A Dear John Letter . . .

Dear Mr. Tobin,

We, the 1978 Maple Leaf Staff, are proud and privileged to dedicate this yearbook to you.

You have been to all of us:

A stepping-stone to our driver's license.

A true friend.

A dedicated sportsman.

A respected community worker.

A profound believer in H.H.S. athletics.

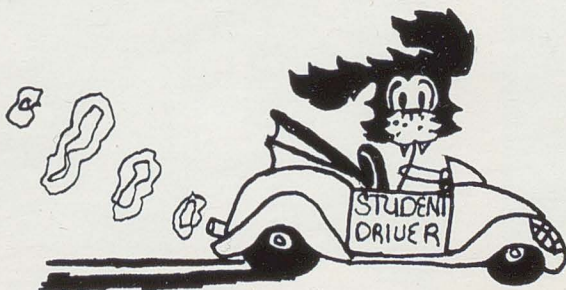

A source of quick wit and humor.

A teacher who is a perfectionist.

We sincerely wish you good luck and our very best wishes in your future years at Hornell Senior High.

With much gratitude,

The Maple Leaf Staff

Marit Meets a Merica

Dagse!

To me, the United States of America was a place where the people wear only jeans and T-shirts, and ate only hamburgers and drank coke. I suppose that impression is just as peculiar as the one people had of me: some backward person coming from a jungle where people live in a cannibalistic state and have tigers and elephants as pets.

Coming to the U.S.A., and specifically to Hornell from Melmoth, The Republic of South Africa, is definitely the grandest thing that has ever happened to me. And it's the most challenging to, because I have had to discover how much more really lurks behind what I thought was the U.S.. That meant breaking down my prejudices, mutual shyness, and understanding a way of life completely foreign to what I've experienced the last 18 years. Without the accepting manner of my host family, and the eagerness of many of the folk in H.H.S. to show friendliness towards me this would have been impossible.

So much has happened that makes me grateful to have been granted the position of an "AFSer". I've been able to eat pizza for the first time in my life; there has also been the fun of learning words such as "jerk" and "nifty"; having a sense of achievement because I finally understood why the football teams constantly formed little circles and talked, heads bowed, during a game; also being able to join in club activities and other social events throughout the year. There have been all sorts of people worth meeting both in the school and in the community, and many places to see.

To each of you who contributed towards the happiness of my stay (and there have been many), and to the AFS body, my host family, made this enriching experience possible, I want to say one huge THANK YOU. I trust that the goodness of this experience will stay with me for many years to come.

The Prime Movers

Harold Paul, Superintendent

Gerald Walker, Asst. Supt.

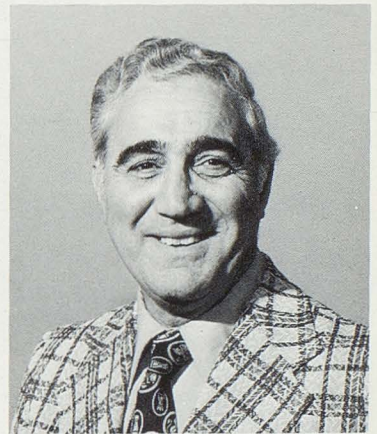

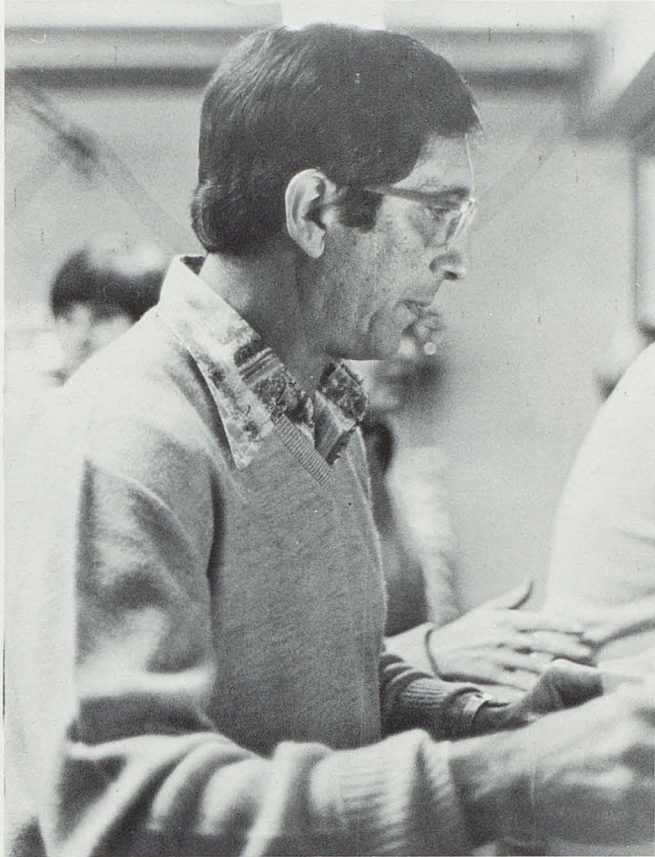

Indeed, the Board of Education, is the prime mover of the City of Hornell educational system. They establish policy, provide the means to educate the students of Hornell through the twelfth grade, vote on pertinent issues facing the school district. The five members are elected by all eligible citizens, and serve without pay.

The Board of Education is the most effective force in the undertaking of education.

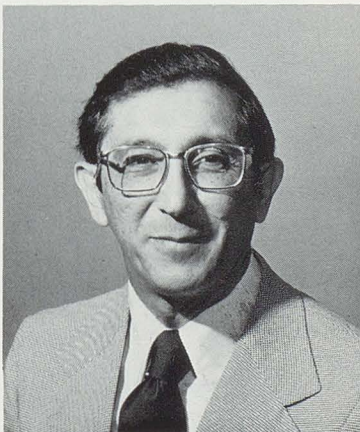

Seated: George Prete, President Standing: Ralph Schnell, Mrs. Wm. Connors, John Pryor, Rev. Bradley Lines

The Princi(pals)

Mr. Castiglione, Vice-Principal

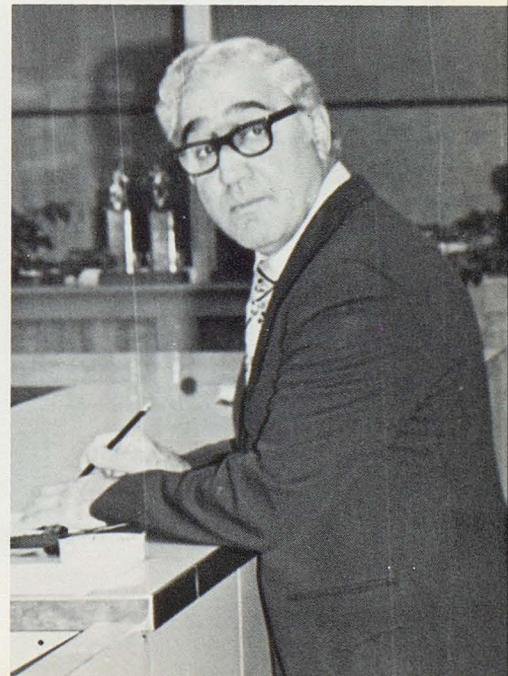

Mr. Durso, Principal

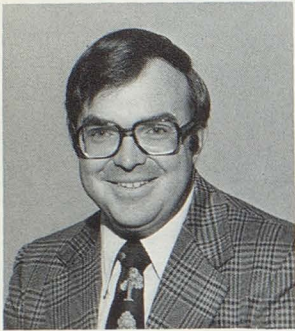

The "big bosses" at H.H.S. are our own Mr. Durso and Mr. Castiglione. The two of them work together to keep the dailey business of the school flowing smoothly. They strive to keep the standard of education at its best and to enable each student to take part in the enrichments available to them.

From the students of Hornell Senior High School—

THANK YOU

The English Department has now concluded its second year of a traditional English program. Actually, our "new" or structured program is old. It is a deliberate return to the time when we could be reasonably assured that almost every student possessed a solid background in basic English skills as well as a uniform background in the classics of American, English, and world literature.

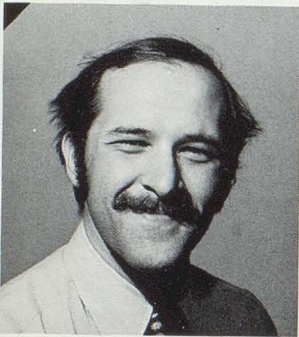

Naturally after several years of mini-courses in which, too often, students of high potential managed to find their way into courses intended for those of lesser abilities, it requires a little time for the re-establishment of the traditional way. But the quality is returning! We are engaged in steady progress toward a uniformity and consistency of knowledge in tune with much of the rest of the nation. We are also serving, enormously better we trust our many students who plan on entering either two or four year college.

In short, our English Department is doing its part to check the infamous slide in college entrance exam scores that has plagued the country recently and to counteract the malaise which has fallen upon the general level of literacy in an oral and TV oriented society. We are responding to the time-honored ideal of knowledge for its own sake and to the hue and cry for a literate citizenry, regardless of their positions or goals in life.

Once upon a time . . .

Mr. Carlson

Mr. Lecceardone

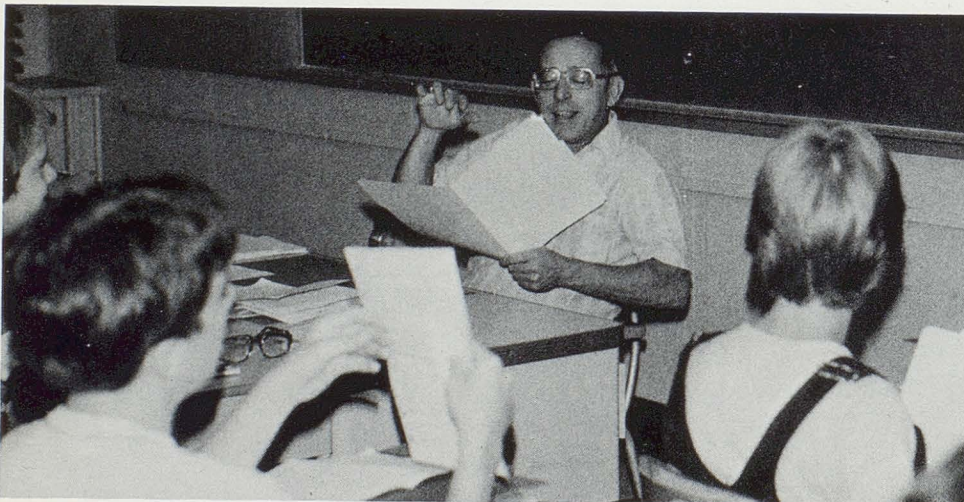

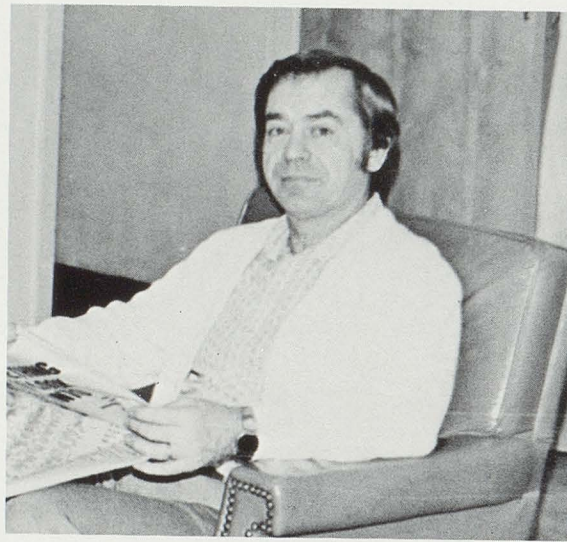

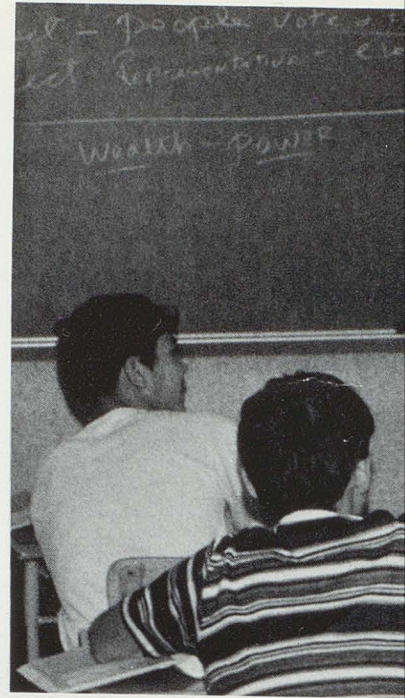

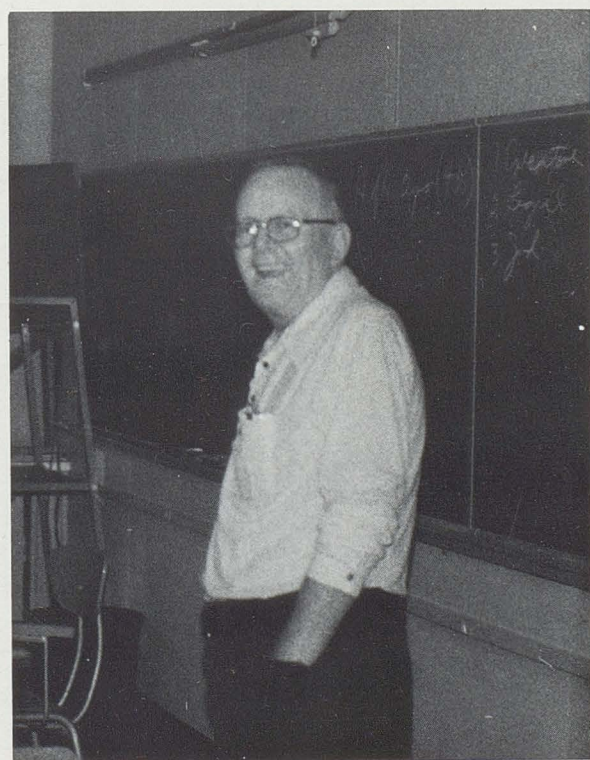

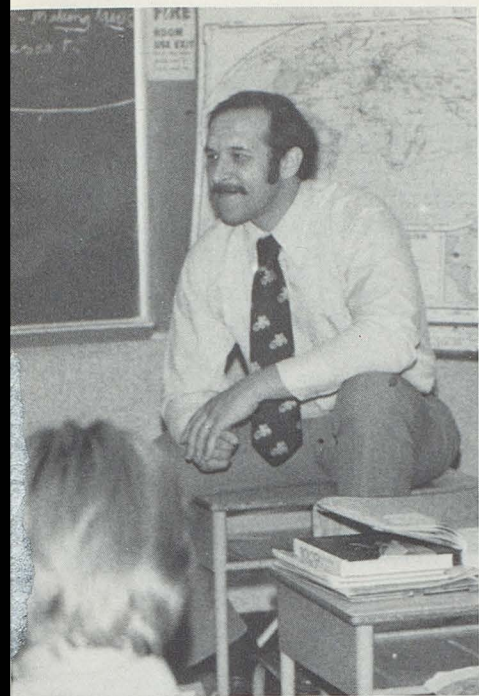

Mr. McShane

Planning for the future while we are learning from the past . . . students are shown the interrelationships between and among cultures throughout history.

Beginning in the ninth grade with a study of the Afro-Asian world, to the cultural development of Europe in the tenth grade, and through our own country's struggle for recognition and cultural identity in the eleventh year.

The senior year offers psychology, sociology, anthropology, and current issues in American government and society as electives to the enterprising student.

Computers Are in

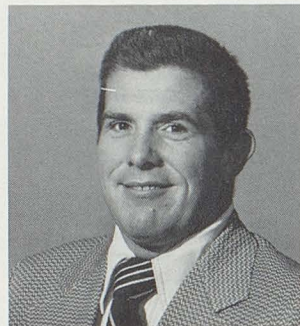

The math department is constantly trying to meet the needs of all the students at Hornell High School. In the past three years, we have worked on increasing the number of courses that could be offered to the student who needed math credits but was not particularly interested in pursuing the study of math.

Because of this, we have been very happy this year with the addition of the computer to the school. While it is not intended only for the math department, all of the teachers in the department are learning to use it. We hope that it will be used by the math student who wishes to follow up his high school with advanced work. We also hope that it will possibly cause some students to become interested in the computer and its related fields.

The Manner of Matter

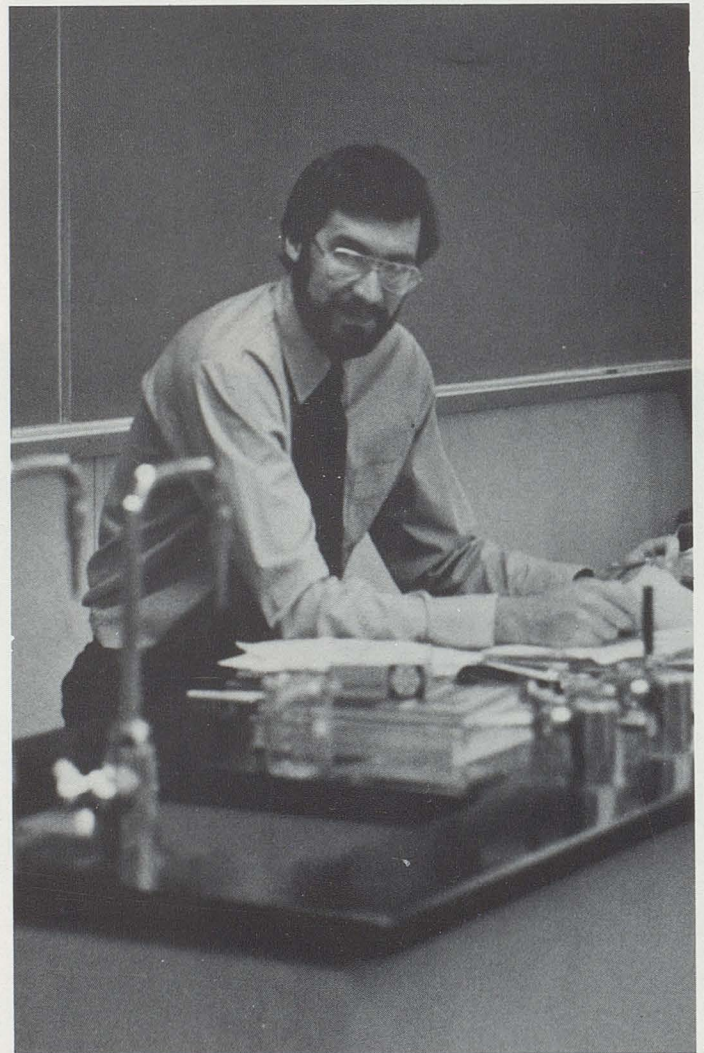

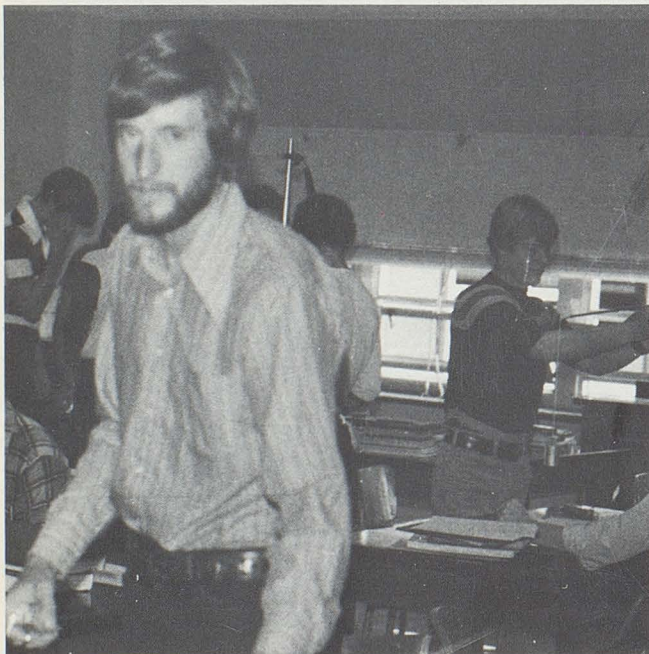

Want to expand your world? From the tiny world of the atom to the enormous reaches of our universe, from the simplicity of a lever to the complexity of a single living cell, the science department of Hornell High School offers a variety of opportunities to do just that. For freshmen Physical and General Science complete the spectrum of introductory science. For upperclassmen general and regents level Biology and Chemistry in addition to full year regents courses in Physics and Earth Science offer students the opportunity to explore the world around us.

Salvete!

Bonjour!

These are the words that resound throughout the foreign language department each school day as students enter a world of bull fights, chariot races, and boulevardiers.

Through language, you begin to comprehend and appreciate the customs, history, art, and literature of foreign cultures. To understand the language of a people is the first step in understanding the people themselves.

Sail with the Armada!

March with Caesar!

Climb the Eiffel Tower!

Study a foreign language!

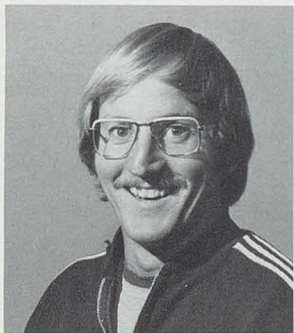

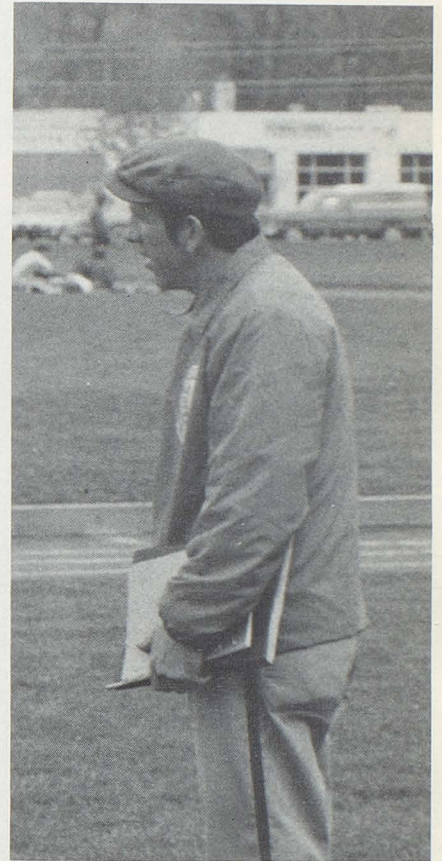

Body Builders

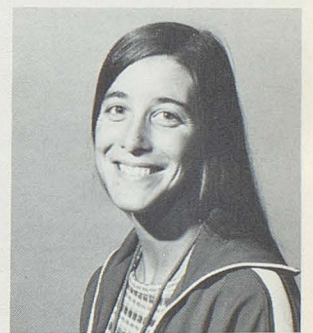

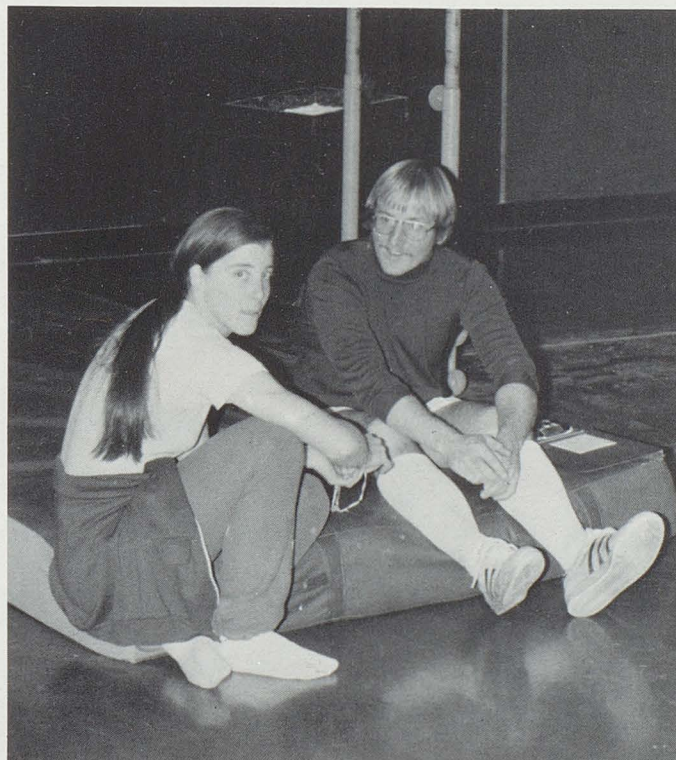

Developing self-discipline, a wholesome set of values, critical thinking, the student's own potential are but some of the goals set up by the physical education department. Also, included in the development of the student are development of basic skills, making constructive use of leisure time, learning and appreciating the values of healthful living, which includes hygienic body care and vigorous physical activity.

The department is in the process of instituting a selective program whereby students will be allowed to choose their own activity.

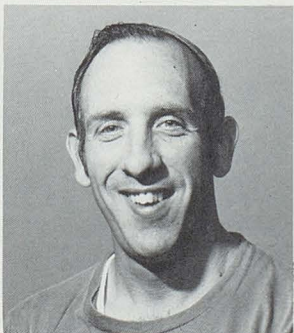

Help build yourself a beautiful mind and body through gym.

The Machine Age

Business machines, cars, cameras, typewriters and drafting machines are all products of the modern machine age.

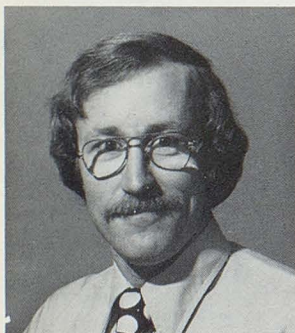

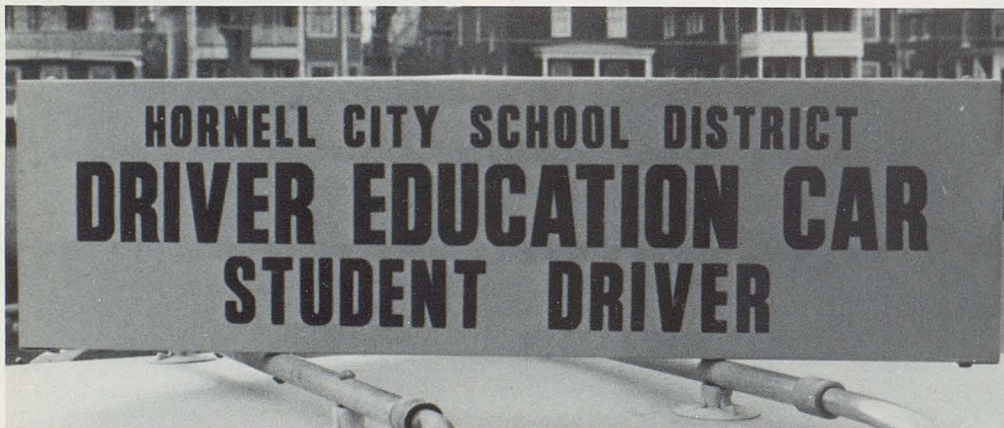

Here at Hornell High School the Business, Driver Education and Industrial Arts faculty utilize these machines, and many more everyday. They offer the students an opportunity to keep up with the technological advancements of our society.

Business is the most popular field of study among male college undergraduates. It is the second most popular field of study among college undergraduates, both men and women.

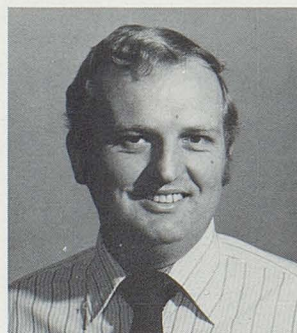

Driver Education teaches the student the proper technique of driving and the rules of the road.

Photography can be used as a vocation or an avocation. A student who takes advantage of this course may use it for fun or profit.

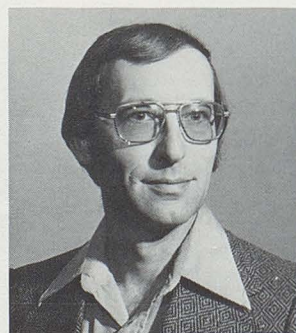

Auto mechanics teaches the individual the basic understanding of the car, while woodworking teaches the proper use of tools. Both of these can be used later in life.

Culture is man-made, so culture can be changed by man. The teachers of the Art, Music, and Home Economics Departments are trying to maintain our culture, yet, at the same time, are showing each of us some ways of expressing our ideas and contributing to our own lifestyle.

A-Z Counseling

Mrs. Arcangeli

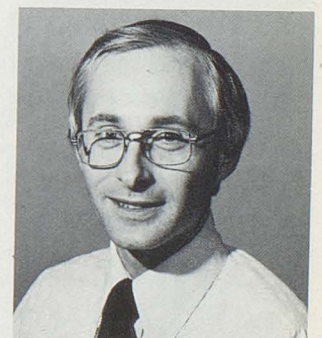

Mr. Guinane

Our three guidance counselors are involved in a variety of activities including assistance in college search and application, career exploration, scheduling, testing administration and interpretation, group guidance sessions, individual counseling, parental conferences, teachers conferences, and maintenance of student records.

They attend many meetings to receive the latest information on such topics as college admissions, financial aid, career education and BOCES programs. The guidance office receives a constant stream of visitors—college admissions personnel, military service recruiters, representatives from various referral services, parents, and alumni. Our students make good use of college and career information which is available in the guidance office.

The guidance secretary, Mrs. Walker, is invaluable in helping students locate material, in keeping the heavy traffic under control, and in handling the vast amount of correspondence and records associated with guidance.

Practicum

Mrs. Davison

Hornell public schools cooperate with nearby colleges and universities in allowing students to do their practice teaching in the school system. This is an integral part toward receiving their degree in education.

This year Hornell High was fortunate in having excellent student teachers.

The Music department, English department, and Physical Education department cooperated in teaching these students the finer points of the teaching profession.

Now only time will make them superior teachers.

students.*

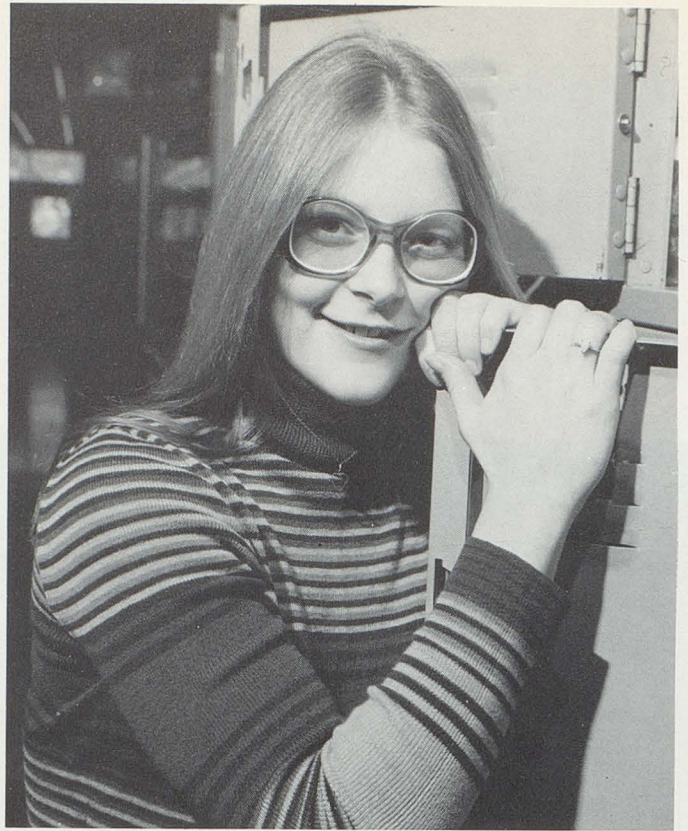

Honored Honors

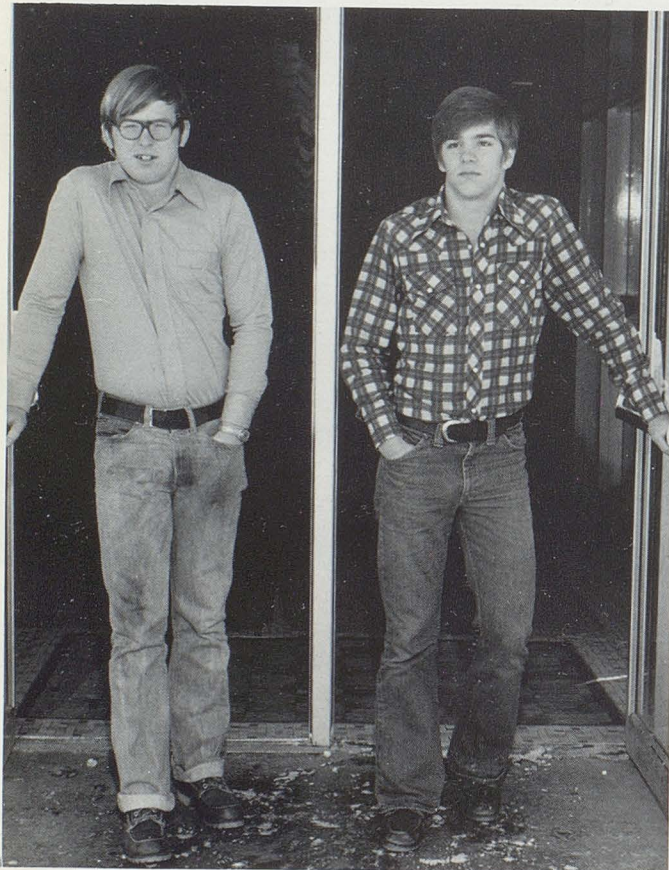

Each year awards are presented to those students who have demonstrated outstanding efforts in one or more academic areas.

The Elmira College Key is awarded to students with a good overall academic record. Boy's State and Girl's State is a week long program that gives selected students a chance to participate in government and military classes. The Rensselaer Polytechnic Institute Medal is a symbol of excellence in math and science. The Harvard Book award is given to outstanding English students. The Daughters of American Revolution present an award for good citizenship and social studies achievements. A Junior who is active in community affairs may spend the summer representing the U.S.A. in a foreign country through the American Abroads program.

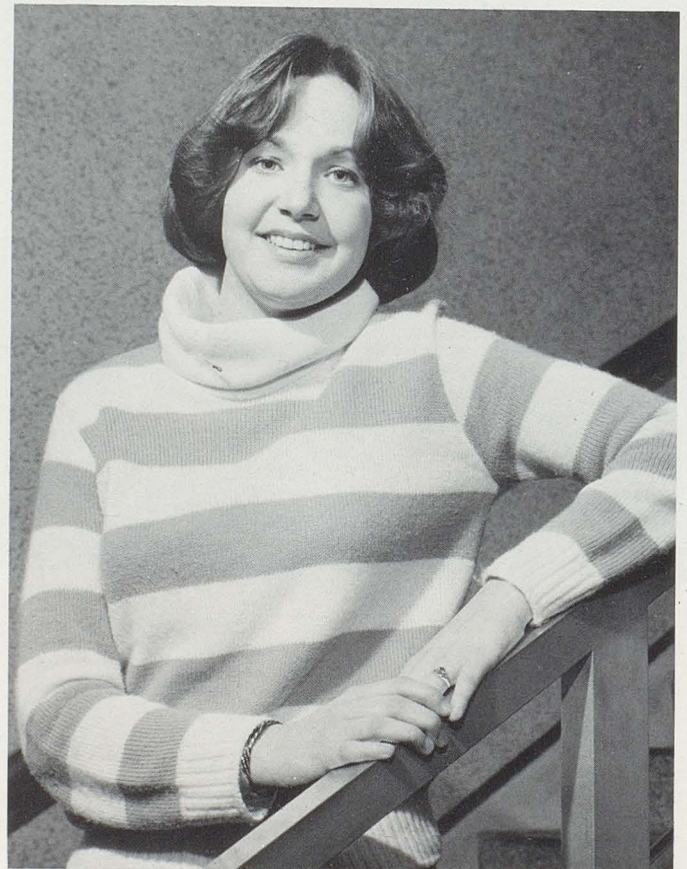

The yearbook staff is proud to salute these students who have once again given "homework and studying" a good name.

Homecoming 1978

Each year the Hornell Alumni Association sponsors the Homecoming halftime ceremonies.

This year's homecoming was a night to remember with the football team and Notre Dame fighting to a 6-6 tie, and the crowning of Kim McCarthy as Homecoming Queen.

Escorted by Mike Fawcett, Kim was chosen queen by members of the Senior Class.

The other queen candidates were Anne Dagon escorted by Jamie Babcock, Sarah Malick escorted by Joel Mike, Pam Wilkins escorted by Kevin Shaughnessy, and Patty Donavon escorted by Tom Andrezzi.

Alumni officers are: David Generalli, President, Elizabeth Bossard, Vice-President, Lois Harrison, Treasurer, and Rona Kinback, Secretary.

You Light Up My Life

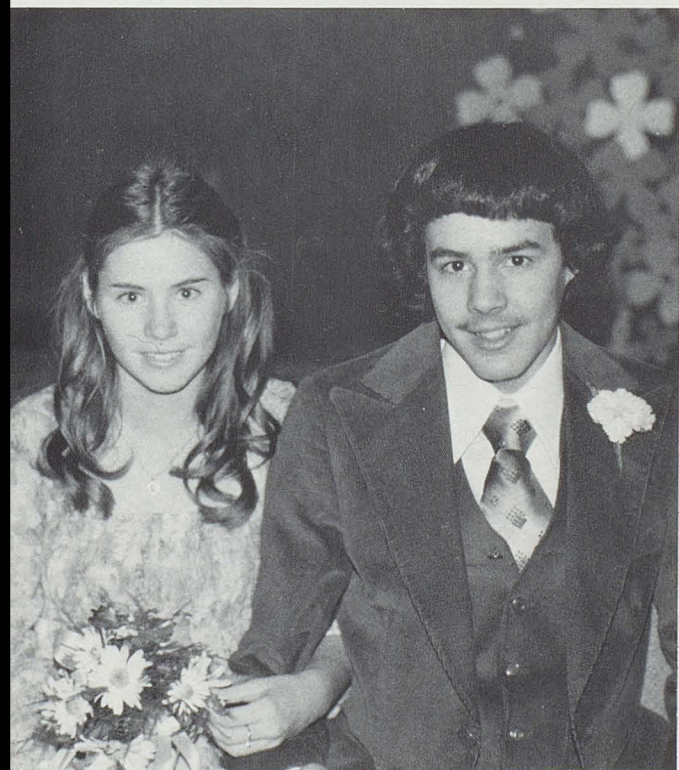

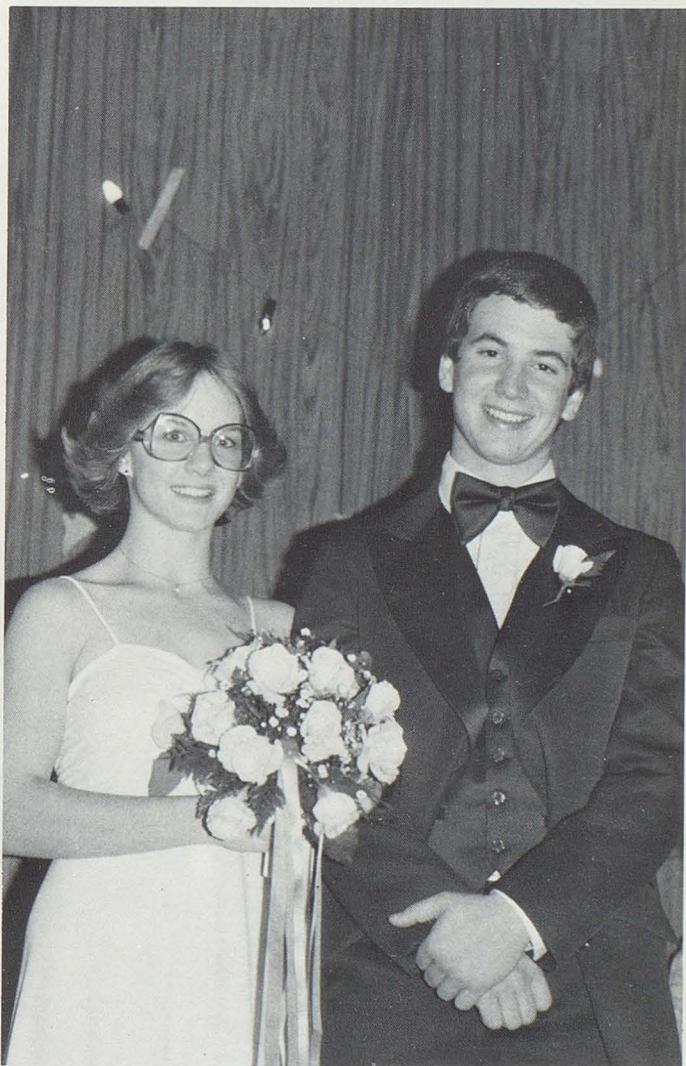

The hallways of our school were literally transformed into the four seasons of the year by the ideas of the talented members of the Junior class. Their efforts were well rewarded by the success and excitement of the Junior Prom evening.

Over ninety couples danced through the night to the sound of the Six Million Dollar band. The evening was highlighted by the crowning of the queen, Michelle Mike, and her court.

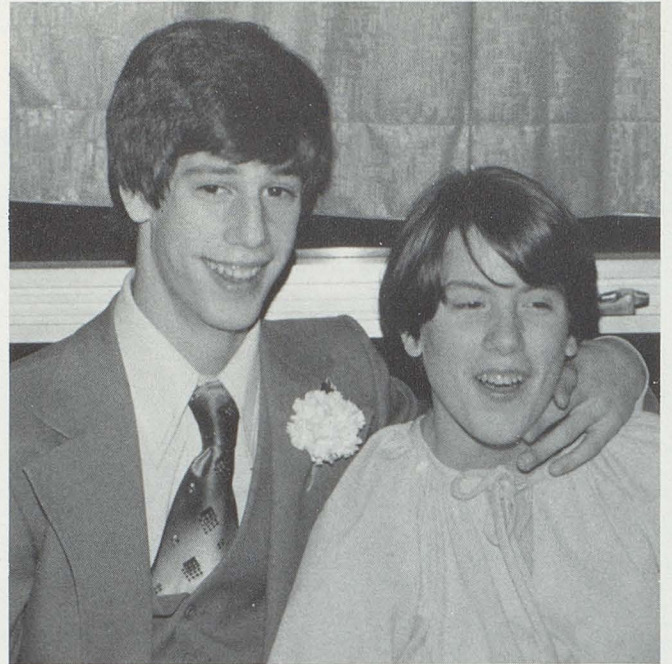

The Junior class advisor Miss Gail Mularz added a special feature to the entertainment by singing the theme song "You Light Up My Life".

Happy Holidays Ball

The Senior Class sponsored the annual Christmas Dance. Decorations and refreshments were also donated by the seniors. Attire was semi-formal and there were elves all over the place. They were so cute! The clever senior boys suspended a miniature Christmas tree from the center of the ballroom ceiling. It was adorned with assorted plastic fruit. Unfortunately, when things got hot-n-hoppin', our tree came crashing down with no serious injuries reported. That wasn't the only surprise—the band featured was "Surprise Package".

"A Royal Flush"

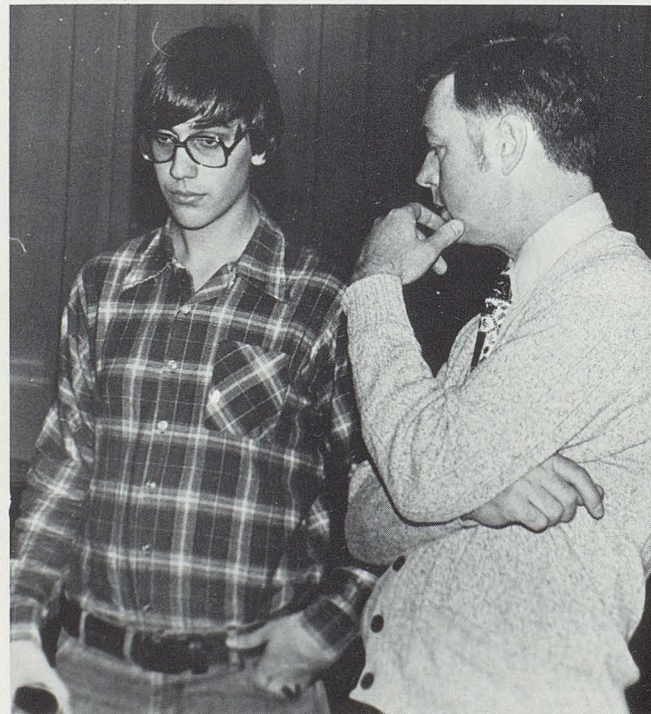

"Honestly, Queenie," insists the Court Jester (Pam Brown), "it says right here that I sing 'Here we go again—about to take that ride again' everytime Prince Nathan (Shaughno) faints. Sure enough the audience's collective ear found it hard to believe as "the Queen in Jeans". Pam added some "tragic" notes to this otherwise courtly comedy.

The Senior Class of 1978 is grateful to Mr. Quinlan for all the work and effort that he put into this play to make it a success.

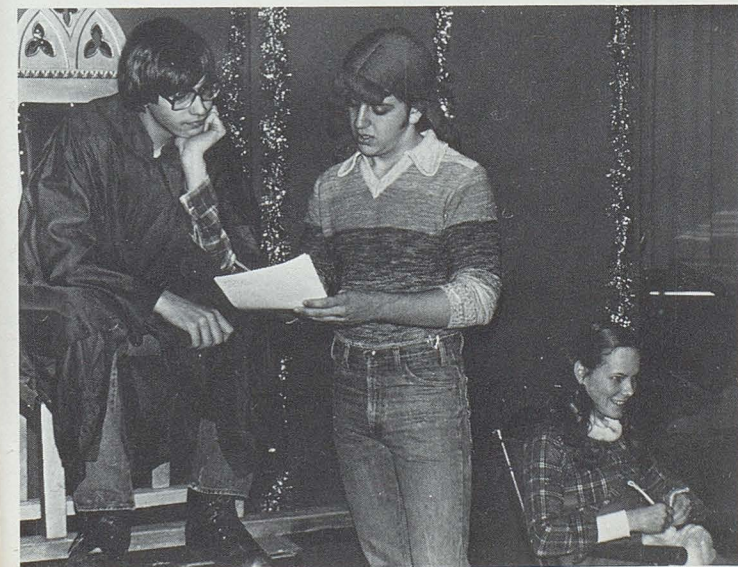

"C'mon King, think! There must be a way you can touch the senior class treasury and turn it into gold!"

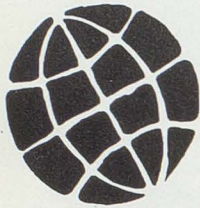

Silenus (alias the Great Shaughno), the oh, so loyal half bombed tutor of Bacchus, God of Wine and Women, expresses his shock that these dull people of the Kingdom of Phrygia actually believe mere gold will bring real happiness. Princess Goodness (Gwen Puffer), happily out of things, seems blissfully oblivious to the problems of the Royal Treasury.

Queen Bombsehll (Lisa Lackey) of the Kingdom of Marshmoore rattles the rafters with one of her gentle royal commands and causes her flimsy son, Prince Nathan the Nervous (guess who?), to faint at her decibel count. Even the Royal Jester (Pam Brown) appears momentarily cowed. Only a none to bright subject of Marshmoore, (Gretchen Green) seems unaffected by the Queen's volume.

Plutus, Royal Accountant (Fred Pappalardo), patiently explains to King Midas (alias Ray Suriani), that his Highness has already taxed everything in his kingdom, "Cattle, pigs, dogs, goats, chickens—he has even imposed a tax on death!" Judging by her smile, Princess Goodness (Gwen Puffer), Midas' daughter, obviously has her mind on lighter matters, most likely the Royal Barber, Luscious (Bill Changose)

WORLD WIDE WICKET COMPANY

the world's leading producer of wickets for home and industry

Hornell, New York 14843
May 6-7, 1977

Dear Friend:

As President of the World Wide Wicket Company, I welcome you to this "behind-the-scenes" look at the activities in our home office. As you visit our facilities you'll be introduced to several of our key personnel . . .

Finch <i>Dave Spicer</i>	Gatch <i>Mike Stiles</i>
Frump <i>Ray Suriani</i>	Jenkins <i>Garth Murphy</i>
Rosemary <i>Linda Harris</i>	Tackaberry <i>Joseph Baringhaus</i>
Hedy LaRue <i>Diana Parker</i>	Womper <i>Ray Goodspeed</i>
Smitty <i>Diane Graham</i>	Krumholtz <i>Karen Davis</i>
Bratt <i>Ed Raish</i>	Ovington <i>Ray Goodspeed</i>
Miss Jones <i>Penny Bardeen</i>	Policeman <i>Bill Drake</i>
Twimble <i>Buzz Mauro</i>	

You will also encounter a number of the other boys and girls who comprise our office staff . . .

Wendy Archer, Ellen Brasted, Debbie Brewer, Bill Drake, Debbie Fitzpatrick, Audrey Griffin, Debbie Kelly, Betsy Koehler, Phyllis Meadows, Penny Mehlenbacher, John Mike, Harry Mosher, Roy Pierce, Phil Prior, Debbie Rice, Penny Smith, Bob Smith, Patty Walker, Macia Willsey, and Lois Wolter.

Accompanying us on our musical tour is Pam Davis (piano) and the company band. Our decor is by Cyndi Besig. The company's chief engineer and technician is also Mrs. Besig with assistance from Tim McFall and Frank Pappalardo. Don Besig is the company director.

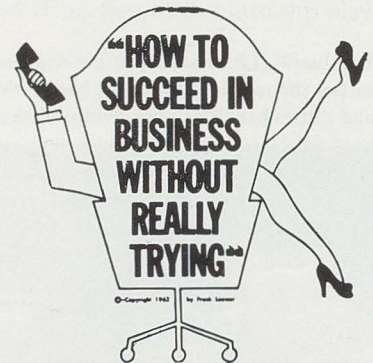

Here at W.W.W. we are proud of our slogan - WORLD WIDE WICKETS FOR A WIDER WORLD. We are happy to have you with us and hope your visit is enjoyable.

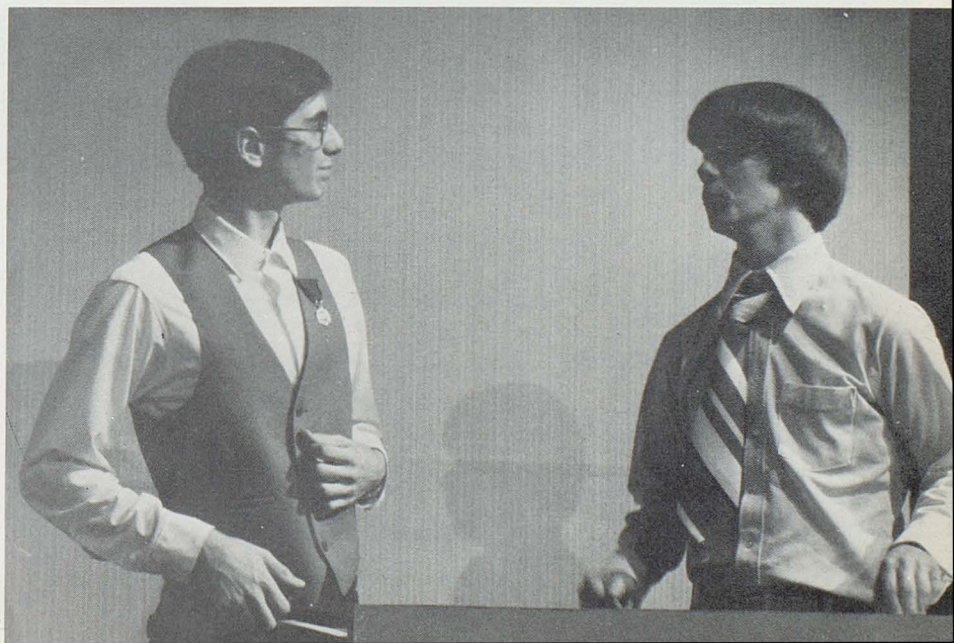

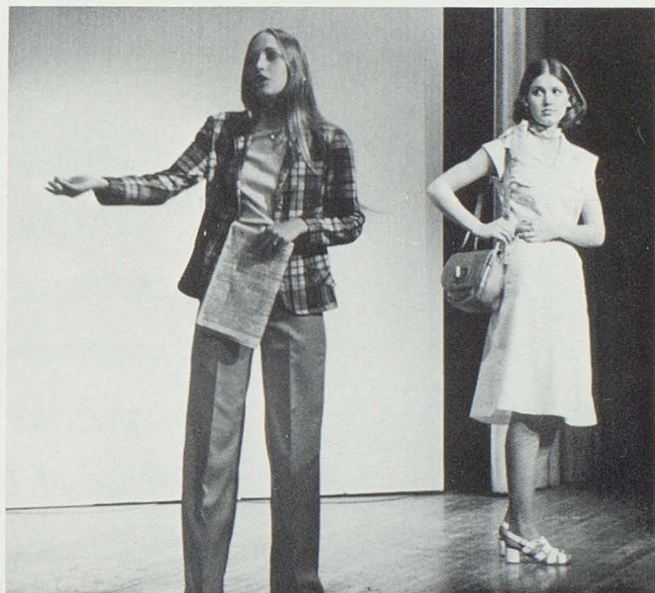

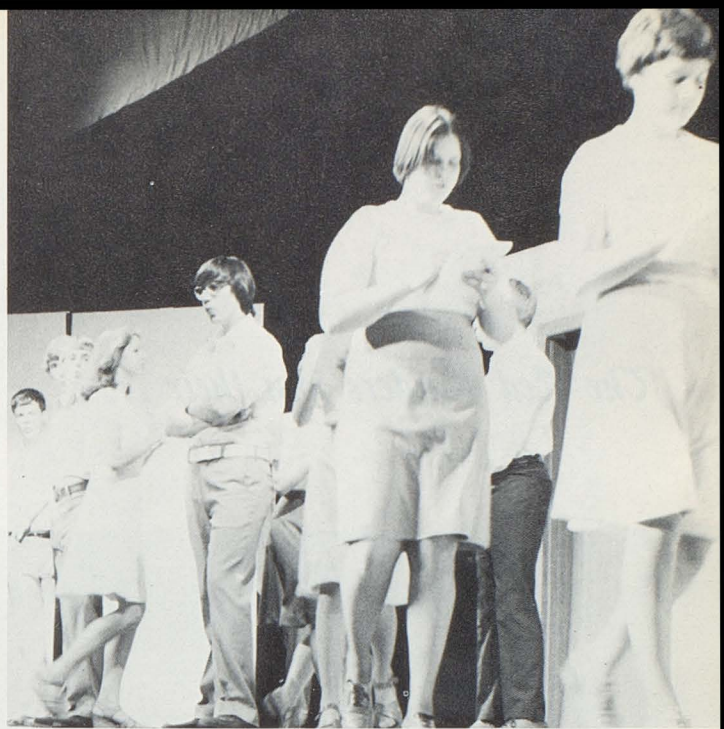

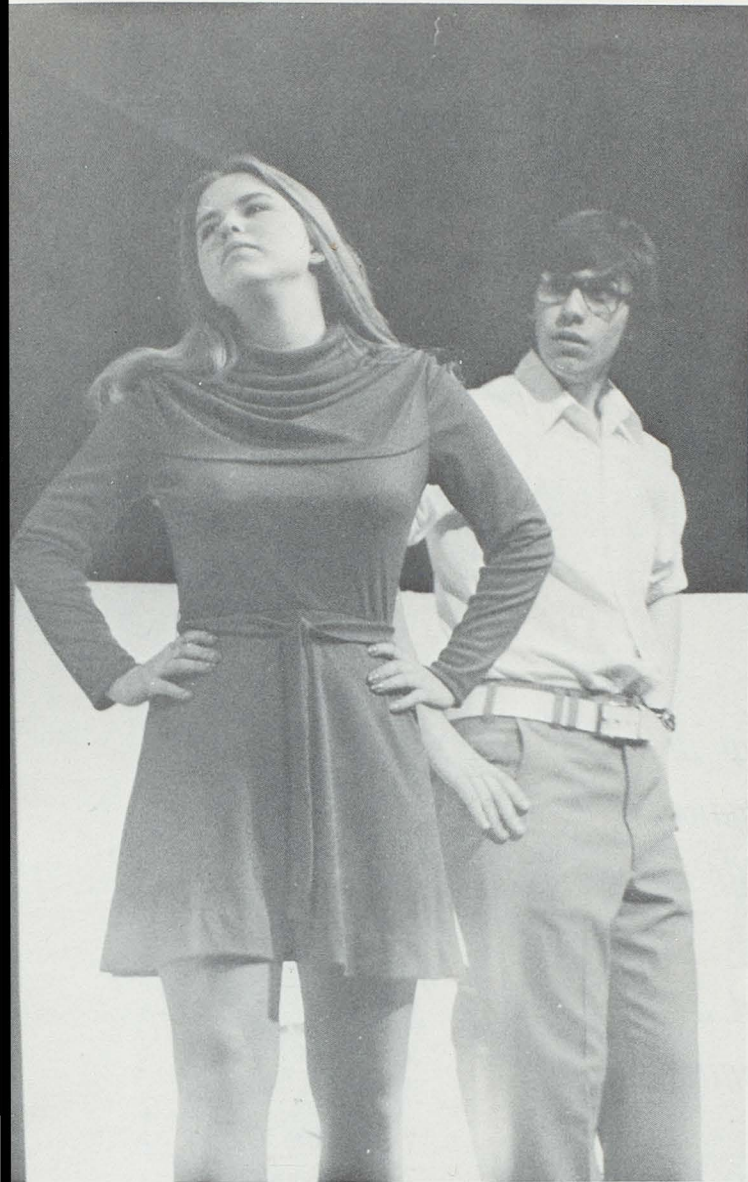

Sincerely yours,

Sincerely yours,
J.B. Biggley
J.B. Biggley, President
. . . . Steve Cox

The World Wide Wicket Company took over the H.H.S. auditorium May 5th and 6th under the direction of Mr. Don Besig. Dave Spicer as Finch, climbed the ladder of success in two and a half hours. In his ascension to Chairman of the Board, Dave was inspired by Linda Harris (Rosemary) along with Diane Graham (Smitty). Hindering Dave from reaching success was Ray Suriani (Frump) who added a touch of comedy to all of his scenes. Diane Parker, as the sexy Hedy La-rue, had her eyes set on one thing—men. Among them was J.B. Biggley, company president, played by Steve Cox.

A few of the more popular musical arrangements were "Brotherhood of Man" "The Company Way" and "Coffee Break". The musical was a capital success.

Scholarship, Leadership, Character and Service are the four cardinal principles of the National Honor Society by which the faculty chooses students to become members.

The emblem of the society is the keystone and flaming torch.

The keystone bears at its base the letters S.L.C. and S which stand for the four cardinal principles.

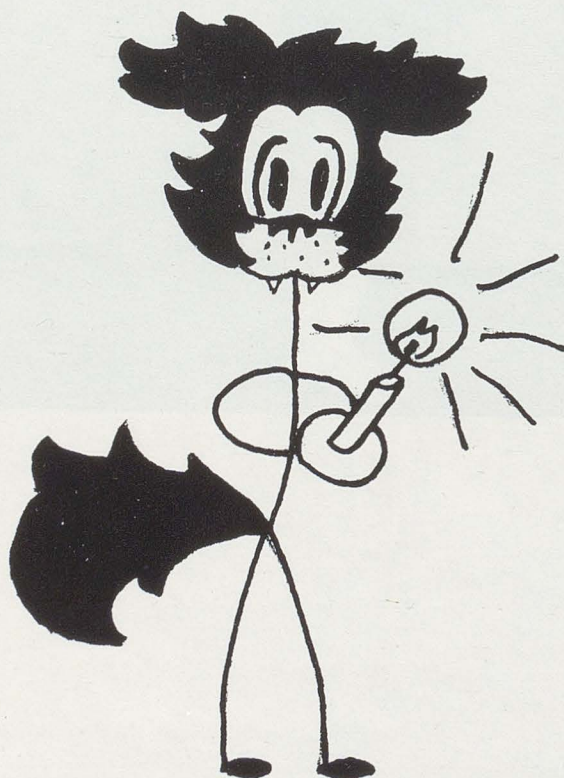

The flaming torch is the emblem of our purpose. To bear forward the searching light of truth, to lead that others may follow in the light, to keep burning in our high school ambition for the enduring values of life, and to service those purposes as symbolized in the torch.

"4i" is a number. Can you imagine that? The Math Club at Hornell High is a group of students who are interested in discovering the different aspects of the mathematic world.

Under the supervision of Mrs. Jamison, the club has investigated the advancements in math through the use of the computer. Other activities of the club include bulletin boards, categorizing math texts and fund raising projects.

Who said, "Latin is dead?" Members of Hornell High's Latin Club (JCL) under the direction of Mr. Cali, preserve the culture of the Romans in which ours is so greatly indebted to. The club carries on many activities. In October, the club held a Halloween party in which the new members were initiated. After being licked by a cow's tongue, they became fullfledged JCL'ers. They celebrated Saturnalia (Roman Christmas) in December and a bonafide Roman feast was scheduled in May. This year's officers are: Pres. Gina Grillo; Vice-president, Michelle Mike; Parliamentarian, Liz Diehl; Treasurer, Peggy Davis; Club historian, Ray Suriani; and Praetor, Betsy Burke.

Quebec Nous Venons

Through various community service projects, school sales, and dances, the French Club has raised \$1000.00 thus far. The club's main goal is a four day trip to the French-speaking Province of Canada Quebec City. Over 40 of the hard-working and enthusiastic members are eagerly looking forward to relate with their French-speaking neighbors by using their newly acquired language skills.

The H.H.S. newspaper, The Red Raider's Eye, is an informative source of school's happenings. Each fortnightly edition appearing in the "Evening Tribune" feature articles such as the "Gossip Column" and "It's Your Opinion". The newspaper also put out a special Christmas edition which helped make the season brighter.

Under the direction of Lisa Lackey, this newspaper has made itself known throughout Hornell High School.

With selections from the past and present, the Hornell High stage band can make everyone feel like dancing.

Their many talents include that of playing songs from the Big Band Era to songs with a more modern beat.

The members of the group would like to thank Mr. Hover and Mr. Lefferts for giving them their much needed "Bass" support.

Along with their regular concerts throughout the school year, the stage band receives applause from the different clubs they play for around the Hornell community.

On cold fall mornings, the HHS marching 100, under the direction of Mr. James Hover and drum major Mike Stiles, could be seen practicing their drills and formations for the home football games. With muddy shoes and freezing hands, the band never lost its enthusiasm.

The band practices throughout the remainder of the year for concerts and parades. Besides playing tunes from years past, they also perform many of today's latest hits.

In December the band sponsored a fresh fruit sale. The members worked very hard taking and delivering their orders throughout the community.

The majorettes and color guards added much excitement to the football games and parades. The special fire baton twirling and rifle performances provided color and sparkle to the band's shows.

Every morning during a second period, a group of freshman girls gather to raise their voices in song. They work hard in order to prepare for their future years in the choir.

Mr. Besig helps the girls to use their talents wisely. Under his direction, the girls join in and perform delightful songs for both the school and the public.

The Beat Goes On

Being part of the H.H.S. choir is a novel experience!

The choir members soon discover this after they joined the group at the beginning of the year. Mr. Besig demands a high standard from his group, and generally achieves this, although it involves considerable effort on the part of both choir and teacher.

The Christmas concert was one of the major performances for the choir. Besides this, Mr. Besig hopes to put on the well-loved musical, "The Sound of Music". In this way, those students with considerable talent, and determination, will be able to show everyone just how enjoyable singing can be.

Make Your Own Kind of Music

With an array of glittering new outfits and new voices, the Swingers put on performances that make their audiences keep on asking for more. Along with the choreographic stagings, the Swingers can be both serious and comical too as seen in their Christmas concert this past year. Many more performances are highlighted this year for this musically talented group.

The mechanics of a camera, the subject, lighting, the actual photography, developing and printing, the finished print are all techniques that are taught in the photography club of Hornell Senior High.

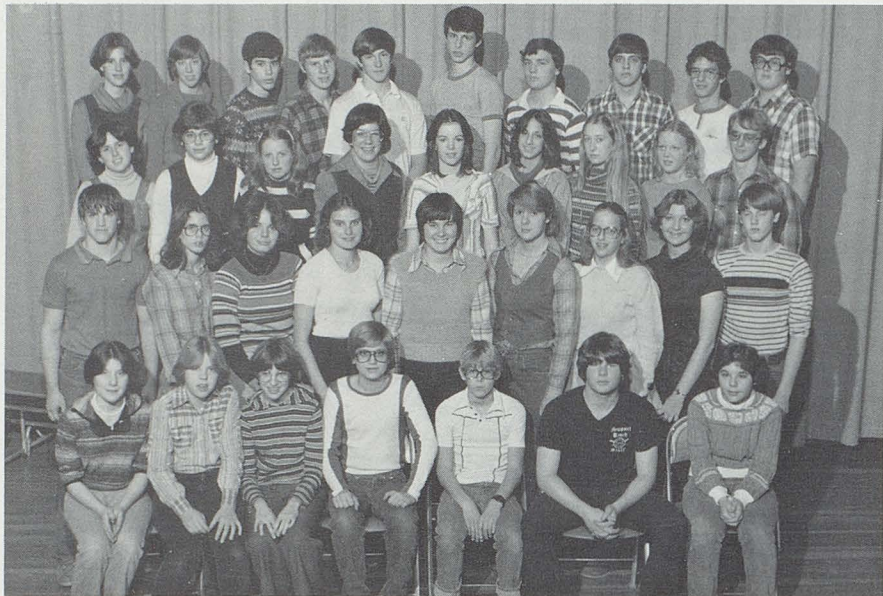

Whether you use it as a hobby or for business it is always useful and pleasurable to know how to take a correct picture.

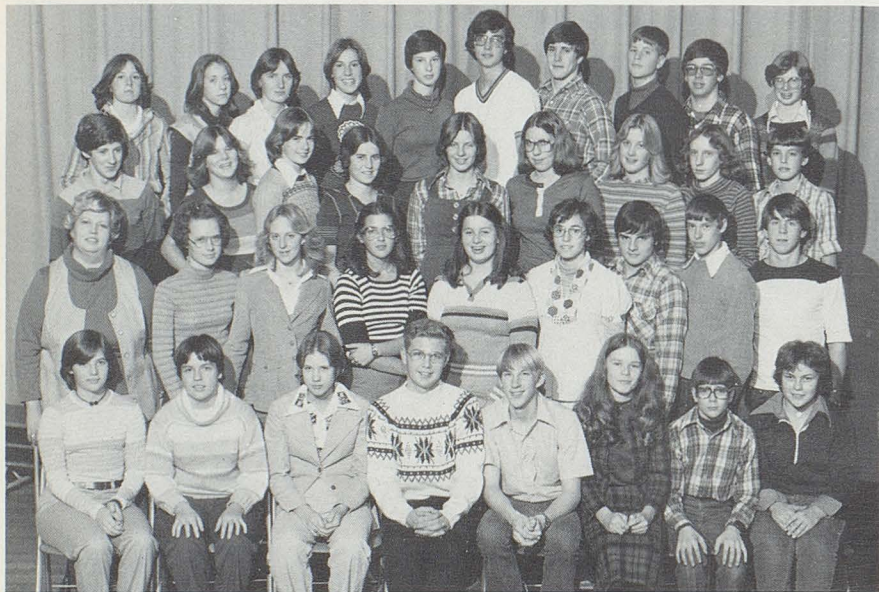

Slip Sliding Along

Due to the favorable weather conditions, the Ski Club enthusiasts were off to an early start this season. The initial discomfort of the ski boots and equipment was soon tolerated by the beginners as they learned how to ski down the slope on their feet, rather than on anything else.

The Ski Club visits Swain every Friday, so those who are familiar with skiing can get regular practice, while the beginners can learn new techniques. The club really enjoys this sport, together with the weather and the winter scenery.

The Art Club is a very creative group of people. Each individual has a chance to expose his inner most talents and feelings through the world of art.

This group of artists enlighten the halls of Hornell High in their own unique way. They make special things for holidays and different activities going on in the school.

Thanks to our Art Club, H.H.S. is a more colorful place.

Spanish Club functions as a supplement to the classroom. We cover those cultural aspects of Spanish speaking peoples which cannot be done in class. By celebrating major holidays in the Spanish tradition students gain an insight into culture, giving them a better understanding of the people and their language. Club activities give the student a "real-life" look at those traditions which they only read and hear about in the classroom.

Tuesday after noon aspiring keglers meet to compete with one another for team and individual bowling honors.

A Friend O'Seas

Once again the Hornell High School chapter of the American Field Service welcomed yet another foreign student, this time an African, Marit.

The club commenced its activities by having its traditional welcoming tea for Marit, thereby extending a hand of friendship to this newcomer. Under the overseeing eyes of Miss Janzen, the club undertook the ambitious task of raising enough money to enable a Junior to partipate in the overseas' summer program. One such project included a student v.s. faculty game. This was a very successful venture, and thoroughly enjoyed by both teams. The club will also run the concession stands throughout the basketball season. Similar fund-raising projects, suggested by members, will hopefully be followed early next year.

All in all the club has enjoyed considerable activity, and has furthered its objective of gaining and creating friends over the seas.

FTA: Giving Is Gaining

This year, Mrs. Arcangeli and her team of FTA members were very aware of the need to learn through experience. So the club members were encouraged to help in Irving School, Bryant School, and the reading classes. Each member had the opportunity to help teachers at least twice a week. They were given various tasks, ranging from helping certain students, to cutting out paper shapes for Halloween. In this way the students gained some insight into teaching as a vocation, as well as how rewarding it can be to work with children of a younger age group.

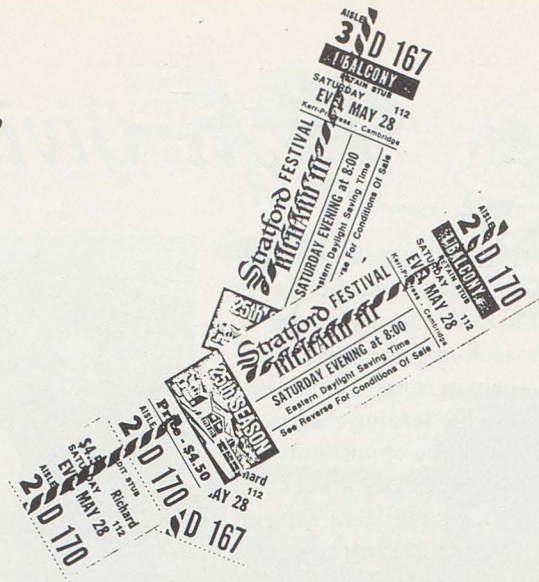

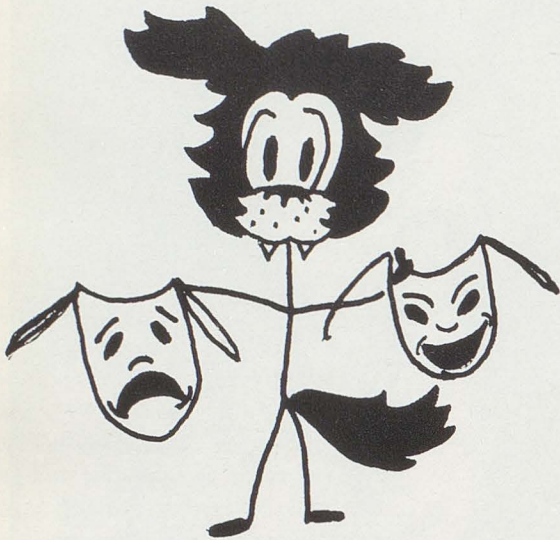

A few guest speakers addressed the club, for instance, Mr. Brungard spoke to the club on behalf of the Hornell Teachers Association, and Marit showed slides of her home country in Africa. The members acted as ushers during Parent visiting night. These, as well as other planned activities such as Christmas caroling, have really been enjoyed by the FTA members, and have showed the club how valuable experience, and fun, is through giving of ones own time.

A Grand Finale

During the spring the Shakespeare club intends spending a weekend in Canada. As a highlight to the weekend, this group intends watching a Shakespearean play performance at Stratford-on-Avon. Fund-raising ventures have included a bakesale, the selling of candles, and sponsoring a dance.

This group of seniors, under the guidance of Mrs. Carney, can look forward to a grand finale to their efforts this spring.

The H.H.S. Student Government is comprised of hard-working students who are interested in helping the student body form better communications with the faculty.

School spirit was the main topic at an area-wide Student Government Seminar, held at Alfred University. Hornell was well represented. Those attending were: Rose Colomaio, Barb Davidson, Moe Pieklo, Sherill Slaght, Kirsten Hemmings, Michelle Mike, Mary Persing, Kathy McAneney and Jill Heller.

Thanks to our representatives, there is a voice for all students of H.H.S.

Cuckoo's Nest

Editor-in-Chief—Barb Davidson

During the summer, an inexperienced group of students got together and started throwing around a bunch of ideas for the 1978 yearbook. At the time, the so-called "editors" knew as much about making a yearbook as they did about mountain climbing. It's now eight months later and, while they don't know up from down about mountain climbing, they certainly know the ins and outs of this yearbook.

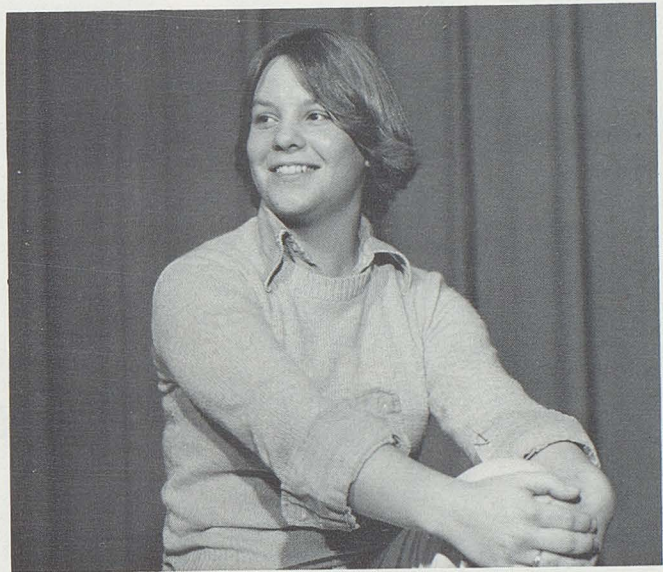

The ideas that emerged were unlimited. They had to sort the good from the bad, compromise on some and eliminate others. Their first objective was to establish the theme of the Maple Leaf and to design a cover to illustrate it.

The jobs of taking pictures, planning layouts, writing copy and selling ads seemed never-ending, while deadlines seemed always to be upon them.

In the pages of this yearbook, you can find events, the memories, and the people that made this year special. As for the editors, they've decided that after triumphing over the perils and pitfalls of making this yearbook, they'd try their feet on a mountain.

Discipline, competitiveness, plus a desire to win can describe Hornell High's Cross-country team. Under the guidance of Coach Lecceardone the Raiders came up with a 7-3 record, losing two of the three meets by only one point.

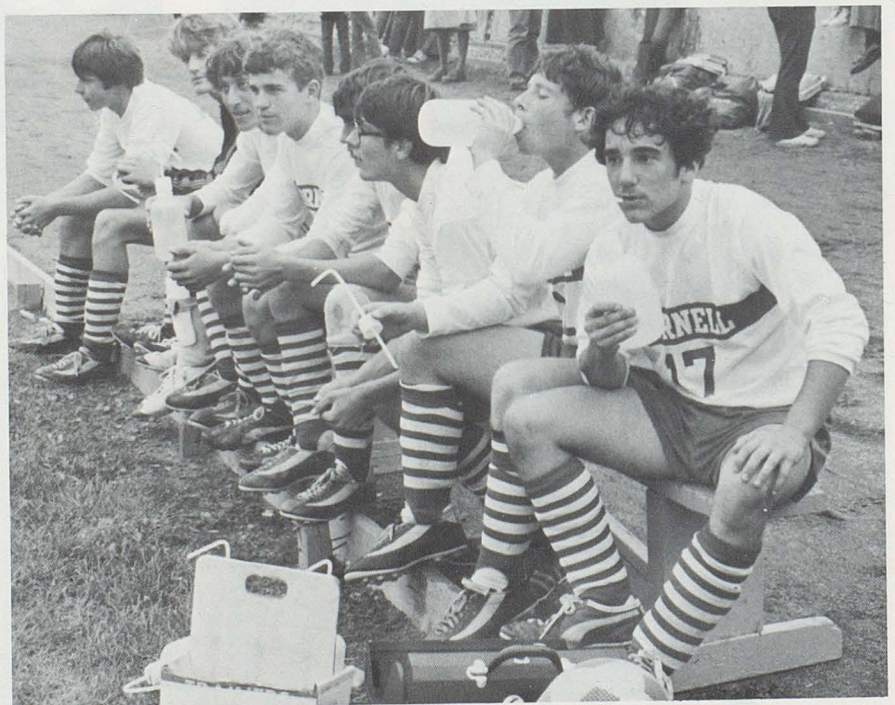

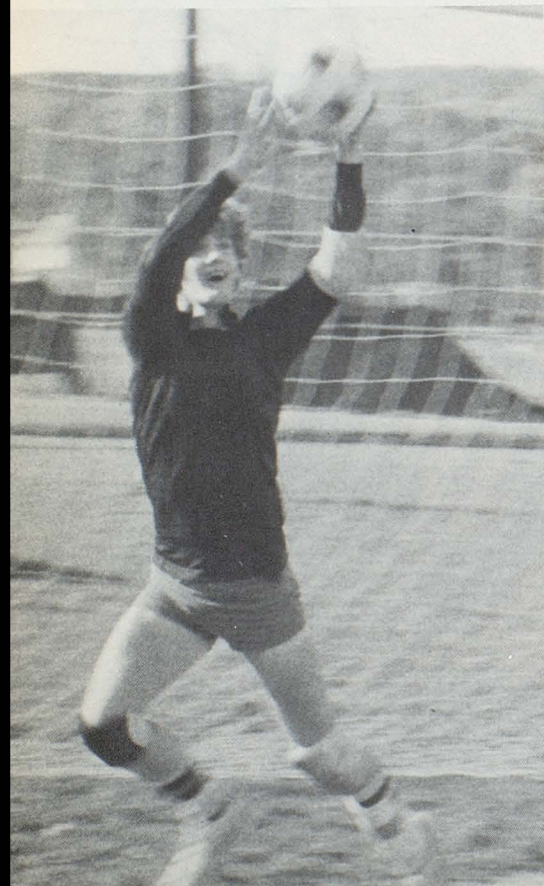

For the first time in Hornell's history, the girl's X-Country team captured the Section V championship. This entitled them to take part in the state finals where they finished eighth and brought honor and glory to H.H.S.

Soccer enthusiasm has erupted at H.H.S. The 1977 Hornell soccer team compiled a season record of 10 wins, 7 losses, and two ties which is one of their best ever.

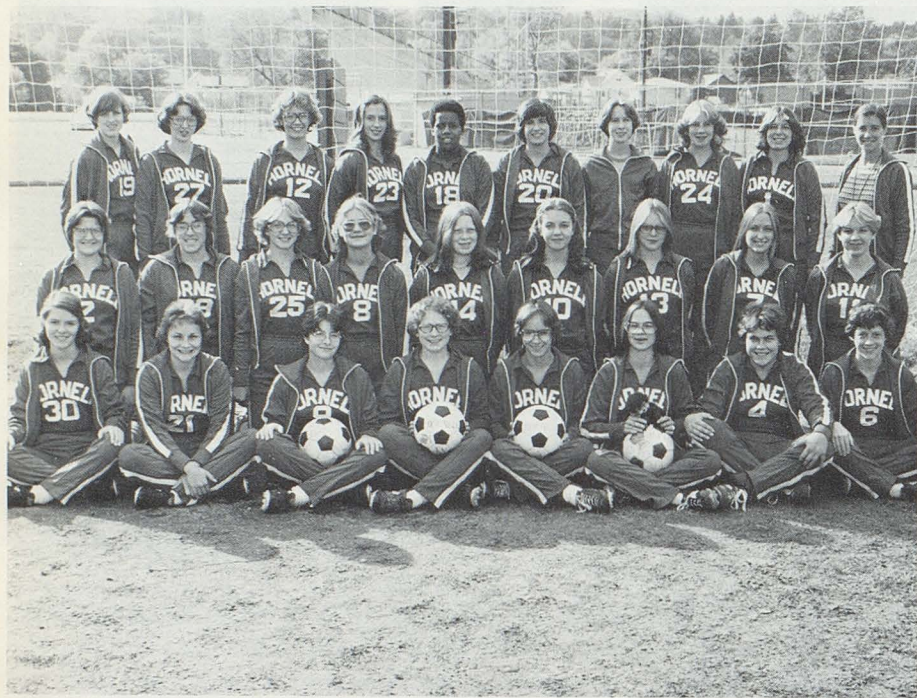

Outstanding senior performances included that of Dave Free-land, who set a school record for a single season goals with a total of 17, and Mike Stiles who set a career record of 31 goals which included 14 this season. Coach Bostwick loses seven dedicated seniors to graduation, but will return with 12 lettermen and fresh J.V. recruits to fulfill the increasing expectations of the Hornell soccer players.

Anticipate girls!

This is the often heard cry of Coach Lefferts directed at her "ladies of the soccer field."

For the second year in a row, the girls captured the Northern Division championship of the Steuben County league. The girls finished the season with an overall record of 12 wins, which included seven shutout games, and 3 losses.

Led by Captain Sandy Huffsmith and co-captain Kathy Saam, the girls competed in round two of the sectional games where they lost a tough contest to Greece-Arcadia.

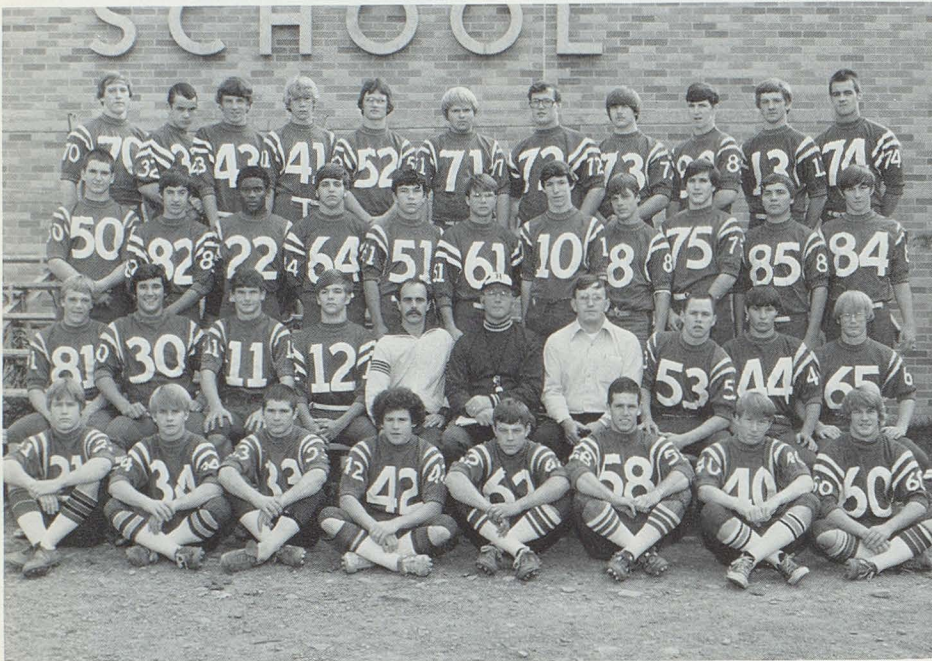

The loss of fourteen hardworking seniors will leave a void in the Raiders lineup which hopefully will be replaced by a strong up and coming J.V. team plus the twelve returning letter winners.

It took three games to get our powder dry, and then we ran and shot over the helmets of our opponents. Coach Tony Bottone came back after a four year absence and led the Raiders to their best season in fifteen years with a 4-3-1 record. For the second year in a row the Raiders are co-champions of the Bi-State Division.

The highlight of the season was the upset victory over the highly favored EFA team. Cheered on by an exuberant home crowd, at the end of four quarters the Raiders stood victorious 7-6.

Many individual records were broken this year. Bob Carlin set a new record for the most yardage gained, and the most touchdowns scored in a single game by a receiver in the Sullivan Trail Conference. Quarterback Paul Quinlan passed for over 1300 yards which established a new league record. Carlin, Quinlan and Michael Cortese made the first team on both the All Star Sullivan Trail and Twin Tiers teams.

This year will long be remembered as the comeback season for the Hornell team. Their dedication and spirit will remain an inspiration to all future athletes.

Although nature didn't cooperate, the Red Raiders got it together, despite the rearranging of this season's basketball schedule. Led by a great offense and defense, the Raiders dribbled to a 7-6 record, with four games left to play.

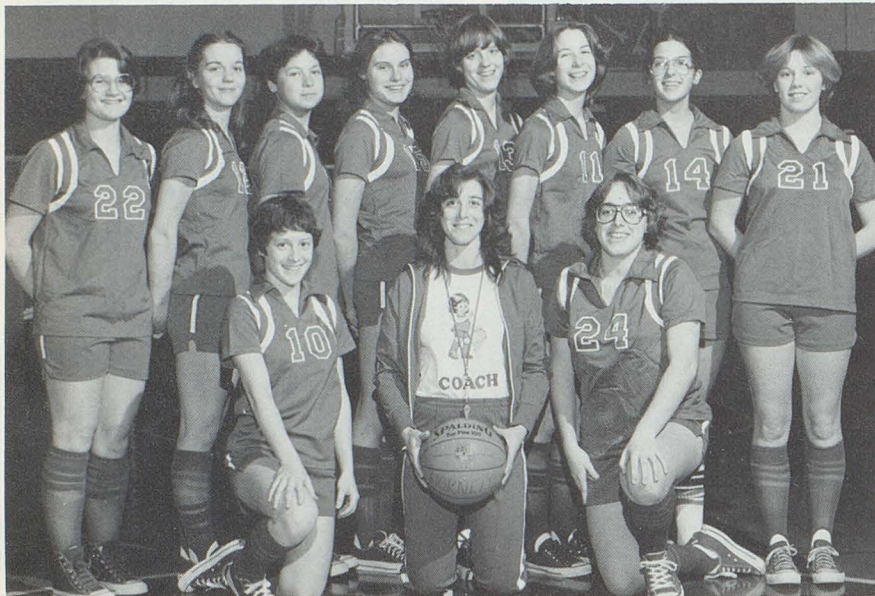

Senior Mike Stiles was the leading scorer with an average of 16 points a game. Mike was also the top man in the rebounding category.

The Raiders have something to be proud of by placing second in the Canandaigua Christmas Tournament.

With four seniors—Don Canty, Mike Cortese, Bob Shephard, and Mike Stiles going on to further endeavors, next year's team looks experienced and promising.

The Queen and Her Court

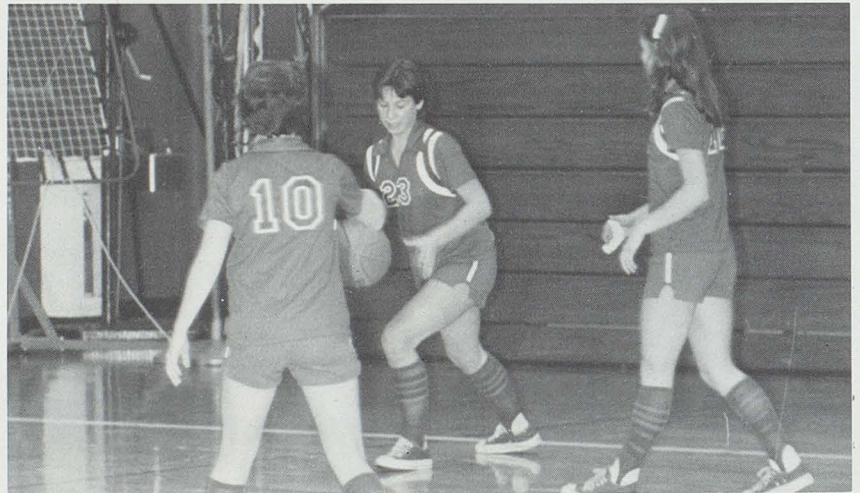

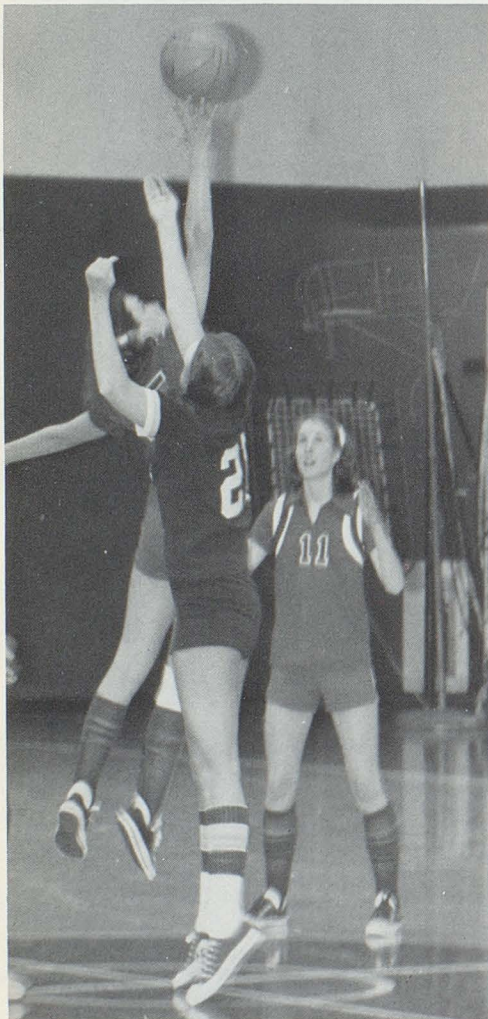

Row 1: P. Walker, Coach Lefferts, R. Colomaio Row 2: T. Murray, S. Huffsmith, D. Mu, N. Harder, P. Watches, D. Christensen, K. Weidman, P. Dunning

After losing their first two games the girl's basketball team finally got it together with a thrilling victory over the undefeated Angelica team.

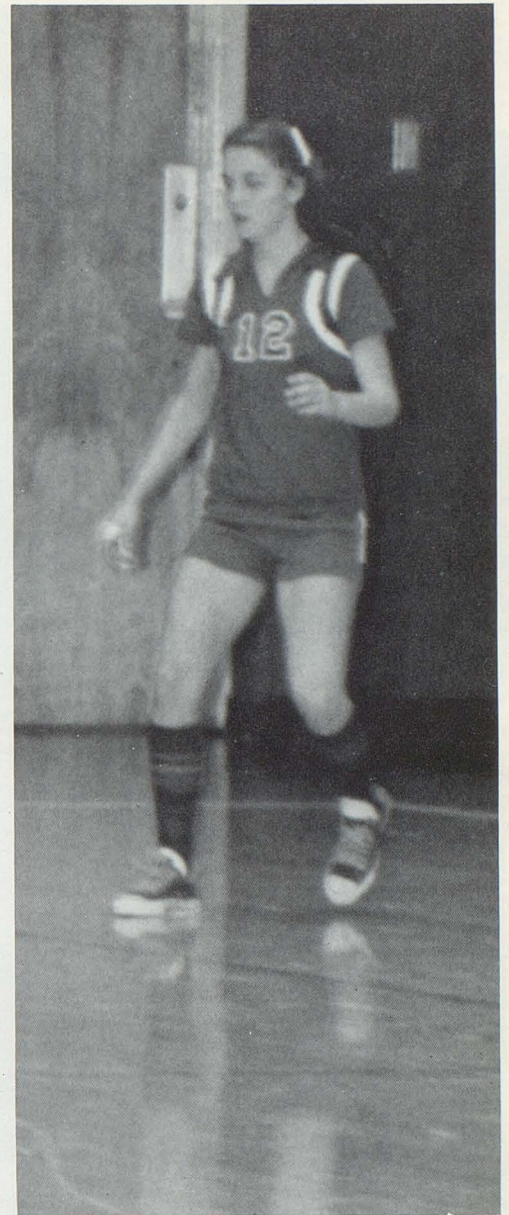

Their strong defense lead by Sandy Huffsmith and Nancy Harder and their offense lead by none other than Karen Miliner attributed to the successful season for the H.H.S. Raiders.

The team will lose eight seniors to graduation but Coach Yvonne Lefferts is looking forward to the upcoming J.V.'s who as of this time are undefeated.

Waves have been splashing for the Hornell High swim team this season. This year's finmen have shown their ability to perform under pressure.

Under Coach Spittler's guidance, the team has swam to a 9-7 record thus far through the season. Many records, both school and individual, have been set; many by Andy and Kevin Flaitz.

Three seniors have contributed to the team's cause. They are Tom Eveland, John Sherburne and Steve Stone. Even with the loss of these seniors, next years team will continue to show it talent in the water.

Two words to describe this year's volley ball team under Mrs. Santelli might be "fun" and "frustration." Fun because of the rapport that developed amongst the team members and frustration because of the team's rough time starting in early December. Nevertheless the team never lost its optimism. Coach Santelli is losing three seniors, but, the skills developed this year by the team's younger members look promising for next year.

This year's matmen consisted of many young and inexperienced wrestlers. This season has been more or less for growing and learning. With two matches remaining, the Raider's have chalked up a 3-9 record, and have high hopes for a fine showing in the sectionals.

Returning varsity lettermen include four year veterel Greg Bigger, three year veteran Butch Tobias, and two year veteran Pete Day. Seniors our for their first year John Mike at heavyweight and Pete Gambino at 145 pounds.

Hornell participated in two tournaments this season. At the Campbell tournament, Bigger took the only first place for the Raiders, while Tobias and Day each took a third place. At the Sullivan Trail Conference tournament in Horseheads, Bigger and Tobias took 2nd place, Day a third, and John Mike a 4th

The Jayvee team had an outstanding season and Coach Taperman looks forward to next year with high expectations.

Under the careful supervision of Coach Caruso the Red Raiders cranked out the most wins ever in a season of baseball. Their 20 wins and 5 losses earned them the county title for the third year in a row, along with the Sullivan Trail conference title.

The Raiders went the farthest in the past 5 years in sectional play by making it to the semi-finals where they lost on a disputed play to Pittsford-Mendon 4-3.

The positions of the six graduating seniors will be filled by a strong group of 8 returning juniors. This should make for a run-producing and sectional championship season.

Coach Lefferts led her ladies to their 5th division championship in a row this past season. Their league record was 6-0, with an overall record of 13 wins and 2 losses.

In sectional play, the girls established themselves as a strong contender for first place. However, they faced a formidable opponent in Churchville-Chili and were defeated 11-8 despite the three homeruns hit by Karen Milliner, Carol Noonon and Kathy Davis which was a first in the history of Hornell girls' softball.

Coach Lefferts is looking forward to championships in league and sectional play for the 1978 season.

The Tennis team whammoed out seven wins while losing ten on the courts this past season. The highlight of the season came when the Red Raiders upset a strong Corning East team.

Losing only Paul Holbrook to graduation the 1978 Tennis team will come racketing back to victory.

The Putt Putts

The Hornell Red Raiders guided by Coach Sandra Clark wound up their season with a three-way tie for the Steuben County championship with a record of 4-2, and an overall record of 7-4.

Rich Bagley made the cut for sectionals, but failed in his bid for the state tournament. He was also named to the High School All-American Golf Team.

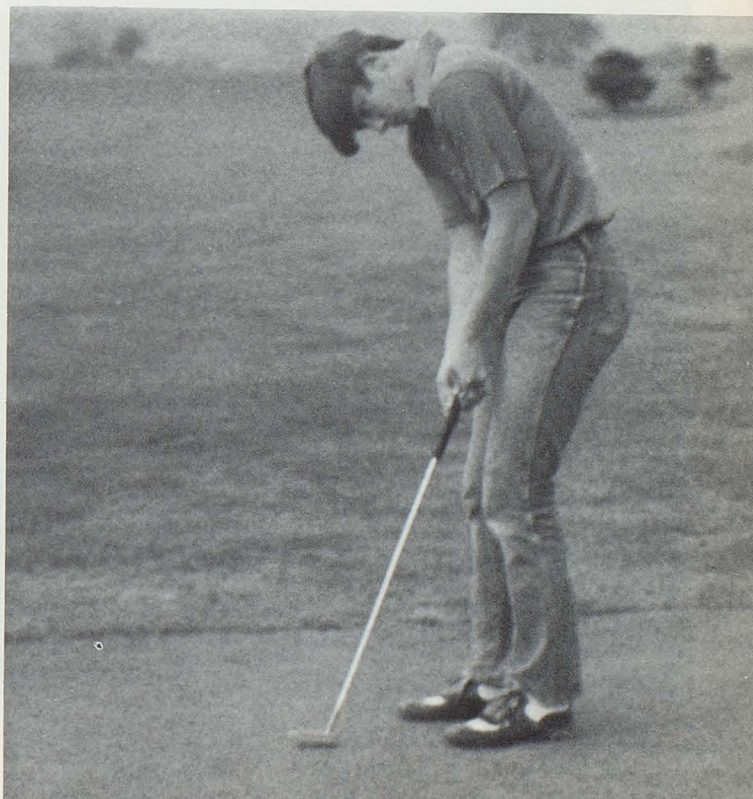

H.H.S. can look forward to a successful '78 season with the return of several lettermen.

A shot-put of 63'11" broke the state shot-put record and placed Bill Dugan in the top ten of the nation in this event. Also, in the record breaking category was Bill Malick who broke a long standing school pole vaulting record.

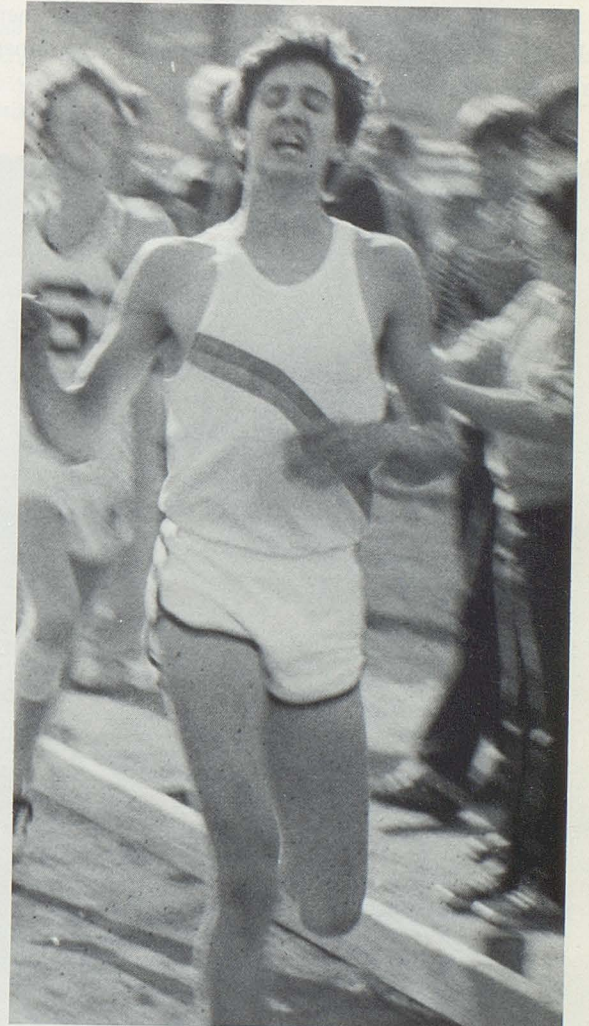

The Raider's 7-5 record did not tell the whole story. Injury and sickness hindered the overall performance of the cindermen.

With 14 boys lost to graduation, there is still a nucleus with the return of 13 experienced trackmen.

Coach Feltham is looking forward to a successful season.

Cute 'n Quick

The first year of girl's track proved to be interesting and educational for Coach Sanford. After smoothing out the wrinkles, the team won themselves an overall record of 2-5.

With the majority of last year's team returning, there should be enough experience to help provide the impetus for a winning season.

The Varden Portrait

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in fine portraiture. When you graduate, don't settle for less.

Every high school is expected to have "school spirit". And every high school thinks that they have more enthusiasm, spirit, and pep in its students than any other. As the 1978 school year draws to a close, I think it is obvious to the entire community that at this time, the students of Hornell Senior High School are overflowing with school spirit. Whether you're looking for pride in academic quality, respect for the faculty and administration, or support for the athletic teams, the students at H.H.S. have it all.

The yearbook is an important facet of high school life. We have selected the 1978 Maple Leaf to be a spokesman for the school spirit that has been developed at H.H.S. this year. Our Red Raider mascot has been transformed into more than a good luck charm for our sports teams, it has become a symbol of our entire school and the student body.

Long after the 1978 Maple Leaf has been laid on the shelf, we feel that the hallways of Hornell Senior High School will remain filled with the echoes and memories of "The Year of School Spirit".
