattered dreams of sectional bids. They amassed a total of eight straight victories before they were stopped by EFA.

But these victories had by no means come easily. They squeaked by the league-leading Southside 2-1. Then they won a thriller from Corning West. Behind 1-0 after seven hitless innings the Raiders, led by Rick Sirianni, smashed out four hits and won 4-2. The team clinched the Steuben AA title by defeating Corning East in another heart stopper nosing ahead 2-1. By beating East the Raiders were assured of a spot in the playoffs and dreams of sectional honors were beginning to form.

Row 1: G. Tarabulski, P. McHale, F. Woodworth, M. Caparechio, C. Purce, C. Hall, J. VanScooter, P. Shepard, H. Krajuski. Row 2: Coach Sacco, T. Kelleher, G. Kelleher, J. VanSkiver, D. Willsey, D. Brewer, M. Robbins, Man. S. Mosher.

Hornell Snatches Section V Crown

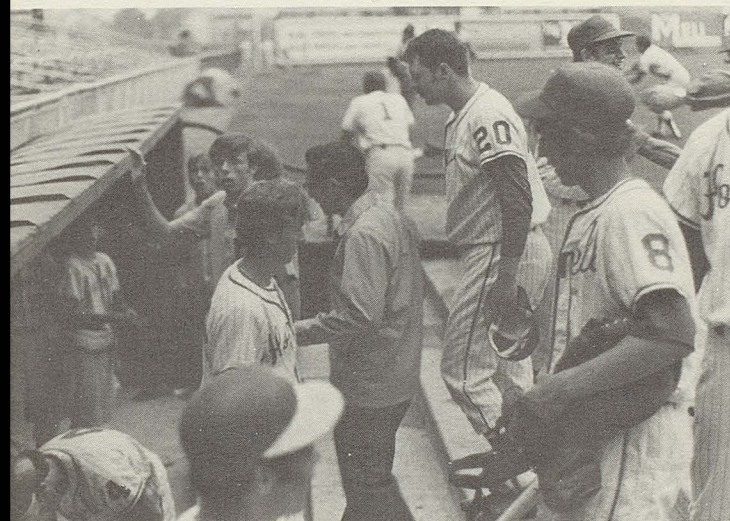

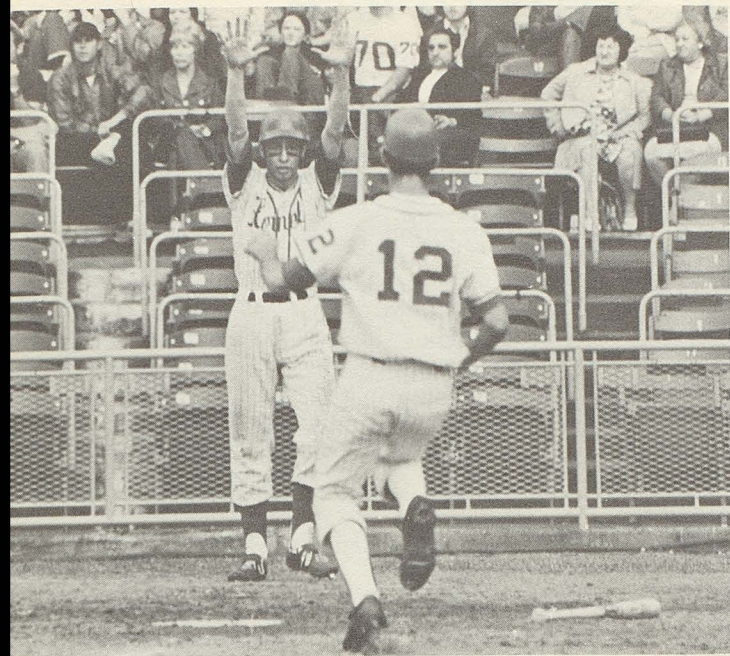

The Hornell High School Red Raiders ended the regular season assured of spot in the upcoming Section V tournament, but all was not rosy for them. They were in the midst of a slump, and Coach Caruso had definite lack of pitching depth to contend with.

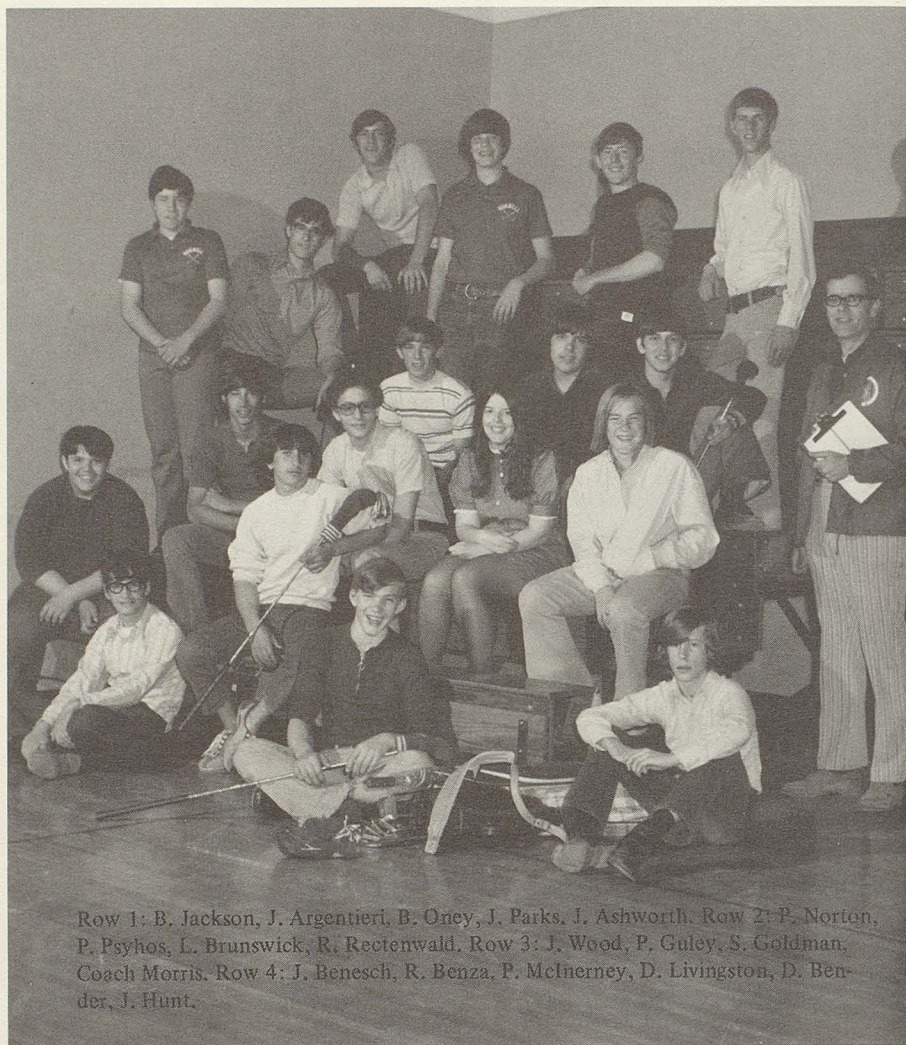

However, Hornell steamrolled over its first two opponents, beating Pittsford by a 4-2 margin, and then soundly defeating Gates. The stage was set for the climax of the baseball season as Hornell prepared to meet Greece-Athena to decide the Section V crown.

Greece-Athena opened the scoring in the bottom of the second, but Hornell came back in the third to score five runs and break the game wide open. The Red Raiders held on to win the game and they were presented with the sectional trophy as hundreds of faithful fans poured out onto the field, chanting, "We're number 1!"

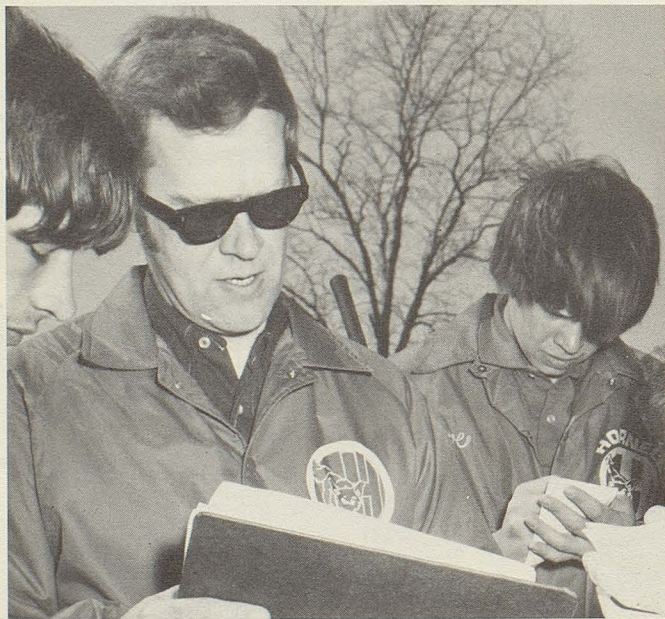

Linkmen Drive To Second Place

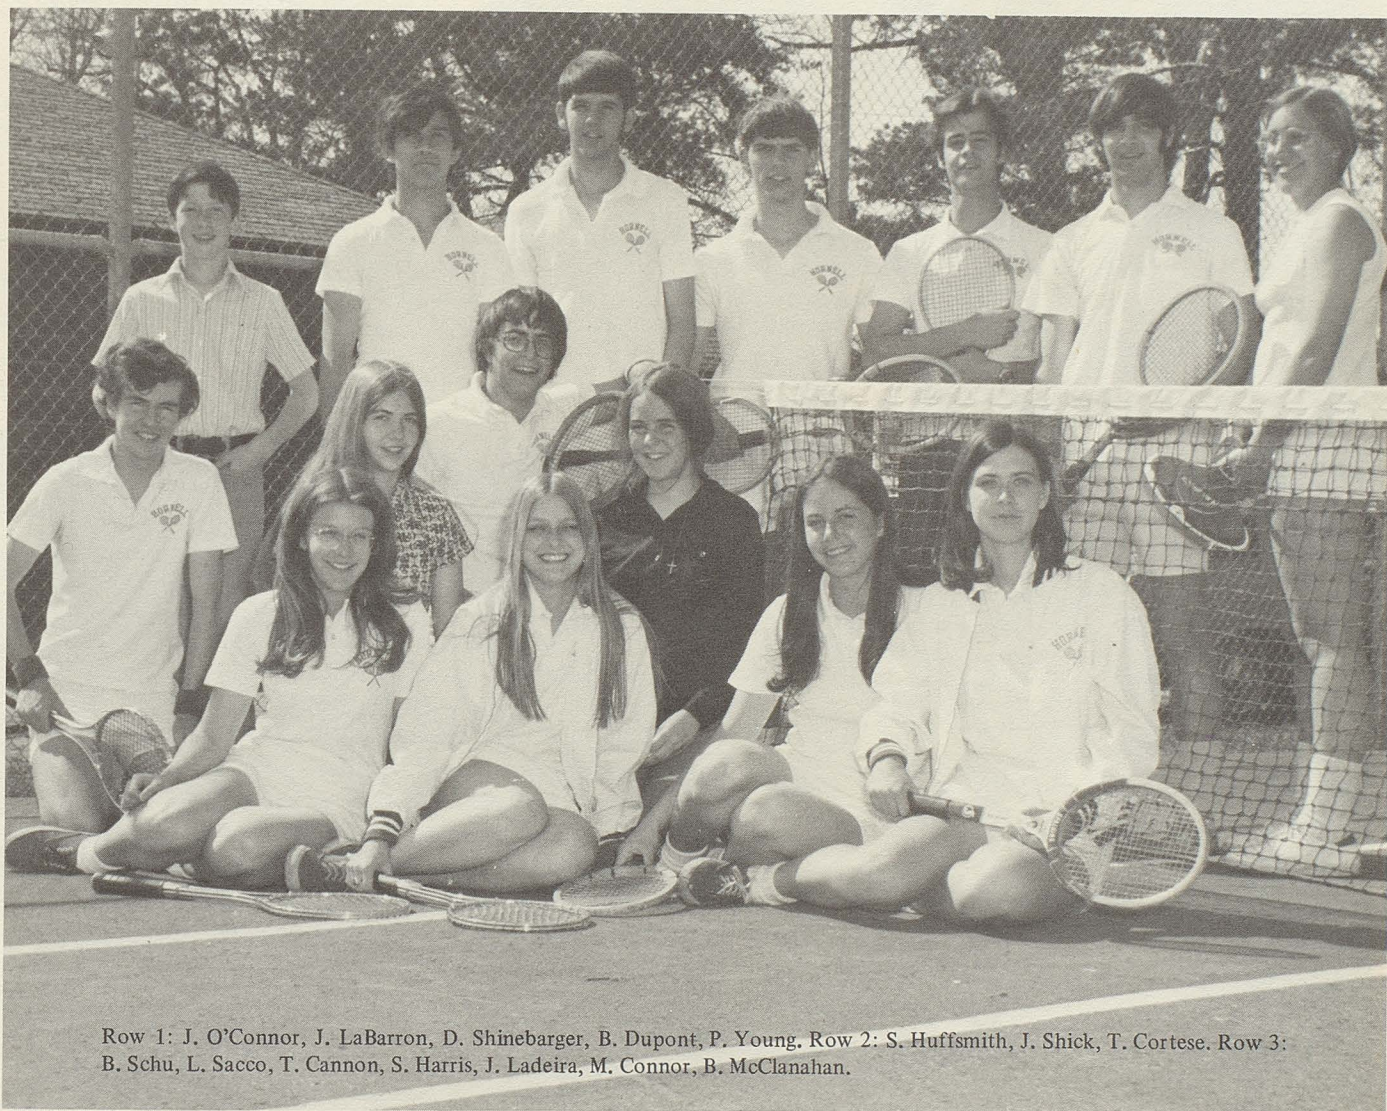

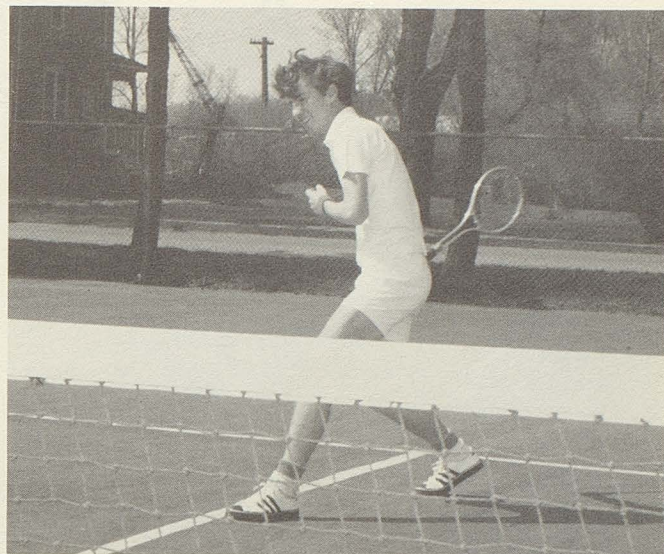

Row 1: B. Jackson, J. Argentieri, B. Oney, J. Parks, J. Ashworth. Row 2: P. Norton, P. Psyhos, L. Brunswick, R. Rectenwald. Row 3: J. Wood, P. Guley, S. Goldman, Coach Morris. Row 4: J. Benesch, R. Benza, P. McInerney, D. Livingston, D. Bender, J. Hunt.

Since the four top golfers returned this year, the Raiders were picked as the team to beat, and that they were. The Raiders sporting such standouts as Ray Benza, Dave Livingston, and Pat McInerney, trounced such teams as Canandaigua, Canisteo, and Bath to boost their record to a very respectable 6-3-2. The team tied for first in the County League and went on to finish second in the playoffs. Although Coach Morris is losing his three top golfers, he feels his fine J.V. staff will carry on the tradition set by this and past years' teams.

Tennis Team Serves Out Victories

The 1972 tennis team experienced the wind of change as girls breezed on to the courts to participate for the first time in interscholastic matches. Under the guidance of veteran Coach Brungard, the tennis team completed the season with a 6-9 record. They defeated such formidable opponents as Elmira Heights, Notre Dame, and Horseheads. With the majority of the starting players returning again this spring, the outlook is very optimistic.

Row 1: J. O'Connor, J. LaBarron, D. Shinebarger, B. Dupont, P. Young. Row 2: S. Huffsmith, J. Shick, T. Cortese. Row 3: B. Schu, L. Sacco, T. Cannon, S. Harris, J. Ladeira, M. Connor, B. McClanahan.

Records Fall At H.H.S.

The records came crashing down this season as the Hornell Cindermen came home time after time with a new mark for the books. John Hallenbeck set a new mark in the 2 mile run with an outstanding time of 10:24:6. The mile relay team of Holbrook, Harder, Nisbet, and VanKuren along with the two mile relay of Burns, Hollands, O'Connor, and Hallenbeck came home with new marks on several occasions. Mark Alger bettered his mark in the high jump to a very respectable 6'2½", and who can forget Howdy racing home time after time with another blue ribbon in the hurdles? The prospects for next season are encouraging, with such veterans as Bob Burns, Kevin Buckley, Mark Schneider, and many others returning. Coach Feltham feels next season will be as rewarding as this.

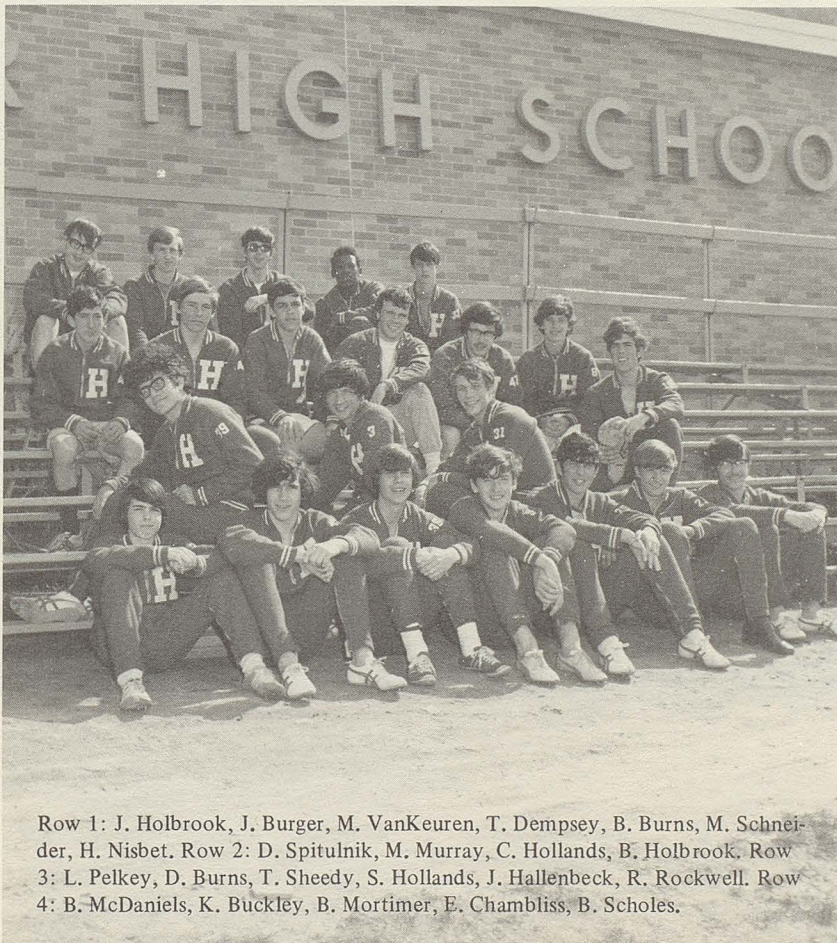

Row 1: M. Fiacco, M. Acker, D. Scott, M. Durso. Row 2: M. Parlavecchio, J. Prunoske, M. Crissy. Row 3: S. Hanes, J. Clancey, B. Wolfanger, R. Mobley, T. Sciotti, M. Wauffle, O. Wilson, K. Cleveland.

This was a year of transition for the Cross Country team, from last year's 1-2 punch to this year's 5 man bunch. The team lacked the one star runner who could win every race but each race seemed to bring out a new winner.

Although a 4-5 record is disappointing in a Cross Country man's eyes, it must be realized that the team was built mostly around underclassmen with the exception of team captain and two-year letterman Kevin Buckley.

These underclassmen gained invaluable experience and with 4 out of the top 5 runners returning next year the other teams in the Sullivan Trail Conference had better watch out.

Soccer Team Boots Season

The Hornell soccer team played to a tune familiar to many of the Hornell sportsmen this year. While a lack of experience was at times evident, the sheer hustle and determination of the boys kept them fighting when others might have quit. Although they gathered but two victories for the season, squad morale remained high and the underclassmen gained experience which may prove helpful in future years.

JV's—Super Season

Fall sports at HHS presented an overall dim picture this year, but there was one bright spot, the JV Football team. Sporting the same tough schedule as their big brothers, this young team breezed through with an unblemished record. Most of the games weren't even close due to the tremendous balance of both the offensive and defensive squads. We congratulate the JV's on a fine season and wish them the best of luck in their future varsity years.

Raiders Battle The Odds

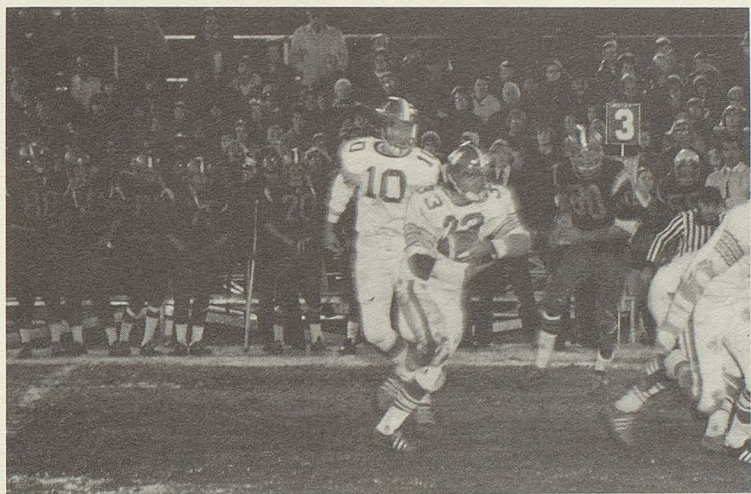

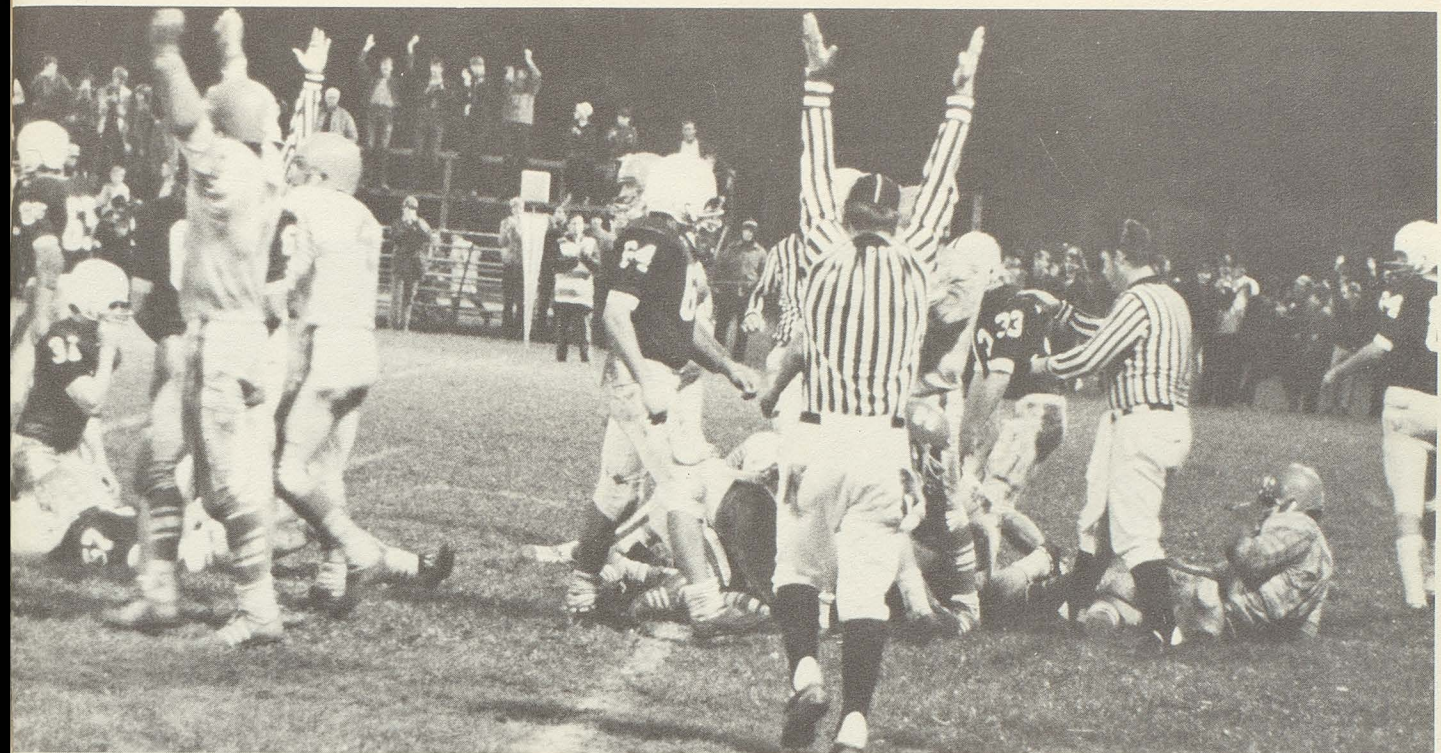

At some time in life one learns that winning isn't everything. In reality nobody wins all the time. The Raiders learned this early in the season but this did not dampen their spirits. They played each game with a great deal of spirit and determination.

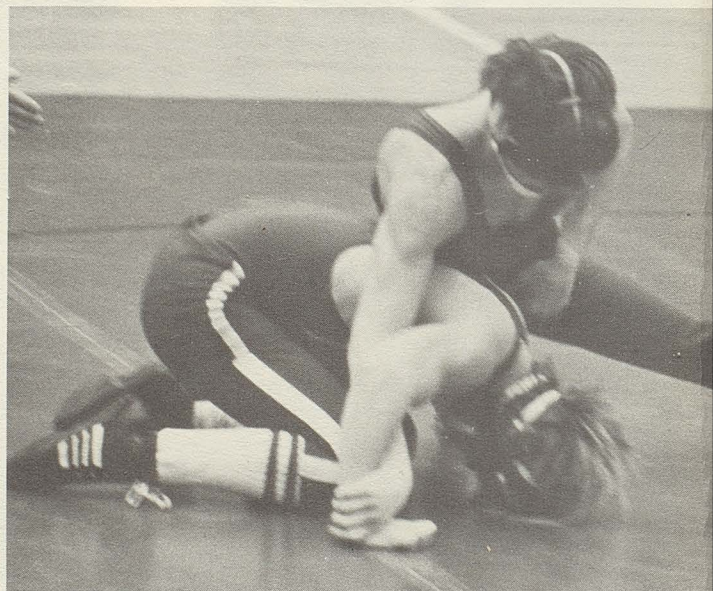

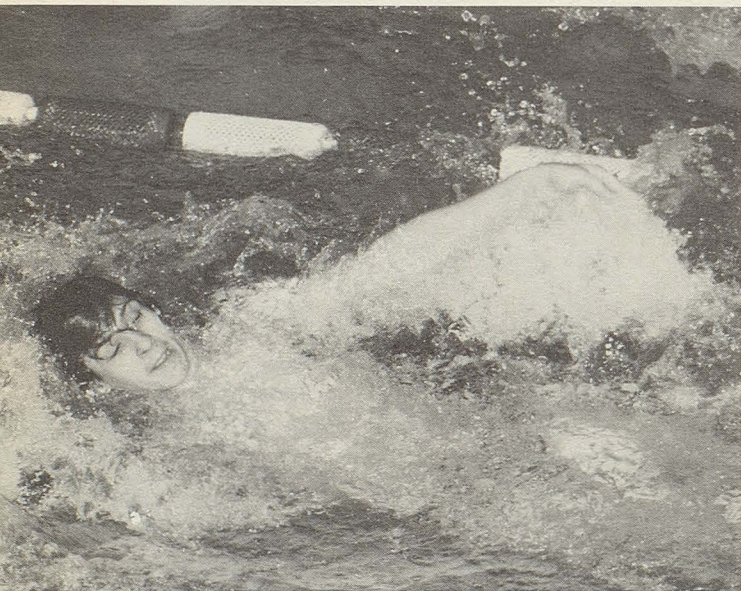

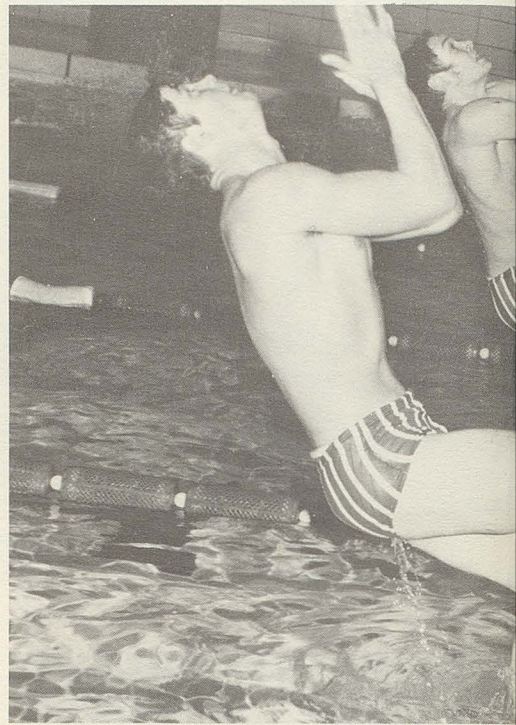

They just couldn't seem to put it all together. Occasional lapses by both the offensive and defensive units proved costly to the Raiders. The total effort of the team, while at times inadequate, was nonetheless courageous. It can also be said that the 0-8 record doesn't tell the whole story, for the lessons gained through working as a team are important in themselves.

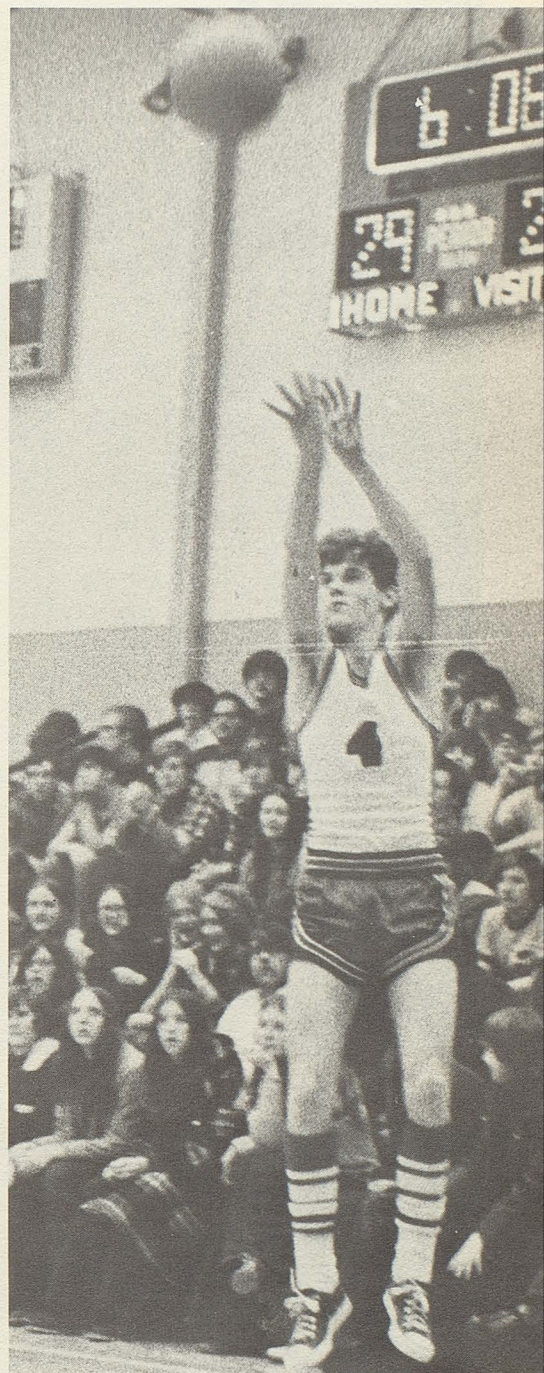

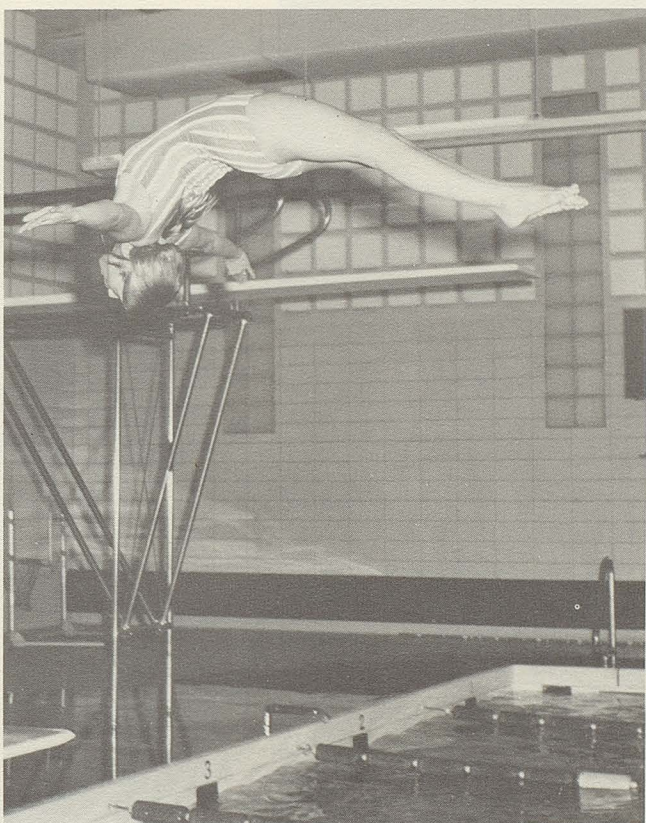

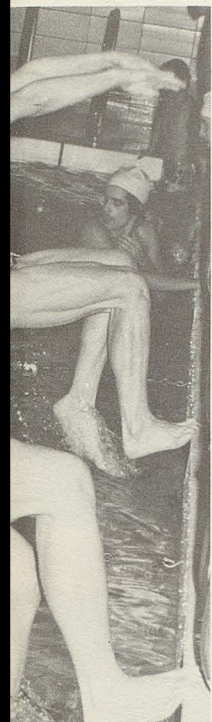

We salute the graduating seniors and retiring Coach Bottone, and wish them the best of luck in the future.

Starting clockwise from No. 9: T. Tibbott, D. Moretti, J. Gillette, B. Strausser, C. Hollands, J. Burger, T. Quinlan, G. Kelleher, B. Lukasiewicz, T. D'Apice, R. Mobley, B. Cameron, C. O'Brien, B. Finmen Finish First

Sometimes the record of a team does not describe the effort put forth thru an entire season, but 18-0 tells it all. Punishing practices of four and five thousand yards a day paid off in victory upon victory. The other teams in the league just couldn't compare. School records fell in the 100 Backstroke and 400 Freestyle Relay. The league record in the 200 Medley Relay belongs to Hornell. The key to the swim team's success was its depth. There were at least two good swimmers in every event. Coach Spittler is losing many of his top performers at graduation but many upcoming young members of the squad promise to perform equally well as HHS joins the Sullivan Trail Conference for the first time.

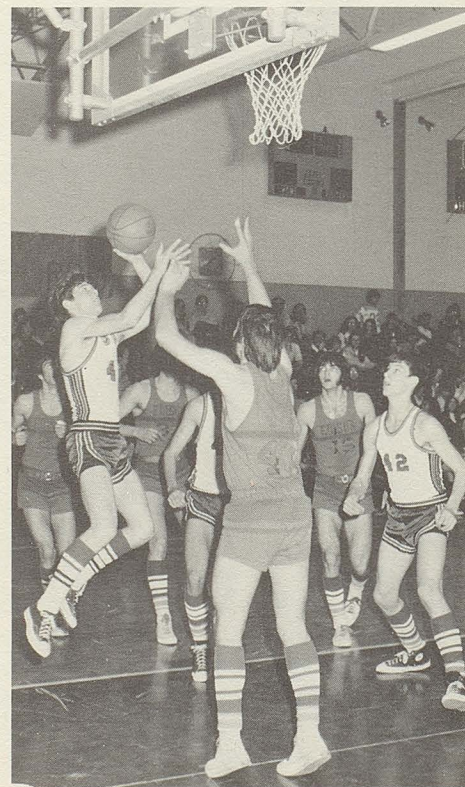

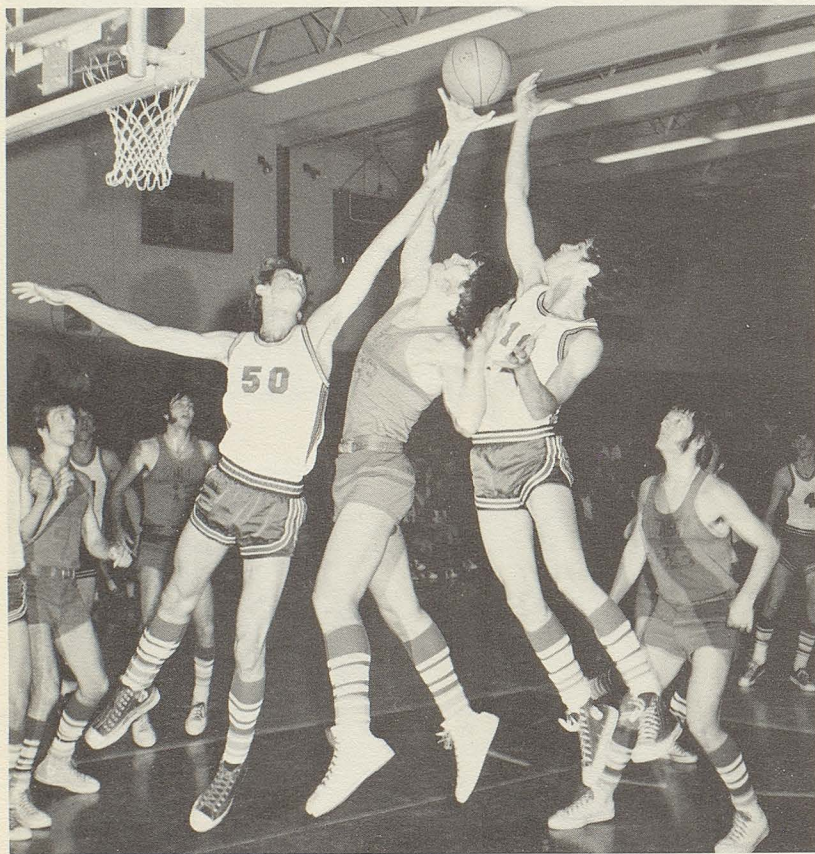

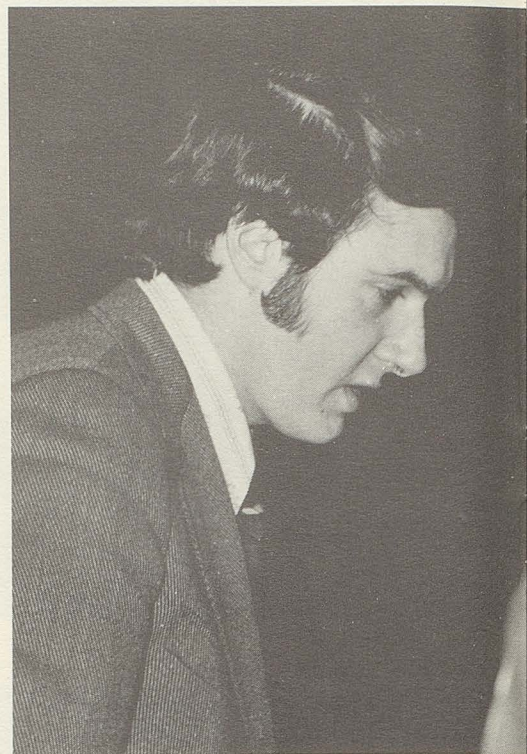

Row 1: S. Hooker, B. Mauro, B. Yergens, Coach Spittler. Row 2: C. McHale, C. O'Brien, P. Eveland, A. Trax, D. Bigger. Row 3: D. Riefer, J. Flajtz, M. Mahoney, J. Cortese, I. Zaporzynski, P. This year's basketball team faced a severe shake up in personnel. Coach Mitchell faced the awesome problem of replacing his starting five with inexperienced players. During the early going, the team just ran out of gas. Once again the 3rd quarter blues struck and Coach Mitchell had to dip into the JV team for personnel. The team thrilled the home crowd with an exciting double overtime game against Edison but were edged out at the buzzer. The JV team also had a shaky start but have gained skill and experience. As we go to press, there is still alot of the season left and maybe the best is yet to come!

Matmen Have Record Season

It was an outstanding year for the HHS grapplers. Their 8 wins in 13 matches represent an all-time high for this sport at HHS; and with two matches remaining as we go to press, there are hopes for an even more impressive season. Drawn by the team's success, record crowds watched as Larry Pelkey, Fran Noble, and Joe Sciotti bettered their individual records. Second year coach Bostwick hopes to place many of his more experienced matman in the Section Five meet. With a strong foundation of underclassmen and the loss of only three lettermen, next year's team could be the powerhouse of the Southern Tier.

The music of the Dance Band brings pleasure to listeners of all ages, for their repertoire of songs range from "I Love Paris" of the '40's to "I Will Wait for You" of the '60's. This select group is chosen from members of the full band. They practice as a unit on alternating Tuesday mornings and evenings while the separate sections squeeze in an extra weekly jam session. In addition to performing at concerts, the Dance Band has played for the Rotary Club and other community organizations.

Women's Lib Hits HHS

Walls of prejudice came crumbling down at HHS as girls were inducted for the first time into the Varsity Club. The liberated females underwent the same grueling initiation as the guys: wallowing in the mud, with no exceptions. During the basketball season all members were kept busy chaperoning the floor during halves and running the concession stand. The Varsity Club continues to promote sportsmanship at all school activities and presents an honorable goal for all athletes.

FTA Aids Irving School

The Future Teachers of America is designed to broaden the knowledge of those highschoolers interested in pursuing the teaching profession. With the dedicated help of Mrs. Arcangeli, the members obtain a better understanding of what teaching is really all about. The elementary school teachers at Irving School let the girls come into their classrooms and gain experience working with the students. This opportunity to teach makes the FTA members appreciate the woes and joys of teaching.

The Hornell chapter of Mu Alpha Theta, the National High School and Junior College Mathematics Club, under the advisorship of Mrs. Cannon, undertook the project of tutoring those students in need of extra mathematical assistance. Members also spent some of their study halls preparing for the annual math contest.

Students must reach certain standards to qualify for this club. The students inducted must have a general high school average of 85% and must have completed the required college preparatory math courses. Mu Alpha Theta strives to stimulate interest in higher mathematics.

Late into the night, the empty halls converging on 154 often echoed the sound of someone pecking at a typewriter. Not an anxious typing student but rather a lone Maple Leaf Staff member.

Throughout the year, the Maple Leaf Staff worked hard as a unit, soliciting advertisements, selling books, and raising money. Under the supervision of the editors, some staff members learned the basics of layout and the jargon of copy. Cropper, light table, picas, duotones, dummy spreads, and many other terms augmented their vocabulary.

Being students, the editors were constant procrastinators. As each deadline approached, work piled up at a chaotic rate. On several occasions a belligerent janitor forced the editors from the building late at night. When the last deadline was finally shipped, the walls of 154 almost literally breathed a sigh of relief.

It must be admitted that without the help of Mr. Besig, the advisor, this yearbook would never have materialized. He patiently bore the responsibilities and more often the irresponsibilities of the staff. For this the editors express their utmost gratitude. Special thanks also go to Cheryl Paul, Kathy Petersen, and Barb Harder, whose devotion and diligence were supreme examples of the dedicated staff member.

The highlight of the year for the National Honor Society is the induction ceremony when new members are tapped. This year 41 students, of which 27 were seniors, became members of this selective organization. Those chosen must possess high standards of scholarship, leadership, character, and service. In addition, they must maintain a high scholastic average. This year's ceremony stressed these points which constitute the flaming torch, emblem of the Honor Society. The club is necessarily inactive, for the members are involved in too many other extracurricular activities. However, it is the goal of many students to become a part of this organization.

For the first time, the Varsity Swingers consisted almost wholly of underclassmen. Only three of the eighteen members were seniors. Although the group was young, the vocal quality did not suffer. Since before school was the only feasible time to meet, the walls of 154 started shaking at 8:15 A.M. as the group learned new songs and perfected old familiar tunes.

The Swingers prepared two programs. At Christmas time they sang for various civic groups. Their music was taped and aired over the local radio station.

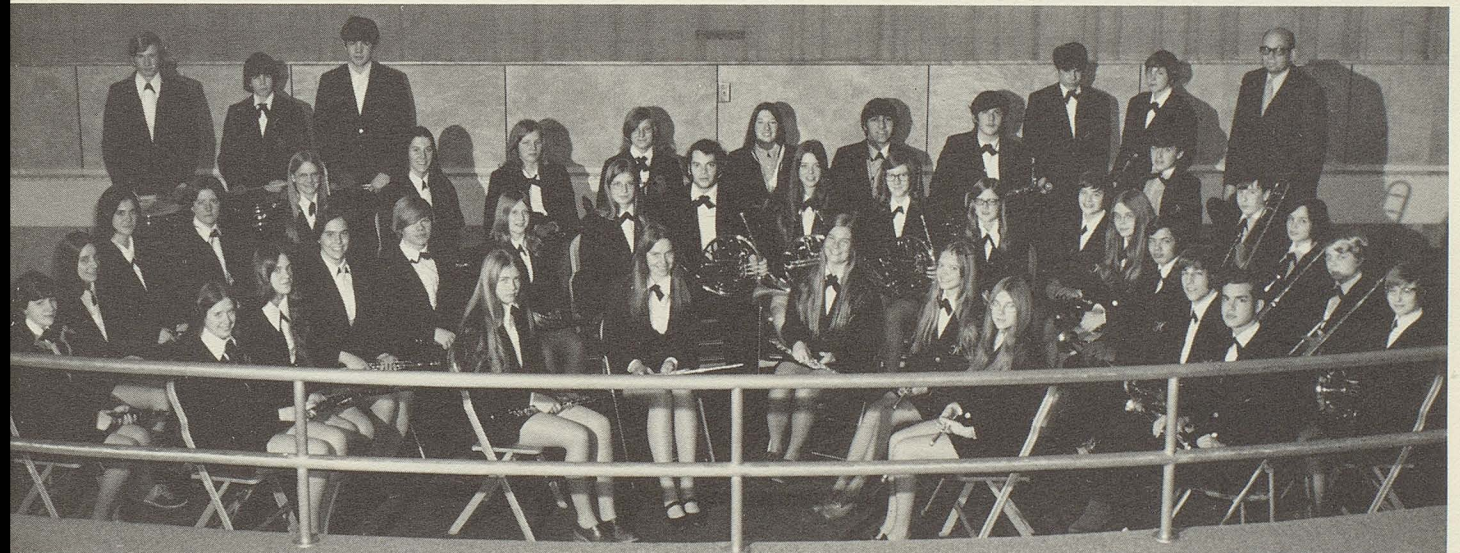

In spring, the group performed at banquets and other functions. The prospects for the coming year are very good. Since Mr. Besig is losing only four of his Varsity Swingers, next year's group should be quite experienced and close-knit.

There's Music in the Air

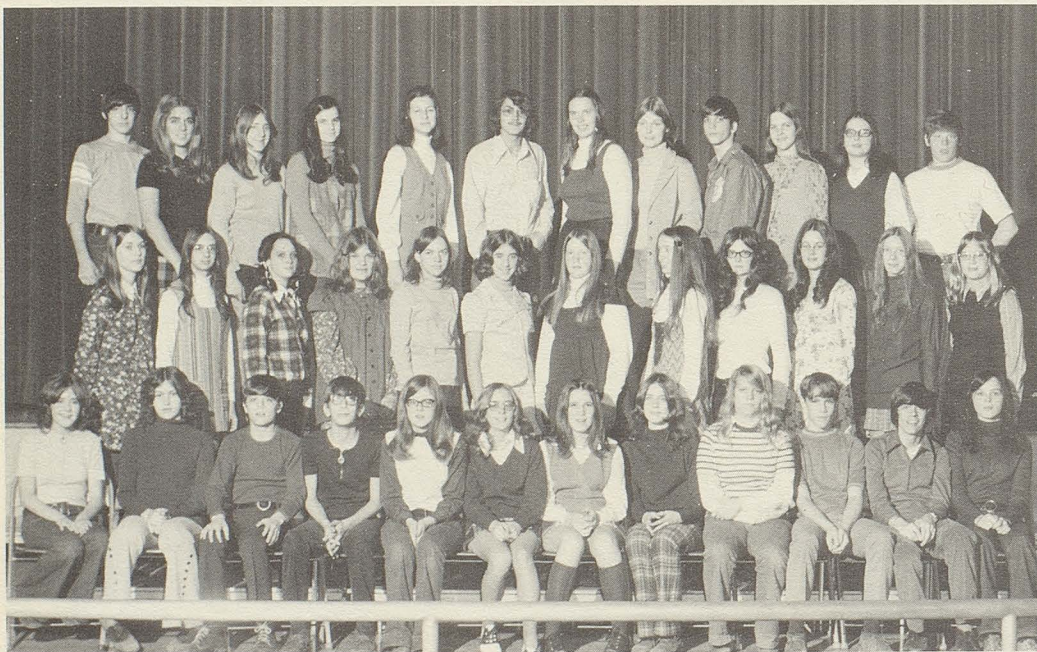

One of the highlights of last year's Winter Concert at HHS was the introduction of the Wind Ensemble. Numbering nearly 40, this group practices twice weekly. Since it is selective, the Wind Ensemble is able to practice and execute more difficult pieces and musical arrangements than the full band. During the exchange with the Bernardsville, New Jersey Band, the Wind Ensemble combined with a similar group from New Jersey and performed in the exchange concerts. Under the direction of Mr. Hover, this organization enables its members to become acquainted with various new and challenging aspects of the music field, and, as a result, become more accomplished musicians.

Broken Bones Brigade

Beginning in January this year, Hornell released 4 busloads of Ski Club members on Swain. For 6 Friday nights the members received lessons and practice in the growing sport of skiing. While the beginners were stumbling on the easier Meadow Slope. The advanced members demonstrated more spectacular falls on Clark. Nevertheless, under the guidance of Mr. Wicks the Ski Club enjoyed another entertaining year.

The Ticklebrains

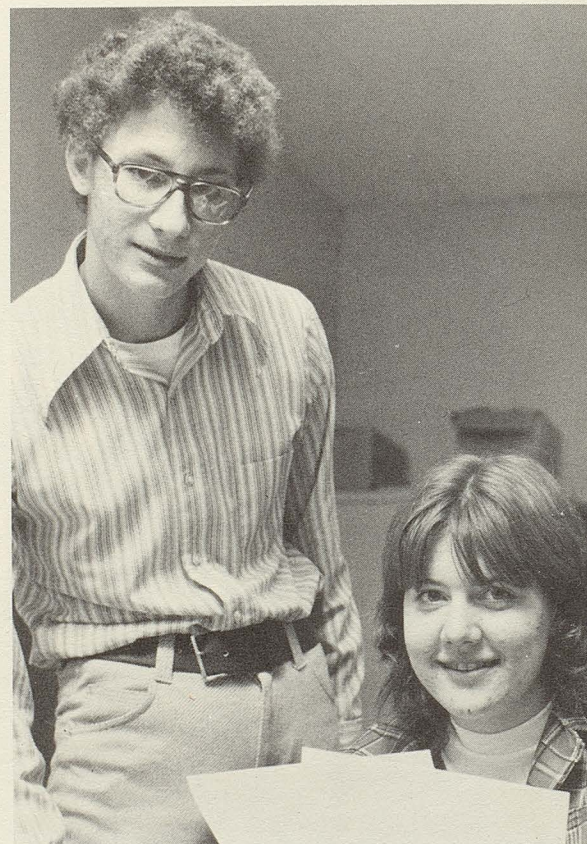

Jeanne LaBarron and Diana Barber

Nancy Allison

Through many laborious hours and frequent trips to Mac-Donald's, the editors and their few devoted staff members struggled to meet inevitable deadlines. Many of the outstanding, original layouts and copies were conceived under extreme duress. A new sales pitch brought a notable increase in sales over recent years. Keeping in mind the ecology trend, the paper upon which you are reading is made of 100% recycled materials.

Due to heavy debts incurred from preceding years, page dimensions had to be reduced to meet expenses. However, the additions of spot color, special effects, and more pages have been added in hopes of making this one of the best and certainly the thickest yearbook ever produced in the history of HHS. We hope that this has been an appropriate representation of our student body and the school year.

Roman Representatives

As always, the Latin Club can be cited as one of the most active at HHS. John Shick, consul-major and his slate of officers including Ellen Cropp, consul-minor; Nancy Berry, scriba; Marisa Stryker, quaestor; Mark Schneider, praetor; and Amy Nugent, historica; along with the senate, organized many projects. Under the unequalled supervision of Philip Cali, the group sponsored a dance and sold candles to raise funds.

Members of JCL also attended a film festival at Cheektowaga and are active in both state and national conventions, where they are among the chief competitors for awards. But the most spectacular highlights of the year were the Saturnalia and Roman Banquet. The delectable odors of the sumptuous courses adds to the vivid picture of Roman social life. Dressed in togas and served by slaves, Latin students exchange gifts and were entertained by gladiatorial combats and various skits.

The Hornell Junior Classical League is continually subject to renewed enthusiasm and increased membership since it creates spirit in the study of an old but rich language.

Ready, Aim, Fire!

Tuesday and Thursday nights the air around the football stadium resounds with the echo of gunshots. The reverberations are evidence that the HHS affiliate of the National Rifle Association is holding a practice session. Using the 50-foot range built underneath the grandstand, members fire .22 caliber rifles in intramural competition and compare their efforts against established scores to earn N.R.A. Marksmanship Awards. Advisors Mr. Straight and Mr. Spencer also instruct members in the proper handling of firearms as an important part of the clubs activities.

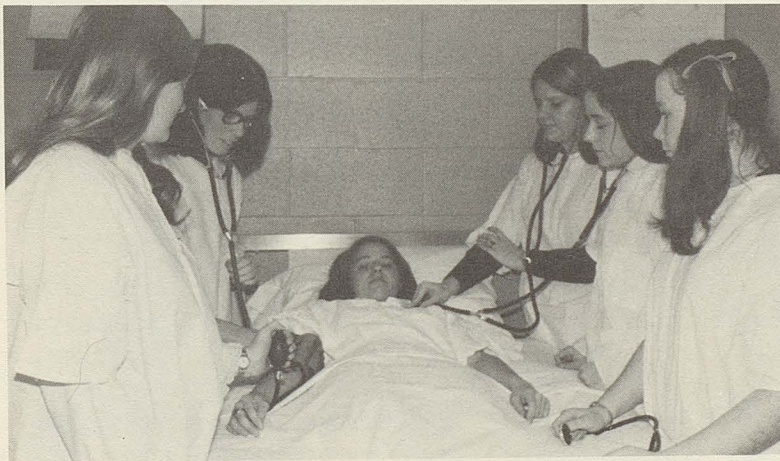

Row 1: J. Schwartz, B. Wizeman, R. Bartlett, J. Sprague, J. McClanahan, S. Delaney, L. Mortom, J. Cartella. Row 2: F. Campbell, D. Stanton, A. Imposter, D. Creegan, M. Dailey, M. Connors, M. Schneider, O. Wilson, Mr. Spencer, D. Lewis. Ladder: D. Siriani, P. Dunn, T. Dean, G. Towner, R. Boone.

One of the active clubs at HHS is almost entirely overlooked. The Health Careers Club, under the guidance of Mrs. Gray, remains behind the scenes as it renders invaluable service to the community. At Thanksgiving, the club prepared a basket for a needy family. Santa Claus and the Easter Bunny visited both St. James and Bethesda Hospitals, compliments of this organization. The activities of this service club are appreciated by those who are aware of their work.

Kneeling: S. Harwood, P. Psyhos, M. Henchen. Back row: D. Edmond, D. Berry, L. Argentieri, D. Reynolds, M. Angell, L. Bottomley, A. Devlin, C. Slater, C. Berry, K. Clifford.

This year's camera carriers, under the watchful eye of Mr. Caneen, started out enthusiastically, as usual. "The Misadventures of Merlin Jones" was shown in an effort to raise money for future projects. The club was successful in raising the money, but no further projects materialized. The goal of the Photography Club is to make equipment available to those students interested in photography.

A few members actually did learn how to use the 35 mm cameras and how to develop prints. Gradually the membership dwindled until almost no one was left, but the remaining camera bugs continued to meet regularly. They supplied numerous pictures for the yearbook. Thanks from the editors go to the active Photography Club members.

Strikes, Spares, and Misses

Every Monday night after school, a busload of students descended upon the Hornell Bowl. The Bowling Club quickly split up into its teams of four and the members attempted to score 300. Butch Ermy as secretary did an excellent job, making sure that each team bowled against the proper team and keeping track of competitive standings. The coaching of advisor Mr. Brungard improved the scores of many.

Play It Again, Sam

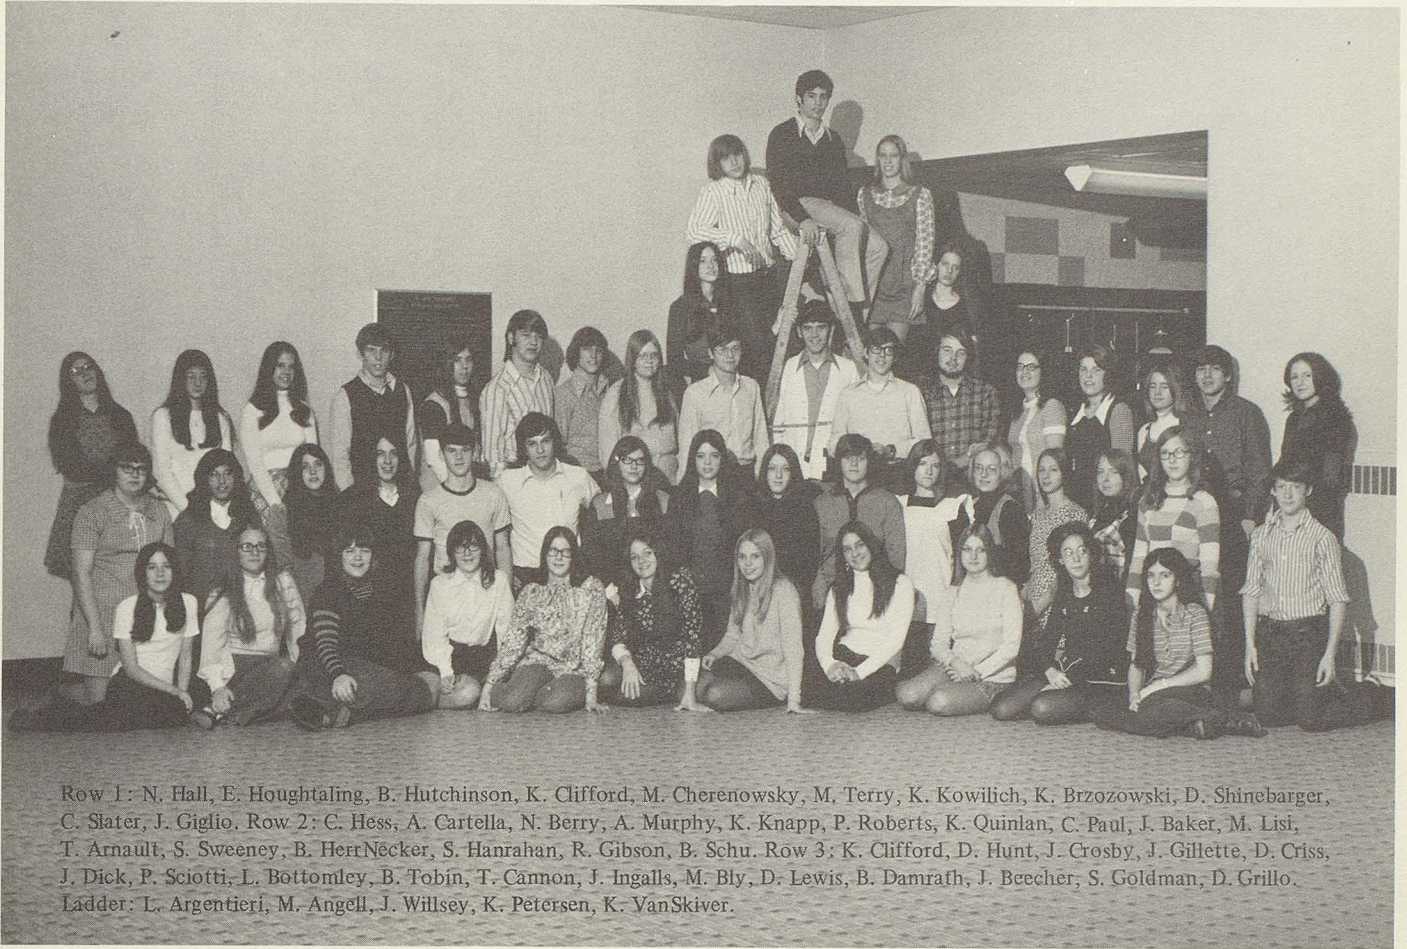

Row 1: C. Paul, E. Cropp, L. Stephens. Row 2: B. Beyer, S. Suriani, P. Young.

If you heard strange noises emanating from the band corridor after school during football season, chances are you heard the discordant voices of the five majorettes desparately attempting to fashion their routines in time for the next game. Many people fail to realize how dedicated these five girls are and how much time and effort goes into their routines. Just how dedicated they are was evident when they performed a breath-taking fire routine to end the football season. In their two years together, the girls have matured to become creative and experienced twirlers. They should be commended for originating such fine routines, sometimes on short notice, and for giving their best to make the half time shows a success.

Keys to Service

Row 1: N. Hall, E. Houghtaling, B. Hutchinson, K. Clifford, M. Cherenowsky, M. Terry, K. Kowilich, K. Brzozowski, D. Shinebarger, C. Slater, J. Giglio. Row 2: C. Hess, A. Cartella, N. Berry, A. Murphy, K. Knapp, P. Roberts, K. Quinlan, C. Paul, J. Baker, M. Lisi, T. Arnault, S. Sweeney, B. HerrNecker, S. Hanrahan, R. Gibson, B. Schu. Row 3: K. Clifford, D. Hunt, J. Crosby, J. Gillette, D. Criss, J. Dick, P. Sciotti, L. Bottomley, B. Tobin, T. Cannon, J. Ingalls, M. Bly, D. Lewis, B. Damrath, J. Beecher, S. Goldman, D. Grillo. Ladder: L. Argentieri, M. Angell, J. Willsey, K. Petersen, K. VanSkiver.

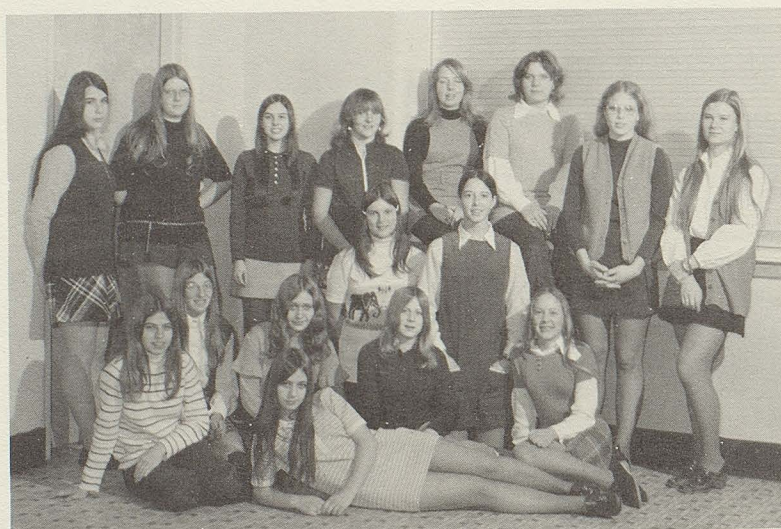

The Key Club, youngest of all clubs at HHS, goes about its business in a rather secretive manner. This is not to say, however, that the club is inactive. When approached by Project Rebuild, the club members pitched in with their support and sent volunteers to Corning to aid the flood-stricken residents. A club of this sort is invaluable to the school and community and the members should be commended for a job well done.

As a result of the struggle for female representation in sports, GAA membership soared to a record enrollment three times as great as in previous years. With energetic Miss Thisse as advisor, girls engaged in several organized sports. In addition to soccer, tennis, synchronized swimming, and basketball, for the first time there appeared a girls' track team. All things considered, GAA has done much to promote school spirit at HHS.

It's The "Reel" Thing

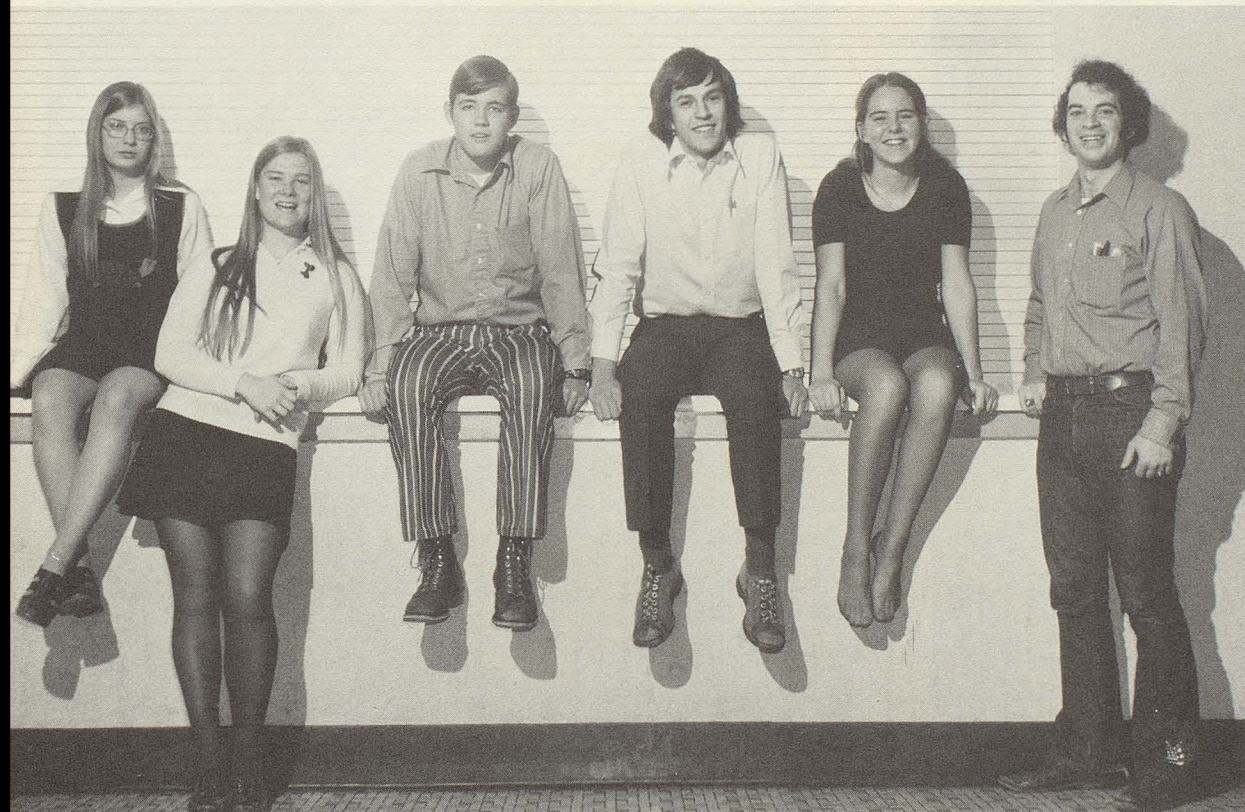

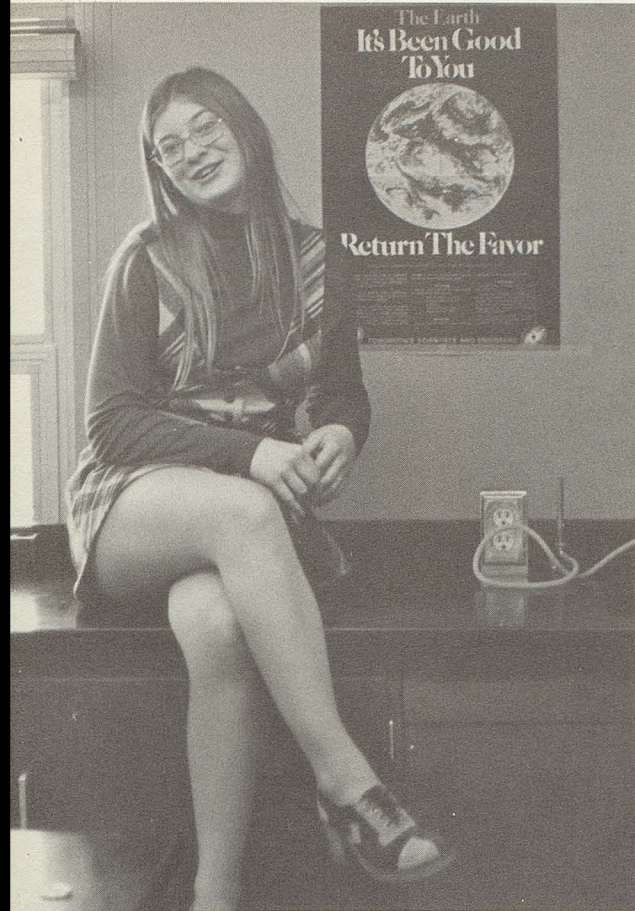

One of the most maligned, yet vitally important clubs in the school is the Audio-Visual Club. Without their invaluable service, the showing of films in the high school could come to a grinding halt. The club members help set up equipment, repair machinery, and even make films of their own. The club has had much practice in taping local sporting events, and in recent years have become quite proficient in their art.

Ecologically Speaking

Pollution of our environment is fast becoming a major problem of the world, but students at HHS seem reluctant to take action. One of the Ecology Club's projects was an area reclamation center for glass containers. Ideally, this project would have served a dual purpose. Some of our reusable resources would have been recycled, and the people of Hornell may have been awakened to the problem. Unfortunately, a lack of student and outside support stifled the idea. The club hopes that soon others will join in the fight to preserve our beloved planet.

The cheerleaders continue to spark the spirit at HHS, faithfully supporting all school teams and encouraging others to do so. Their many hours of practice may go unnoticed but never unheard.

Their pep assemblies used a variety of new ideas to stimulate more participation of students and faculty. An athletic activity just isn't complete without the effort and enthusiasm of the cheerleaders.

Banned In Boston

With spirits high after last year's successful trip to Boston, the band planned another eventful year. It began with early morning practices in preparation for their half time performances. The band also traveled to Merrill Field where they displayed their talent in a half time show to end the season for the Alfred Saxons. In November, auditions were held to determine seating, and the real work began. Under the patient direction of Mr. Høver, long hours were put into band rehearsals and rotating schedules in an effort to present another outstanding winter concert. Later on, the band undertook another excursion, this time to Bernardsville, New Jersey. In the spring, the annual round of parades was held and the band stepped out in fine style to the tune of "Zing! Went the Strings of My Heart."

Burritt, T. Tylor, P. Walker, M. Hunt, L. Bottomley, M. Griswold, J. White, L. Flansburg, B. Grimm.

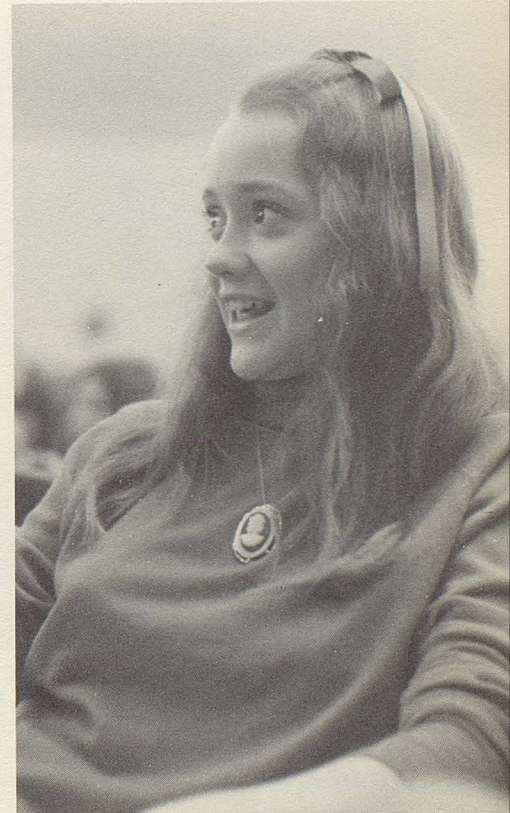

In recent years, Mr. Besig has directed two choirs. Due to an overabundance of sopranos and altos and a scarcity of tenors and basses, HHS vocalists have been divided into a girls' choir and a full choir. The girls' choir consists of Freshman and Sophomores. The full choir is composed of all boys and upper class girls. Daily rehearsals reap their just rewards, for every year the vocal music department presents an outstanding Christmas concert. Several members always participate in the annual All-County and Area All-State Festivals. And of course, each year's spring musical production is an event that few fail to see.

For the first time this year, weekly rotating schedules similar to those of the band were set up for choir members. The new individual attention given added to the quality of the two groups as a whole. The 1972-73 school year has been a successful one for the vocal music department of HHS.

A.F.S. Promotes Human Relations

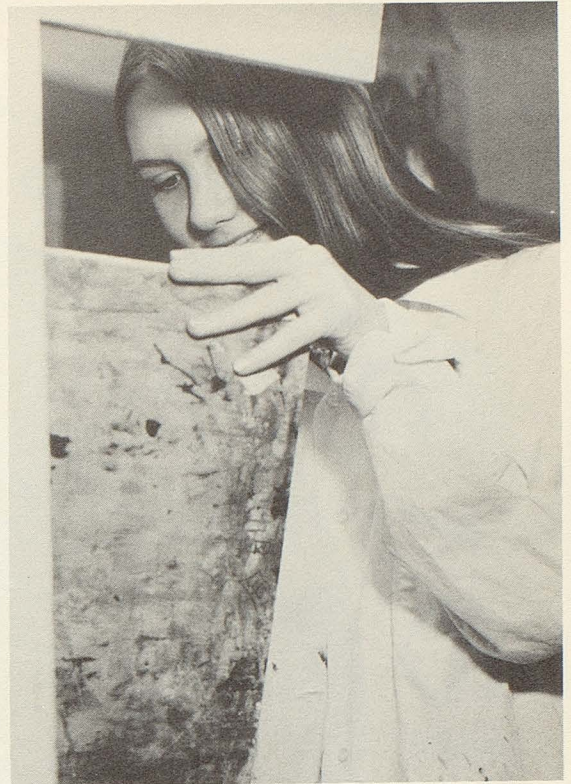

As a service club, AFS is one of the most active in our school. It's main purpose is to make sure that our foreign exchange student at HHS is as happy and well-adjusted as possible in his new surroundings. The club joined with the adult chapter in Hornell to sponsor a rummage sale and also to operate the concession stand during football season.

Some of its members kept the figures for the magazine drive held earlier this year. A welcoming tea was held for Paul Roberts, our visitor from England and plans are in the offing for a student exchange with other schools. Of course, there is the annual banquet in the spring. Under the capable guidance of Mrs. Cropp and Mrs. Aultman our club is headed for another active year.

Huff, B. Head, S. Loper.

The offering of new courses this year by the Art Department caused increased creativity on the part of the students.

Ceramics, studio art, drawing and painting, and sculpture attracted many new students and the Art Club membership expanded proportionately.

Several artisans exhibited their work at the Rochester Scholastic Art Exhibit where they competed for prizes on a state-wide level. The club members, accompanied by their advisor Mr. Printy, were able to take full advantage of the field trips the club offered, and thus broadened their appreciation of art in its various forms.

A FIRST BY VARDEN

Student Yearbook Photographers Workshop

"a Fantastic Success"

In August of 1972, Varden Studios sponsored a workshop for student yearbook photographers which was held on the St. John Fisher College campus in Rochester, New York.

One hundred and forty students and yearbook advisors took over 12,000 photographs during a 3 day period. All photos were processed and critiqued during the workshop. In addition to this, everyone enrolled attended 4 theory lectures, 5 one hour talks by top men in their fields, 2 slide shows by Kodak, a tour of the Rochester Institute of Technology photo department and also found time for a cookout and several social hours which included an all night rap session.

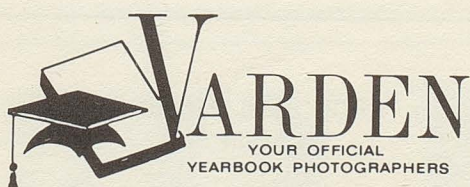

Everyone was asked to fill out sheets to evaluate the workshop. Some of the comments were: quote "I hope I flunked so I can return next year" by Laurie Chapman, Amsterdam High School, Albany, New York. "Varden should conduct workshops, again, again, again and again" by Terry Tiraborelli, Fairport High School, Rochester, New York. "I thought the whole workshop was fantastic" by Kathy Beerhalter, John F. Kennedy High School, Utica, New York. "I believe that this workshop, the knowledge and commitment that is

involved, has broadened our minds not only as photographers, but also as adult human beings, who can work together to obtain a more advanced form of communication" by Craig Gross, Corning-Painted Post East High School, Corning, New York.

Workshop '73 has already been planned. For information, call or write Mr. Carl Tandoi, Varden Studios, Inc., Rochester, New York 14607. Phone 546-2360. We hope to see you there.

except the coming
of another day.*

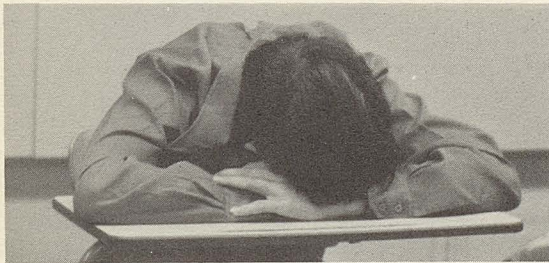

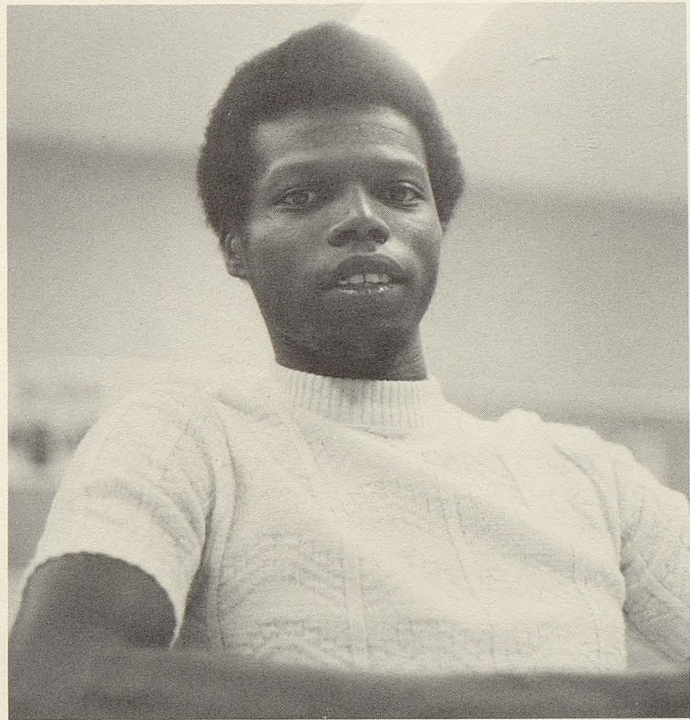

*But two against
a winter morning*

*are sure to claim one more
victory over chance and
trouble.*
