“Time will never erase” . . .

It is said that time has a way of healing all things. Time, however, will never erase the happy memory of Sister Mary Irma. When Sister Irma died in a tragic automobile accident last summer, graduates of St. Ann's School joined the entire community in paying tribute to a dedicated woman who gave her life to her Church and the children of this community. First as a teacher, later as principal, Sister Irma instilled in all her students a love of learning and an appreciation of the truly important things of life. Her Irish wit, quick grin and an occasional show of temper to match her nationality are things we shall all remember. But . . . if one thing is to be remembered above all others, it must be her zest for living and the genuine enthusiasm with which she approached even the dark moments of this life. Now, she has gone to her reward and students of all faiths join in the ancient words of her Church—"Requiescat in Pace."

We find someone who is open minded

As students, we are involved much with transition. During this period in life we are faced with decisions which effect us both mentally and emotionally.

The faculty and administration urge us to use our abilities, to face the world by expanding our creativity and knowledge through learning.

Often, within our high school years, we find the need for guidance and we search for someone with knowledge, experience, and patience. All of us look for someone who is open-minded and eager to answer our questions, whether large or small.

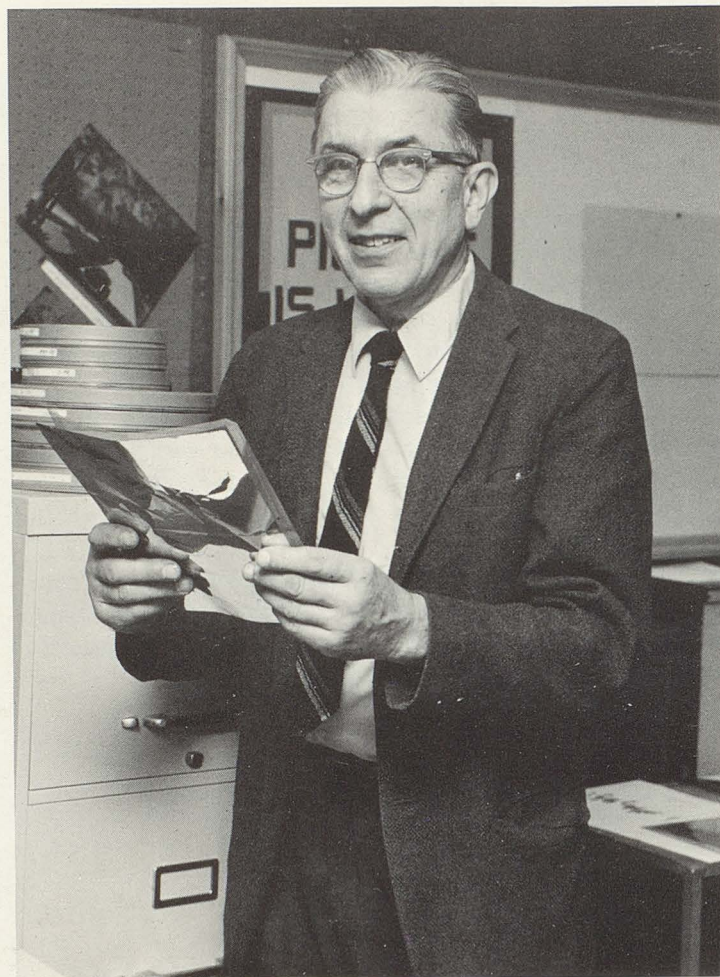

We, the editors of the 1970 Maple Leaf wish to recognize Miss Nellie Dickinson, head of the Guidance Department, as the one person who best exemplifies this aspect of transition, and so dedicate this book to her.

Retirement

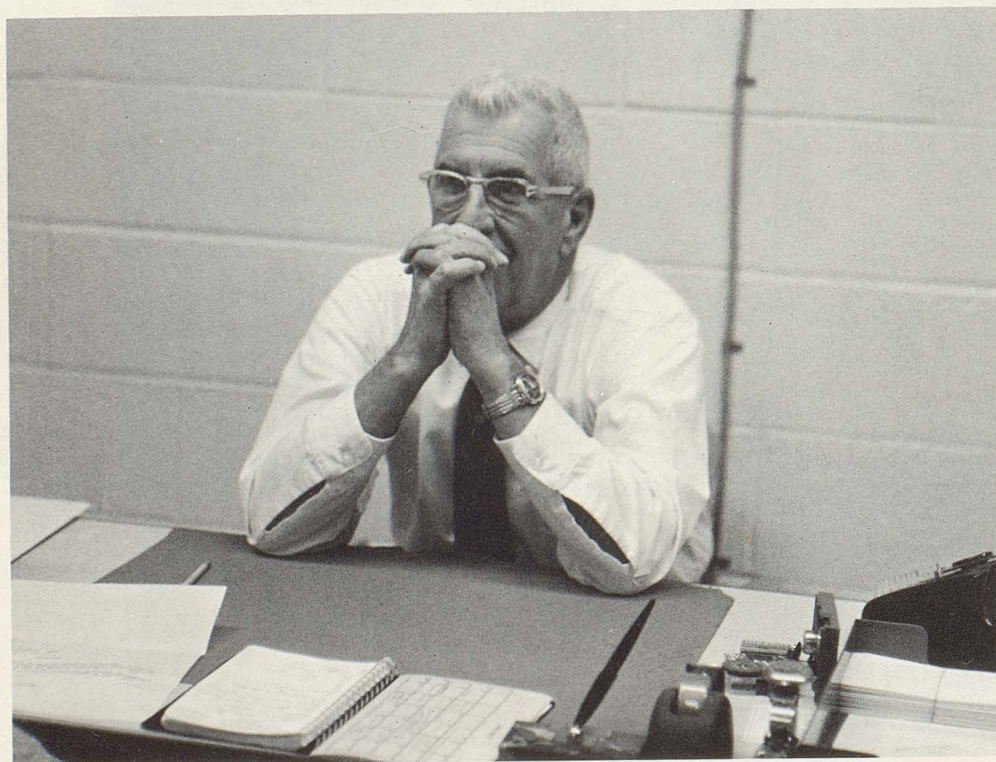

Miss Margaret Neild, English

Mr. Charles Eddy, Audio Visual

Mr. Elliot Hartman, Director of Athletics

Originally, a school annual was designed to honor the graduating class. Things have changed much over the years. The teachers we pay tribute to on this page have seen these and many other changes. There is no way to measure the contribution they have given but our school, and community is a better place because they have given so generously of themselves.

We often tend to take the service of others for granted. For this reason, the 1970 Maple Leaf extends a "special thanks" to Mr. Durso, Miss Fitzgerald, Mrs. Perry, and Mr. Doran. Though we seldom seem to notice, we do appreciate the many things they have done for us.

Admirals of the fleet

Few students and not many adults realize just how diligently our local Board of Education works for the betterment of the community. Like all politically constituted bodies, the board has, from time to time, come under fire for not doing enough or doing too much. However, it's well to pause occasionally and dwell upon the outstanding job the present board has done in making Hornell and the surrounding area a better place in which to live.

Mr. Harold Ranger

Mr. Harold Paul, Superintendent

The cry of today's generation is "anti-establishment". Yet, try as they may, the students of Hornell High can hardly overlook the services of our administrators.

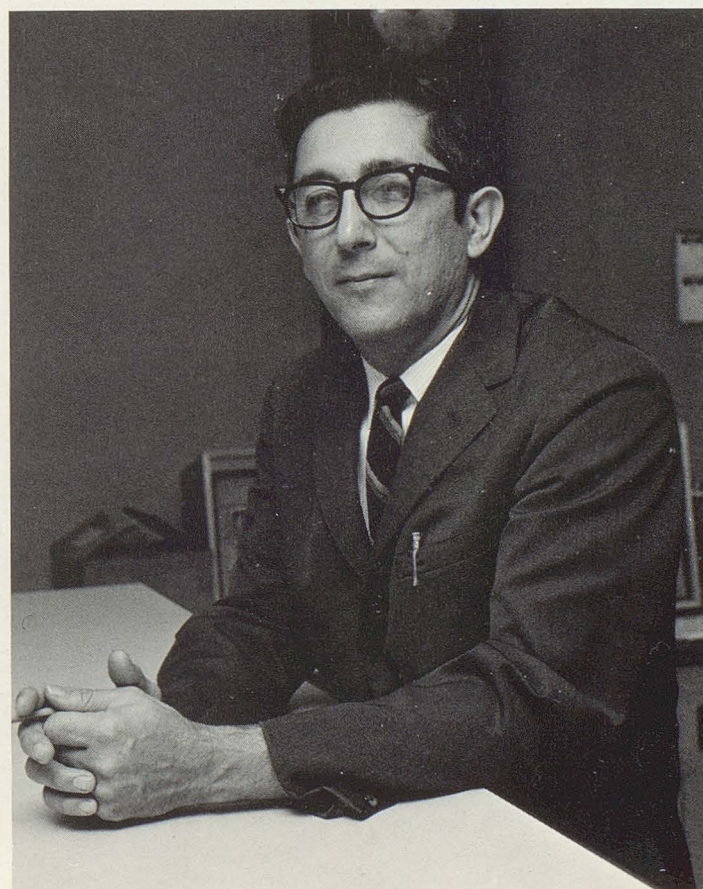

Mr. Johnson and Mr. Durso act as an effective channel between the Board of Education and the faculty and student body.

It is largely through their efforts that board policies are carried out and the school is run smoothly.

Steady hand at the helm

Mr. Robert Johnson, Principal

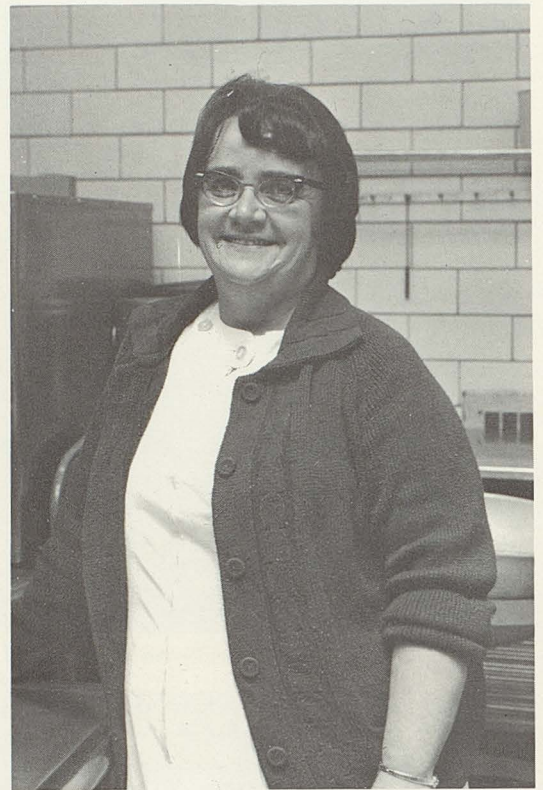

Mr. Michael Durso, Vice-Principal

Miss Fitzgerald, Secretary.

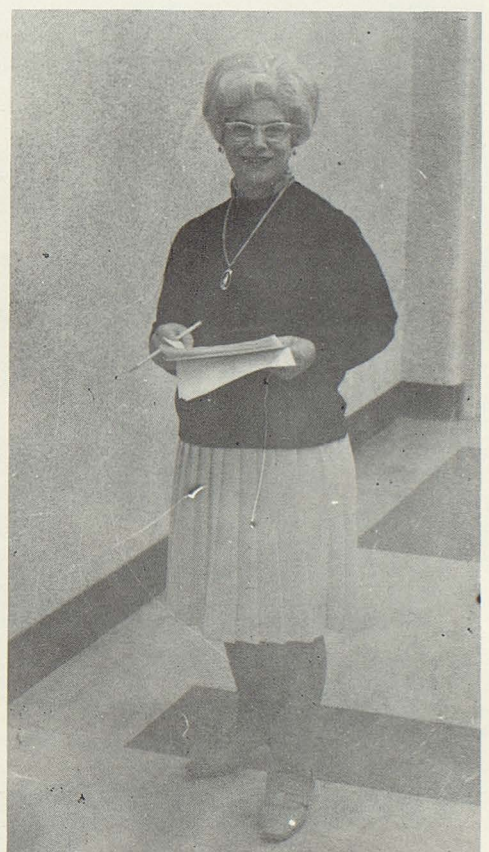

As any teacher will tell you, the custodians really run the school. By this they mean that without the hard working custodial staff, learning would be virtually impossible. No less important is the secretarial staff, remembered for their real interest in the welfare of the students as well as their hard work on behalf of the faculty and administration. Mrs. Boag, Director of Testing, plays an invaluable part in the educational program.

“Getting to know you” . . .

Of Hornell High's many musical productions, probably the most ambitious is the musical presented by the choir each spring. Last May's performance of "The King and I" lived up to this reputation. Under the direction of Mr. Besig, choir members gave willingly of their time to put together a show which far surpassed the hopes of even the most optimistic.

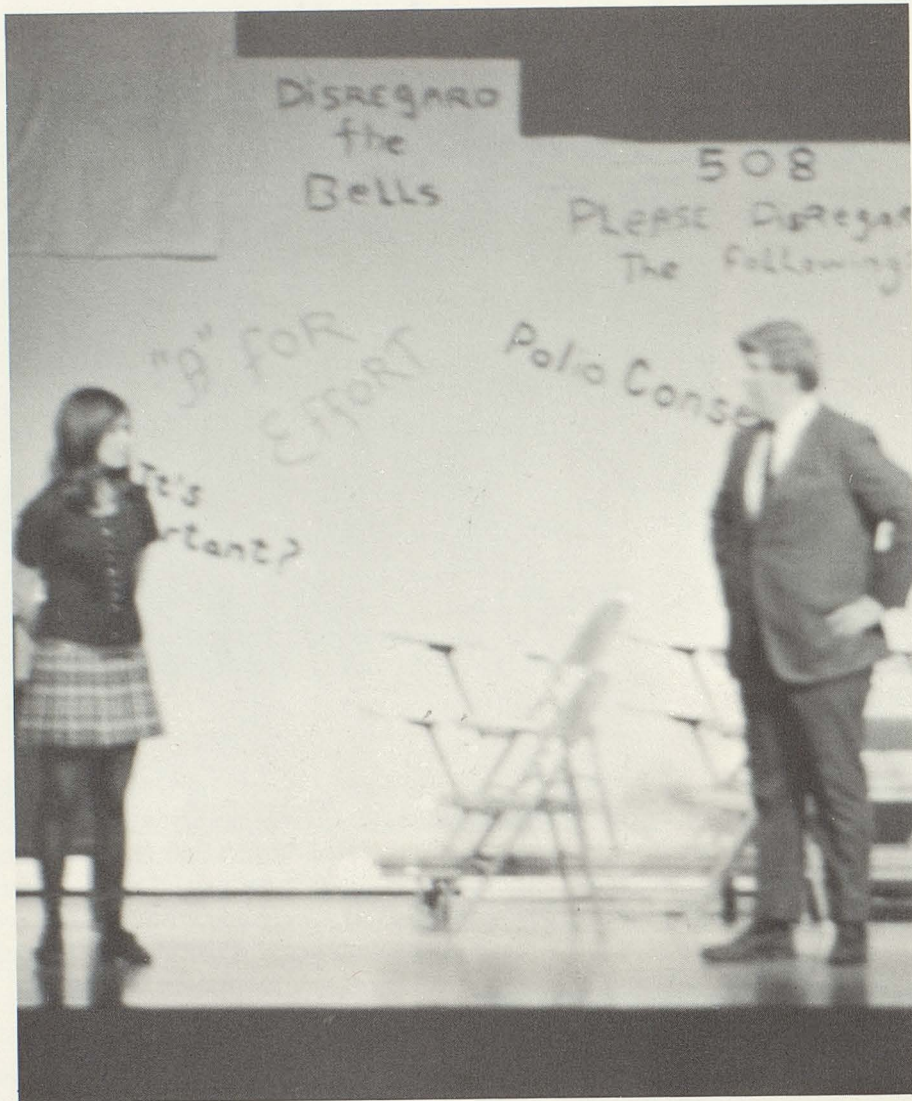

“Oh what a beautiful morning” . . .

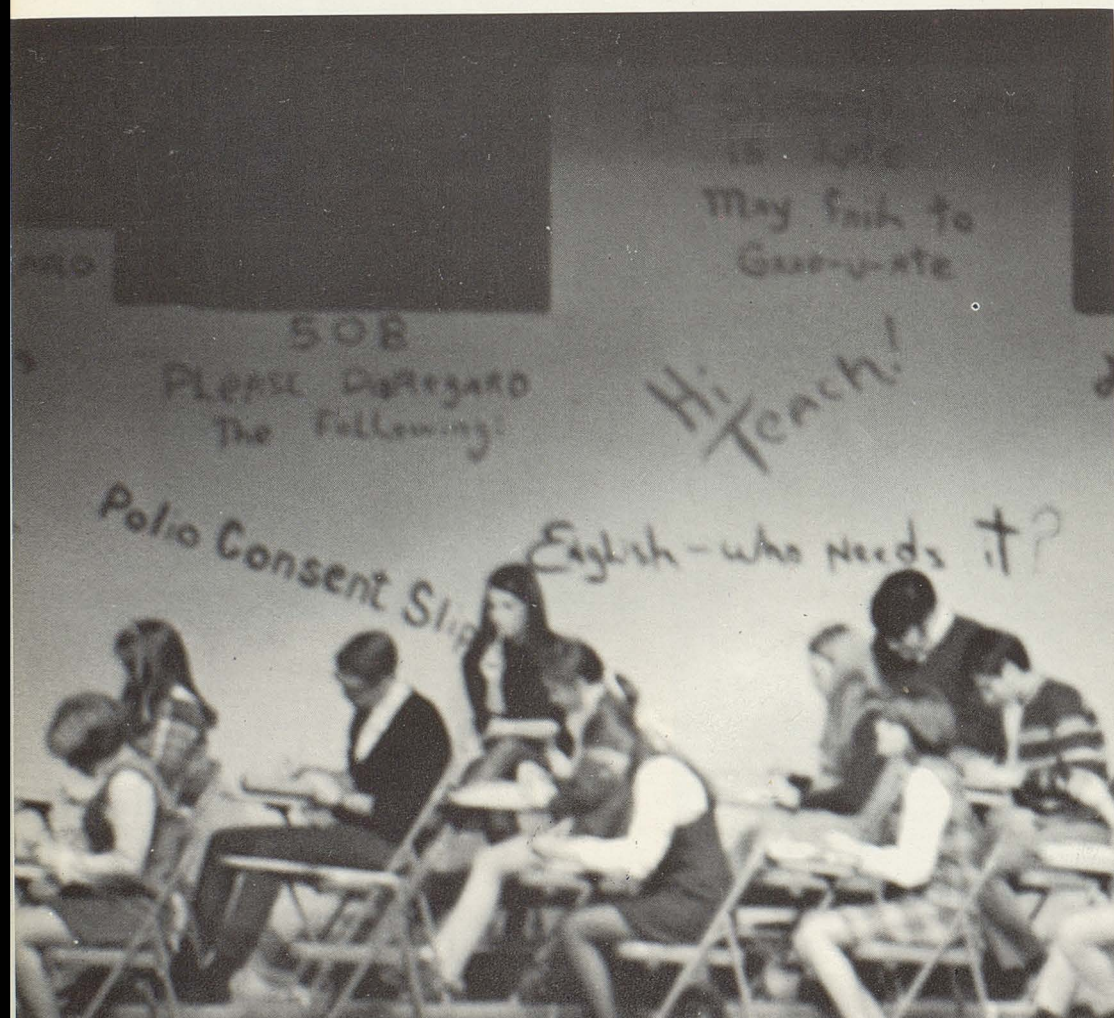

Workshop in Choral Drama has become a regular part of the summer segment. Last summer, an ambitious group of students in grades 9-12 presented Rogers and Hammerstein's "Oklahoma." The cast and stage crew gained much experience in production methods as they made costumes and scenery, applied make-up and mastered musical and dramatic techniques.

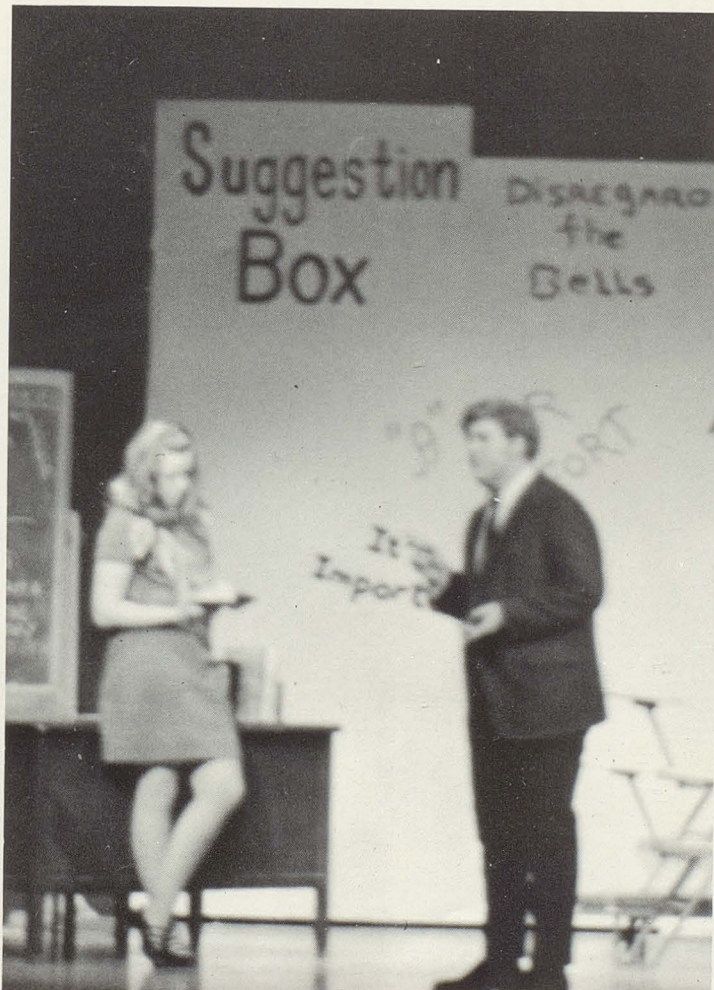

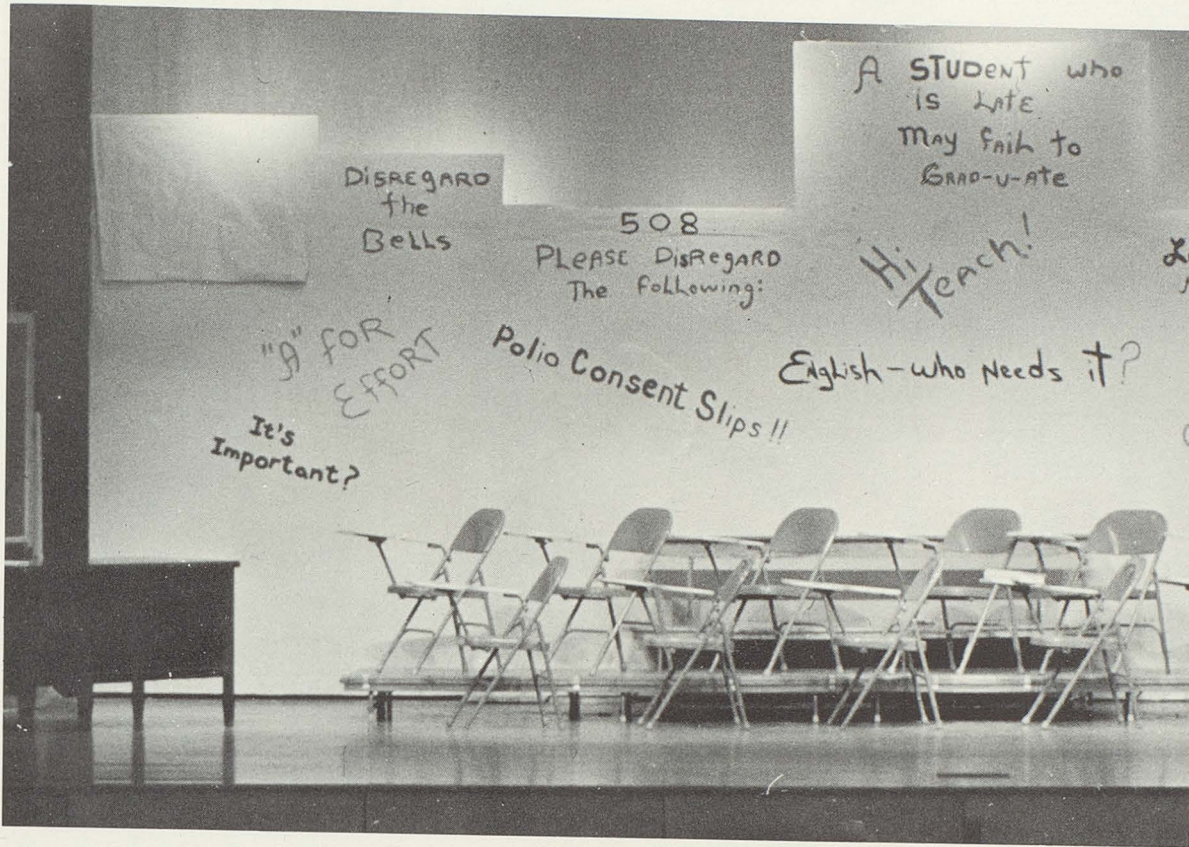

The Senior Play this year was about, of all things, school, as the senior cast members presented two impressive performances of Bel Kaufman's "Up The Down Staircase." We have two-way staircases at H.H.S. but the humor did not go unnoticed by those who attended the performances. With lots of effort and good publicity, the play was well attended by both students and adults alike. Student Director was Ed Smith with Mr. Quinlan serving as advisor.

Juniors dance in "Valhalla"

For the Class of '71, the social highlight of the year was the Junior Prom held in November. Marta Olds and her escort, Ric Aultman, were chosen to reign over the festivities. Entering couples passed through a golden gateway into the mythical land of "Valhalla". Billowing clouds of chiffon and twinkling lights created a heavenly illusion, while an enormous castle loomed in the background. For those who attended, it was an unforgettable evening.

This year's American Field Service student was Antonio Corzani. Tony, who hails from San Piero, Italy, lived with the Carlton Wood family in North Hornell. He quickly became an active member of the student body, involving himself in athletics and a number of clubs. We'll all miss Tony and knowing that the feeling will be mutual provides us all with a real sense of satisfaction.

Jack Dailey, Hornell's student to Austria, sits at the dinner table with his family.

Most people cannot go abroad without returning a different person. Jack Dailey is no exception. Thanks to the efforts of students and adults alike, Jack was able to visit Austria last summer. What effect he had on the Austrian scene is unknown but his travels have helped, directly and indirectly, to enrich the lives of all at H.H.S.

This was an exciting year for the Student Council. There was a great flurry of activity. Some felt the council did not accomplish enough—others felt the council had moved into exciting new areas. However, few would question that the council tried hard to make Hornell High a better place. The fruits of council efforts may not be realized for many years. History will be the final judge.

Honor Society taps 37

Membership in the National Honor Society is more than a scholastic honor. It is a recognition of a student's total development. Inductees are selected on the basis of leadership, scholarship, character and service. Thirty-seven members were inducted at a special assembly held in January. Mr. Harold Paul, Superintendent of School, was the featured speaker. Addressing the student body, he stressed the importance of developing sound character. A reception for the new members and their parents was held following the ceremony.

Girls Service grows active

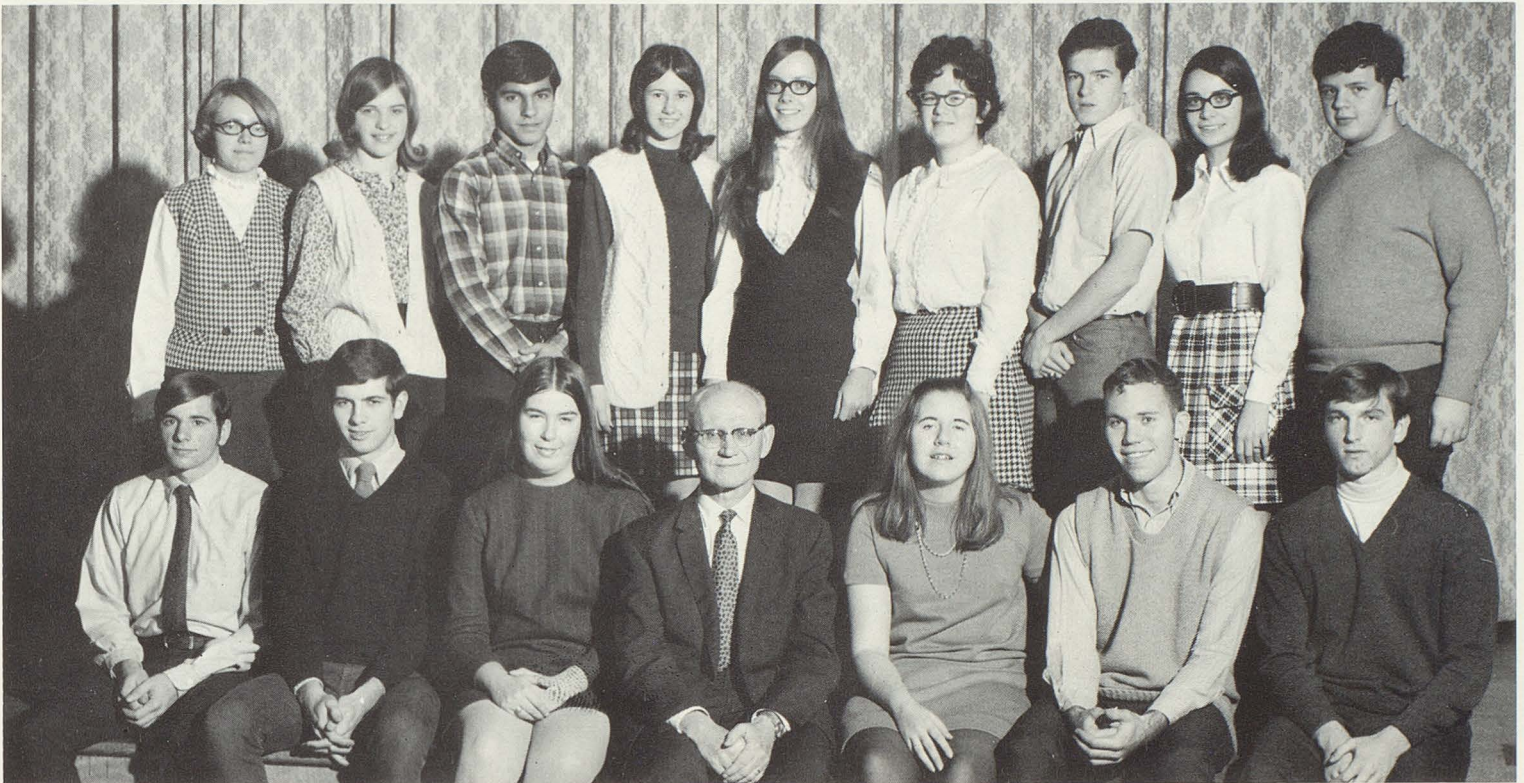

This has been a year of change for the Girl's Service Club. The group began its activities with Mrs. Aultman and Mrs. Hammond taking over as the new advisors. In addition, a special committee was formed to study revisions in the group constitution.

The induction of 21 new members was held at a special holiday party in December. Various service projects were undertaken by the group, including a program for patients of the Clancy Nursing Home, complete with a Christmas tree and decorations, gifts for needy families, Valentine tray favors for hospital patients, and donations to local charities.

Mr. Peltz is often heard saying—
“Ignorance wins again!”

However, this is not the case with the Math Club. Mu Alpha Theta is an honorary mathematics society with local chapters in secondary schools across the nation.

To be eligible for membership, a student must acquire a minimum average of 85 in college preparatory math. Sixteen new members were invited to join last spring. Mr. Peltz obviously enjoys his job as advisor.

As a member of the Future Teachers' Club, one gains knowledge and preparation in the field of teaching. With Mr. Gray as the new advisor, the club started the year with the induction of members.

On a trip to Rochester, the members were received as guests for an all day tour of Eastman Kodak. During the second semester, the club members entered a cadet teaching program in cooperation with Irving School. They observed and helped in the classrooms gaining experience to help them in the future as teachers.

Hornell High struck a blow against the shortage of medical workers again this year with the activities of the Future Nurse's Club. This organization gives prospective nurses an opportunity to experience some of the practical sides to their future profession. Clubs such as this offer our students a real chance to learn by doing.

Business Club offers students practical experience

The Business Club, under the direction of Mrs. Dusingberre, gives students leaning toward a career in the business community, an opportunity to get some practical experience in their chosen field. Field trips, selling projects and other practical experiences in the field of business are a definite asset at H.H.S.

The Audio-Visual Technical Staff was formed at the beginning of this year to aid teachers in the use of audio-visual equipment. Mr. Eddy instructed members in the correct operation of such material as overhead projectors, tape recorders and television equipment. In October, the staff's duties expanded to cover video-taping techniques.

Library Club aids students

Though its members seldom receive recognition, the Library Club performs a valuable service to H.H.S. Club members sacrifice many free periods to shelve books, type library notices and perform various other tasks to keep the library operating efficiently. Mrs. Phillips directed this year's activities as the members lightened Mrs. Hammonds' load and made the library more useful for their fellow students.

Last fall, the band spent many mornings in the fog and mud as they drilled in preparation for the football season. Their work paid off as fans were entertained by many imaginative half-time shows.

In addition the band led local trick or treaters in a Halloween parade.

The musicians also worked indoors, especially in the precise practice sessions in preparation for a combined concert with the Junior High School band in February.

The annual candy sale was held to benefit the uniform fund. Enterprising band members could be seen toting cartons of candy and using high pressure sales methods on their friends.

The band's spring activities included participation in the Memorial Day parade and the Dansville Dogwood Festival.

In its third year of existence, the Hornell High Stage Band steadily gained in popularity. Even hard-to-please audiences were impressed as they played a variety of music, from hits of the Big Band Era to the selections featured this year including "People", "The Windmills of your Mind", and "This Guy's in Love With You". The ensemble performed for the Kiwanis Club, Rotary Club and other civic organizations.

The Swingin' Dozen is quickly becoming one of the best-known vocal groups in the area. Their lively style and versatility have impressed audiences throughout the community.

Christmas was especially hectic for the group. Many local organizations were entertained as they sang a variety of traditional and original holiday music.

Spring concerts displayed the Dozen's wide musical range, as they performed a medley of songs, including selections from "Oliver" and "Aquarius", from the rock-musical, "Hair".

This year, several Choir members participated in the All State and All County Music Festivals.

Hornell audiences continued to be delighted by the several choral presentations. The first of these was the annual Christmas program—"Christmas, a Time of Joy". Opening the performance with "Let there be Peace on Earth", the chorus expressed a hope for universal peace as they sang a collection of holiday music from foreign nations. The Swingin' Dozen and the newly formed Sophomore Girl's Choir added a lighter note to the concert.

Another presentation came in the spring. The last of the activities was the musical "Brigadoon", a Broadway classic. Choir personnel spent countless hours on costuming, rehearsing and set construction.

The results? Just ask anyone who attended one of the performances.

The Maple Leaf is one of the few permanent records of our school year.

This year, the staff has worked hard to create a book presenting a candid view of Hornell High. With few people on the staff, long hours were spent in the "yearbook room", as workers altered pictures to fit pages, wrote copy and prepared final sheets for shipment to the publisher.

It's our hope that this book will prove to be a lasting and enjoyable record of this school year at H.H.S.

Volcano published in Evening Tribune

EDITORS: D. Edwards, M. L. Knapp, M. Kays, M. Gillespie, J. Mooney.

The Volcano got off to a swinging start with a new name and a new publisher but it didn't take long for things to return to normal.

The name of the school paper was changed to the New Volcano and it was to be published monthly in The Evening Tribune but school spirit was lacking in this area and the whole project was dropped during the winter months. This proved to be a keen disappointment to both the editors and their advisor, Mr. Doran, but it may serve as an example to the rest of the student body—namely, school spirit means more than just cheering at sports events. Plans are underway to make next year's New Volcano a fact and not just a new idea.

Hornell's musclemen

Charlie Atlas would feel right at home in one of the weight lifting sessions at H.H.S. Some say Charlie is "muscle bound". Not so our local versions of the strongman, who, through a careful program, are able to develop their muscles without sacrificing their mental acumen.

Cheerleaders spark school spirit

The cheerleaders began their busy year by cheering not only for football games but also for the soccer and cross teams.

To learn new cheerleading techniques, they attended a clinic held in Geneseo in the fall. The girls introduced many new cheers and built up spirit at numerous bonfires and pep rallies.

They also made new uniforms which they wore for the first time at the opening of the basketball season. Through the sale of Raider Patches and Pins, the girls promoted support for the various teams.

The Junior Varsity cheerleaders make a lot of noise—all of it geared toward helping the J.V. boys on to victory. The girls spend countless hours practicing and preparing for their part of the total H.H.S. Victory Bandwagon.

Majorettes featured as twirlers

Majorettes Connie Guinane, Pam Schmitt, Karen Piccarillo, Mary Koch.

Whether twirling fire batons during a half-time show, or marching in a holiday parade, the majorettes are an important part of the H.H.S. band. This year's twirlers were Mary Koch, Connie Guinane, Pam Schmidt and Karen Piccarillo. The girls received some special instructions from Mrs. Castroville and displayed their knowledge and skills at a special winter sports assembly.

Enthusiastic support is a factor vital to success in all phases of athletic competition. It is for this purpose that the Pep Club was organized.

Club members attended sports events and aided the cheerleaders in sparking student pep.

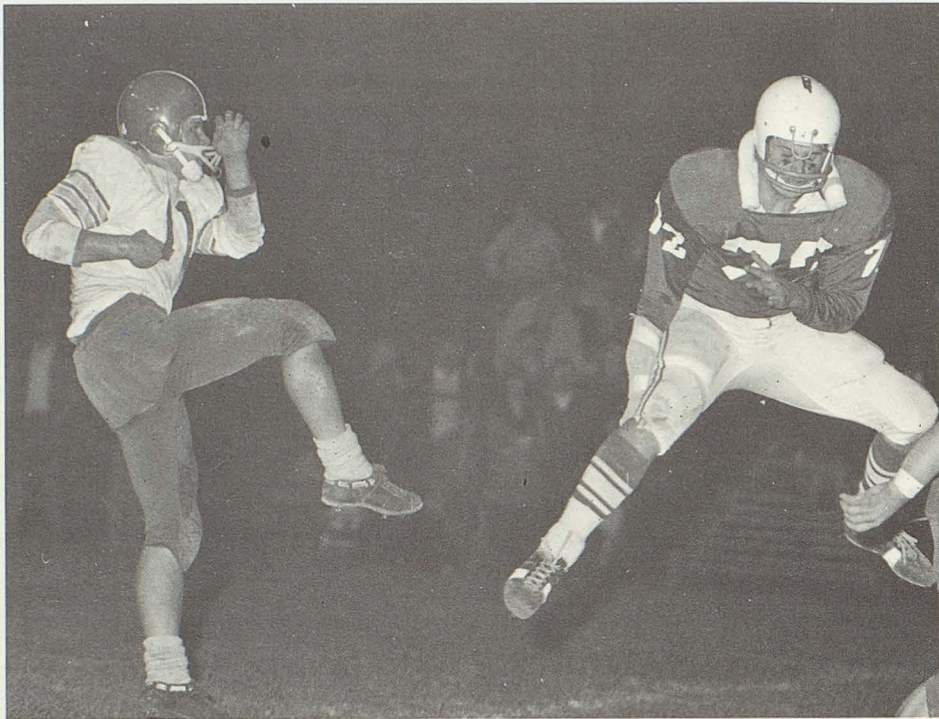

Two new groups, the Bleacher Bums and the Duyawanna Brass, were formed this year to promote even greater school spirit.

The Varsity Club recognizes the efforts and abilities of athletes at H.H.S. The club also provides the school with many valuable services, especially during the sporting events. The club is a happy combination of an honor society for athletes and a service organization for the school community.

The Girl's athletic Association is living proof that this is not a man's world. The girls, some of whom have developed outstanding skills, learn as they participate in a number of sports programs. This year, for example, the G.A.A. girls took on girls from other communities in some hard fought basketball games.

The Ski Club, made up of many daring young students from the Junior and Senior High Schools, travelled to Swain each Friday after school.

Braving the bitter cold, they raced down the challenging slopes. Inexperienced skiers learned the "snow plow" and other basic techniques, while advanced members master the more difficult maneuvers.

The club, with Advisor Mr. Wicks, sponsored several money making projects to curb expenses and planned future trips to different lodges.

Sharpshooters practice aim!

Groundhogs gallop at Brentwood

"Hi Ho Silver" is NOT the slogan of the Riding Club but it could be, even if the horse is of a different color.

Each Saturday, weather permitting or not, the members of the club mount their sturdy chargers and brace them-

selves for a ride which sometimes resembles a poorly planned drag race. But it's all great fun . . . or so the kids say. Besides, it's a great boon to local druggists who report the sale of heat liniments are up on weekends.

ATHLETICS

Spring is . . .

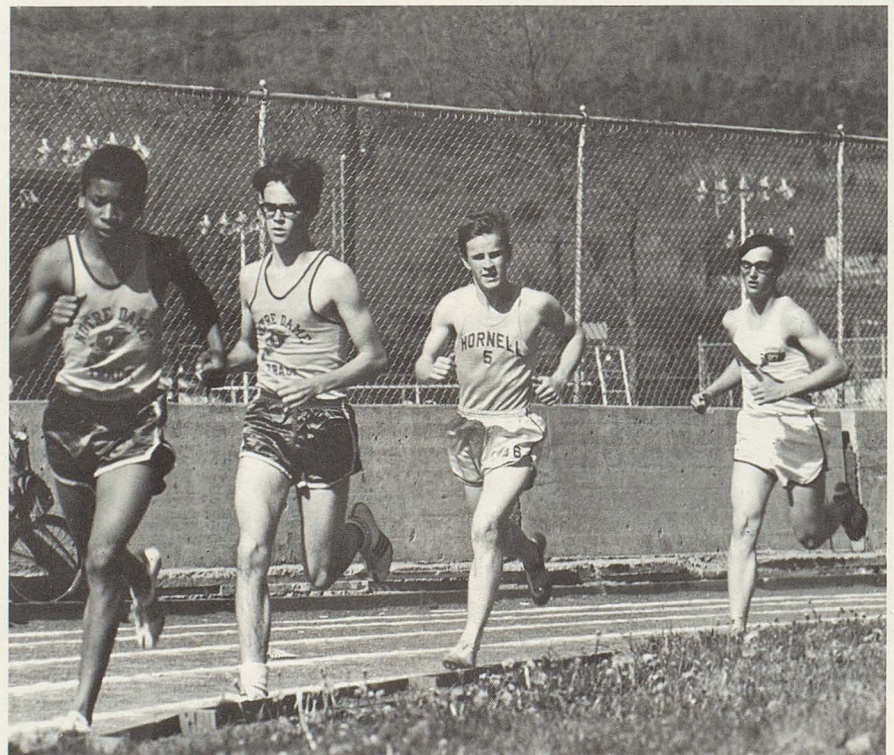

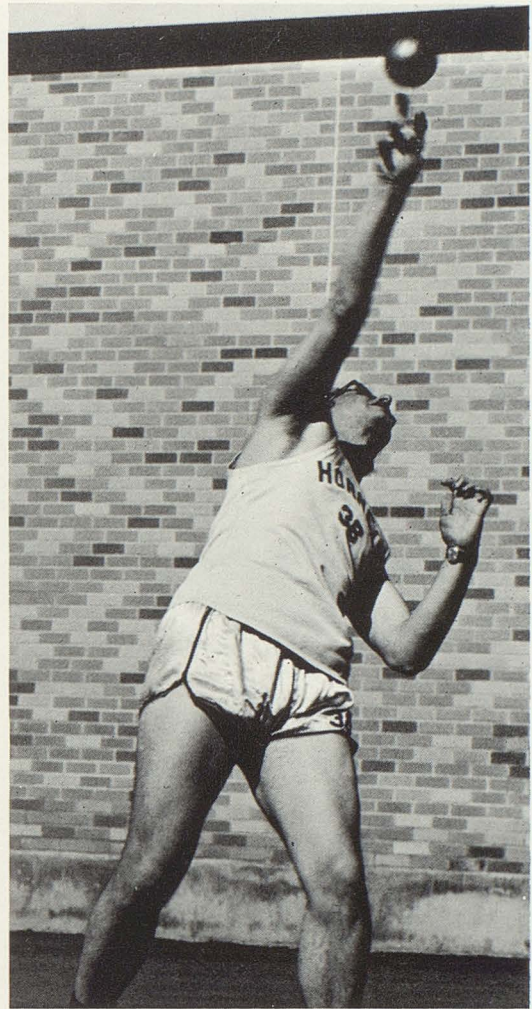

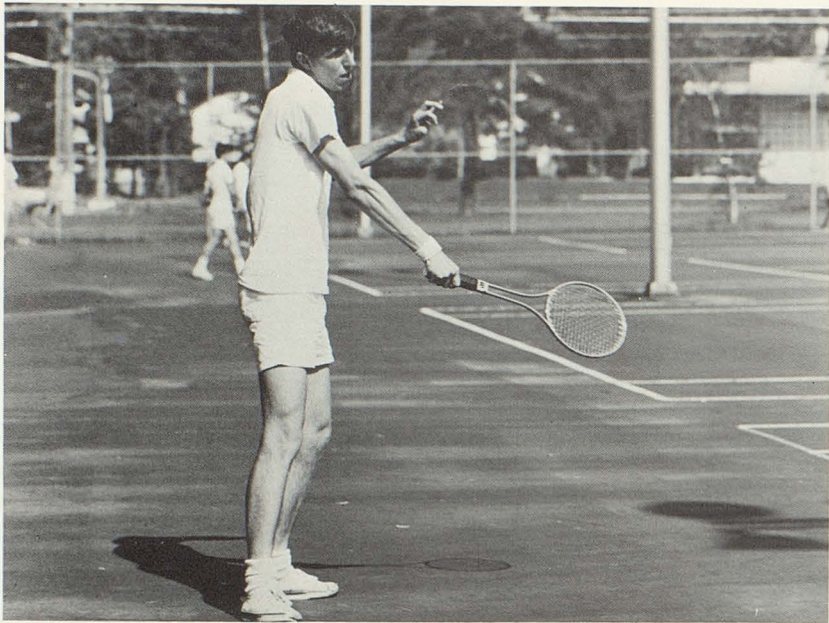

Mr. C. and his dashing young men

One of the most exciting sports programs at H.H.S. is the track program. Many are surprised to find that members of the adult world often find tracking events more interesting from a spectator stand-point than some of the better known varsity sports. Coach Lorry Castiglione works hard to get the best possible performance from his boys, a fact which has not gone unnoticed in Hornell.

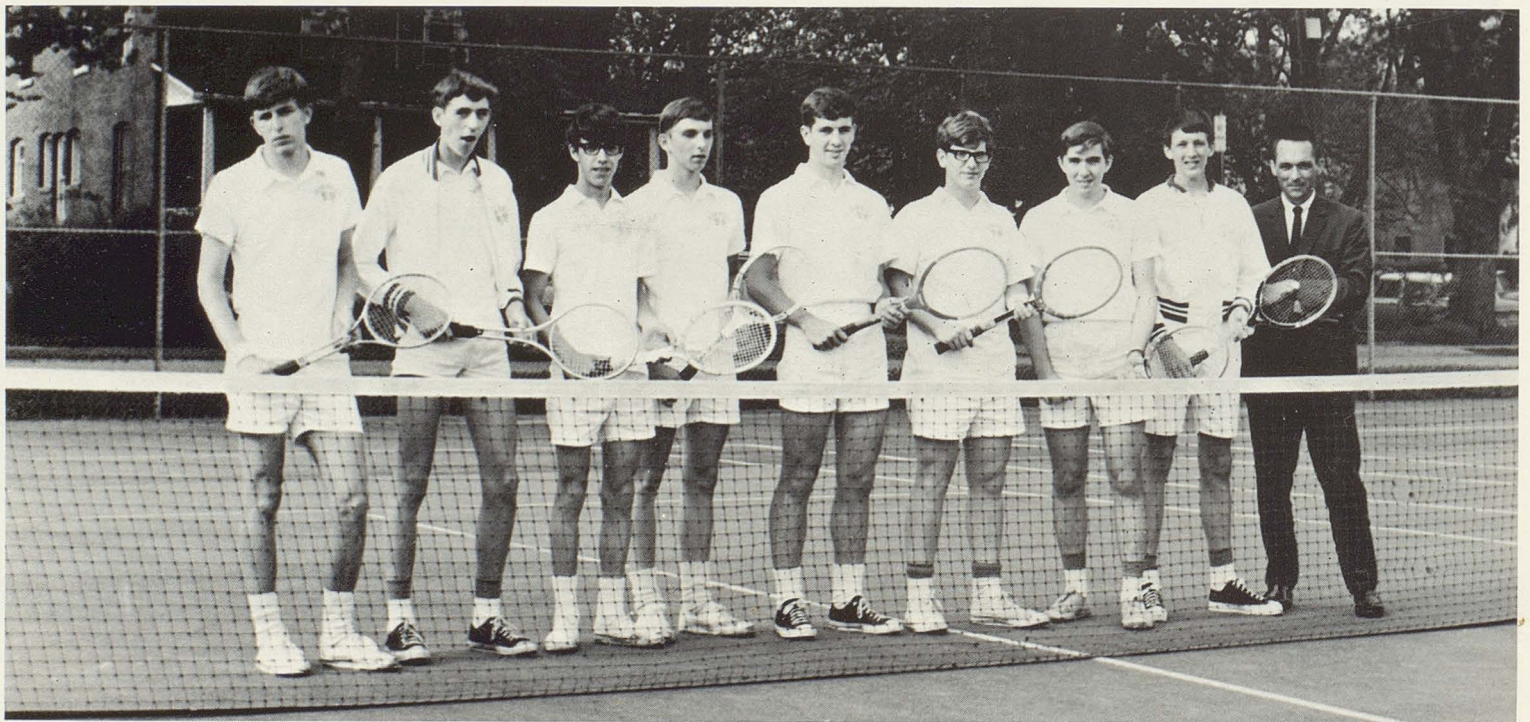

FIRST ROW: K. Cornell, T. Fagnan, W. Bossard, D. Hurlburt, H. Johnson, J. Hallenbeck, T. Donovan, D. June. SECOND ROW: M. Kelly, R. Rahmlow, S. Holbrook, A. Sullivan, F. Hess, G. Wallace, R. Love is the name of the game, especially for tennis players. The tennis team had another winning season in '69 after winning 13 of its 18 scheduled matches. The netmen triumphed over such formidable opponents as Corning East, Corning West, E.F.A., Elmira Southside, and Elmira Heights. The season was successfully climaxed when Hornell placed second in the Sullivan Trail League.

Golfers "tee off" to a 7-3 season

Some H.H.S. sports are geared to provide the student with a learning experience which will prove useful in later life during his leisure time. Golf is one of those sports. However, while not a great spectator sport at our school, it's still highly competitive. In that department, the boys, coached by Mr. Morris, came out on top with a 7-3 record.

FIRST ROW: D. Falzarano, J. Daily, R. Niver, R. McIntosh, M. Briganti, T. Purce, R. Griswold. SECOND ROW: Mr. Farrell, A. Wheeler, J. Pieklo, C. Quinn, R. Beckwith, D. McNelis, T. Kelleher, R. Young, R. Babcock.

Baseball players clinch S.T. championship

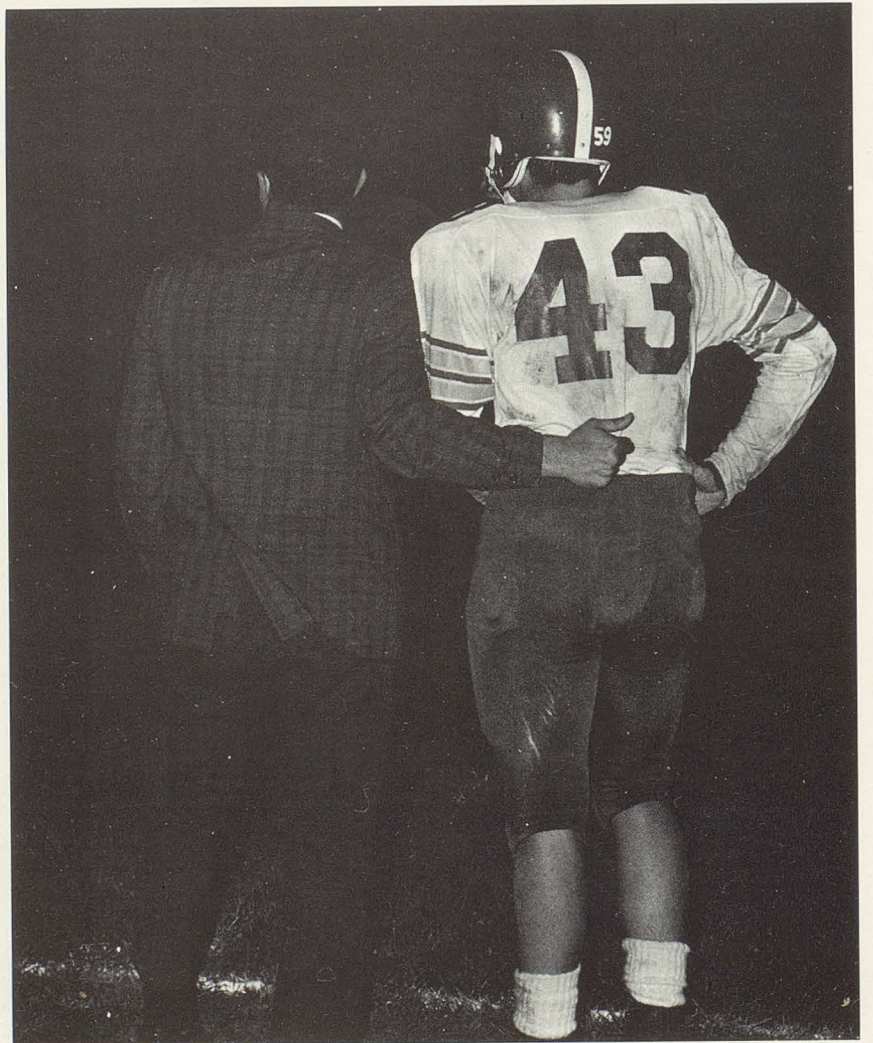

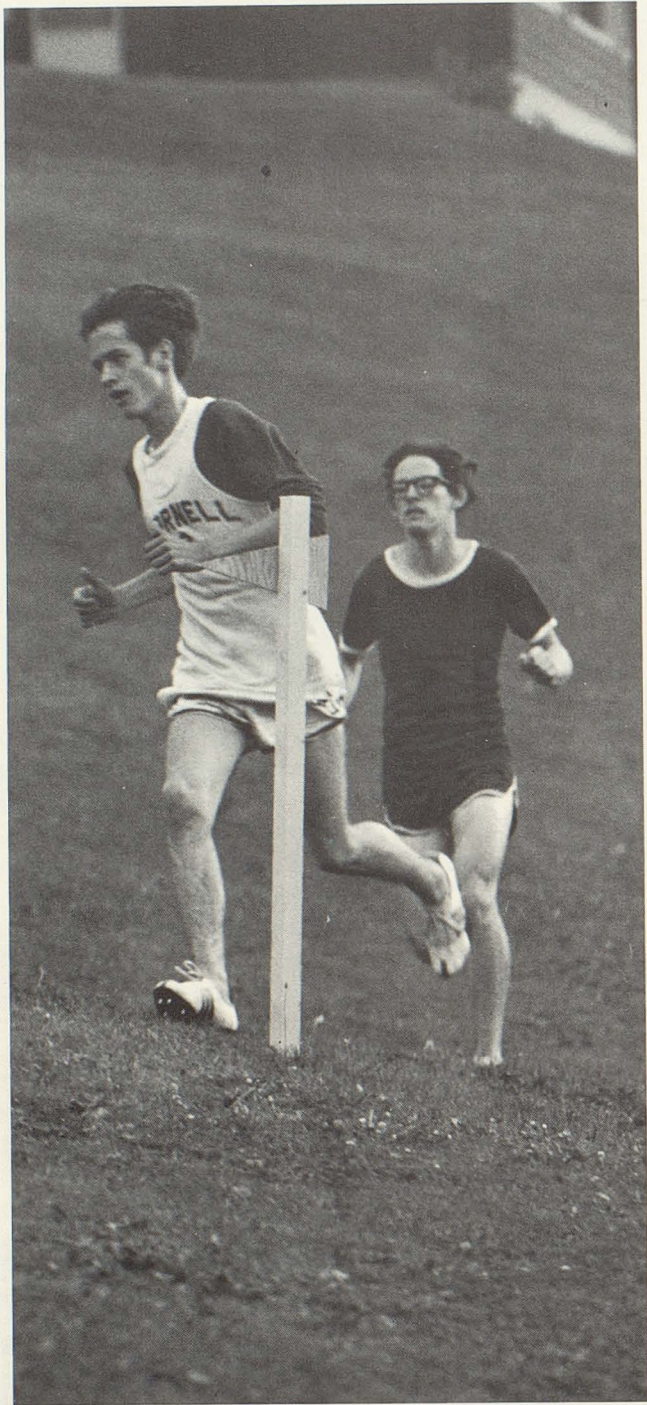

The Varsity baseball team, under the direction of coach James Farrell, became the Sullivan Trail Champions.

The Raiders secured their title by defeating E.F.A. in the last game of the season. Both teams were tied for the lead going into the game, but the Raiders readily displayed their championship form to win with a final score of 4-1.

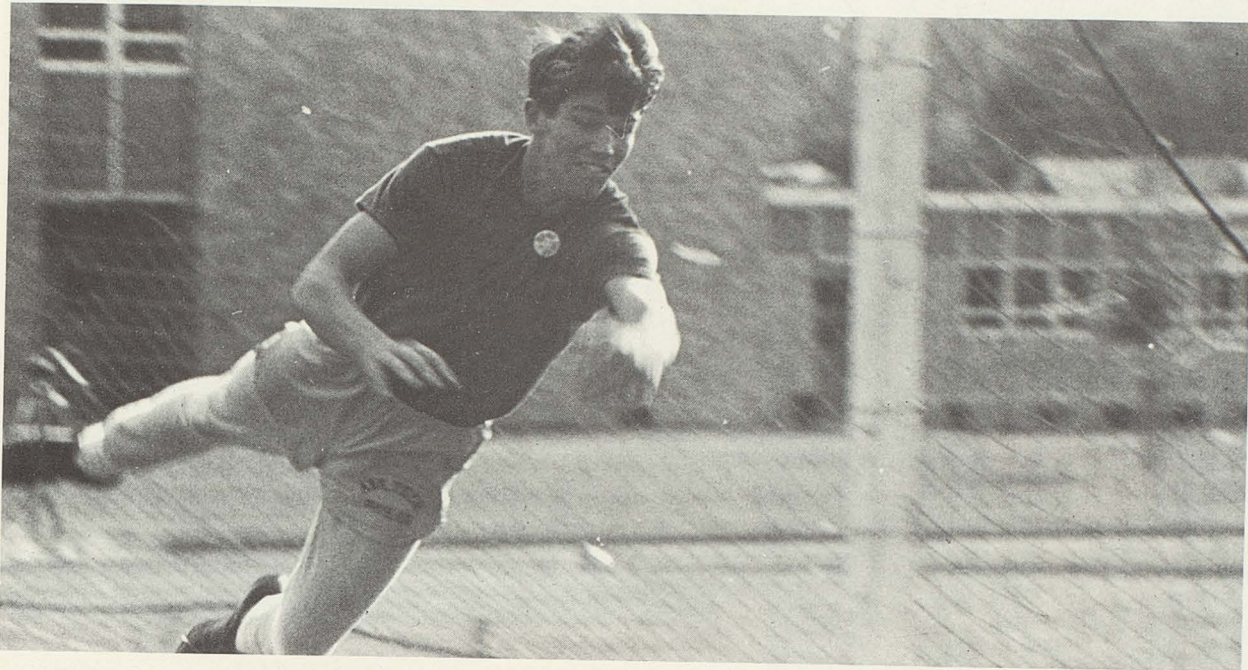

An oddity occurred when Hornell was called back to Corning East to continue a game that had supposedly been lost on a disputed call by the umpire. The game was resumed and won by Hornell 7-6. Immediately following this game, a playoff was held with East for the Steuben County Championship. East won 5-2, to represent Steuben County in the Section 5 playoffs.

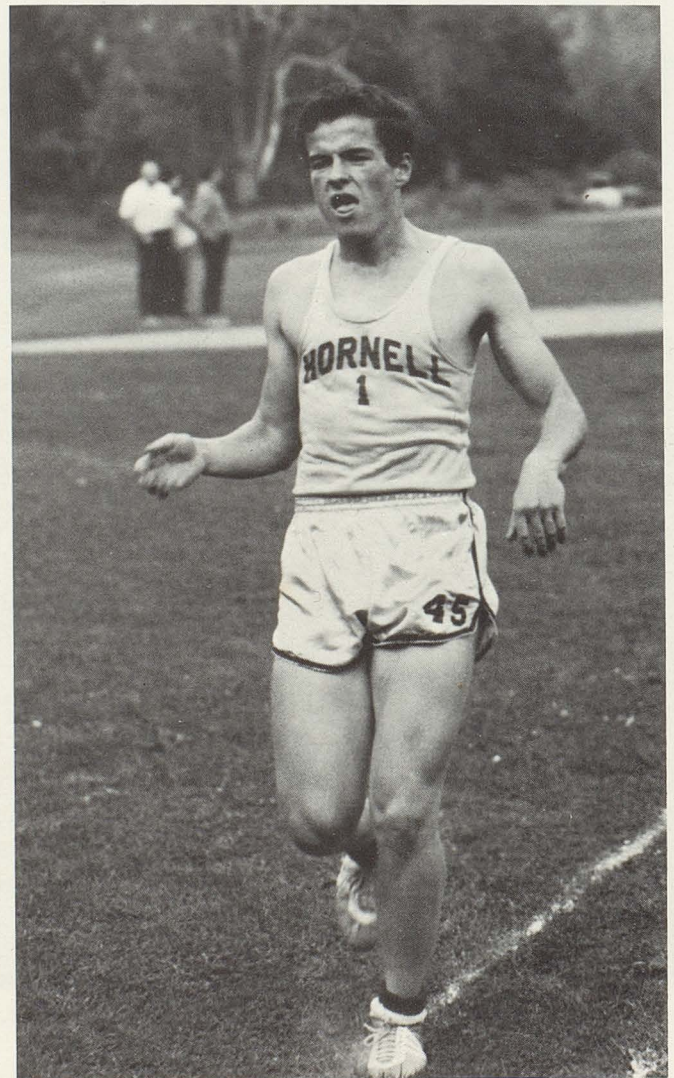

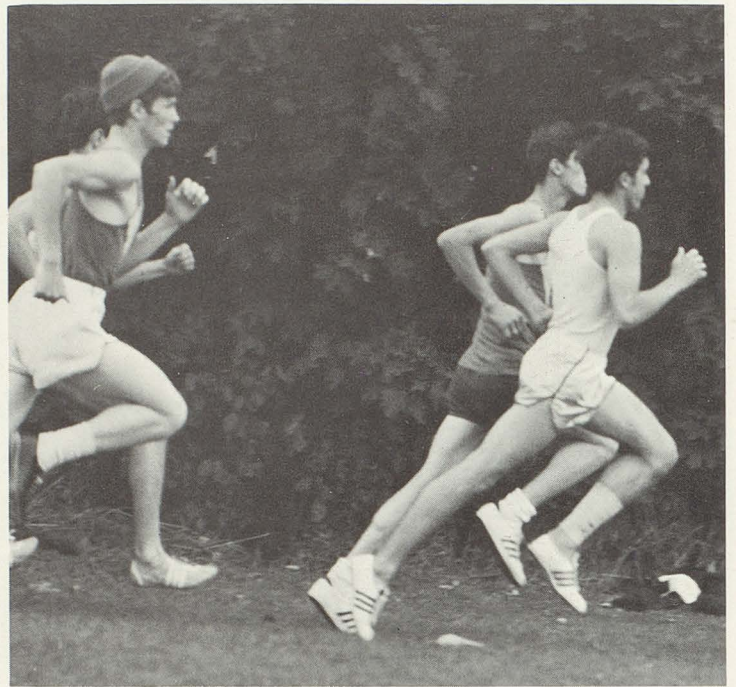

This gave the Raiders an overall record of 13-6, with 11 wins and 3 losses in Sullivan Trail play.

Fall is . . .

The Cross-Country team had many unusual meets this year. Probably the strangest was against Corning East. On the day of the meet, Corning came to Hornell while the Raiders mistakenly set out for Corning. To add further complications, the Hornell bus broke down en route. Meanwhile, the Corning runners arrived in Hornell, and finding that our team was gone, returned to Corning, where the meet was finally held. At a later meet, Corning West's 2-3-4 runners wiped out on the Horseshoe, while Hornell's runners filled up the places. After the Horseheads meet, the Raiders hosted a hospitality stand for the Horseheads runners.

The team participated in the Alfred-Almond Invitational and also had four boys finish in the top fifty at the sectional meet.

Despite injuries to two top runners Tom Fagnan and Dave June, the squad concluded the season with a 4-7 record.

Soccer team best season in ten years

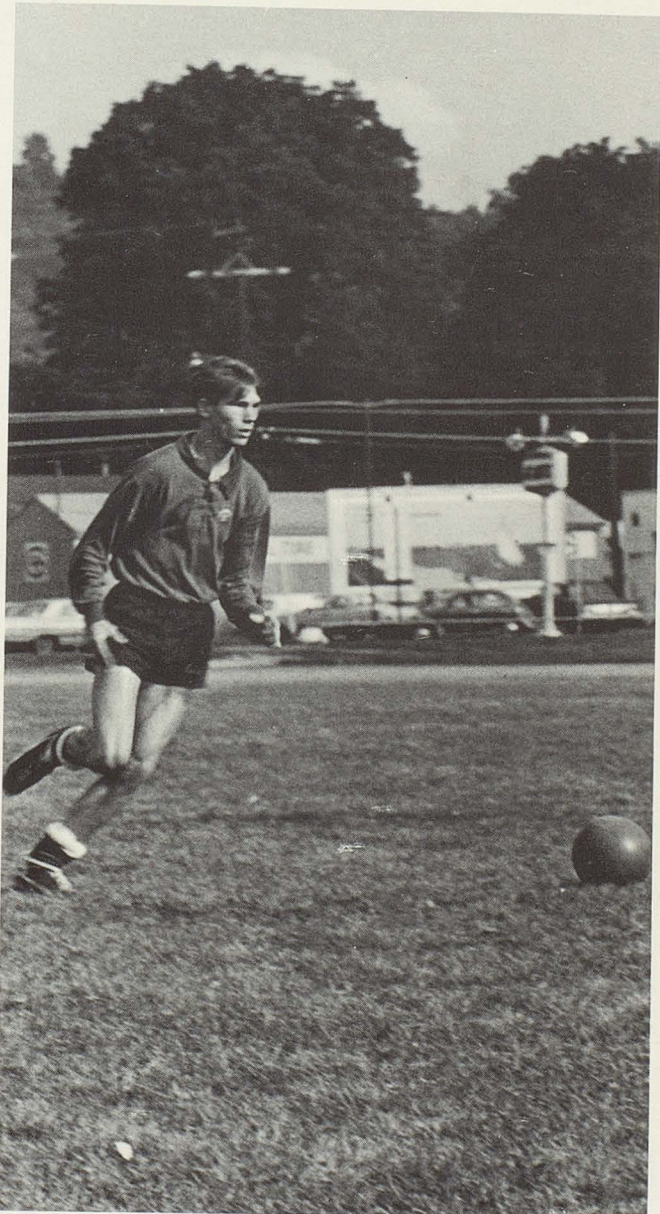

The soccer team, coached by Mr. Tobin, fought their way to the sectionals for the first time in more than a decade.

After several decisive wins in the Sullivan Trail League, it was clear that the team was on the way to a big season.

Captains Jeff Johnson, Gregg Johnson and Steve Kubiak helped to lead the team and bring pride to the H.H.S. soccer squad.

FIRST ROW: M. Bennett, M. Cipolla, M. Crandall, J. Ring, M. Argentieri, D. Spitulnik, T. Rorzani, G. Huffsmith, M. Marino, R. Travis.
SECOND ROW: Mr. Tobin, P. Cartella, B. McHenry, R. Gentile, W. Pullman, F. Hess, J. Delaney, J. Dagon, R. Morrissey, M. Kelly, B. Andrews, D. Huff, J. Peck, G. Johnson, J. Johnson, L. Castiglione, T. Wood.

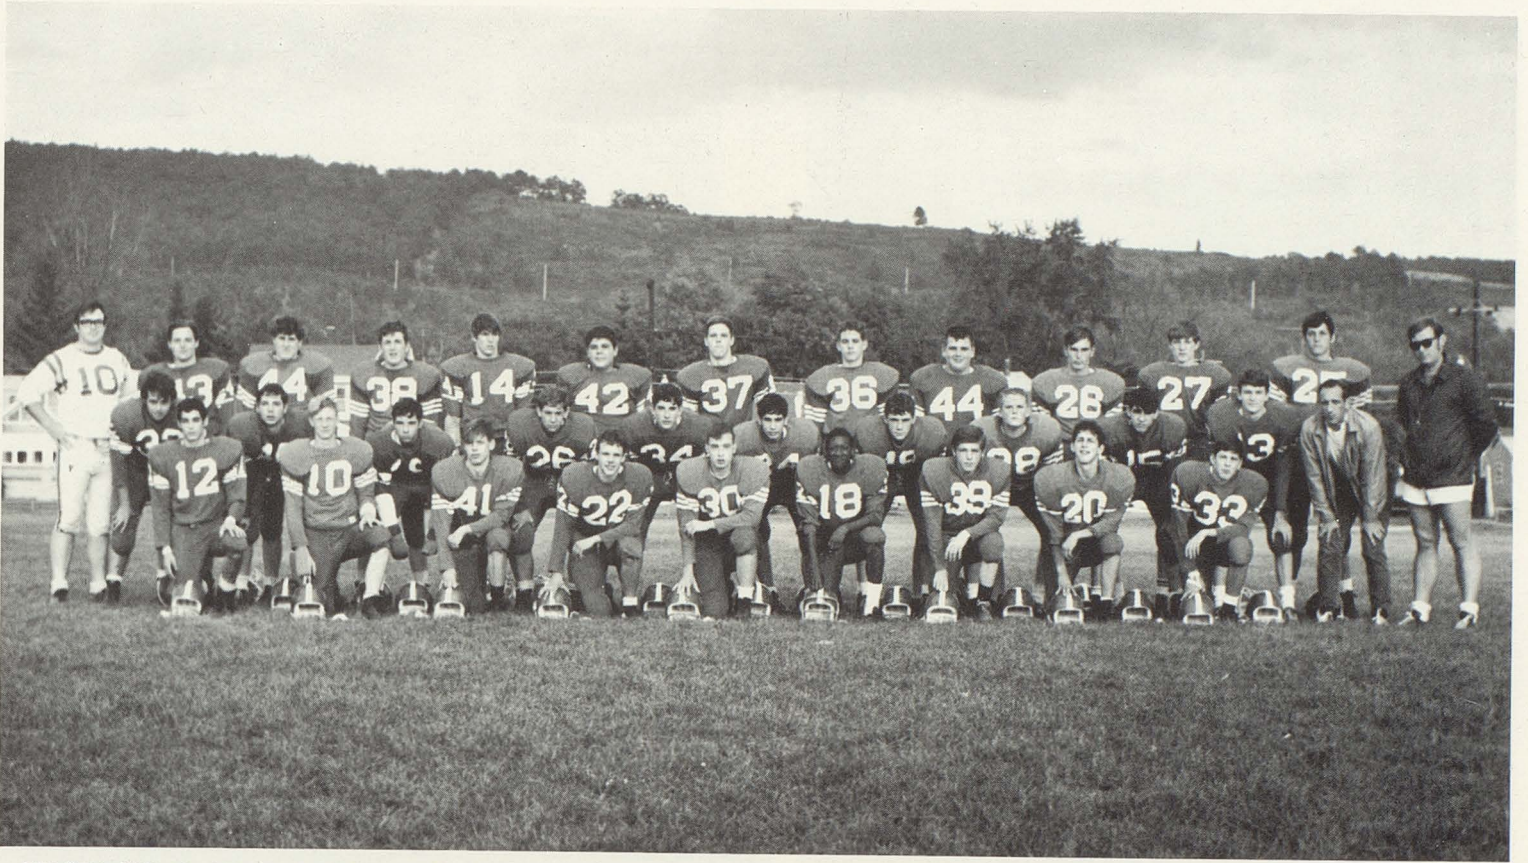

This year, the H.H.S. football team ground out a 2-5-1 season record. Outwardly disappointing, statistics do not show the amount of teamwork and energy displayed by the squad. The Raiders accomplished much despite a rash of injuries to several key players. Hornell was singularly honored when Bob Young was named to the first team defense for the Sullivan Trail Conference League. Other Hornell boys who received honorable mention for defensive playing were Dave McNelis, Dale Prunoske, and Bob McIntosh.

The highlight of the season was the Archbishop Walsh game. Although Hornell lost by a score of 31-14, it was not until the last three minutes that Walsh was able to make any decisive plays. As a special tribute to Coach Teta, who announced his resignation last fall, the Raiders defeated traditional rivals Wellsville, 30-0, in the final game of the year.

FIRST ROW: N. Ellis, A. Sullivan, M. Briganti, T. Griswold, J. Cleveland, M. Brunswick, E. Chambliss, G. Jarrabet, K. Denninger, B. McIntosh, J. Whitman, D. McNelis, T. Caruso. SECOND ROW: D. Decker, M. Davidson, R. Sirianni, J. McNelis, Coach Tsibulsky. THIRD ROW: Coach Arnault, D. Wellington, J. Hogan, T. Edwards, J. Babcock, T. Sciotti, M. Waffal, J. Prune, J. Lynch, J. Fahl, B. Murphy, B. Cameron.

The J.V. Raiders, made up of freshmen and sophomores, fought hard for a 3-4 season record. The players attended a Summer football camp at Stonybrook State Park, and came home to win all the home games but one.

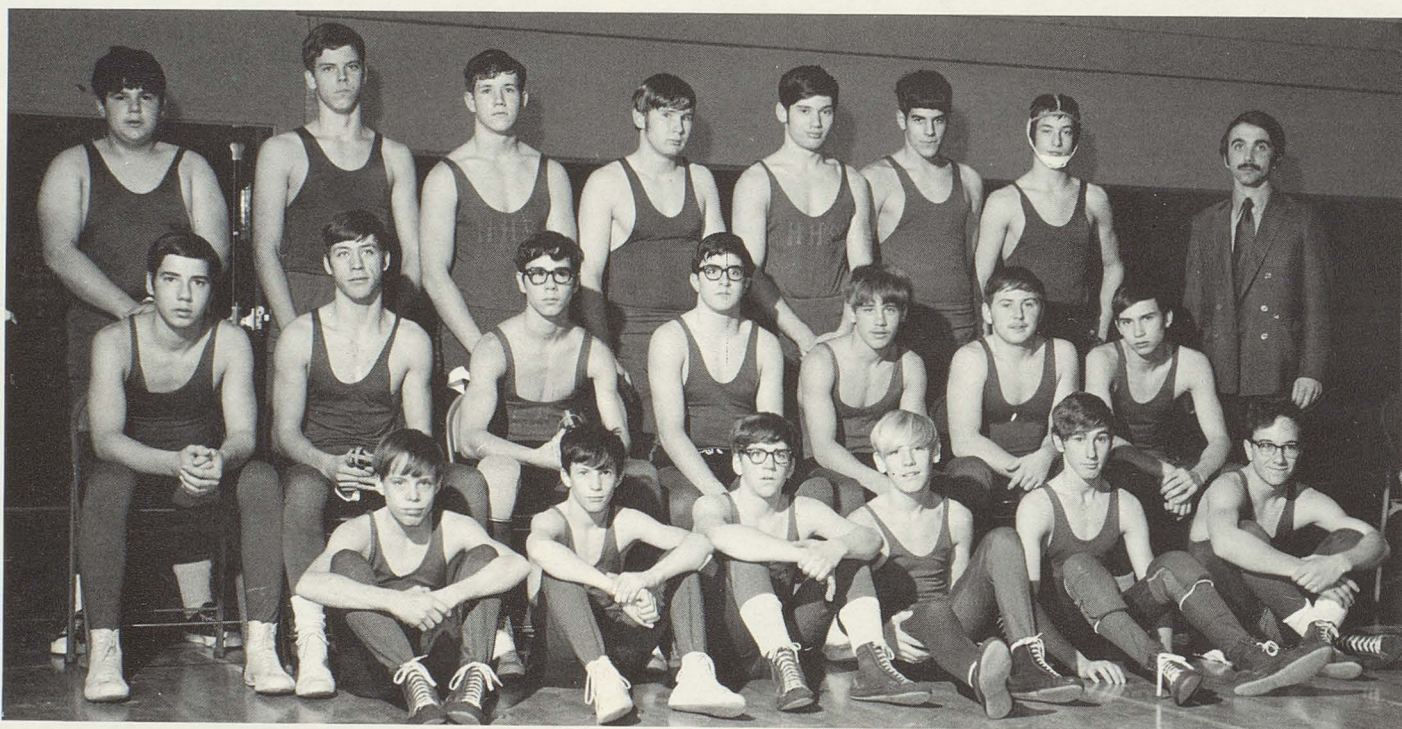

Winter is . . .

Under the direction of Coach Falci, the J.V. wrestling team had one of the best seasons in school history. A record pin of 14 seconds was set by Bill Hoffman against a Bath player. The spirited wrestlers ended the season with a 5-6 record.

FIRST ROW: A. Rosemier, M. Crandall, M. Rectenwald, T. Fitzpatrick, T. Falzarano, H. Nisbet. SECOND ROW: J. Sciotti, D. Purce, B. Sciotti, D. Gallase, J. Shick, D. Hurd, M. Sanford. THIRD ROW: T. Sciotti, M. Waffle, D. Kelly, L. Barnes, B. Hoffman, T. Deeks, T. Tillman, Coach Falci.

"Uglies" revive interest in wrestling

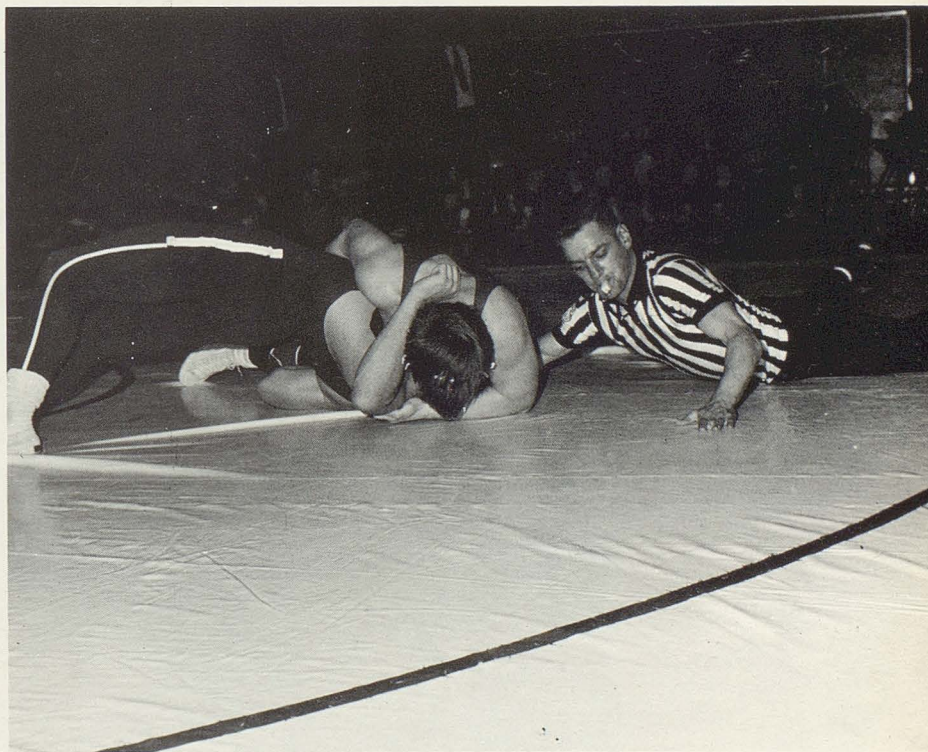

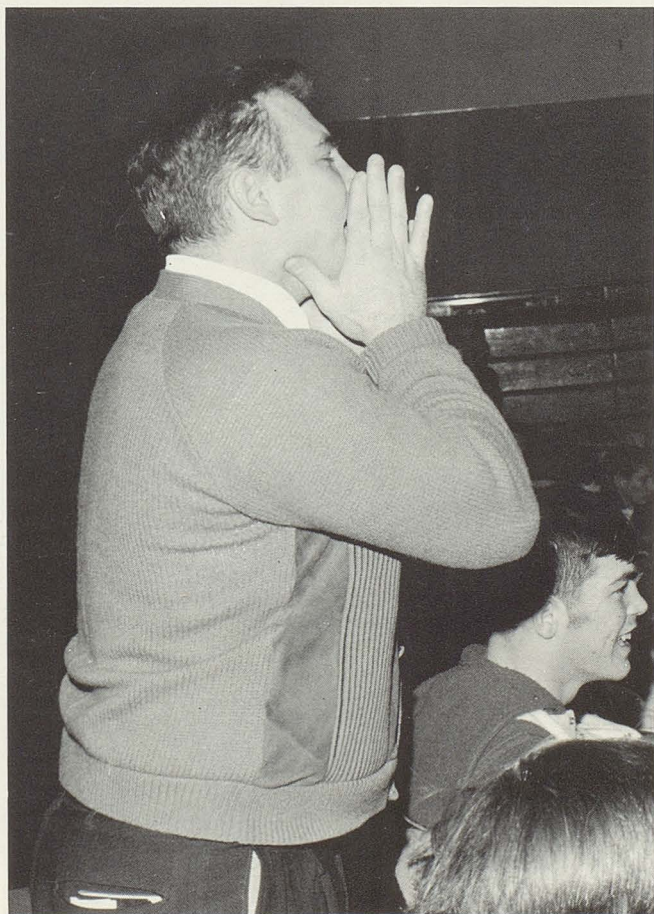

FIRST ROW: B. Talbott, C. Cunningham, W. Pullman, N. Ellis, C. Pomery, D. June, M. Dropp.
SECOND ROW: J. Prunoske, J. Dailey, M. Moretti, J. Duffy, J. Gallese, Coach Bottone.

With success in several key matches, the Hornell Uglies fostered a new interest in their sport. The boys, coached by Mr. Bottone, put in numerous hours of practice. They were rewarded with victories over Notre Dame, Dansville, Wellsville, and Elmira Heights.

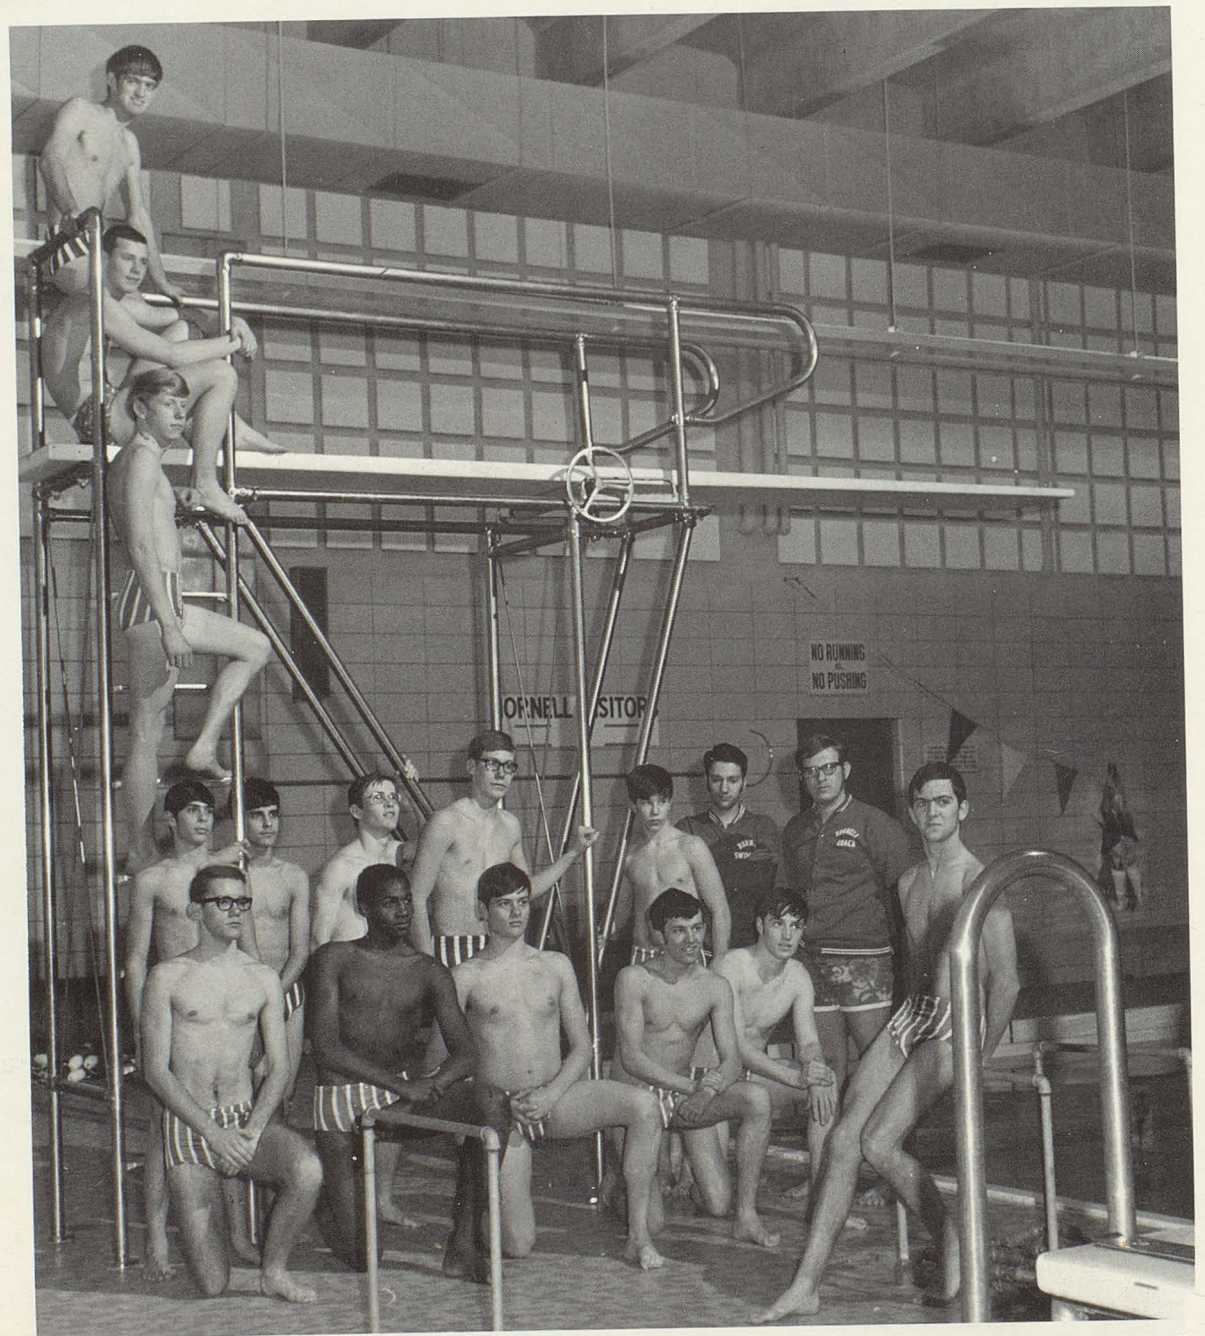

Highlighting the season was the West-Central Wrestling Conference Tournament, in which Mike Dropp and Jack Dailey won first place trophies, Joe Duffy and Norm Ellis won second place trophies, while the team finished third in the tournament.

To promote greater interest in wrestling, a special assembly was held to better acquaint the student body with the sport. Coach Bottone explained the fundamental rules and scoring procedures, while squad members demonstrated various holds and escape techniques.

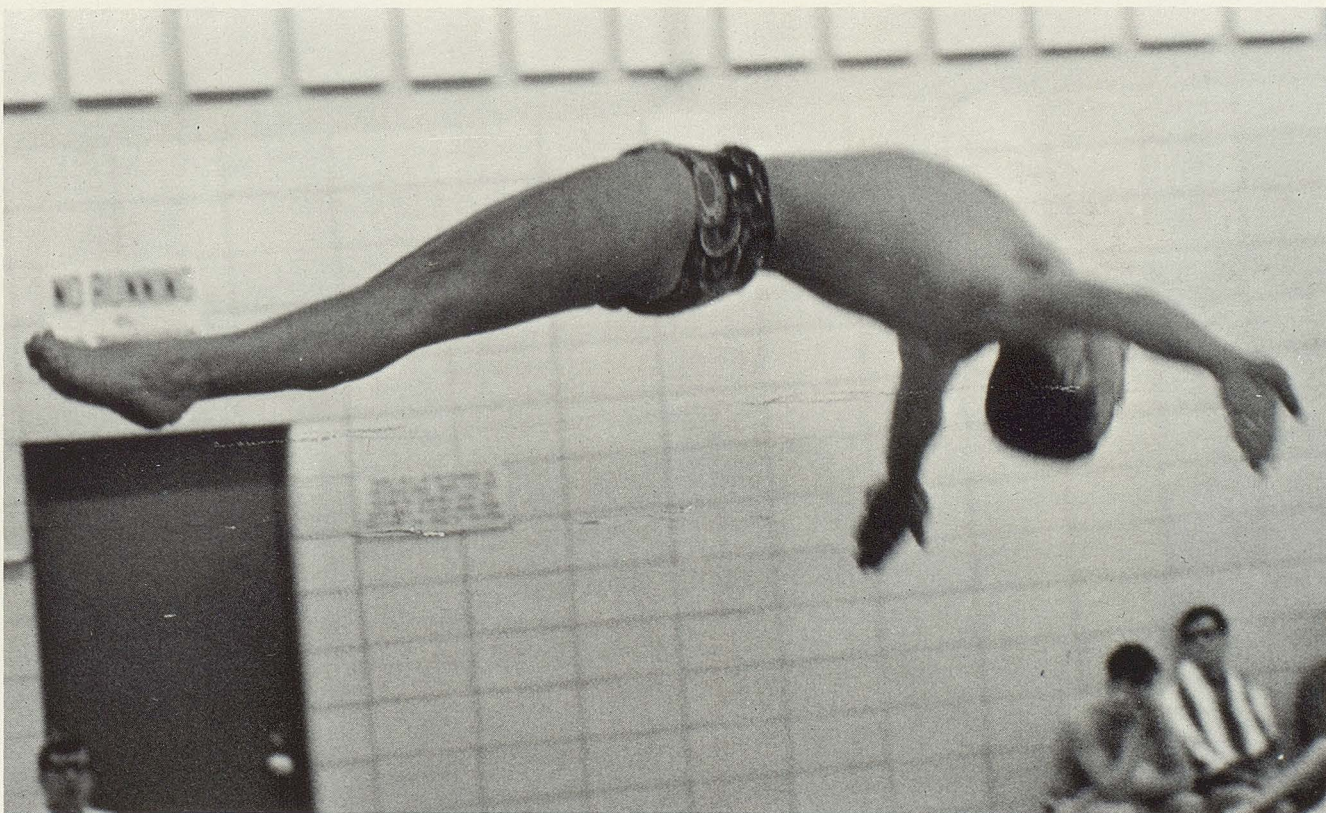

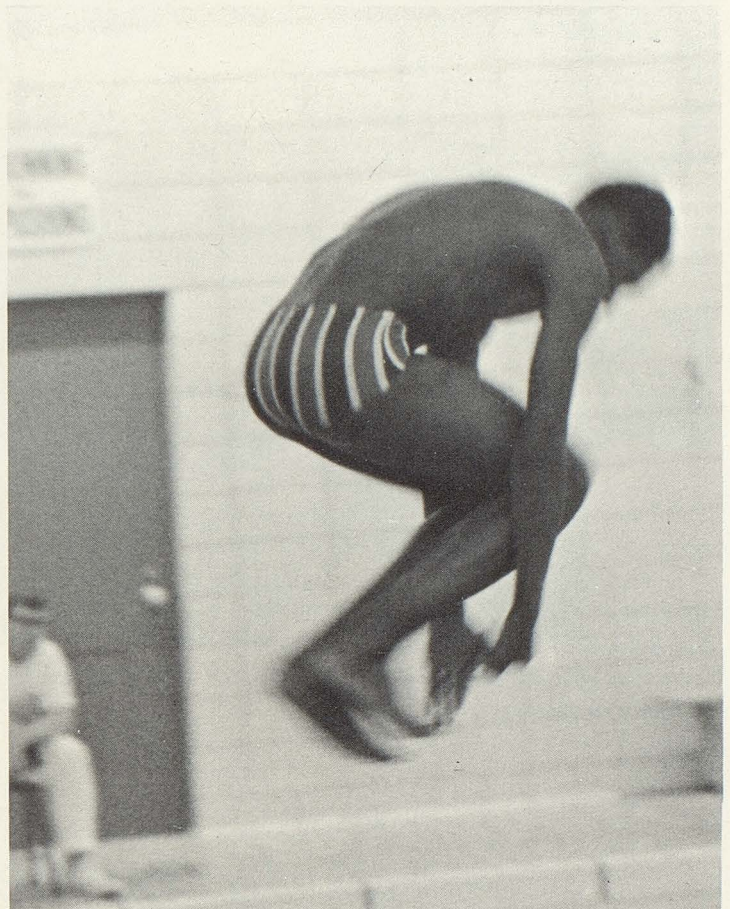

Mermen

Breaking school records and jarring their opponents with a few surprises, the H.H.S. swimming team this year showed what could be done with determination and a "never say die" attitude. Coached by Mr. Tsibulsky and Mr. Hoffman, the Red Raider swimmers left us much of which to be proud.

FIRST ROW: M. Hendee, G. Cade, D. Harwood, T. Fagnan, J. McElhenny, B. Patti. SECOND ROW: T. D'Apice, D. Rawady, H. Johnson, J. Delaney, P. Ashworth, J. Hoffman, Mr. Tsibulsky, Coach. LADDER: (top to bottom) P. Sherner, F. Hess, M. Galatio.

“drown” opposition

The Hustle Kids had a fantastic season with the best cage record in 20 years.

The two games with Corning West were outstanding. In the first contest, Bob Young clinched it for Hornell with two free throws with only seconds remaining.

The second victory marked Hornell's first county championship in six years.

Kids "hustle" to sectionals

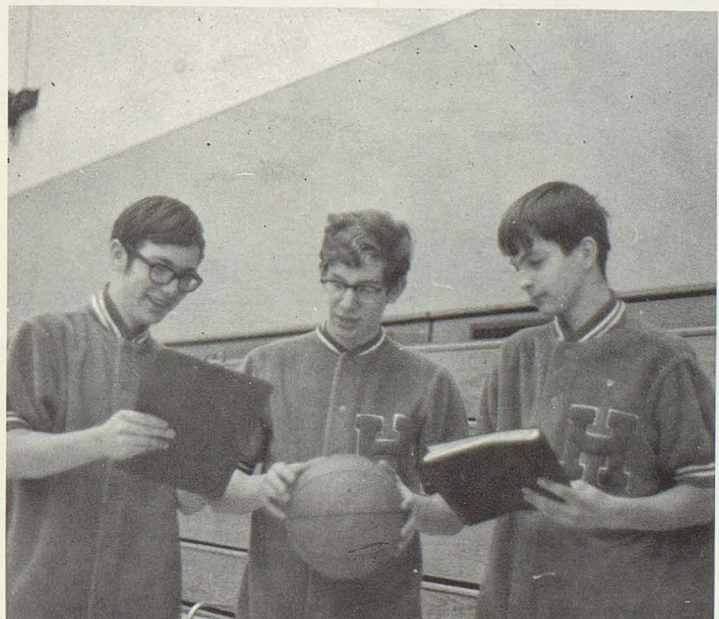

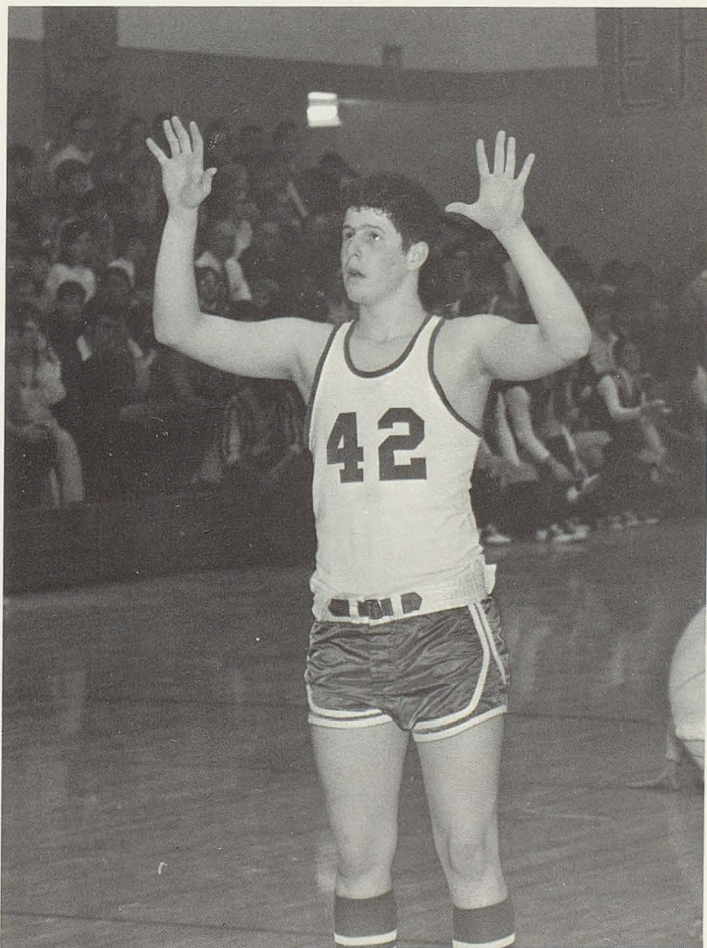

B. McIntosh, J. Johnson, M. Alger, B. Young, J. Peck, D. Beckwith, R. Morrissey, R. Head, G. Johnson, D. Prunoske, B. Griswold.

FIRST ROW: K. Conklin, C. Libordi, W. Holbrook, W. Norton, E. Chambliss, J. Willsey. SECOND ROW: J. Ganz, R. Steitzer, T. Griswold, R. Benza, Mr. Farrell, Coach, T. Arcangeli, J. McNelis, J. Fahls, M. Davidson.

J.V. team has winning season

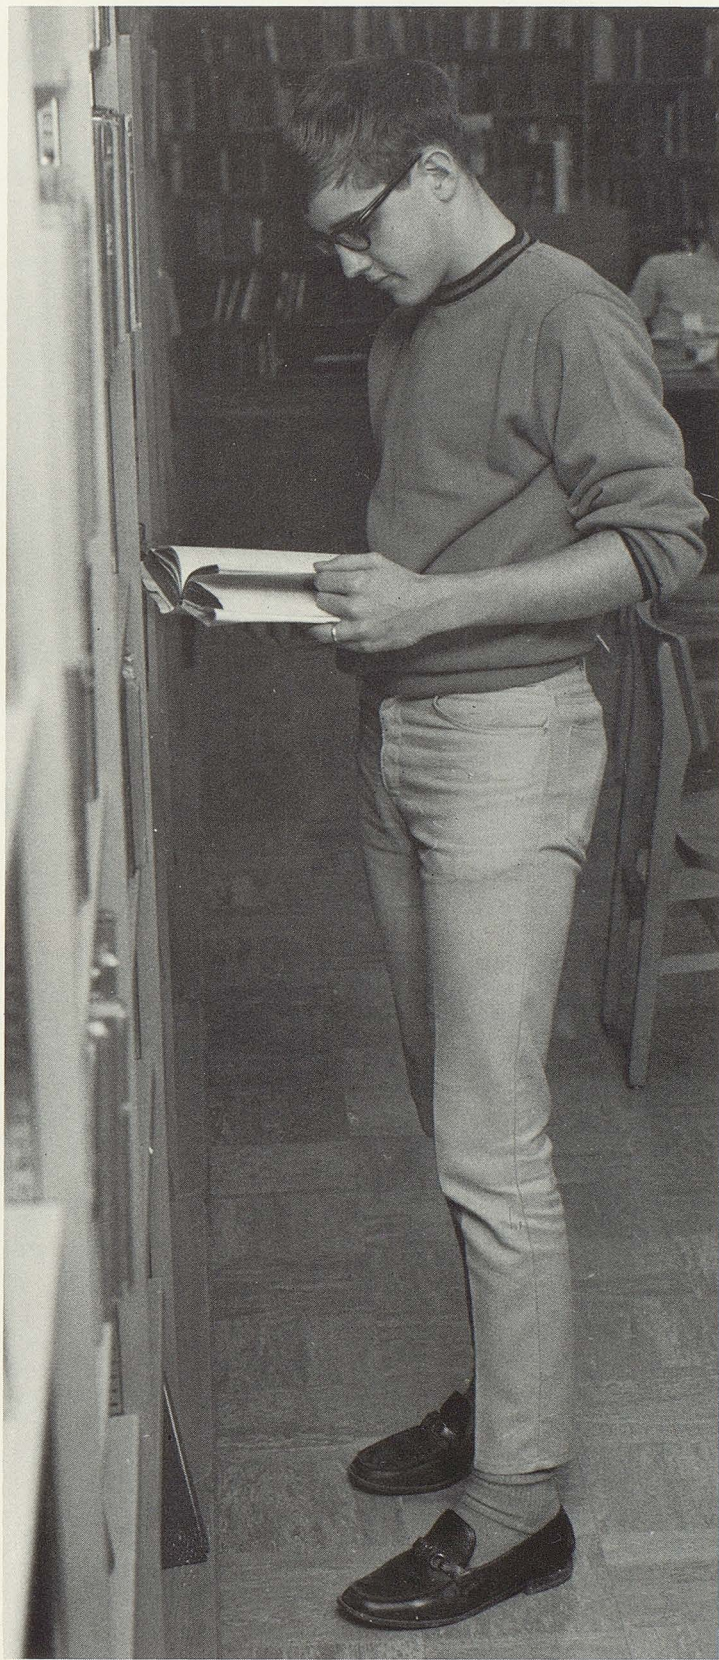

When the Hustle Kids made it all the way to the sectionals this year, they must have thought back to those days when they were members of the Junior Varsity club. Without a good J.V. program, a successful varsity program is difficult to achieve. However, the boys on the J.V. squad are hardly content with learning—they like to win, too. Their record this year indicates that they learned well and put what they learned to good use.

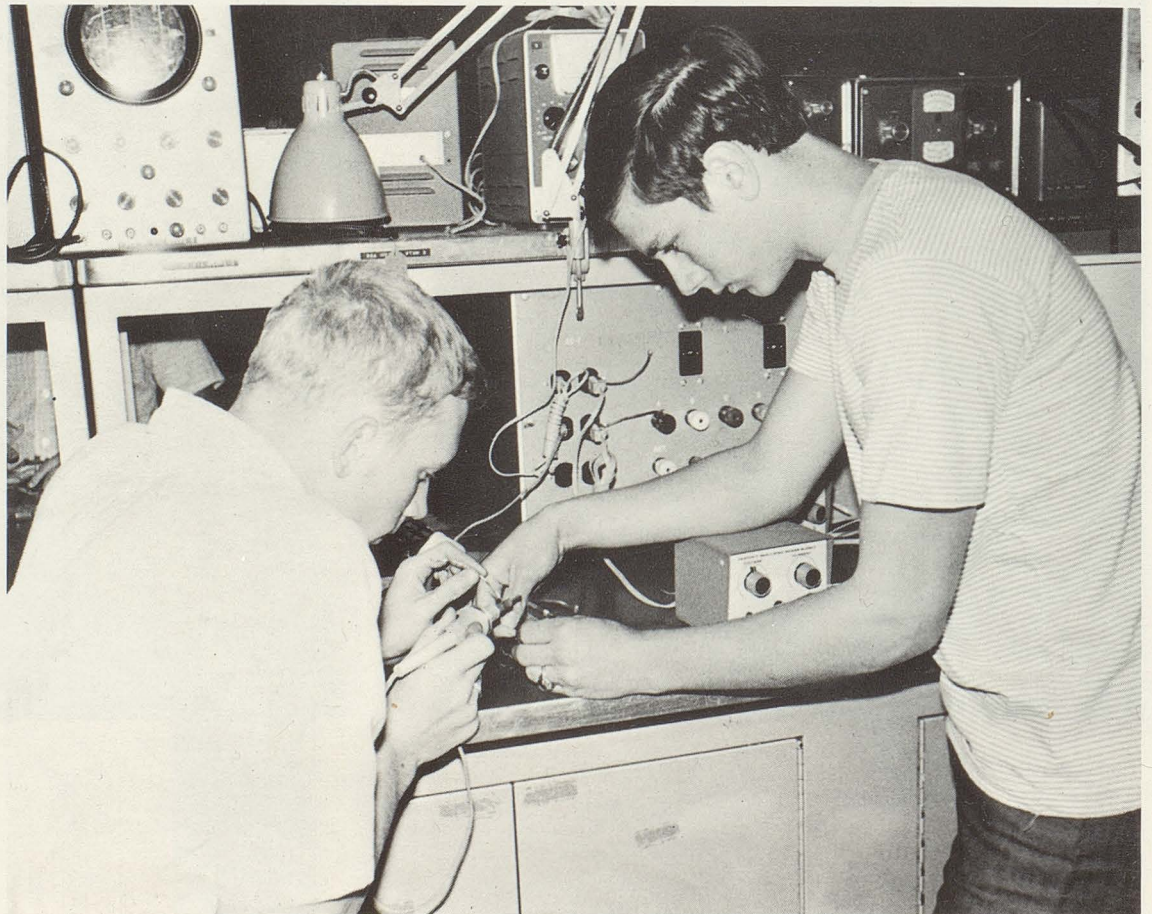

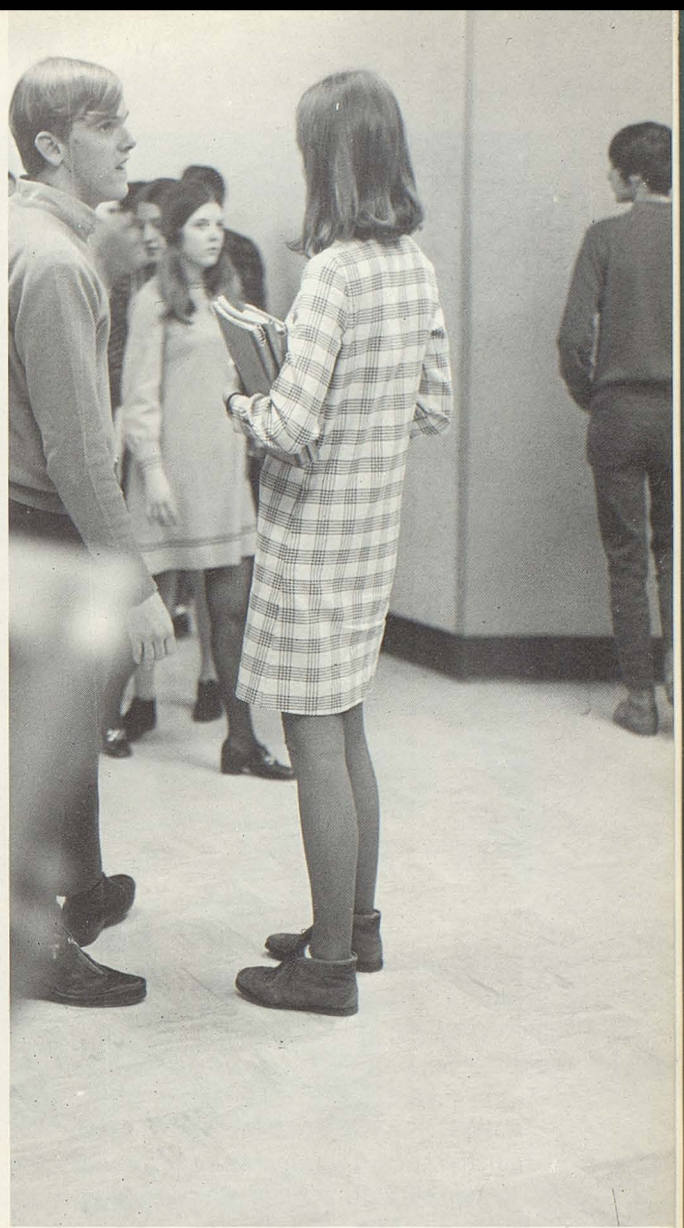

Basketball team managers are John Hallenbeck, Mike Cropp, and Ray Rahmlow.

Leaders of '70

Jeff Johnson, Vice President

Senior year—long awaited, yet all too short. For the class of '70, this has been a memorable year. Under the direction of faculty advisors Mr. Koehler, Mrs. Fennelly, Mr. Scheiwer, Mr. Quinlan and Mrs. Carney, the senior officers guided the year's activities. The Senior Play, UP THE DOWN STAIRCASE by Bel Kaufman, was presented in January under the supervision of student director Ed Smith. The Senior Ball, perhaps the most eagerly anticipated event, was held in May.

Following graduation many of the members of the class of '70 will pursue higher education in vocational schools, Junior and four-year colleges; others will seek employment. No matter what their plans for the future, they have reached the point where they must relinquish the security of high school, and go into the world on their own.

Junior Power livens up school

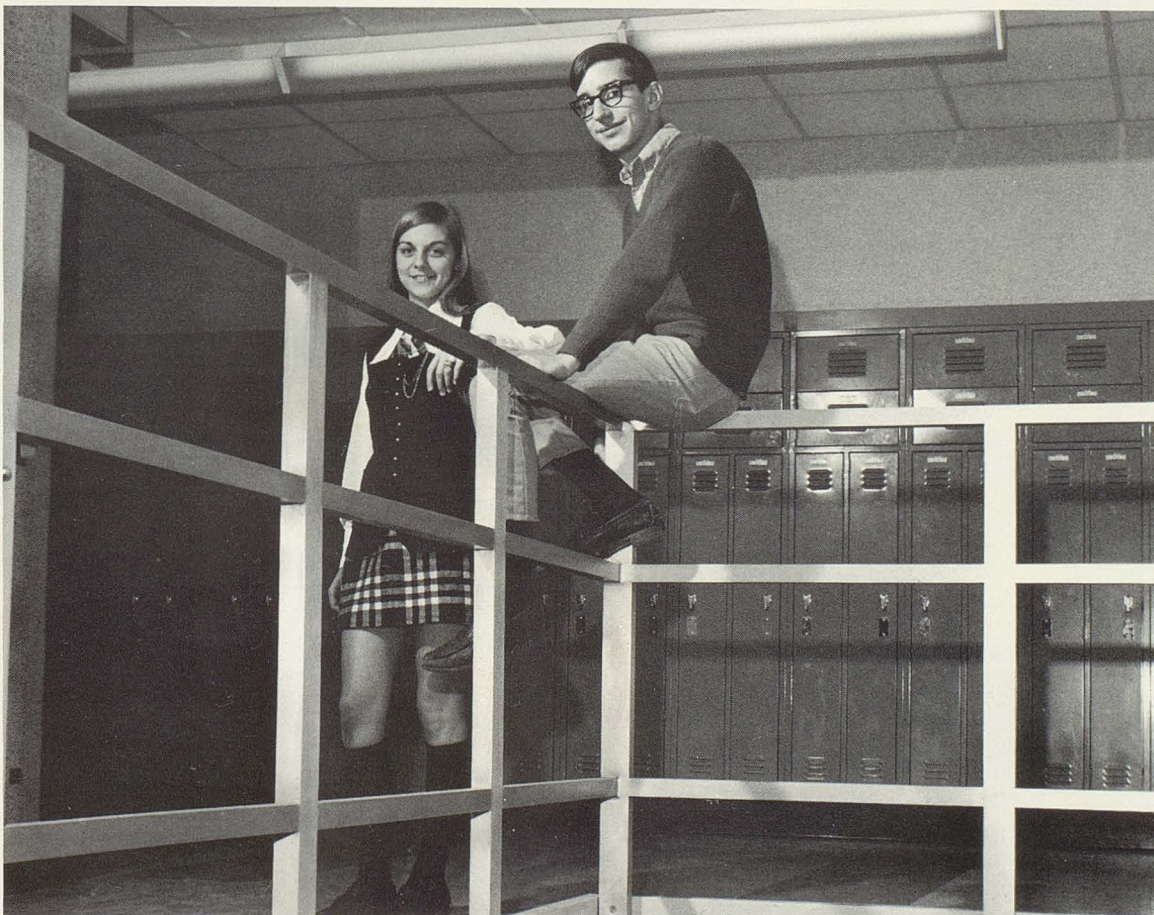

Beth Grimm, Treasurer

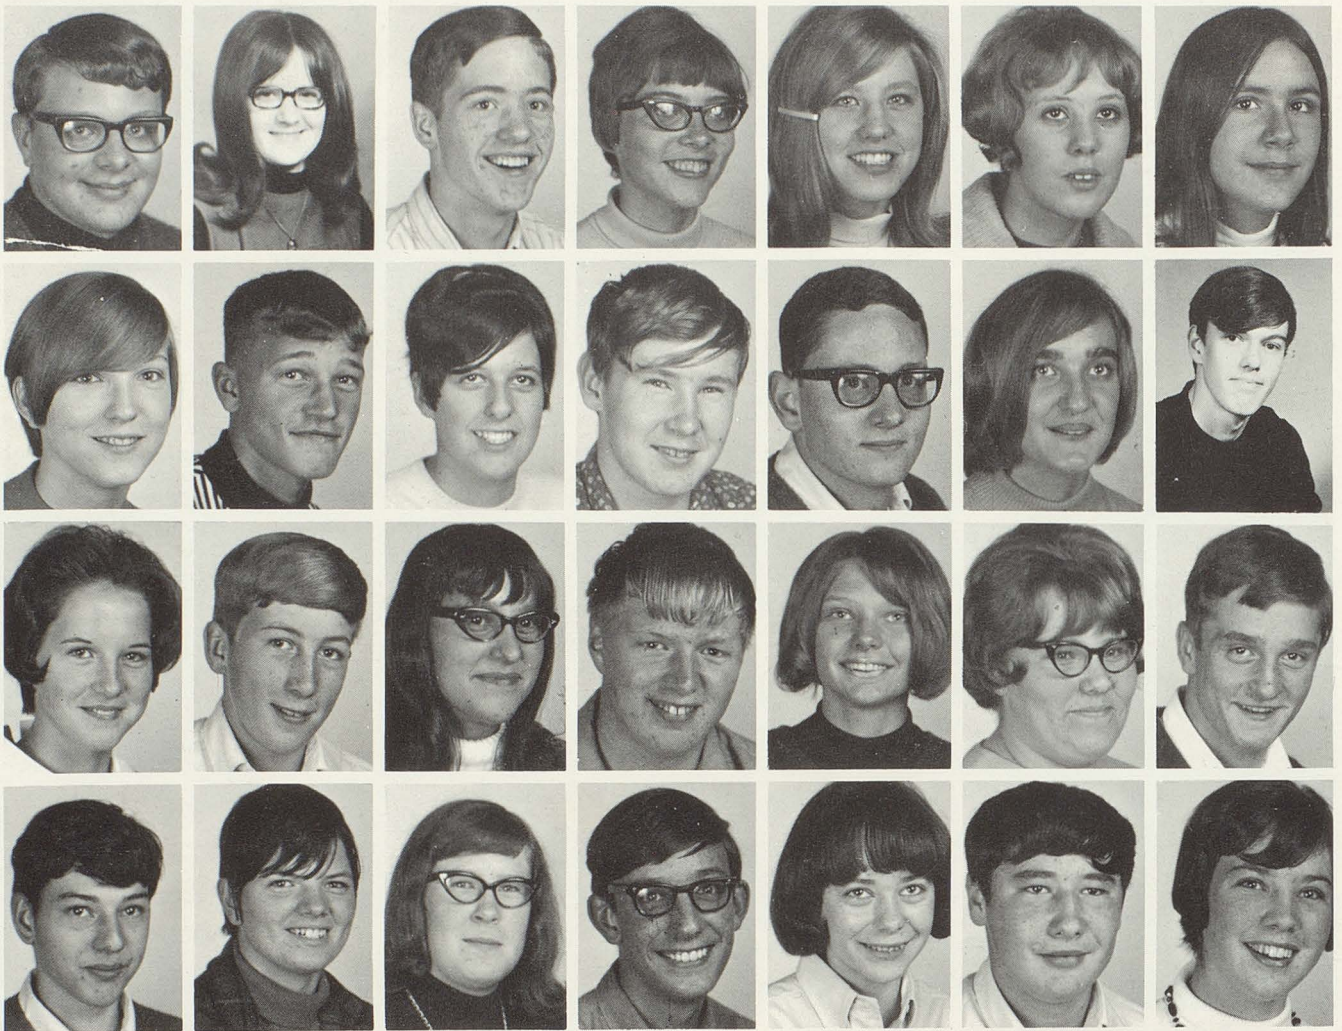

Connie Guniane, Secretary

Under the combined leadership of President Mike Mardo and Vice-President Janet Wills, the juniors made 1970 a most eventful year. The annual Junior Prom was held in November and termed a success by all who attended. Many fund-raising projects were undertaken to finance next year's senior activities. Their enthusiasm helped make the year unforgettable.

Class of '72 promotes school spirit

Julie Giglio, Treasurer; Mike Cropp, President; Candy Flanders, Secretary; Erwin Chamberliss, V. President.

On the athletic field, in classes and after-school activities the sophomores became enthusiastically involved in all phases of school life. Sophomore salesmen set the pace in the magazine sale, only to lose out to the Seniors in the end.

Under the guidance of Mrs. Hammond, Mrs. Cannon, Miss Hussong and Mr. Teta, class officers promoted many successful fund-raising projects to finance next year's Junior prom.
