# Dedicated To...

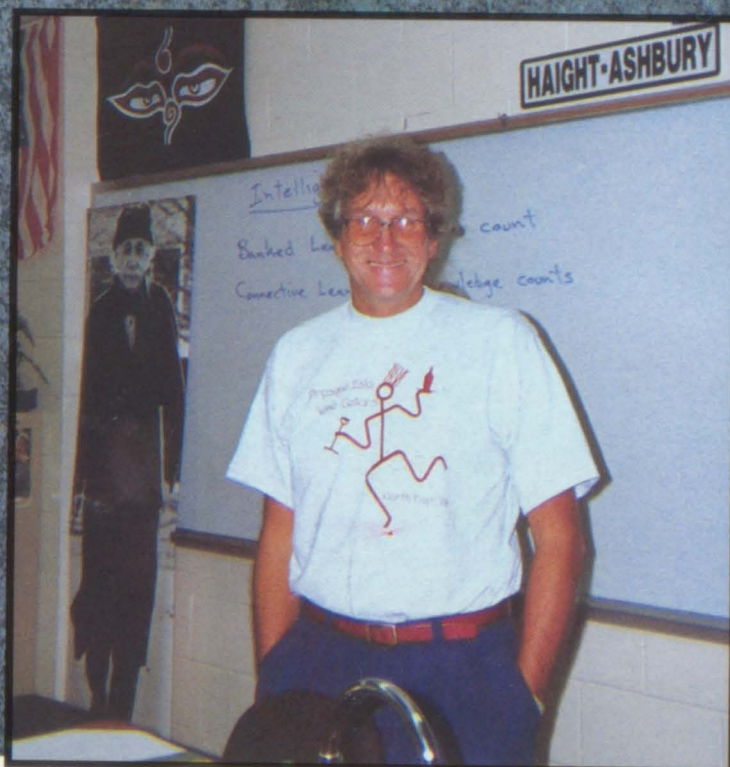

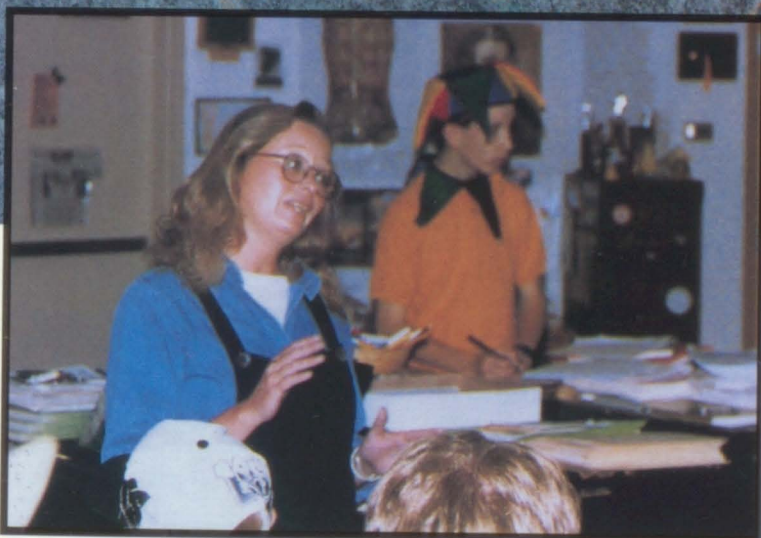

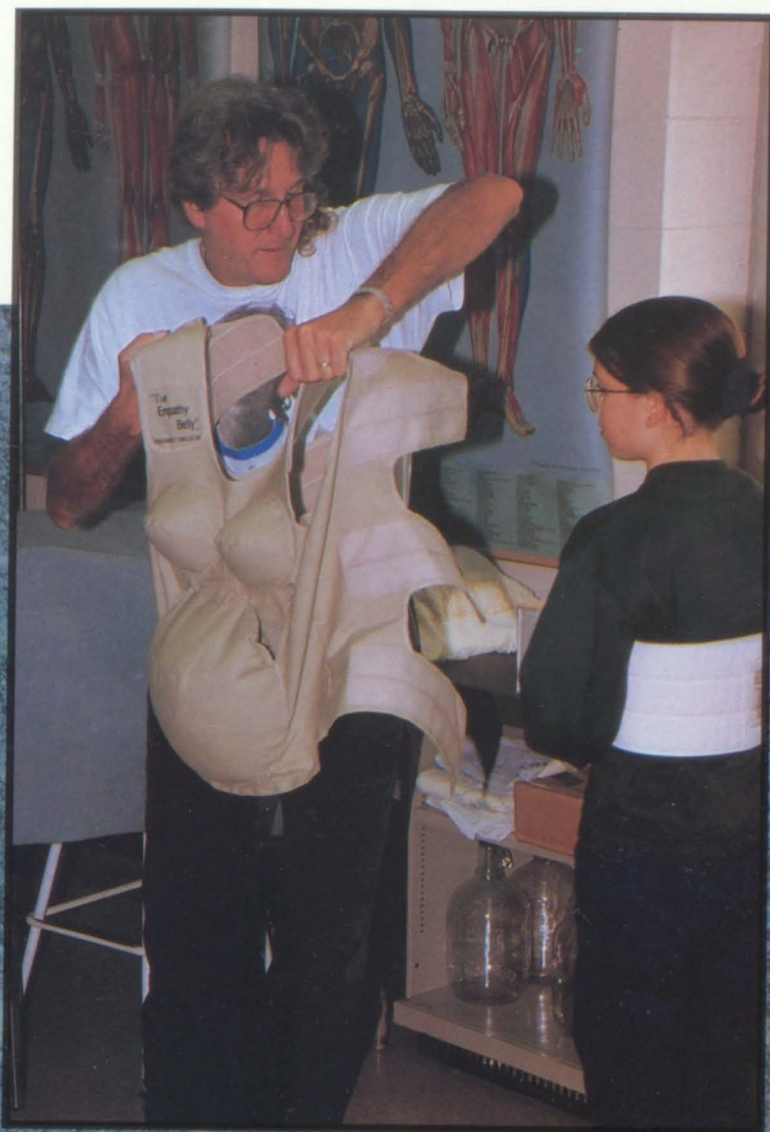

On behalf of the class of 1995, the Maple Leaf Yearbook staff is proud to dedicate this fine book to Mr. and Mrs. Steve Piper.

This unique husband and wife teaching team has been enlightening students for a combined 50 years. Only very few teachers can claim to have taught every student who passes through Hornell High School as have Mr. and Mrs. Piper. It is these two caring professionals who have enriched our lives through the worlds of Music and Health.

Thank you Mr. and Mrs. Piper for making these years so special for the graduating class of 1995. For the countless things you have done for the students here at H.H.S., please accept this book, PASSPORT, as a way of saying "thanks."

# In Memorium

*October 17, 1994 will sadly be remembered by all in the Hornell Community as the day we lost "the WAZ." Mr. Lawrence Wassink, husband, father, teacher and colleague, gave 25 years of his life to Hornell High School. Though WAZ is no longer with us, his memory and spirit will be with us always.*

# RETIREMENT

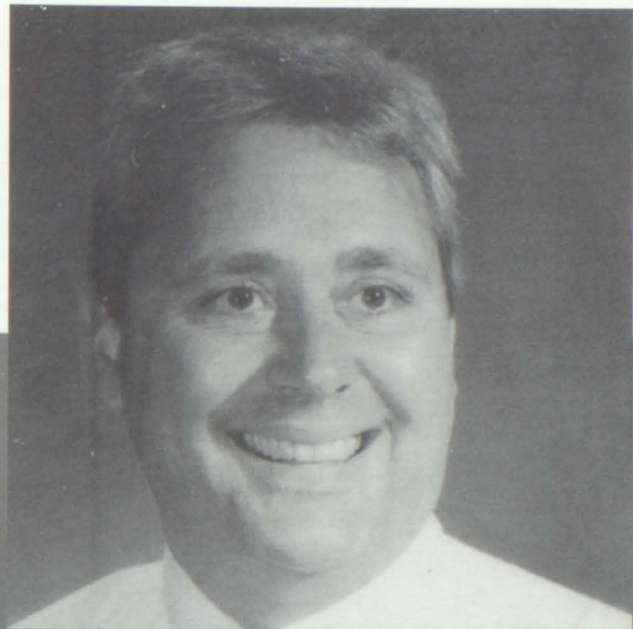

Mrs. Judith Beckerink has been known for years to the Latin scholars at Hornell as "Magistra." She has been teaching Latin and keyboarding at H.H.S. for eight years. Previously her gifts as a teacher were shared with students of Canisteo for 17 years. In addition, Mrs. Beckerink has been actively involved in N.H.S. and Latin Club. During retirement Mrs. Beckerink looks forward to spending more of her spare time at her farm or quilting. Hornell will greatly miss Mrs. Beckerink.

## the year in music...

Garth Brooks was named the Academy of Country Music's "Entertainer of the Year" for the fourth straight time. Brooks had three albums on the top 200 list including; The Hits as the #1 album of 1994.

One critic called their music "pseudo grunge", but the Stone Temple Pilots didn't let that bother them. They released two albums in 1994, Core and Purple which were both on the charts at the same time- with Purple making the top ten and their song "Vaseline" on Billboards top ten list of modern rock tracks.

All the way from Sweden, Ace of Base and their sound that is enjoyed all over the world had three of the top ten singles of 1994, including "The Sign" which was the impressive number one hit of the year. Their album also titled The Sign held the number one album spot of 1994.

The marriage of popstar Michael Jackson to Elvis Presley's only child Lisa Marie, made headlines worldwide. Even though they would not let their pictures be taken Jackson and Presley opened the MTV Music Video Awards ceremony. The couple appeared to be very happy together, until rumors in early 1995 would allege their relationship was on the rocks.

It rained. Thousands crashed the gates. People with tickets couldn't get in or had to wait for hours. Portable toilets overflowed. Food occasionally ran short and the drugs didn't even run short. At Woodstock '94 the music played almost 24 hours a day, as did the fans. The mud was all over and made for some great fun and memories for music lovers.

It was called "the trial of the century"- The trial of O.J. Simpson. Simpson was accused of brutally murdering his ex-wife, Nicole Brown Simpson, and her friend, Ronald Goldman. The televised arrest was truly unforgettable. Instead of turning himself in as promised, Simpson had a friend drive him on a jaunt along southern California's

President Clinton signed a \$30 billion Crime Bill. The law calls for a ban on many assault firearms, allows the death penalty for dozens more federal crimes, and provides billions of dollars over six years to build new prisons and hire police.

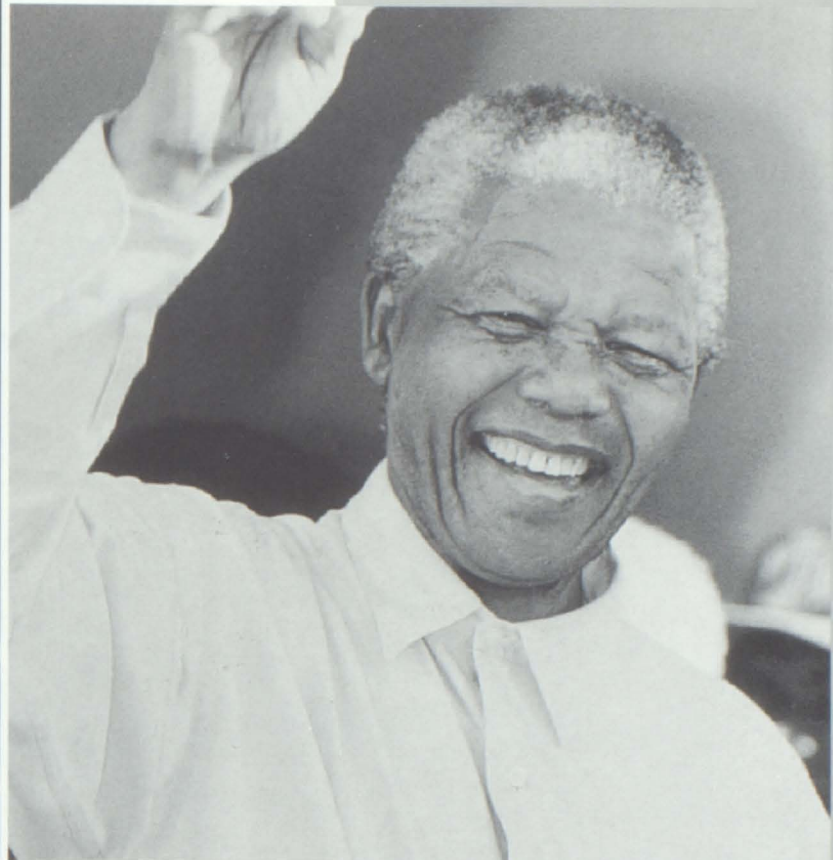

President Clinton and First Lady Hillary failed to have a National Health Care Plan passed this year. The reform was attacked for being too complex. The president wants universal coverage, but the people are not supporting. President Clinton and other Democrats said that they would try to bring health care legislation back again next year.

## world wide events

highways. As America looked on, the police followed behind at a discrete distance, heeding a warning from Simpson's driver that O.J. had a gun. Finally the Bronco returned to Simpson's west Los Angeles house, where he surrendered after nightfall. So began what many call the most famous murder case in American History.

Nelson Mandela was elected to govern the violent country of South Africa. The 76-year-old leader won in the country's first all-race election that ended white minority rule and made Mandela the first black South African leader. He won the 1993 Nobel Peace Prize and has been applauded for leading his country through a peaceful revolution that many had thought impossible.

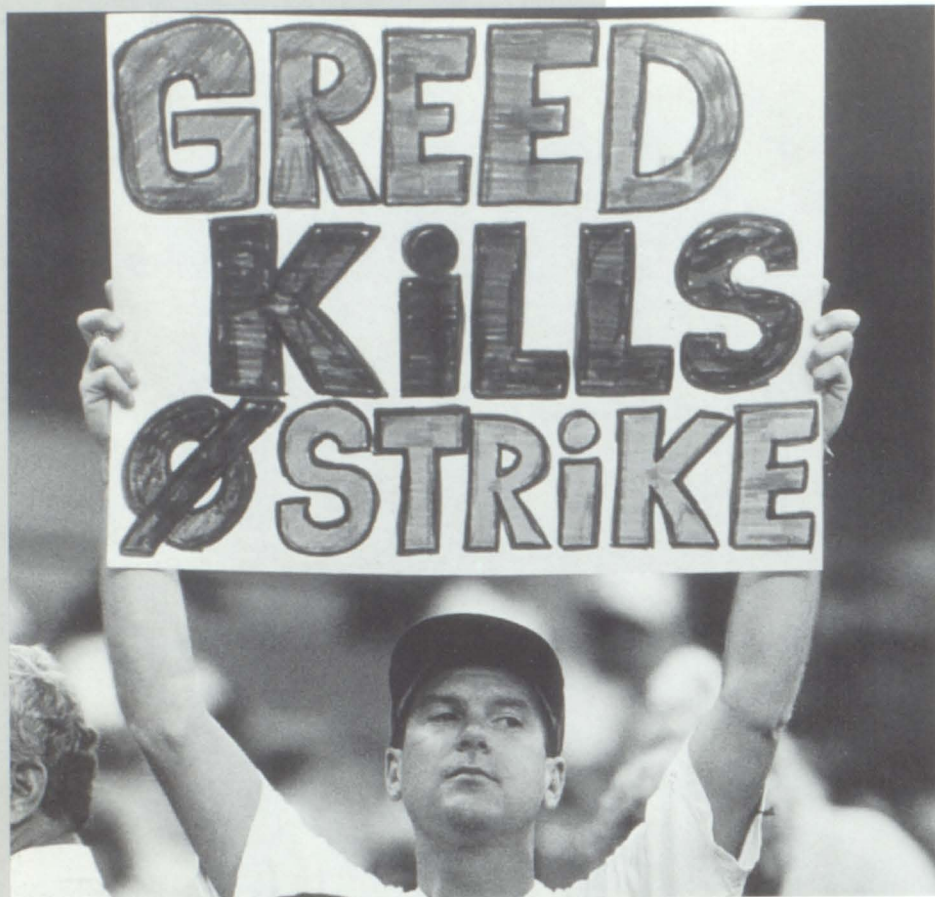

At a White House Mideast Peace ceremony, Israeli Prime Minister Yitzhak Rabin and King Hussein of Jordan met in public for the first time, shook hands and signed the "The Washington Declaration" that brought the 45 year conflict to an end.

Refugees fleeing the dictatorial regime of Fidel Castro were refused entry into the U.S. over the summer President Clinton ended 28 years of favored treatment for Cuban refugees and Castro promised to halt the flight of refugees leading to the U.S.

...the world in sports

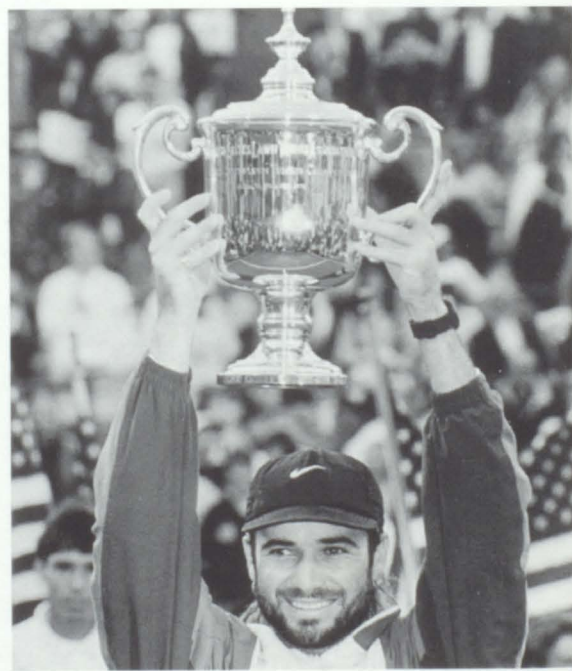

The Baseball season ended early in 1994. The players went on strike in August and a month later the owners cancelled the remainder of the season, including the playoffs and the World Series. The players did not want the salary cap that the owners insisted upon. It was the first year since 1904 that the World Series was not played.

At 31, Jerry Rice had the National Football League record for career touchdowns. And then, the ten year pro with the San Francisco 49ers became the league's all-time touchdown scoring leader. Jerry Rice helped lead the 49ers to the 1995 Superbowl.

The 1994 World Cup soccer competition was played in the United States. The United States made it to the second round but then lost to Brazil. In the final game, Brazil and Italy battled it out and ended with a 0-0 tie. The game went into a shootout and Brazil won the game with a score of 3-2.

Andre Agassi was the people's choice at the U.S. Open Tennis Championship in New York. Unfortunately a year of largely indifferent tennis left him unseeded. Despite this, Agassi easily raced through six opponents to obtain his first U.S. Open title.

... the world right here

Murder trials in small towns receive constant news coverage. Especially in the case of 14-year old Eric Smith who was found guilty of murdering four-

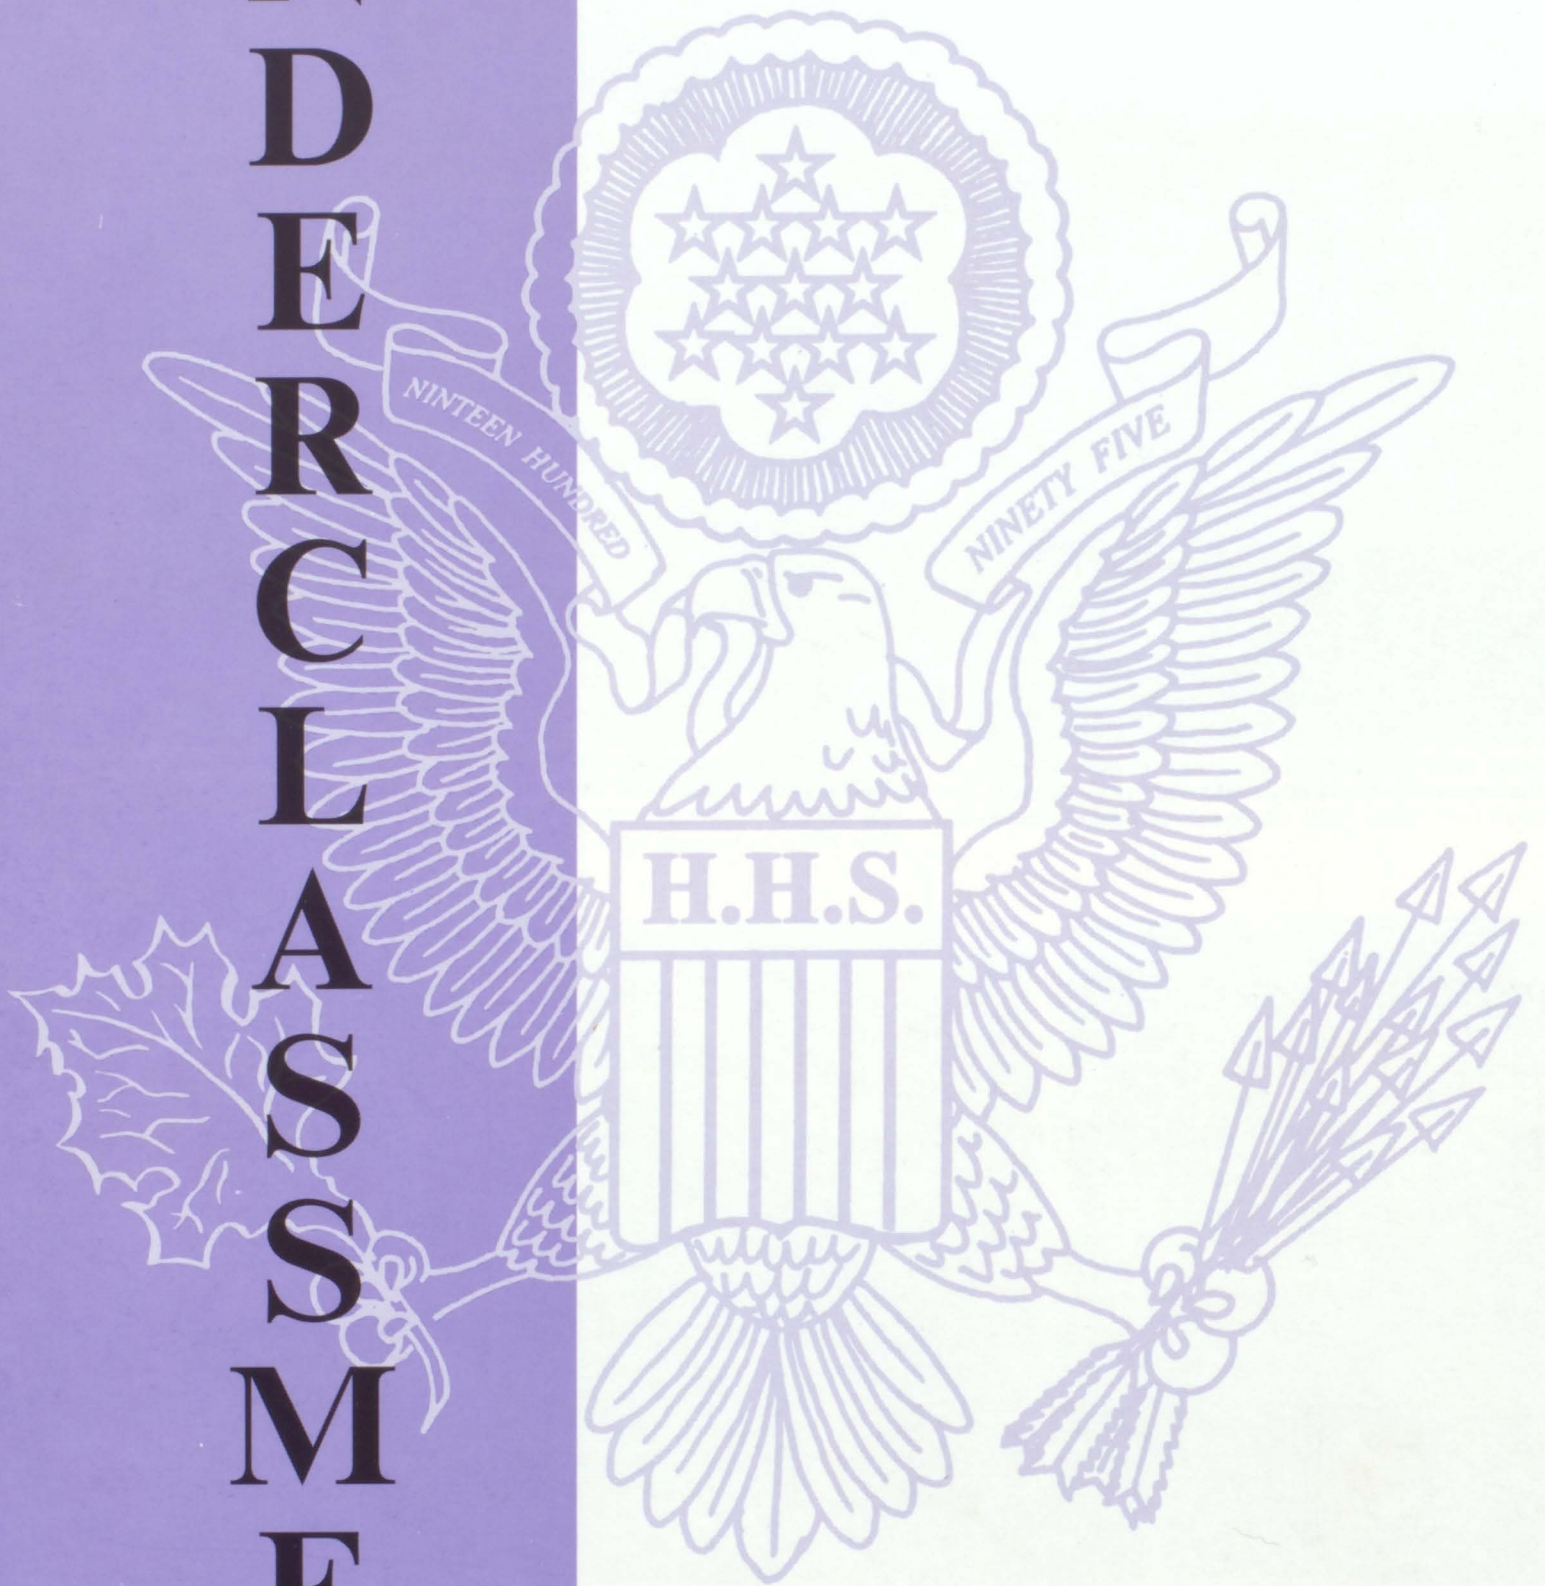

year old Derrick Robie of Savona N.Y. Robie was bludgeoned to death in the woods near his home on August 2, 1993. Smith was charged with second degree murder.

The controversial location and construction of the Wal-Mart Plaza in the town of Hornellsville resulted in a three month debate over the environmental suitability of the Plaza on the floodplains.

A vocal group of 15 people, calling themselves "Citizens Against Flood-Mart," were responsible for the holdup, through an appeals process in the State Supreme Court. Advocates of the Wal-Mart project joined in a parade on February 18 to show their support for the building project.

## YOU CAN HAVE "NATURALLY" CURLY HAIR

INTRODUCING AVEDA NATURAL PROCESS  
PERMANENT WAVING SYSTEM

The Aveda Natural Process Perm gives you long-lasting, natural-looking curls without the need for high levels of harsh chemicals. Aveda's exclusive Quaternized Hair Keratin Protein penetrates the hair shaft, giving maximum strength and sheen to every curl. Our naturally-derived emollients produce a soft, conditioned look and feel. While traditional perms use artificial, petrochemical-derived aromas that are unhealthy for you and the environment, our freshly distilled flowers and plants lock in natural aroma. At Aveda, we believe the modern approach is the environmentally-conscious approach. That's why using Aveda makes you feel as good as you look.

## Colophon

The 1995 Maple Leaf, Volume #60 was published by the Taylor Publishing Company of Dallas, Texas. The publishing representative was Mrs. Barbara Stockslader and the Customer Service Representative was Ms. Tina Avery. Taylor Publishing Company printed a total of 711 copies of the 192 page book. Each ordered copy of the book cost \$25.00 plus \$2.00 for the name to be imprinted in foil on the cover. Funds for the 1995 Maple Leaf Yearbook, which had a manufacturing cost of \$36.45 per copy, included three school dances, concession stand operations for 11 public events at Maple City Park, advertising sales, and private contributions from faculty, parents, and local businesses.

The custom designed and embossed cover was created by the 1995 Maple Leaf Yearbook Staff under the advisement of Mr. Don Dempsey, Graphic Designer for Taylor Publishing Company. The Smyth sewn cover was gold foil stamped in Times Roman standard type, on #452 Blue colored, water grain textured cover, with a rounded and backed binding. Pages for the 9x12 inch book were printed on 100 pound, enamel-coated paper. Of the 192 pages, 34 were printed using the 4-color process, the 8 division pages and 6 pages in the "Faculty Section" were printed with purple #071 in the spot color process. The type fonts used throughout the book included Times Roman, Jefferson Script, American Typewriter, and Garamond Condensed.

The Lauren Studio Company of Rochester, New York was responsible for all Senior Portraits, group/team photography, and all photo processing and enlarge-

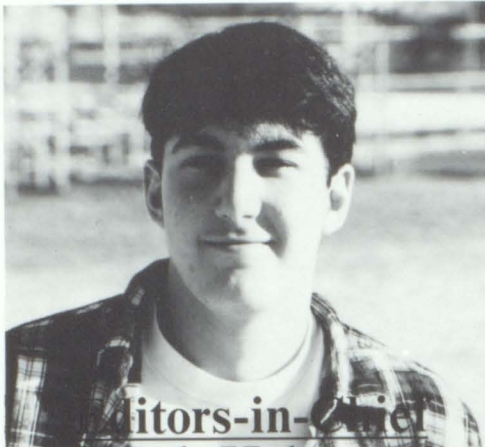

ments. Underclassmen and Faculty portraits were taken by Delmar School Portraits of Rochester, New York. Candid photographs in all sections were taken by Maple Leaf staff photographers and their advisor Mr. Peter J. Hens. Photographs for the "Current Events" Section were provided by the Associated Press of New York, New York, R.M. Photo Services, Inc., of New York, New York, and the Evening Tribune of Hornell, New York—a subsidiary of the American Publishing Company of New York.

The entire yearbook production used Page Vision 6.5 and Type Vision 6.5 under permission and distribution of the Taylor Publishing Company. The theme Passport was created originally by the 1995 Maple Leaf Yearbook Staff during the July 1994 Yearbook Conference/Workshop at Rensselaer Polytechnic Institute in Troy, New York, sponsored by the Taylor Publishing Company. The Maple Leaf Yearbook Staff was the proud recipient for the "1994 Taylor Seminar Award, for original design and presentation". The Passport cover, theme, division pages, and endsheets were approved for use by the United States Government, Office of Special Affairs, on August 9, 1994.

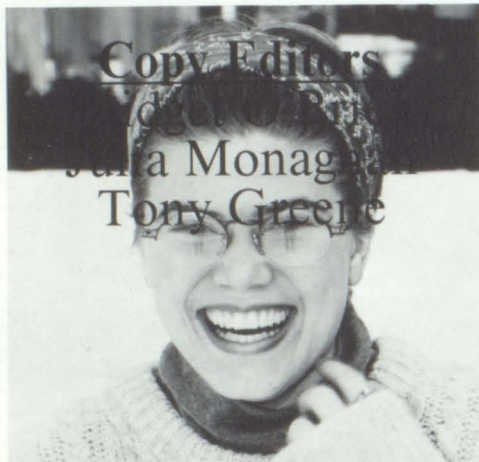

The 1995 Maple Leaf Yearbook Staff was made up of 10 H.H.S. Seniors including: Bob Helmer, Kelly Gray, Paul Valentine, Jamie Wizeman, Charles Lamacchia, Jr., Mary Crissy, Tony Greene, Cathy Mignone, Matt Moretti, Mary Kull. The 1995 Yearbook also was completed with the help of 4 H.H.S. Juniors including: Bridget O'Brien, Julia Monaghan, Amy Hockenberry, and Lori Lucas. The advisor of the 1995 book was Mr. Peter J. Hens.

Dear to us you seem,
