

799

A large, stylized graphic of the number '799' in blue with a white outline. The number is composed of multiple overlapping, slightly offset instances of the digits, creating a sense of depth and movement. The '7' is on the left, the '9' is in the middle, and another '9' is on the right, all appearing to recede into the distance. The top of the graphic tapers into a long, thin, curved line of small, repeating '799' motifs that extends towards the top left corner of the cover.

Harold Paul, Superintendent

Five elected members of the Board of Education each year undertake the enormous job of establishing policy in the Hornell City Schools. This group is responsible for the quality of education and the quantity of extra-cirricular activities. They face the problems and vote on the issues.

They are the force behind the smooth operation of our schools.

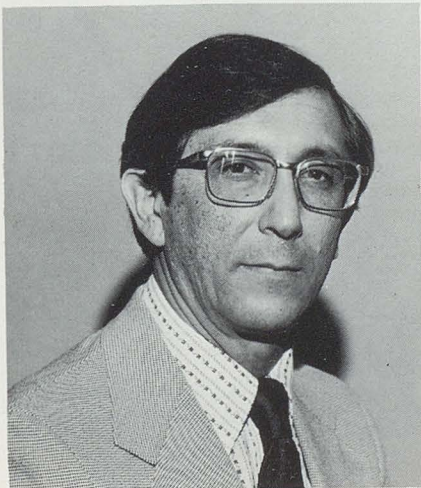

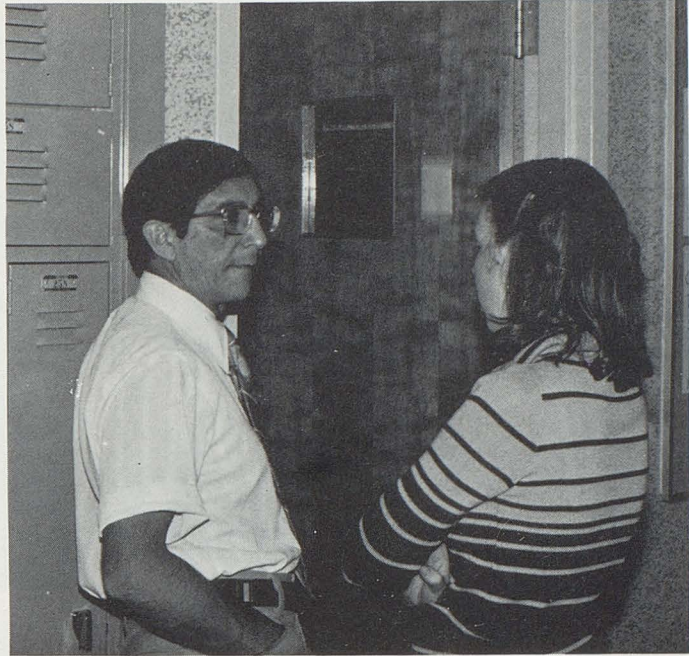

Gerald Walker, Asst. Superintendent

Headmasters

Over the loudspeakers, through the corridors, and in the cafeteria—both Mr. Durso's and Mr. Castiglione's influence and supervision prevail. In nearly every aspect of day by day living at Hornell Senior High School, the two chief administrators leadership and guiding wisdom echoes. With many years experience, they provide the needed knowledge that allows our four academic years at H. H. S. to sail by smoothly.

Mr. Castiglione, former vice-principal, officially retired in September, ending a successful and rewarding career.

IN MEMORIAM

Students, faculty, administration and alumni deeply regret the loss of Maryann Gallagher, who taught English here for many years.

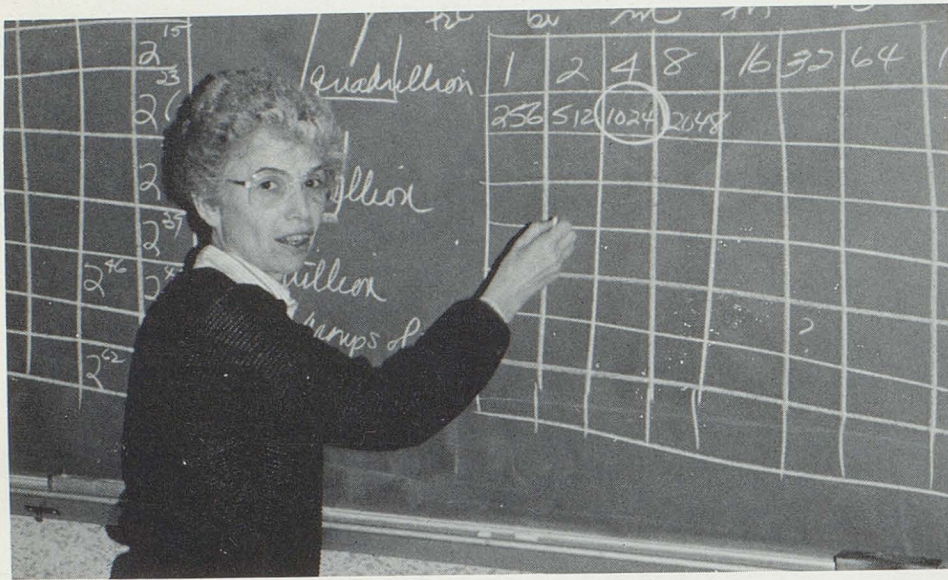

Miss Gallagher was respected highly for her dedication to the teaching profession, flexibility in supporting new programs, obvious enjoyment of her work with students, and cooperation with faculty members.

She served our country in the military during World War II, served the community through active membership in various organizations, and, above all, served those she taught with kindness, understanding, and professionalism.

Miss Gallagher

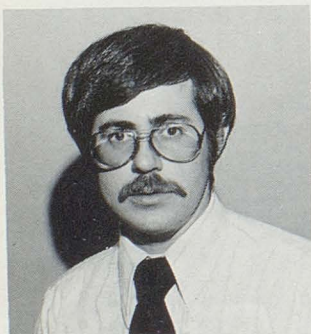

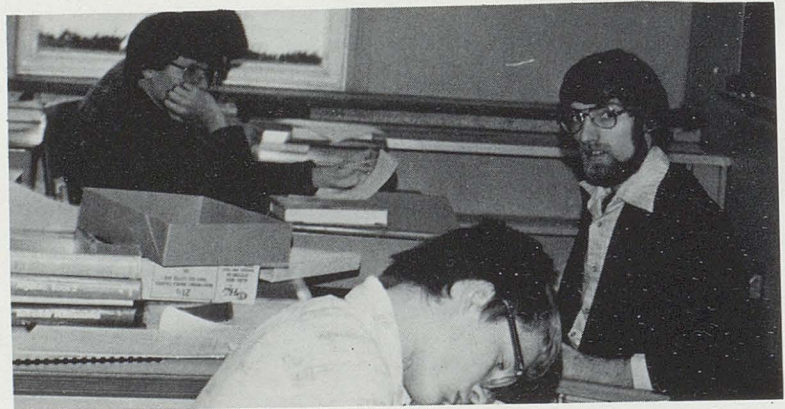

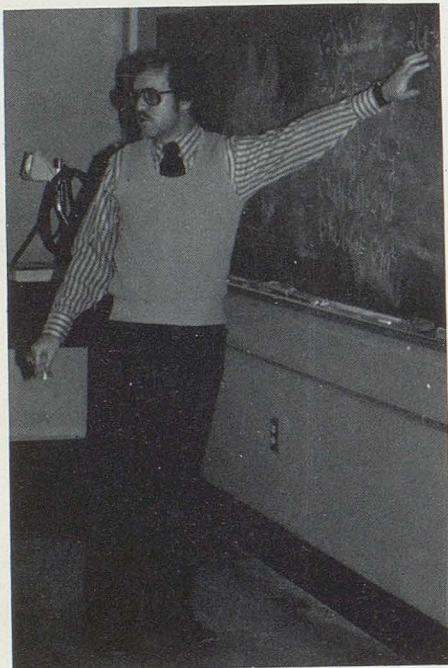

Speaking Figuratively

In the world of today words like calculator, computer, basic, programmable, data processing have joined the words pi, circumference, trigonometry which were the common vocabulary of the mathematician. Machines have been devised that can multiply the speed of ordinary computation a million-fold which can be used in many different ways in all fields of our social life.

For this reason, the mathematics department is constantly changing the courses which are offered to students who want a minimum of mathematics so that these students will at least have some knowledge of the math involved in the supermarket, the bank and the department store.

At the same time, the student who wishes to learn more about mathematics is still offered the complete math sequence from Math 9 to Math 12X, with options being offered in Intermediate Algebra, Trigonometry and this year the new computer course.

The Science Department of Hornell Senior High School strives to involve the students in the mystery of the sciences. From the simple basics of Physical Science to the sophistication and depth of Chemistry and Physics, from the ameba to the Milky Way, from three billion year old rock to the newest theories on cell life, a wide range of ideas are available for the sampling.

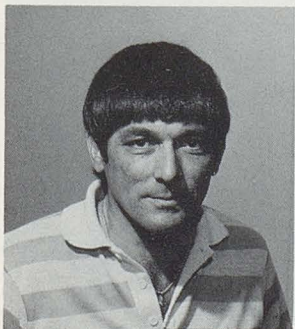

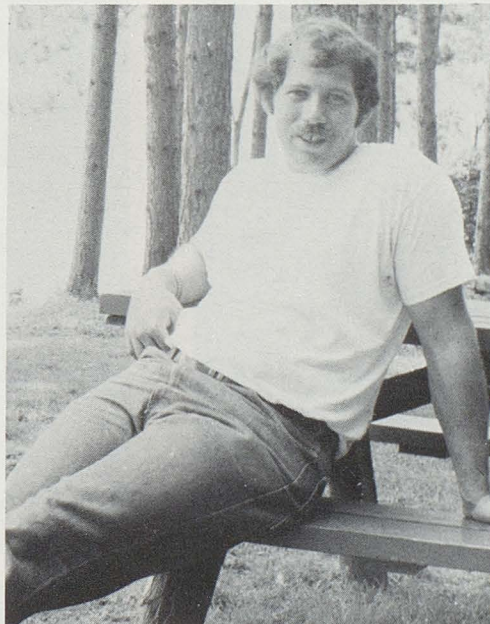

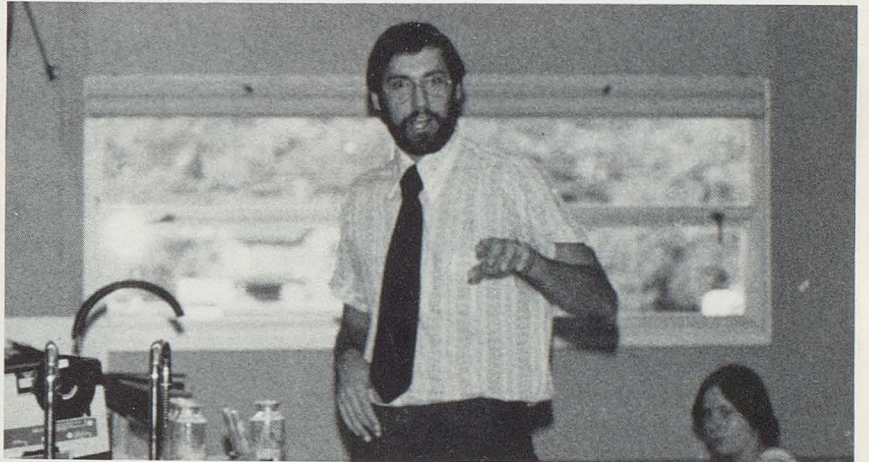

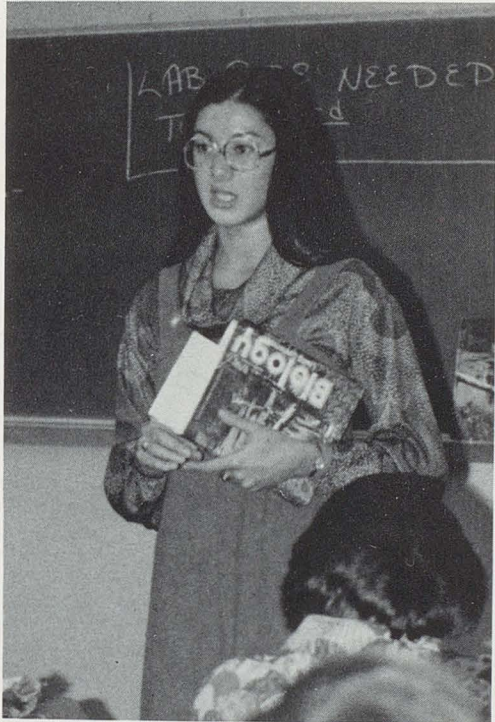

This year science students under the direction of Mr. Ripple organized an Ecology club. After noting the amounts of paper ending up in waste baskets, the ecology Club set up recycling boxes in rooms in the building and received great support from students and teachers for their efforts.

We live on the planet Earth which scientists say is approximately $4\frac{1}{2}$ or 5 billion years old.

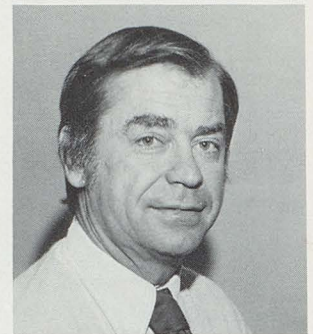

The oldest known manlike beings lived nearly 2 million years ago. From these modern man evolved over a long period of time.

By relating the disciplines of history and geography to those of economics, political science, sociology, and anthropology, we can bring more powerful insights to bear on the study of man and his career on earth.

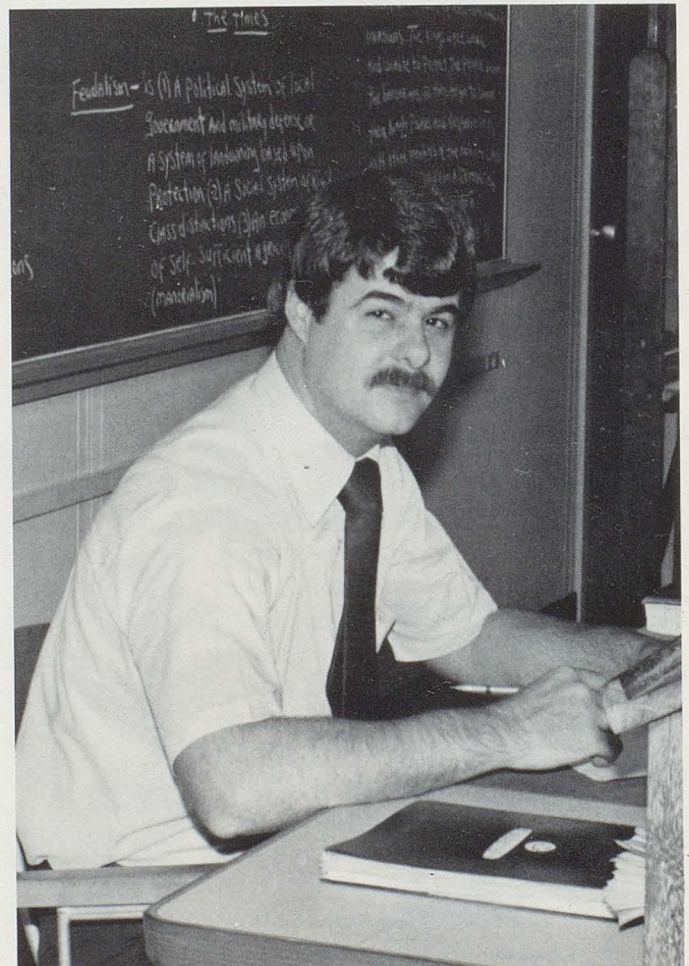

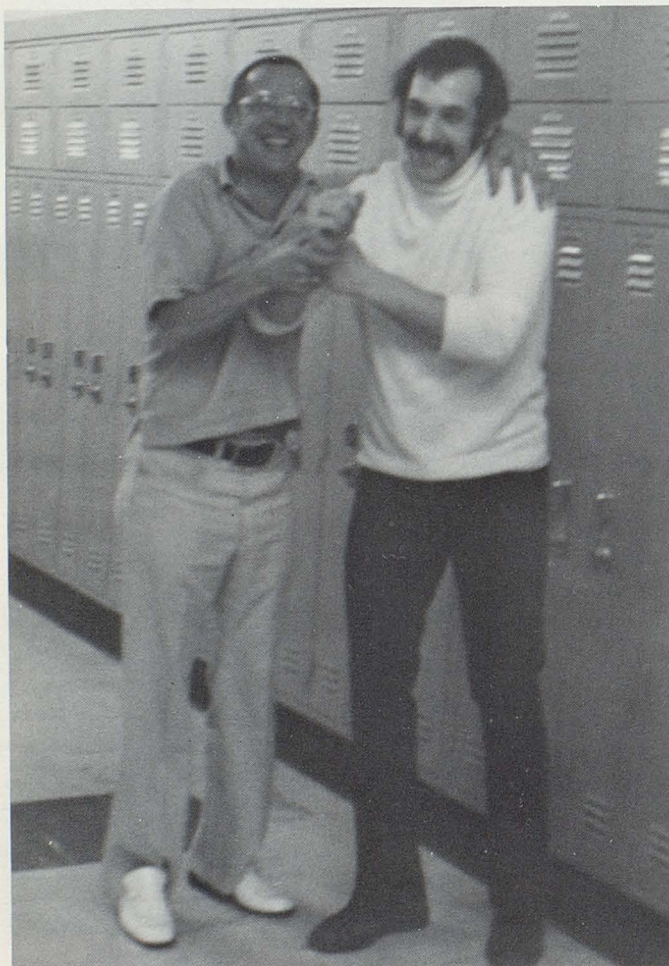

We are heirs of all the human progress through the ages. The social studies department of H.H.S. tries to see that our inheritance from the past can be used in our progress toward tomorrow.

As you pass by the foreign Language classes you can imagine the sounds of the Roman chariots, a Spanish flemenco dancer or a French cabaret. In addition to these cultural aspects you can hear the learning of a new way of communication. Students are taught how to express their ideas, to ask questions and to understand a culture and people different from our own. All of this is done in a new language. With the increase in travel people find it very useful to learn and speak a second language. Here at Hornell you have this opportunity. From the language department we say —

Build and market your own car. "Impossible, Right?" Not if you go to Hornell High School. Start with the basic design. I'm sure Mr. Straight would have some ideas that he would be happy to share as to the actual construction, Mr. Herrith can get you started and probably help you finish. While you're at it, if advertising is a problem, Mr. Dewey can help you out with the graphic arts machines. Posters, pamphlets, leaflets—they are a snap. Now financing your little project will take some doing. Mrs. Olds, Mr. Caruso and Mr. Adamonis can teach you all you need to know for maximum profit.

Building healthy bodies is the aim of this department as building healthy minds is the aim of the others. They do this through a program of exercise and activities with an emphasis on playing and having fun as well as drilling and skills practice. New York State requires physical education as a mandatory course because they believe that the way to a healthy mind is through a healthy body.

The Guidance Department, with its three counselors, teams with activity, providing a wide variety of functions—college search and application, career exploration, course scheduling, personal and group counseling, parental and teacher conferences, maintenance of records, financial aid counseling, job placement, and continuous updating of old and new programs in many areas. Our computer, a new college and career search resource, has become very popular, increasing the accessibility to up-to-date information for our students.

An ever-increasing number of visitors are received from college admissions offices, the military, various referral services, parents and alumni.

The personnel are a great help to a student in need. Whether it's a book, filmstrip, bandaid or just a little confidence you're searching for, you'll find it with these people. They perform their duties well and even though there are many students and only few of them, they're always there when we need them.

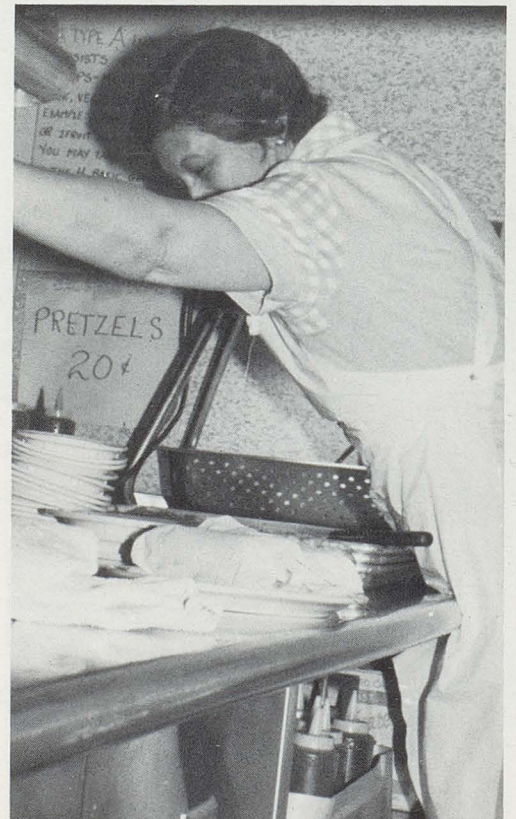

Kitchen Magicians

Mrs. Strassburg and staff

The job of preparing nutritious meals belongs to the lunchroom staff. The staff is responsible for the well being of our cafeteria with more than 800 students taken care of each school day. They also cater to school clubs for special occasions.

Custodians

L-R: L. McIntosh, L. Carnes, B. Hults, G. Rollins, D. Daniels

The janitorial staff of Hornell High does an admirable job of keeping the school clean. It is no easy job to clean up after cafeteria, basketball games and the normal school day.

Thanks for the long nights of working to keep our school immaculate and something we can be proud of.

Our Micronesian Miss

SECHELEI

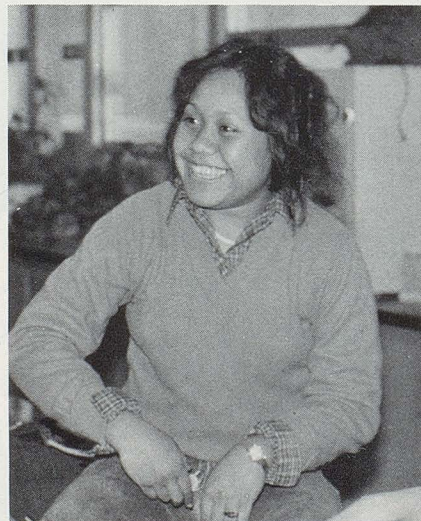

To me, United States was a kind of place where many crimes were going on and a place where people don't pay attention to each other. And, I suppose, people here were having some impressions of me like: People who are wearing grass skirts, carrying bags with beetle-nuts and leaves. The idea of coming to the United States made me afraid and worried, that I wouldn't have any friends or people wouldn't like me. Another thing was my color—I was afraid that people wouldn't accept me or wouldn't like me because of my race.

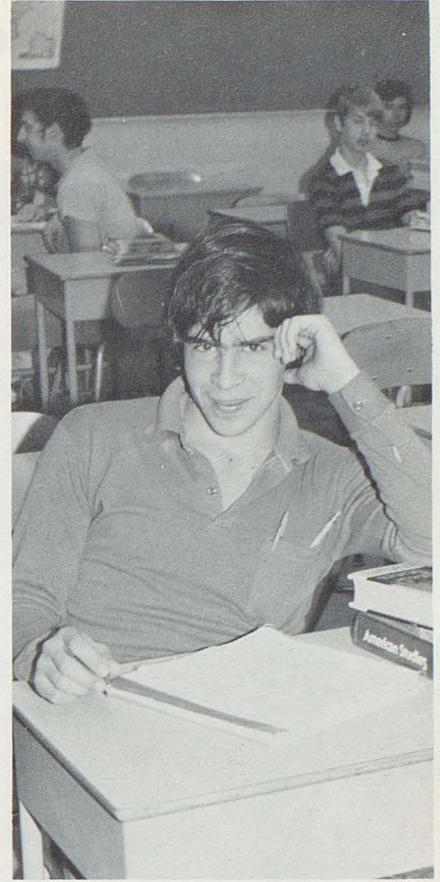

When I came here people were very nice and were very friendly and took me as I am. I'm very grateful to all the people and students, for they were the ones who have made my year unforgettable and full of happiness. In my home, I also learned lots of things with my host family, that I was very close with my sisters and my mother.

I have learned many good things since my living in the United States. I also learned that it is not language that makes people happy, but the love each and every one of us share. So, to each and every one of you who have been very friendly and the same time took me as one of you, I want to say a very, very big thank you. And the experience that I have had and what you people have given me will live in me till the end of my life.

(Me chikung ekom kmal mlamesaul u rokui ra ungil el omerelui ma ultiriu el mer ngak. Mada me chikung, ya Dias lobengkemiu ra bekel sils.)

Debbie Ngemaes

Being an exchange student is something wonderful, everything is different.

My hometown is a colonial type built for the conquistadors in this time, with nature around my house, the fresh air; but also, with all we need for our life. I came to Hornell, a small city, where the houses are build so different. The structure is the same, but the form to build is different.

My home school is directed by the Jesuits order and only boys attend. The schedule is different, and I found that school with the girls plus other differences made me nervous the first day. I wasn't used to this schedule of class and the structure, but I find that I enjoy each day of school.

I do not have much space to give each detail of my experience but I only want to say thanks very much, everyone, and Columbia has its door open to all of you. Thanks sincerely.

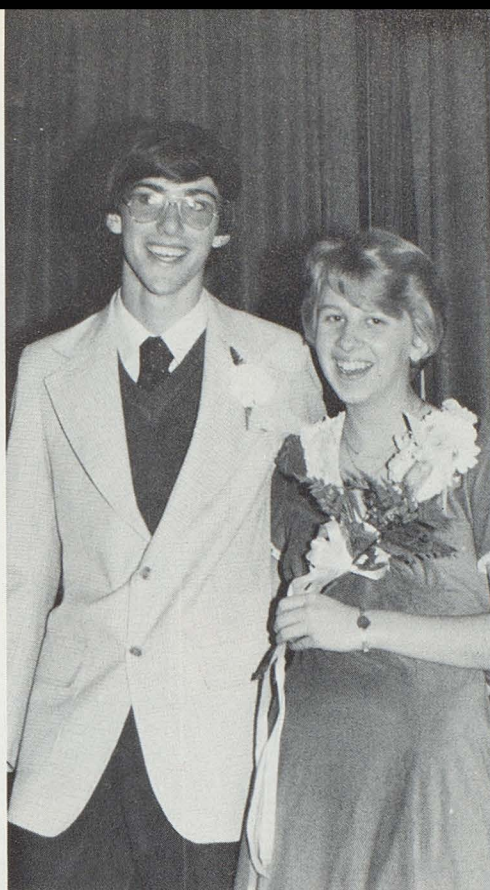

Hornell Tiene el espiritu que mucha gente necesita, por lo tanto todo el que os visita, se lleva un gratisimo recuerdo.

Sharing the Night Together

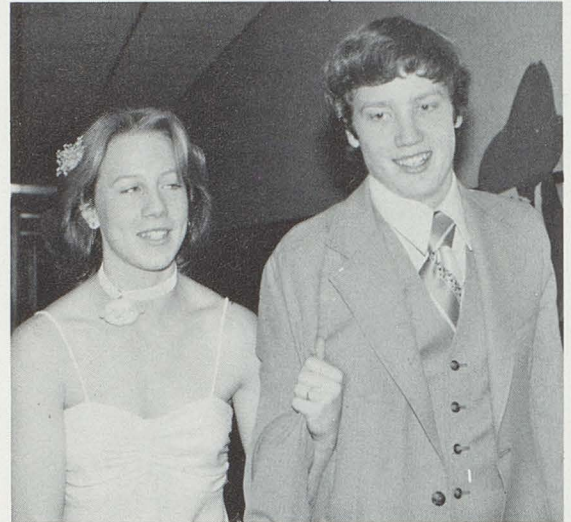

The Junior Prom, a much awaited event by the class of '80, was a great success. The juniors chose the hit "Sharing the Night Together," for their theme song. The decorations transformed H.H.S. into a South Pacific paradise island.

The queen was Patty Reardon, escorted by Mark McAnany. Other members of the court included Dianne Arcieri, Kim DeSanto, Gigi Prete, Chris Haynes, Kelly Murphy and Bridget Reese.

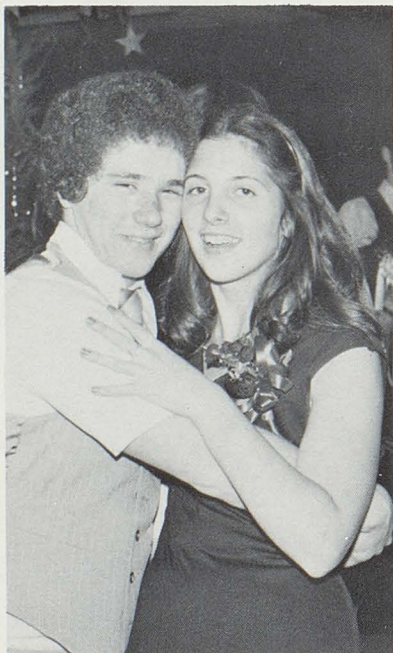

It was an evening thoroughly enjoyed by all who attended.

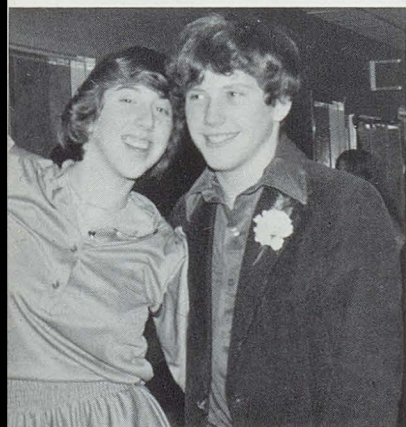

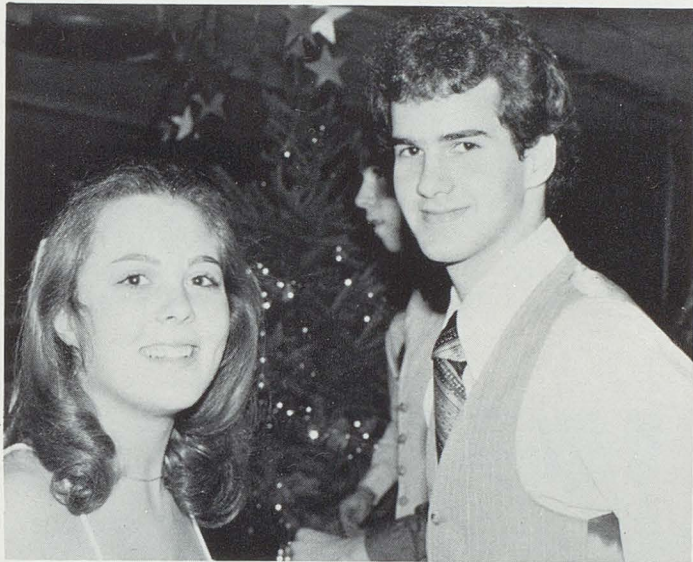

Yuletide Memories

The 4th annual Christmas dance this year was named "Yuletide Memories" and was sponsored by the Senior class. "Moondance" supplied music for the evening while everybody discoed down.

The Sound of Music

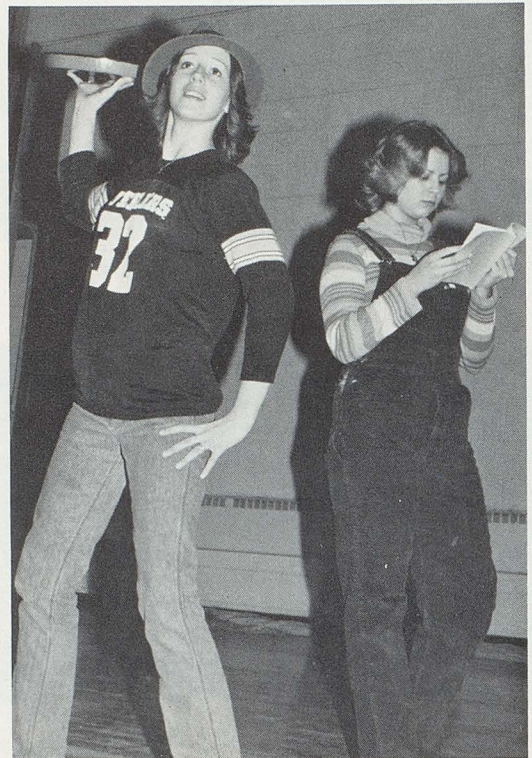

Every year in the spring the Hornell High School is treated to a little bit of Broadway. The High School choir under the inspired direction of Mr. Donald Besig presents a musical. This year was no exception.

Ray Suriani (Capt. Trapp) and Linda Harris (Maria Rainer) who sang the title song gave fine performances as the leads in the Sound of Music, Rogers and Hammerstien's musical set in pre-World War II Austria. The Trapp family was beset by many troubles both from officious bureaucrats, Mike Styles (Admiral von Schreiber and the evil Nazi Frank Pappalardo (Rolf Gruber) and Garth Murphy (Herr Zeller). With the help of Macia Willsey (Mother Abbess) and the rest of the nuns at Nonnberg Abbey they escape to Switzerland and a happy ending.

The Criss-Crossed Lovers

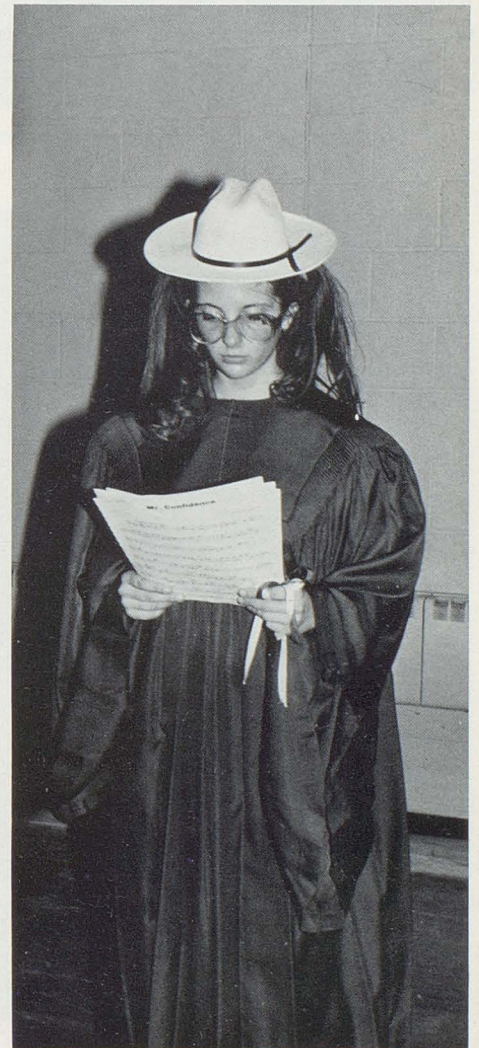

On April 5th and 6th the Class of '79 presented a clever three act comedy entitled *The Criss-Crossed Lovers*, with apologies to *Romeo and Juliet*. Karen Young and Garth Murphy played the key roles of Bonnie and Claude who picked Claude's Alma Mater, Martin Van Buren High, as a place to hide from the police after their latest caper. Claude was confident no one would look for him in a school. But, "the best laid plans of mice and men" and all that. Complications arose immediately as the couple stumbled into a school drama club rehearsal for *Romeo and Juliet*. Fortunately one part of that famous play calls for the actors to be in masquerade costumes and, after "cooling" the real *Romeo and Juliet* in the cafeteria freezer and donning their outfits, Bonnie and Claude are able to "hide" in the open. The web became more tangled at once, however, as they were forced to try and replace the rightful actors. The result is some of the most fractured and wildly assorted Shakespeare ever recited. Add to this merry mess a girl's volleyball team which moved in on the rehearsal. It was headed by a crooked coach and star player who were looking for a confused and uncertain (except about girls) bag man for Fink-the-Greek. They are to meet the bag man (Charley Roselli) and get this pay off for throwing a championship game. Charley had difficulty remembering the code words, however, and, in addition, he was constantly running afoul of Claude, much to the confusion of virtually everyone.

Finally, it required a resolute (and robbed) candy store owner, Ajax P. Feeney, played by Dan Koehler and last but not least, Defective Mulrooney (Duane Deninger) to resolve matters. Mike Bowles was very successful in the role of Mr. Gospodinoff, the beside himself drama coach. Lori Heffelfinger and Tom Sanford were very good as the "real" *Romeo and Juliet*.

It is hoped that Shakespeare's spirit has finally found peace again.

Mentionable Honors

A member of the Junior Class is selected by an experienced panel to be the representative of the American Field Service, Bret Viray is to spend the summer months in the home of a family in a foreign country, to learn the customs and culture, and to share our culture with them.

Betsy Burke received the Harvard Book Award for her excellence in scholarship and achievement in other fields by the Harvard Club of Rochester, N.Y. She received a book of selections from three centuries of Harvard men.

Each year the teachers of Senior students are asked to vote for the girl or boy in their class who possesses to an outstanding degree the qualities of dependability, service, leadership, and patriotism. The Daughters of the American Revolution of our area honor their selection with a medal. Karen Young was the 1979 choice to receive the medal which was presented to her at a lunch in her honor.

Tim McFall, Carl Carney Boy's State

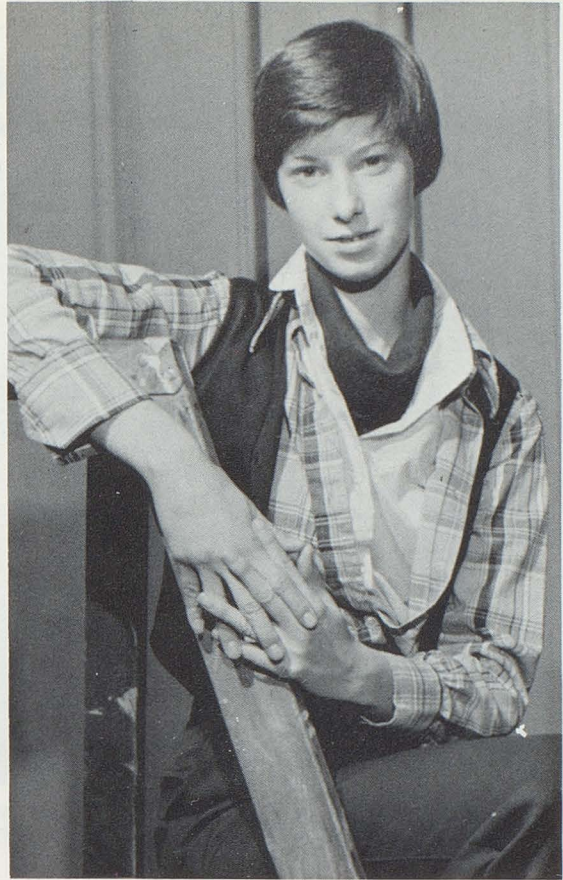

The Rensselaer Polytechnic Institute Medal is awarded to a Senior excelling mathematics and science during his Junior year. This entitles him to be eligible for a scholarship dependent on his financial need. This year's senior is Tom Harder.

The Elmira College Key is awarded to outstanding Juniors, planning on applying to Elmira College. This award entitles the applicant to scholarships based on need. This year's choice was Irene Tuttle.

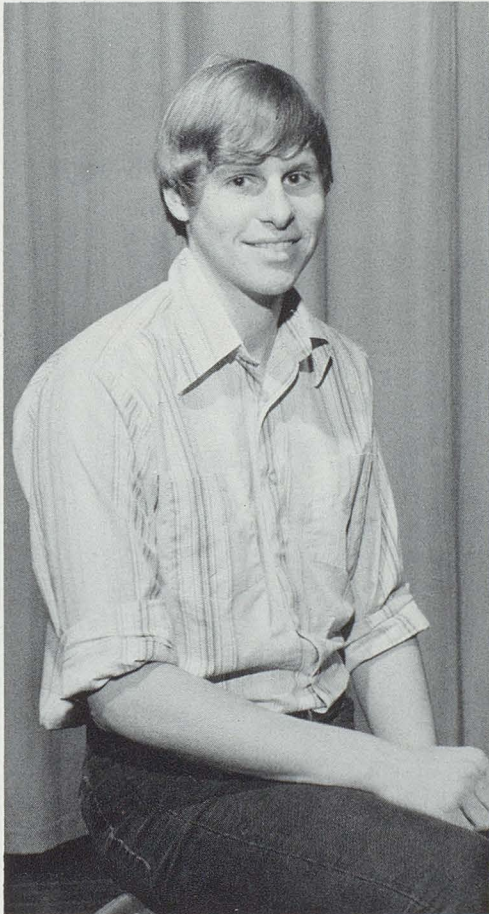

The American Legion sponsors Boys State each year. The last week of June '78 two students, Tim McFall and Carl Carney, went to S.U.N.Y. at Morrisville. They participated in sports, marching drills, calisthenics, government. They attended military classes, elected governmental officials by dormitories. During the campaigning for elected officials they listened to Mary Ann Krupsak and Mario Cuomo. All of these activities were under the direction of the United States Marines.

On Feb. 28, 1979 the Hornell Chapter of the National Honor Society held its induction ceremony. The president, Teresa HerrNeckar and the vice-president Sandra Stewart conducted the meeting in which 24 students were newly honored. Caron Rennells, treasurer-secretary, Thomas Harder, Irene Tuttle, and Philip Harvey read excerpts about famous Americans.

Last years inductees aided in the tapping ceremonies.

“In memoriam” is one Latin phrase that you’ll never find used to describe the Hornell High chapter of JCL. With Mr. Cali’s direction many of the JCL’ers are afforded a clear picture of the Roman culture in action.

Throughout the year the club holds many activities including a Halloween party with its initiation, the Saturnal celebration, re-enactment of the Ides of March and a festive Roman banquet. Candy sales, bingo and bake sales also make for interesting times.

Each member is also invited to join in the Fall Festival, and State and National conventions where fun flows like wine.

All of this is made possible only by the dedication and fun-loving spirit of the members.

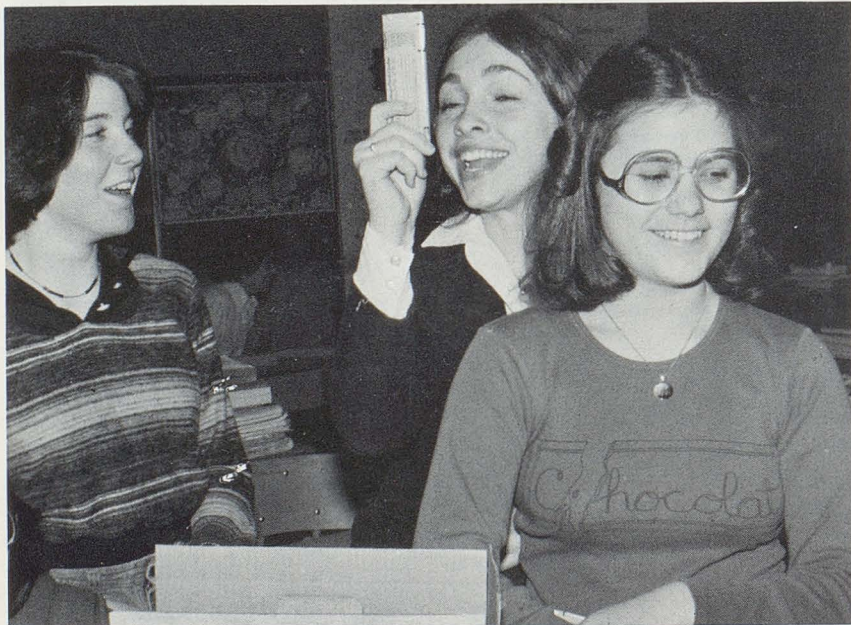

Row 1: T. Flaitz, D. Reese, K. Perry, K. Burd, K. Mauro, D. Ebert Row 2: B. Scott, S. Rice, C. Peterson, K. Crowe, P. Carrol, K. Amidon, R. Lackey, J. Brink Row 3: C. Smith, G. Moretti, D. Murphy, D. Miss Chanin advised the enthusiastic French Club through chocolate bar sales, bake sales, and discos. They serviced the community with French Christmas carols, and had special parties for the members. The chartered event of the year was a trip to Quebec during spring vacation. They stayed in a castle and experienced a slice of French-Canadian life.

In Spanish Club we try to extend the classroom to take in activities which time does not allow in the daily routine. Through such activities as celebrating traditional holidays and making and sampling foods we have fun and learn about the culture of the Spanish speaking peoples.

The Ecology Club was initiated this year by Mr. Ripple with one important goal in mind—to help save our trees. Each and everyday, our own school and others who use much paper carelessly cast aside a great deal of re-usable paper, a by-product of our swiftly diminishing forests.

Decorative boxes made by the club were placed in all classrooms and emptied at the close of every school day. The salvaged paper was then sent to Arkport where it was recycled by another conservative-minded group.

The A.V. Club under the leadership of Mr. Norton and Mrs. Jarrabet teach members about television. In the A.V. Club students learn all the complexities of cameras. They tape sports such as basketball, swimming and wrestling. Their abilities to tape are evidenced by the replays shown on Hornell's local television station, channel 6.

Mr. Blaauw and Miss Janzen have been successful in continuing to keep the A.F.S. theme "Walk Together, Talk Together" living at H.H.S.

The club's attitude toward our foreign exchange students is one of friendliness and hospitality. Members of the club learn about other foreign cultures by becoming acquainted with the foreign students, hosting a banquet in May featuring native dishes, attending foreign students' presentations at the University Church in Alfred, raising money to continue the A.F.S. cultural exchange program, and by having meetings with other exchange students studying at other schools in our area. These duties of the club provide for deeper understanding of our world's cultures and strengthen transworld peace.

With Mrs. Jamison's great enthusiasm and the leadership of co-presidents Terri HerrNeckar and Buzzy Mauro, the Math Club had a very enjoyable year. Using Patty Smith's math skills as treasurer and Betsy Koehler's universal knowledge, the club completed many various activities.

These include: College visitations to Alfred, Syracuse, LeMoyne and Mansfield. The club also asserted themselves in a Christmas cookie bake sale, which will never be forgotten. Occasional testing given by the Association of N.Y.S. High Schools, and a second cookie bake sale. Their plans are for a trip to Toronto for Mathematical ventures of the unknown.

The Rifle Club meets on Thursday night. They are under the direction of Mr. Straight. Their aim is for safety and accuracy.

This year the FTA, like in previous years, got involved in working and helping youngsters in Irving School, BOCES and in reading classes. This first hand experience helps the girls to learn, adapt and get an idea of what teaching is all about.

The club also welcomed speakers who explained how to deal with special children and learning deficiencies. They also learned how to have fun while enjoying Halloween treats this October.

Mrs. Herrick, a newcomer to the club, worked with Mrs. Arcangeli in advising the club.

Mmm Mmm Good!

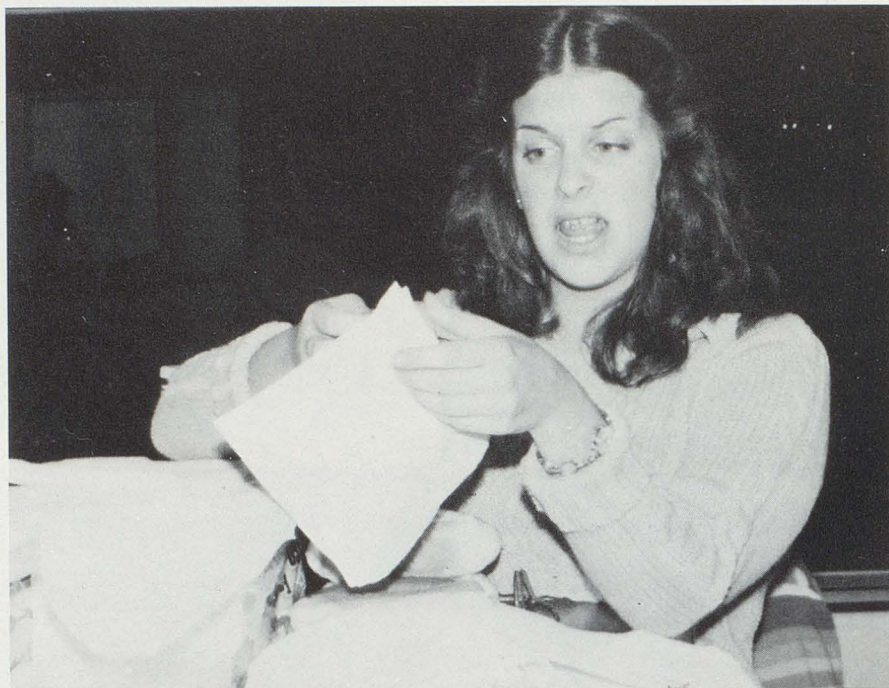

The concession stand team under the direction of Mr. Carlson had an undefeated season at home this year.

Cathy "Hot Plate" Brown, Barbie "Buns" Kelly and Patti "Animal" Nasca made an unbeatable triple play combo when it came to churning out thousands of delicious hot-dogs.

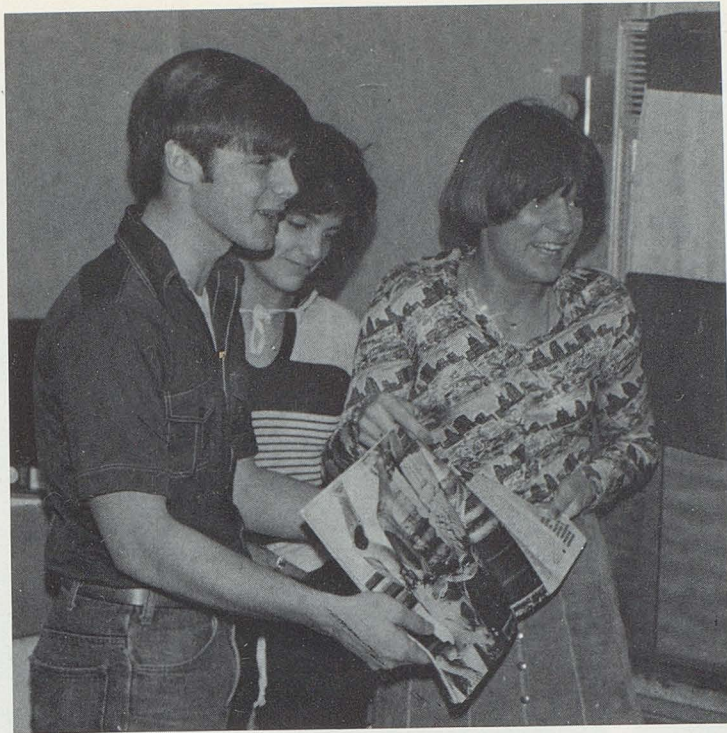

Betsy "Chips" Burke gave inspired play at the chip rack breaking not one potato chip during the entire season. Popcorn was provided at an ungodly pace by Cathy "Pops" Durso.

Veteran Tim "Groundskeeper" McFall returned making coffee that was good to the last drop, and rounding off this all-star was Garth "Fingers" Murphy who showed magnificent sure-handedness by delivering cokes unspilled to the thirsting fans.

Also a special thanks to the veterans Mr. and Mrs. Durso, Mr. and Mrs. William Bennett, Mrs. and Mrs. Jamison, Mrs. Berry, Mrs. Dagon, Marie Flint and Mr. Carlson.

Under the leadership of Co-editors Garth Murphy and Macia Willsey, the "Red Raider's Eye" appears every two weeks in the local newspaper. It has features such as student cartooning, surveys, gossip column, and editorials by teachers and students, plus a few special help wanted ads. It also included various articles pertaining to sports, academics and other student activities.

The Hornell High School choir under the directorship of Mr. Don Besig gave several concerts this year for the enjoyment of the city. At Christmas time they gave their annual "A Time For Joy" concert. They performed many traditional carols and several new melodies including a few tunes composed by Mr. Besig. The show was climaxed by a candle light procession and the last part of the show took place in front of a large simulated stain glass window. The spring concert included many of the choir members in scenes from Broadway shows to fill the gap because there was no musical this year.

From lens to dark room, and the shutter stops along the way are part of the photography club's training to become proficient photographers. Under the direction of Mr. Dewey, the club learns to focus, position the subject and to take and develop the picture. Most important, they learn to use and understand the camera.

Checking out books, giving out magazines, making study hall slips and overdue book notices are some of the functions of the newly organized library club, under the direction of Mrs. Hammond. Future plans entail the study of the Dewey Decimal System and how it functions in the school library.

Ski enthusiasts at H.H.S. show their love for the sport every winter Friday night by trekking to Swain for an enjoyable and invigorating evening of skiing. The novices head for the easier slopes where they practice and then perfect skills and techniques learned in Swain's ski school. More advanced skiers, "hot-doggers", can be seen flying over mogles and jumps and performing more advanced stunts that freestyle skiing has made so popular.

One advantage to the sport of skiing is that it allows for outdoor recreation in an area of the country known for its often harsh winters. Extremely cold and snowy weather does not deter the serious skier. The chills and spills that keep many away from the slopes do not discourage Hornell High's skiers from returning winter after winter.

The following are excerpts from conversations at our yearbook meetings by the staff:

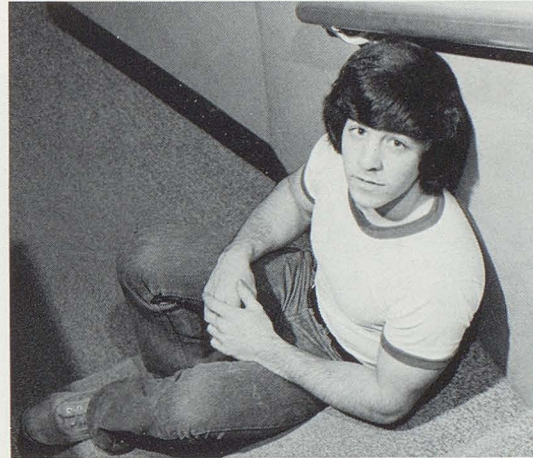

Now, let's get going. I've got to write this yearbook copy and you guys are gonna help me. Hey, good song! Where are those Chinese torture sticks? Oh, ###* this page. 3062. Hey Commish, where's the 7-UP. Belch! Copyboy! Copyboy! Where the hell's that copyboy? Well, we do. Can anyone think of a title for the custodians? Patti, read me Alex's number. You decide, you're Editor-in-chief. I'm next for the light table. Indulge, Oh Wow. Hey Garth, your chair is so warm. Belgium, Belgium, Kansas City. Tim, do you like pumpkin seeds? We need more layout sheets. No, we just got some. Yeah, put that in. We want them to know what fun guys they were. Get this ###* out of here. So I don't get any help, huh? March 10th.

The cheerleaders are the prompters of spirit at H.H.S. Their presence at the various sports activities shows that the Raider's support their peers. Whether you're at a pep assembly, football game or on the basketball court, you'll find the cheerleaders exuding energy into the crowd. Miss Janzen did a good job in keeping the girls organized while Tammy Flint, captain, led the cheers.

It was a building year for the Hornell cross-country team. Basically a young team, the boys battled to a 6-7 won-loss record against tough competition from other Sullivan Trail teams.

The girls capped their season with a second place finish against Penn Yan in Class B of the sectionals. Hornell's Lynn Henchen placed 7th and went on to the state finals at Poughkeepsie where she placed 54th out of 127 other runners.

The boy's varsity soccer team had a very successful season with an overall record of 11-4-1. The leading scorer for the team was senior Bob Reardon, who scored 12 of the 44 total goals. The hard-working team gave up only 20 goals to their opponents. In sectionals this year the Raiders shut out Attica with a score of 4-0. With 12 seniors on the team, experience was one of the team's major assets.

The Hornell cagers finished off the season with a 11-8 record. The highlite of the season was Hornell's surprising come from behind victory in overtime when they beat Notre Dame, a longtime rival. This year also saw the first time a Hornell squad advance in the sectionals. They defeated Geneva (seeded 6th to Hornell 11th) in a tough game 66-54. They lost their next game against Newark which eliminated them from the sectionals. Hornell finished second in the Bi-state division of the Sullivan Trail.

The girl's basketball team played for the first year in the Sullivan Trail Conference. The record at the time of publication was 0-8 league, 2-13 overall for the Varsity team, captained by Kelly Weidman. The JV team had an 11-1 record. The leading rebounder was Nancy Hill, and leading scorer 'Janer' Mulhollen. Coach Lefferts is optimistic about the program in upcoming years.

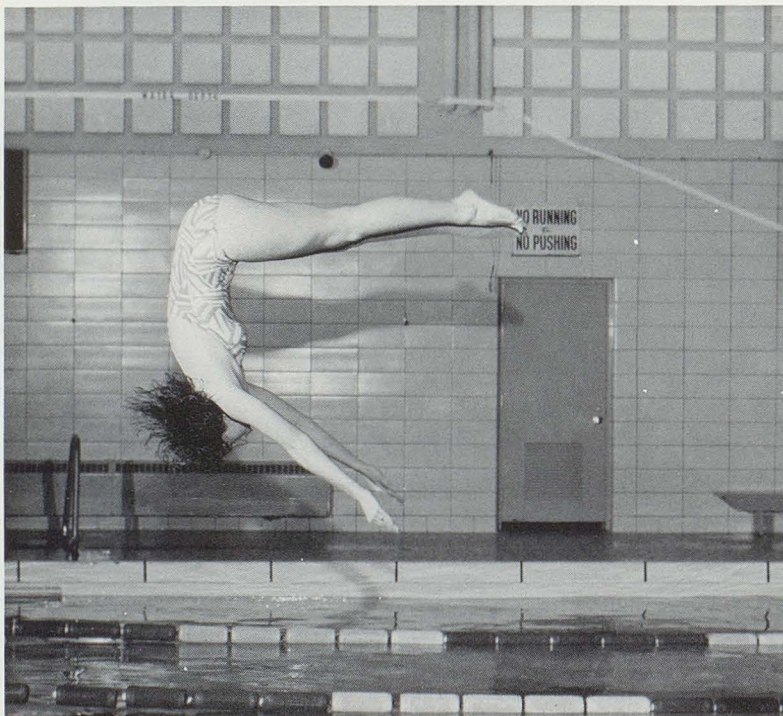

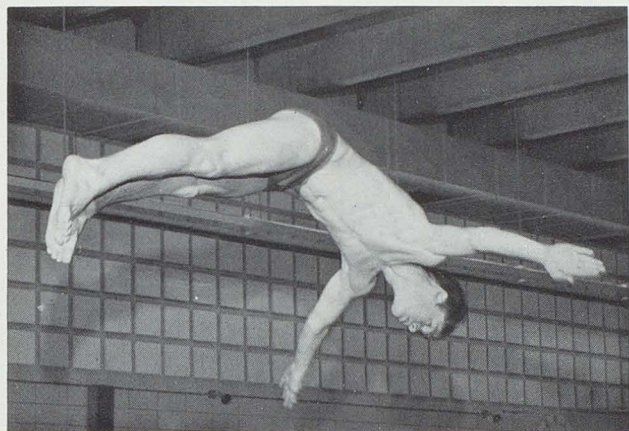

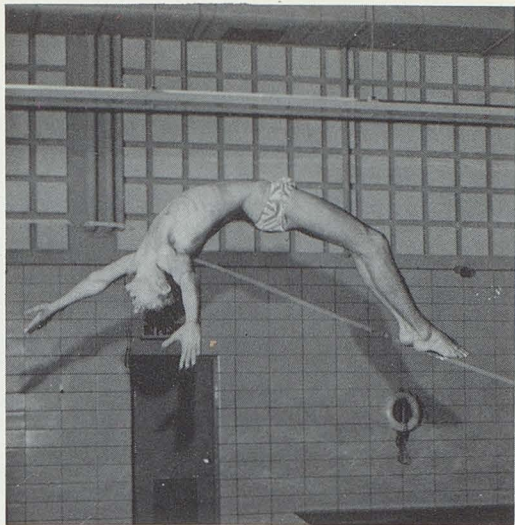

Denizens of the Deep

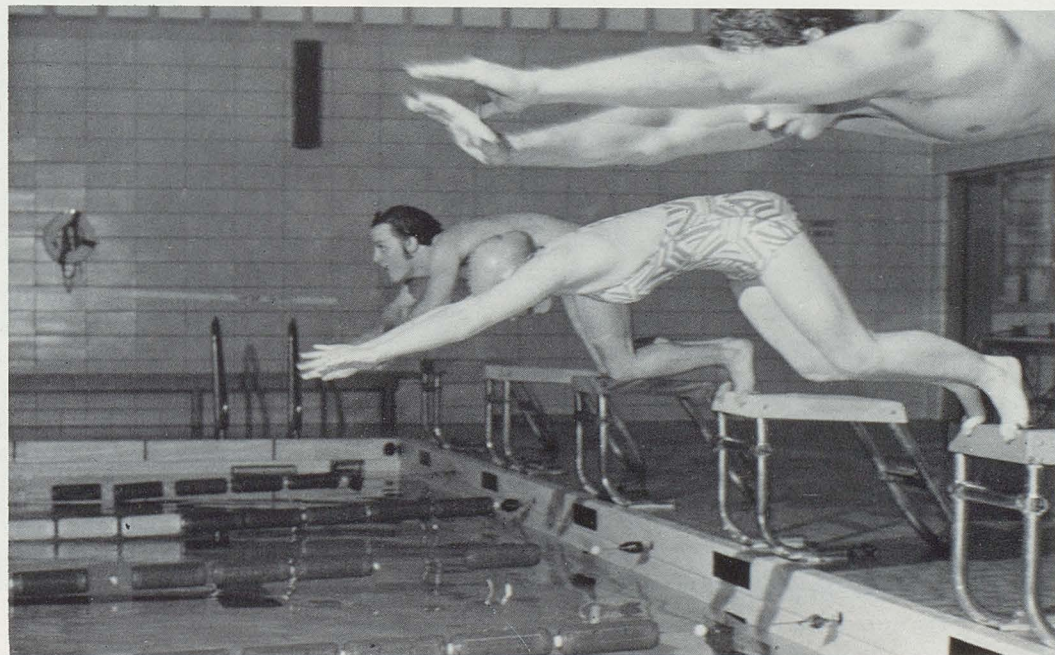

The Red Raiders swam on to be the Bi-State champs for the 78-79 season under the direction of Coach Spittler, Ass't Coach Gerry Flaitz, and senior captains John Hillman and Kevin Flaitz. The team is losing another senior, Dennis McAllister, to graduation, but Coach Spittler has a strong squad of Juniors that are capable of handling the job. The finmen have great team depth with plenty of Sophomores and Freshmen in the ranks.

The strike zone

Every Tuesday afternoon, the bowling team bowls at the Hornell Bowl. The intramural team, under the direction of Mr. Scheiwer, is composed of a avid bowlers that strive for victory. Strikes and spares, diligence, and developed skills have all combined to make Hornell's outstanding record—they've been winners for the past 29 years at the spring time sectionals.

The girl's volleyball team gained much experience this past season. This was their first year in the Sullivan Trail Conference and with the guidance of their coach, Mrs. Santelli, the girls put in a lot of hard work. The team co-captains were Shannon Crissy and Chris Prete. The girls were very spirited and enthusiastic concerning their team efforts.

The Hornell wrestlers finished up their season with a 5-8-1 record, and ended up 5th overall in the Sullivan Trail conference. Pete Day, Jeff Wilkins, and Tim Cheresnowski went to the sectionals. Day ended up being a state qualifier and was rated AA No.3. Mr. Bostwick returned to coaching after a years absence. The Raiders are losing only two seniors, Mike Kramer and Ron Hallett, to graduation. The Raiders have four juniors to keep the team strong next year. They are Day, Wilkins, Cheresnowski and Pete Grillo.

Row 1: J. Smith, B. Harkenrider Row 2: T. Iak, M. Graham, M. Castle, J. Mullhollen, D. Reville Row 3: Coach Dewey, S. Terboss, J. Suriani, J. Burnett, N. Remchuck, F. Gallese, C. Kramer

Hit 'n Run

Under the enthusiastic guidance of Mr. Caruso, the Red Raider's baseball team had a most successful season. The captains, Bob Shephard and Ted Hillman, led the team to an overall record of 18-3-0. The '78 Raiders won the Sullivan Trail Bi-State Division championships for the second year in a row, the Steuben county championships for the fifth year in a row, and also won the second Hornell Invitational baseball tournament. For the first time, the team played Cardinal Mooney, known as the "Powerhouse in baseball" and defeated them 6-5. Tom Rohan, a senior this year, led the team in hitting, while Bob Reardon had a 5-0 record as a pitcher.

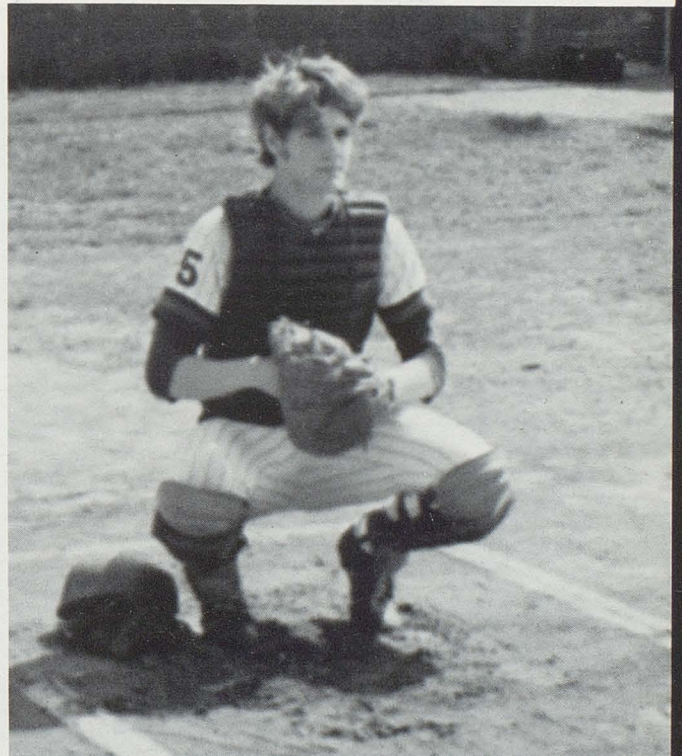

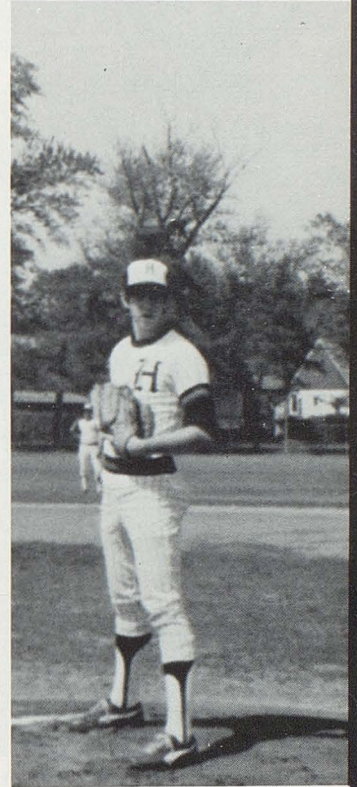

The Junior Varsity team, coached by Mr. Libordi, also had a successful season with a record of 11-4-0.

Row 1: D. Kelleher, D. Canfield, R. Shephard, D. Freeland, R. Reardon Row 2: R. Gibson, T. Rohan, R. Carlin, B. McLaughlin, P. Quinlan, D. Canty, M. Cortese, T. Hillman, Coach Caruso

Row 1: J. Tallman, J. Montemarano, C. Hogan, E. Weyand, M. Baker Row 2: R. Dailey, M. Prete, J. Kelleher, J. Burke, E. Smith, J. Saxton, G. Recktenwald, R. Baumgarten, Coach C. Libordi, P. Cortese, B. Zaparzynski, J. Watches, J. McDermott, T. Locker, T. VanScoter

We've Only Begun to Fight

Row 1: K. Brown, L. Deeks, P. Walker Row 2: Coach Lefferts, M. Dunning, C. Noonan, T. Murray, J. Jarrabet, S. Huffsmith, S. Slaght, R. Colomaio Row 3: T. Stewart, N. Phillips, M. Dean, K. Milliner N. Flaitz

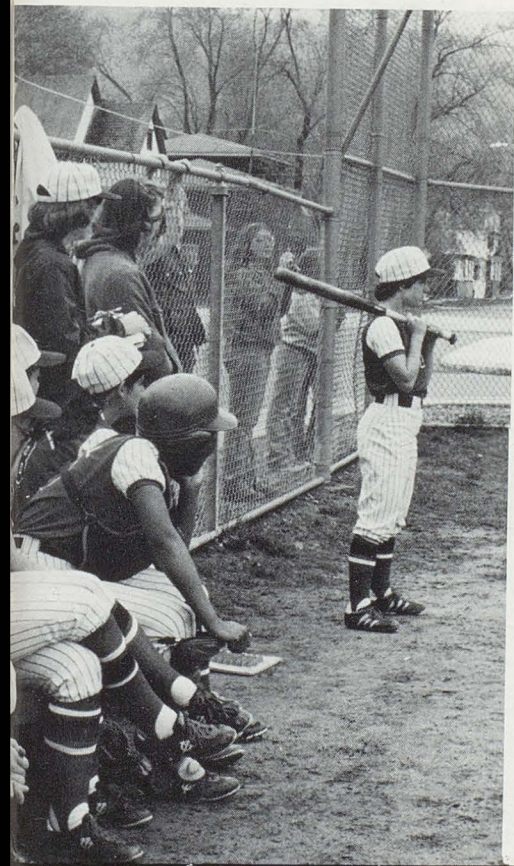

This was the girl's softball team's first year in the Sullivan Trail Conference. The girls had to adjust to the stiff competition and losing a few, which they weren't accustomed to. Their hard work and experience paid off ending the season with a league record of 12-4 placing third overall in the conference. The overall record for the girls was 13-6.

This year was also the first year Hornell did not have an automatic berth into the sectionals. We were dropped from an A to a B classification which put us in the running for the only berth, against Haverling. Unfortunately we lost the playoff and an opportunity to take one of the finest teams ever fielded at Hornell to the sectionals.

The team hit a total of 16 homeruns which gives you some kind of idea of the hitting power behind these young ladies.

The first J. V. team in softball came through with a record of 10-0 which proves there's lots of depth and experience on the way. Hornell has not yet begun to fight!

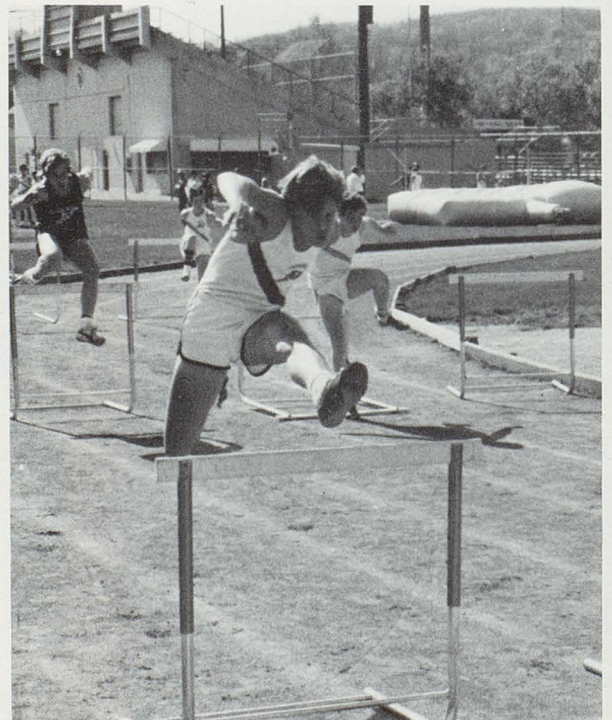

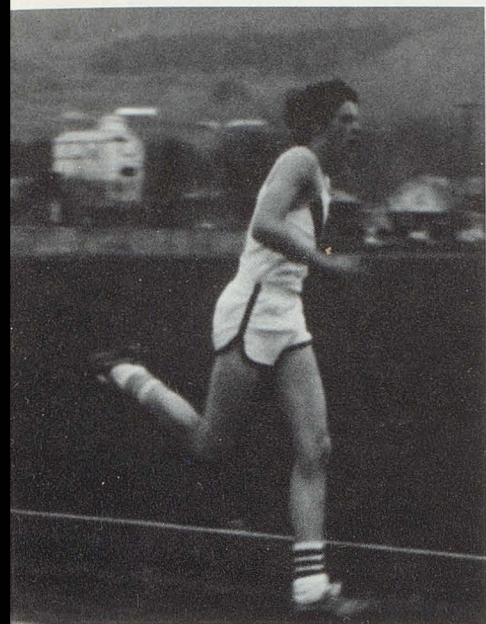

Row 1: Coach Santelli, M. Gadsden, L. Stewart, K. Flansburg, K. Potter, C. Bailey
 Row 2: C. Prete, A. Kubiak, M. Wise, B. Hanrahan, P. Coates
 Row 3: G. Green, M. Mulhollen, G. Prete, D. Roof, A. Scaglione, E. Young, K. Hillman

Red Racers

Row 1: G. Eveland, D. Warzok, F. Argentieri, J. Baker, M. Watt, M. DeGaetano, J. Hover, J. Lehman, E. Beaver, M. Smith, P. Walsh Row 2: Coach Feltham, S. Shephard, J. Ebert, S. Day, T. Malik, D. Harris, K. Reynolds, J. Harder, S. Davis, Coach Angell Row 3: J. Burnett, B. Davis, T. Harder, S. Persing, M. Hoffman, M. McAnany T. Gaffney, R. Hallett, R. Puffer, G. Didas

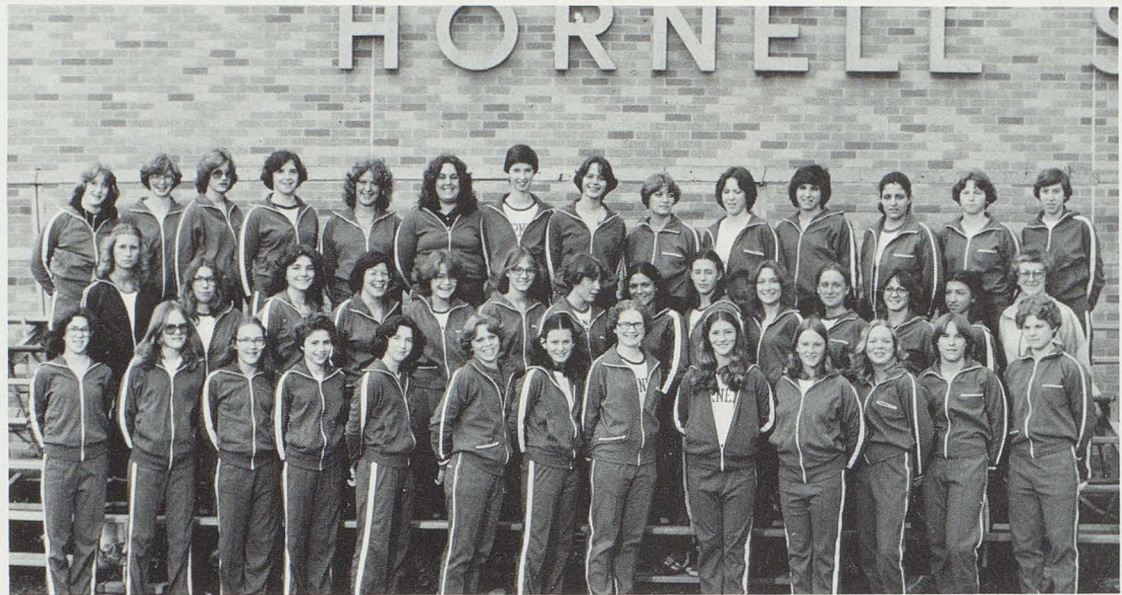

Off and running, jumping and throwing, the Hornell track team came up with a 5-5-0 season. Supervised by Coach Feltham and led on the field by Captain Mike Stiles, several members met great achievement in their own personal categories—definite assets that added to the team's resources. John Mike's ('78) prowess in the discus events allowed him to shatter a school record with a throw recorded at 142.3. Rich Puffer ('79) excelled in a new event, the mile walk. With a record of 8:26:13, he will attempt to surpass this in '79, and, at the rate he's going, will accomplish this outstanding feat. The promising potential of next seasons team can do nothing but put the team ahead in '79 into the track of winning competition.

Row 1: T. Kilbourne, M. Clark, M. Rice, S. Trentanelli Row 2: J. Mike, J. Sherburne, S. Barker, B. Changose Row 3: Coach Feltham, J. Babcock, P. McLaughlin, M. Stiles, Coach Angell Row 4: D. Brake, B. Mahoney, T. Markel, M. Cleveland, R. Mazzella

Sanford's Sallies

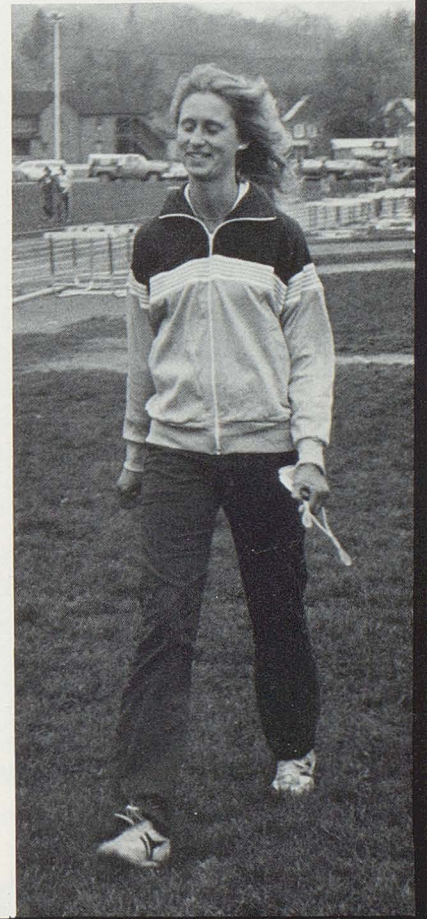

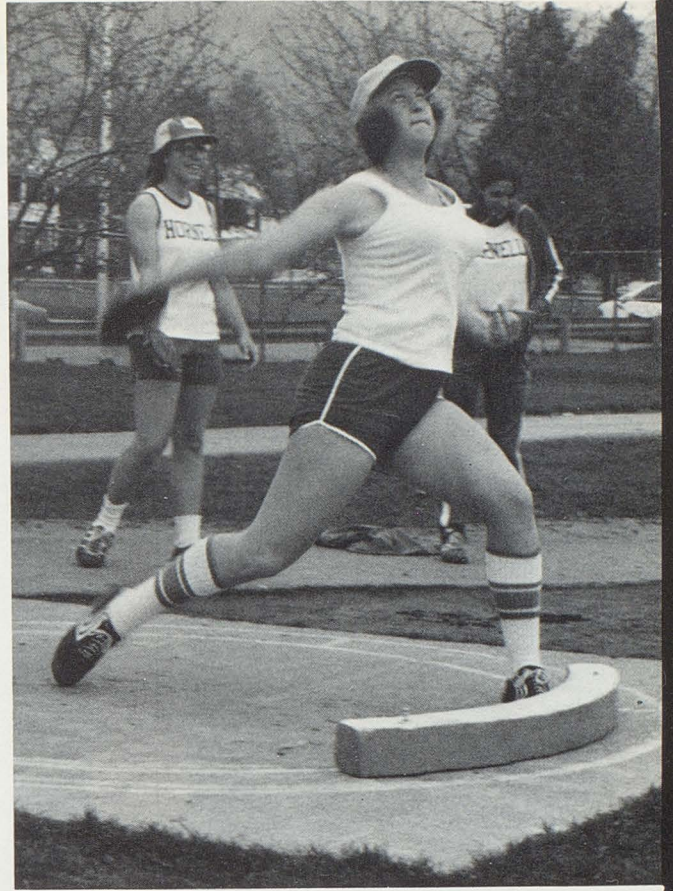

Row 1: E. Malick, N. Puffer, M. DeVore, M. Jarrabet, C. Beaver, M. Kelleher, B. Barnett, C. Moss, J. Schu, T. Flint, L. Penwarden, P. Reardon, T. Mulhollen Row 2: Coach Sanford, S. McClanahan, T. Saltzer, T. Marsh, M. Henchen, S. Stewart, M. Clancy, M. Gallese, J. Sanford, S. Nasca, K. Young, L. Heffelfinger, K. Nasca, Coach Foss Row 3: A. Nugent, C. Conners, K. Kinnerny, L. Davidson, T. Miller, A. Caniglio, B. Burke, M. Persing, J. Weyand, S. Clancy, K. Saam, P. Moore, B. Lorrow, T. Marsh.

The second season of girl's track proved rewarding for all who participated. Each girl was allowed to compete in as many as four different events. These included ten running events, with the two-mile relay and the mile walk being new races, and four field events.

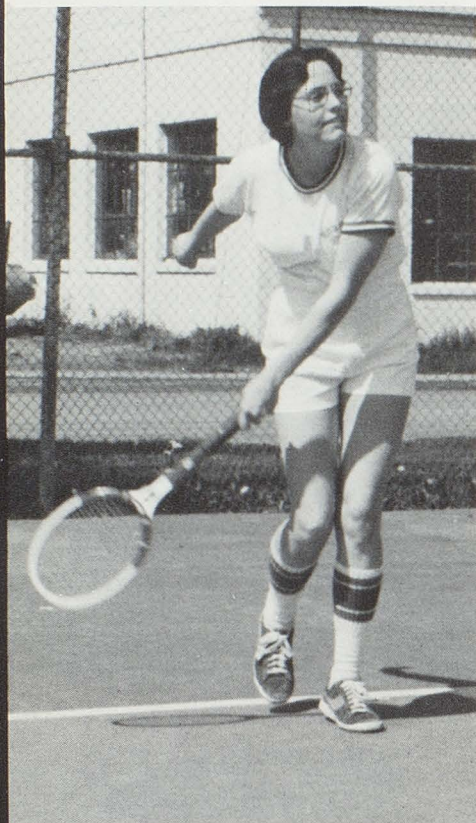

During the season, which started early in March, seven school records were broken. The records broken included 100 meter hurdles, 220 yard dash, 440 relay, discus, high jump, long jump, and shot-put.

Led by Coach Sanford the team achieved the title Bi-State Division champions with a 6-2 record.

Tennis (Court)iers

The 77-78 tennis team ended its season with a 6-9 record.

The highlight of the season was a win over Corning West the first match of the season. This was followed later by an impressive win over Corning East who had beaten Hornell earlier.

Matches throughout the year were exciting very often depending on the outcome of a single set. The tennis team's record could very easily have been 9-6 were it not for some bad breaks.

Joe Hyslip, the number one singles and county singles champion, will be returning as well as Wendy Archer (3rd singles), Jim Parks (2nd doubles), Jim Griffin (2nd doubles), and Jim Tobin (2nd doubles). All these people were letter winners.

If this year's team can maintain the enthusiasm of last year's team this season should be a very successful.

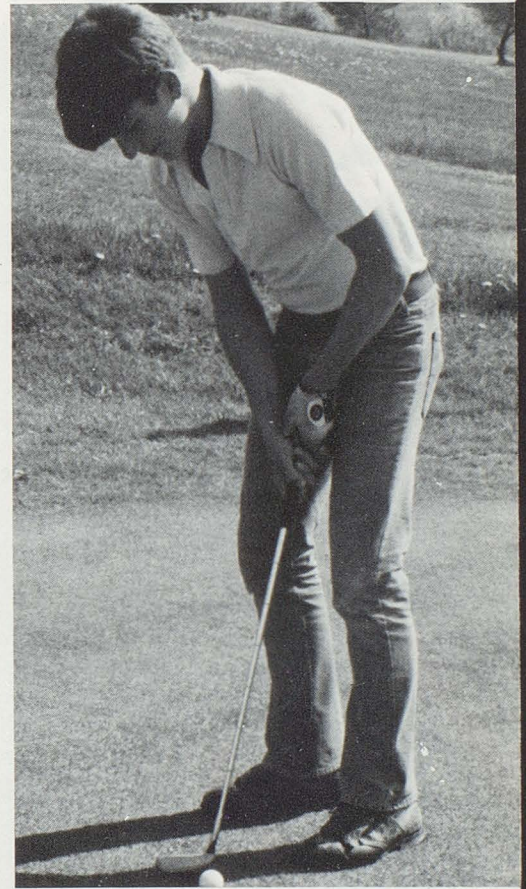

Row 1: C. Phair, J. Hyslip, F. Pappalardo, J. Griffin, M. Engram Row 2: W. Stearns, J. Tobin, T. Archer, S. Davis, Coach Lefferts Row 3: J. Parks, D. Graham, M. Miller, J. Lieb, G. Hyslip, W. Archer, T. Hermeckar

Row 1: J. Barker, M. Bowles Row 2: Coach VanScoter, M. Prescutti, P. Graham, J. Falzoi, R. Kelly Row 3: R. Bagley, S. Wachter, D. Watt, K. Beckerink Row 4: T. Evesland, J. Hyslip

A new coach, skilled golfers, and dedication all added up to give the golf team a fine season. Finishing first in the Steuben County league with an overall record of 13 wins and 5 losses, the team has everyright to be content with their past record. Their optimism began in early spring and carried them to their triumphant victory in late May. Two of the more advanced players, Rich Bagley (most valuable player) and John Hyslip qualified for sectionals, but met defeat.

Mike Bowles, Sal Wachter, and Hyslip will return this year along with some up and coming J. V.'s to lead our Red Raiders to par excellence.

The Varden Portrait

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in fine portraiture. When you graduate, don't settle for less.

HORNELL TEACHERS'
FEDERAL CREDIT UNION

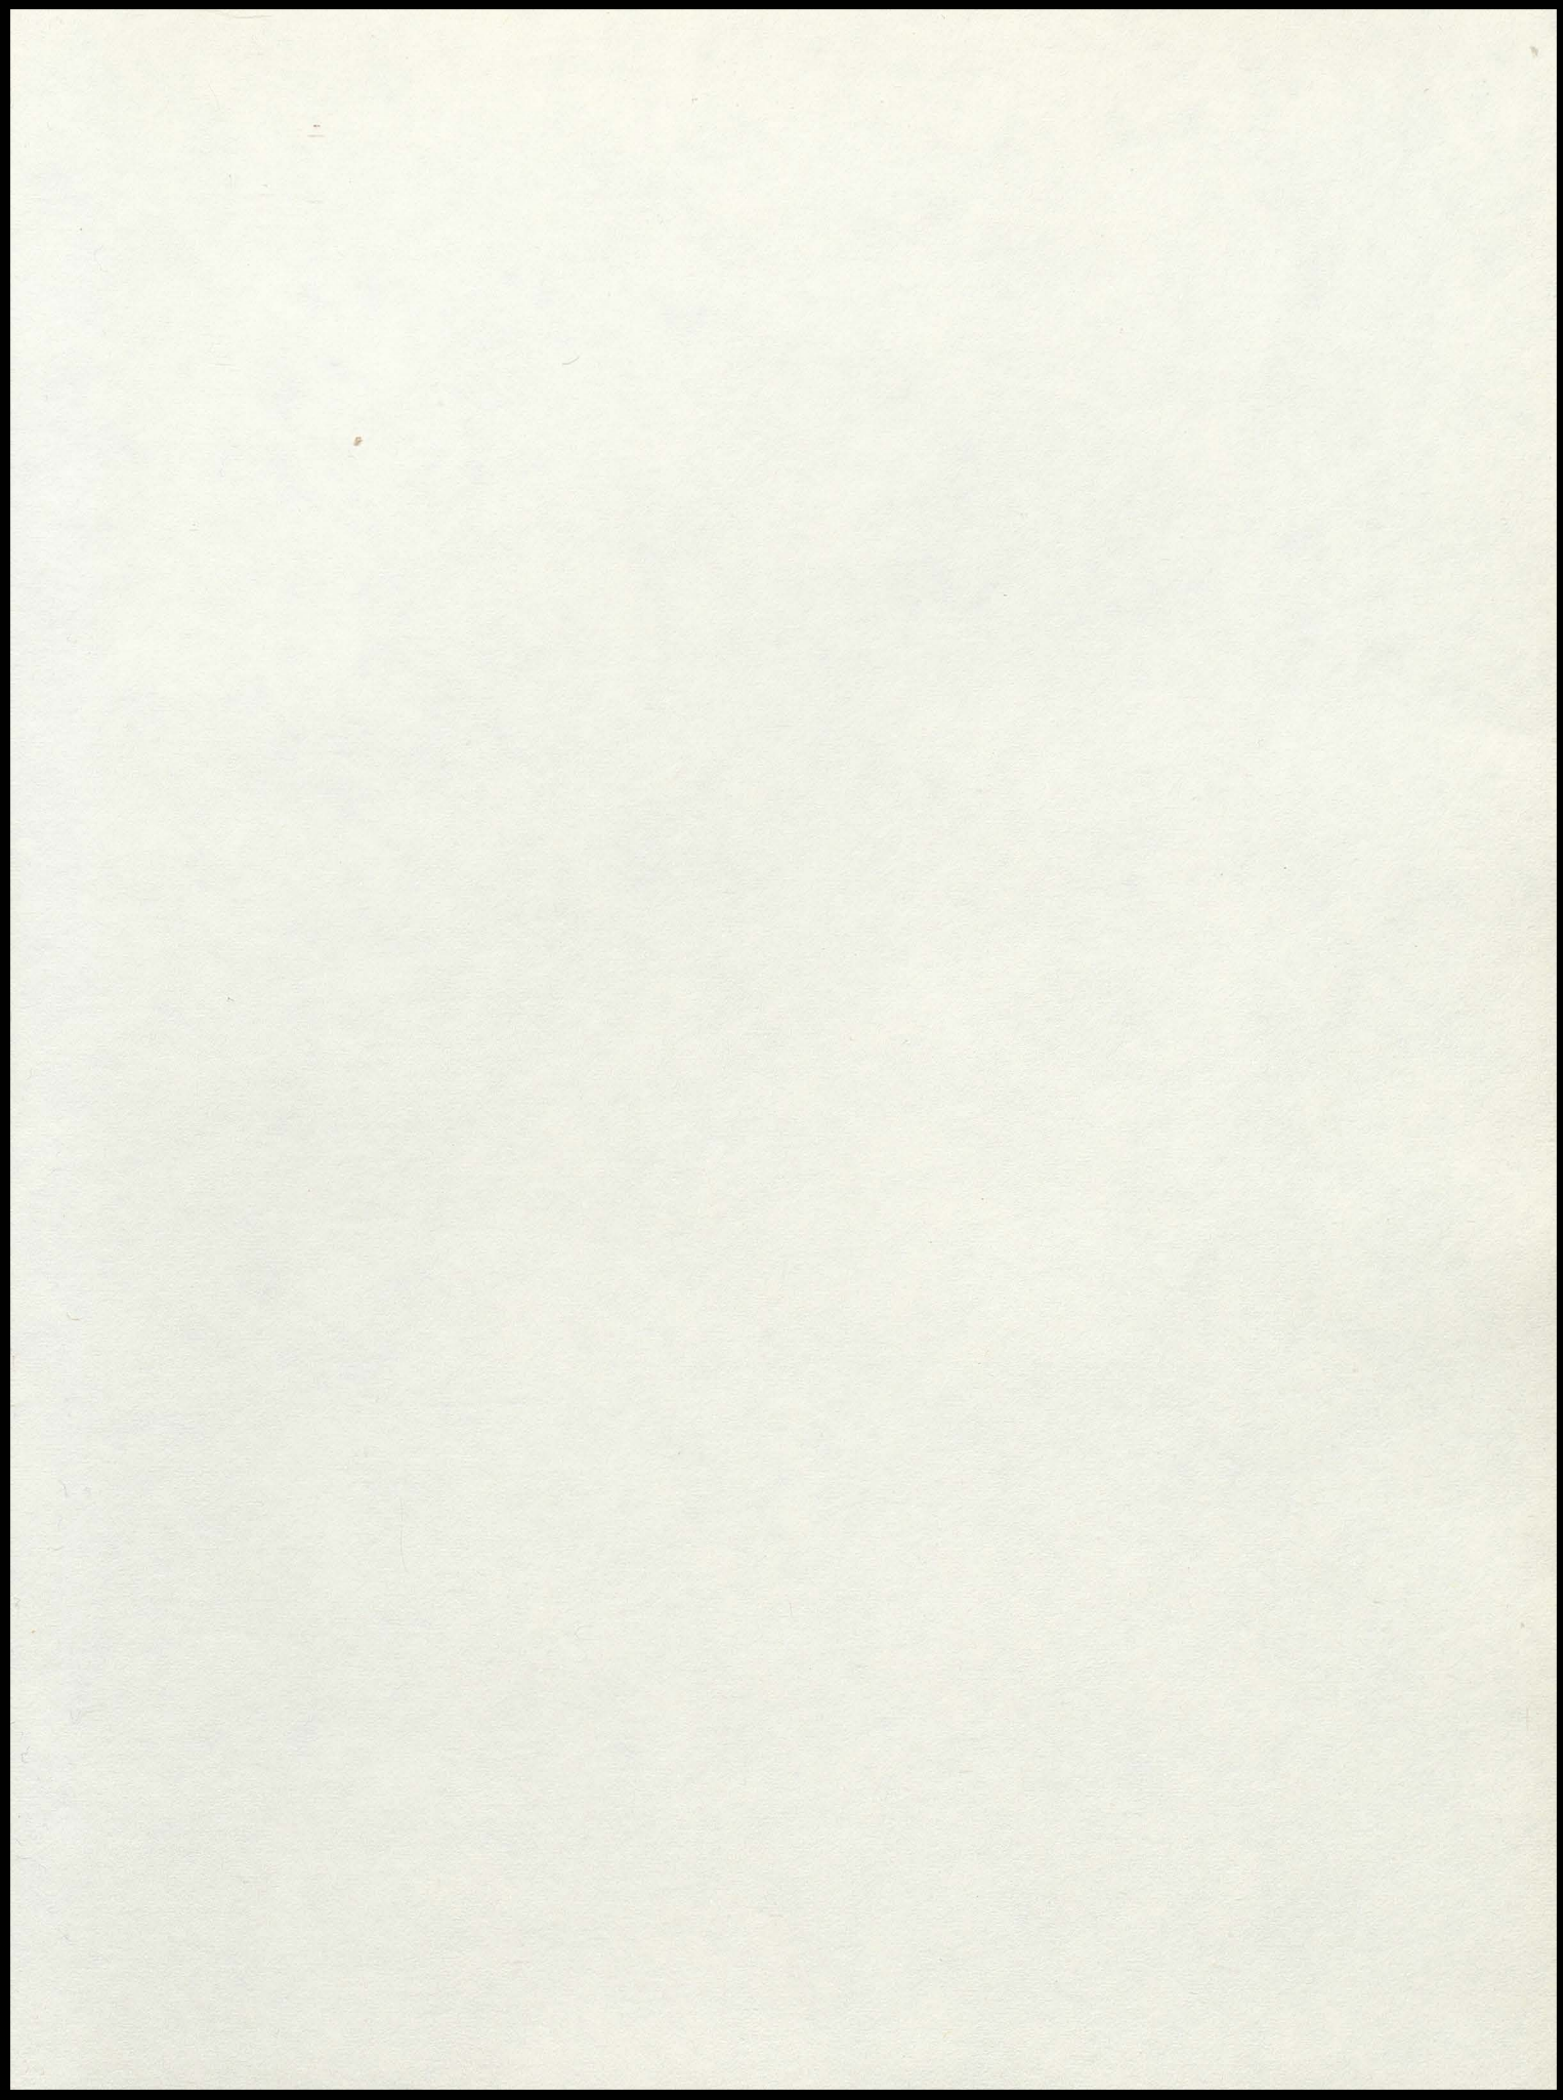

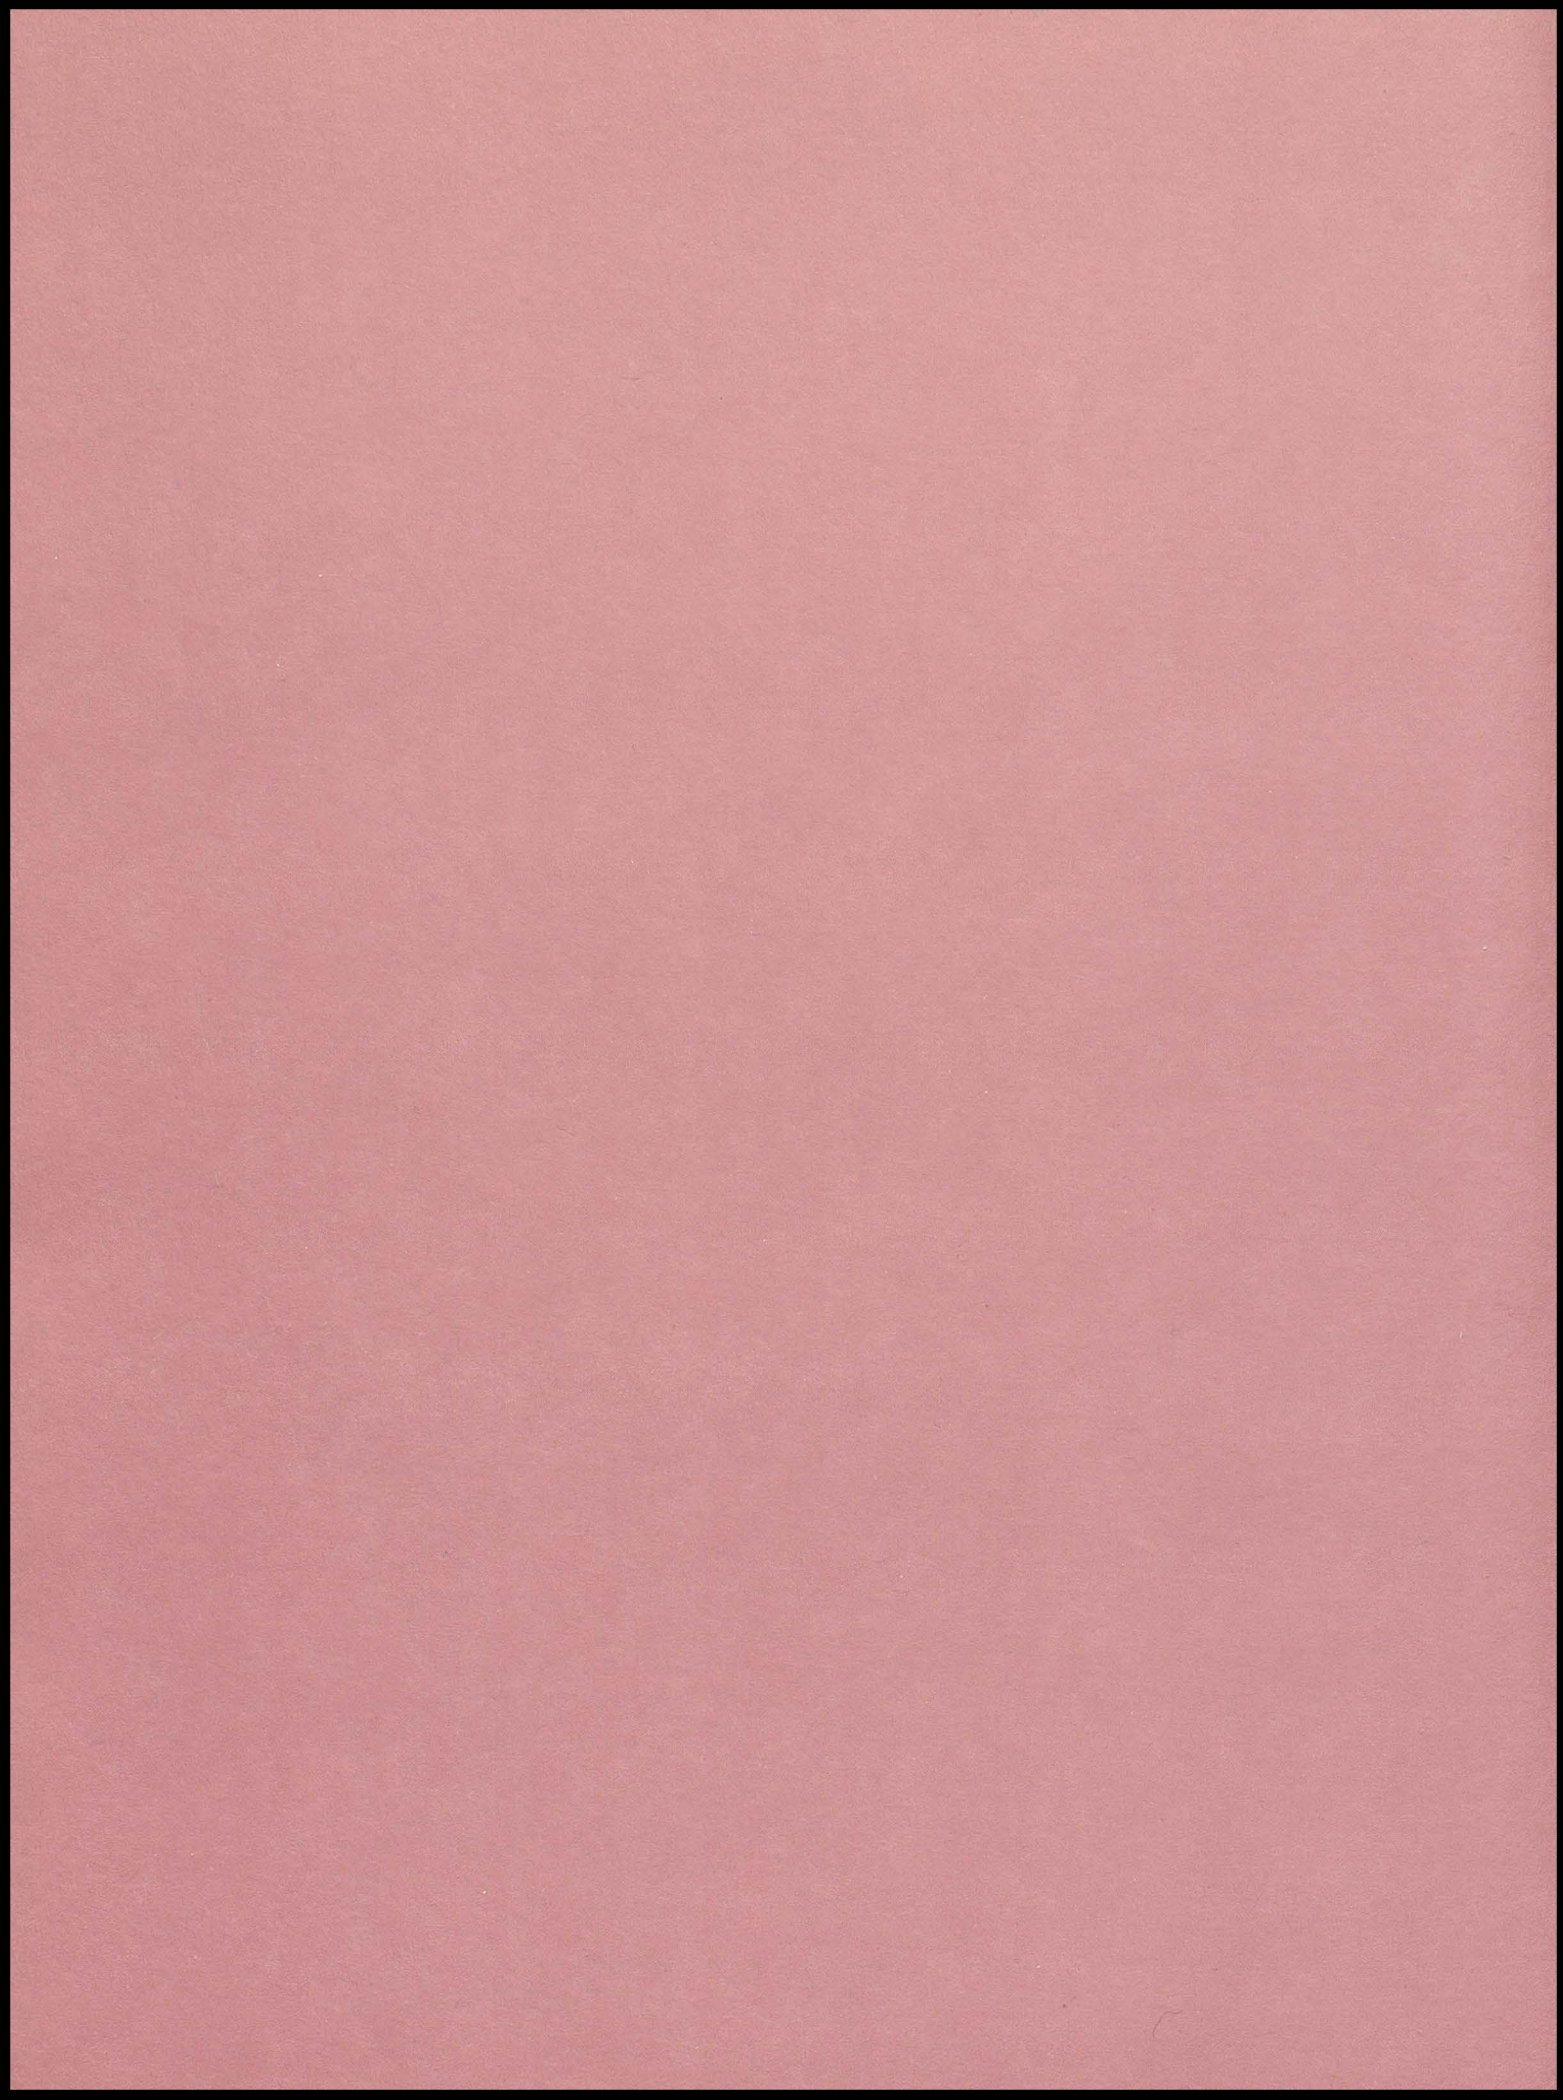

Every year the members of the yearbook staff strive to produce an edition of the Maple Leaf that will meet with the approval of their peers. This year is no different in that respect. Our aim was to assemble a yearbook that would be significantly different from any previous Maple Leaf. The editors incorporated the best of our ideas to achieve our goal.

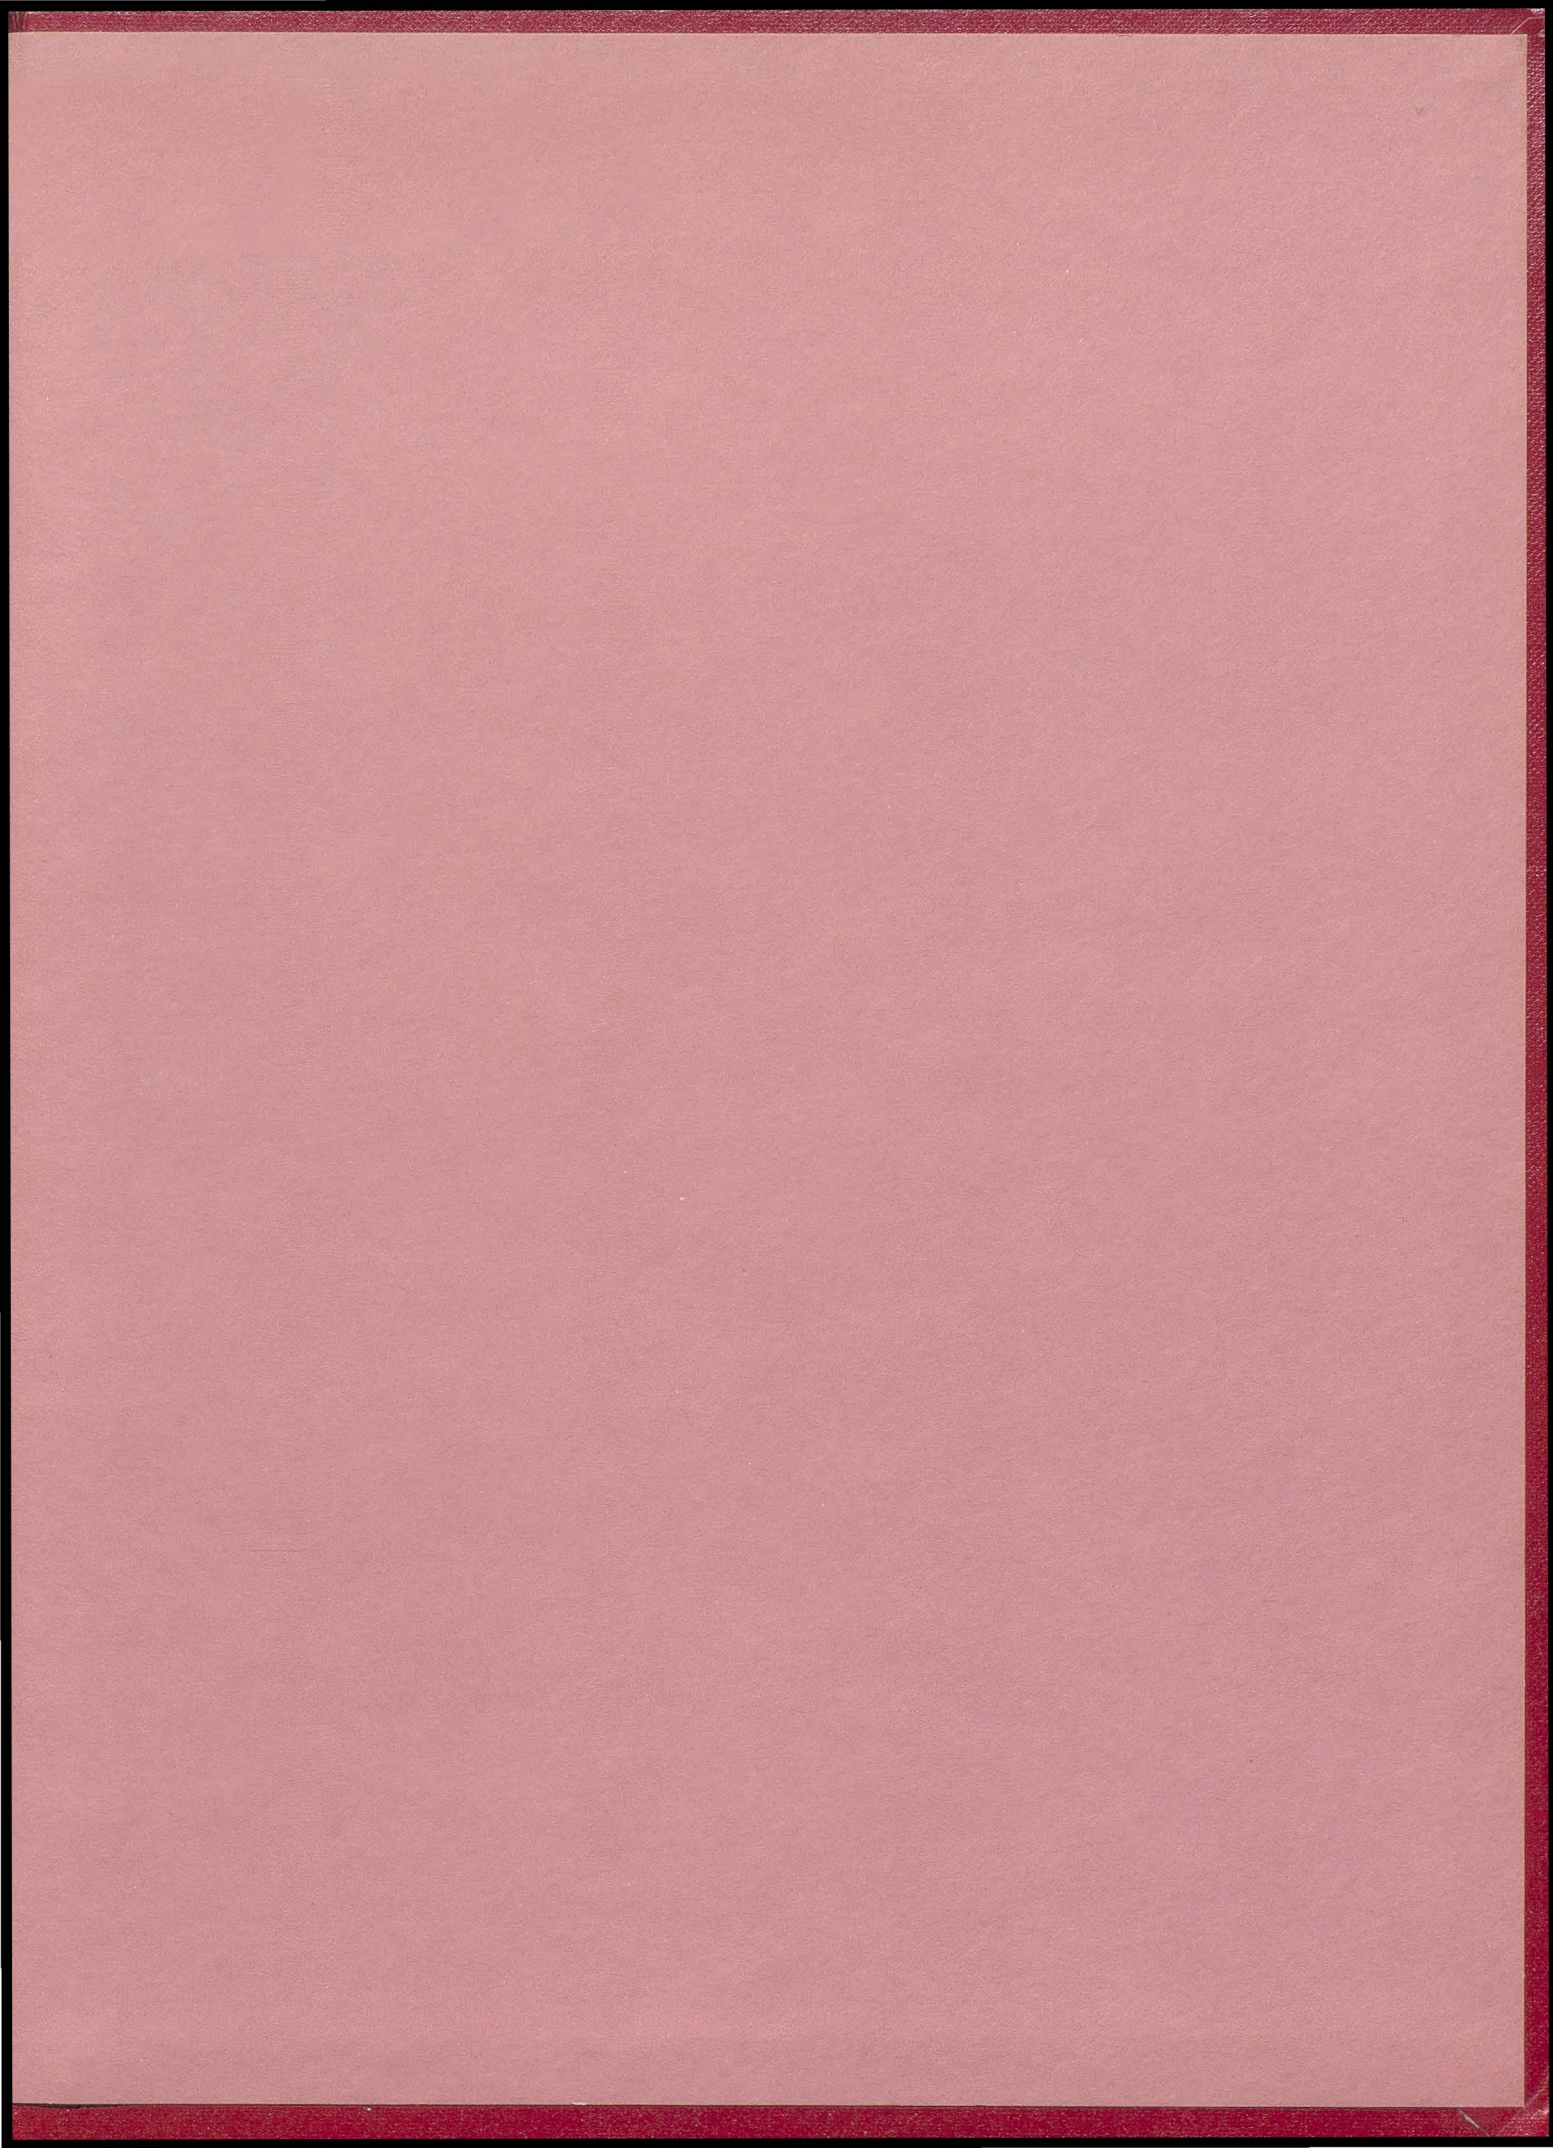

The pages of this book contain much more than a collection of pictures and data. These pages will someday help you to recall the days of 1978-1979.

Enjoy it!
