The 1980 Yearbook Staff Is Honored To Dedicate This Year's Yearbook To . . .

A man who accomplishes what he sets out to do.

An advocate of learning.

A natural leader in community activities.

A man who pursues higher achievement levels in sports and academics.

A teacher concerned for the youth of H.H.S.

A teacher who educates his students on an adult level, preparing us for our future years.

A friend who is always there when we need him.

A man who is respected with great admiration.

We are proud to present this year's dedication to . . .

HOT TIME IN CHILE

I stayed in Punta Arenas, Chile, located at the top of South America.

It was cold during my two months stay in Punta Arenas, but the warmth and affection displayed by my family and friends more than offset the cold.

I will always remember the Fernandez family, my father, Hernan, my mother, Graciela, my brothers, Lucho, Marco and Arturo and the beautiful memories that they have given me.

Bret Viray
A.F.S. 79/80

A DREAM COME TRUE

When in Costa Rica I dreamed of going to America. After working one year and six months with A.F.S. my dream became a reality.

San Ramon is very similar to Hornell.

We have dances every week. Girls do not dance with each other like here.

In our school we wear uniforms.

San Ramon doesn't have pizza parlors, donut shops and quick food places. We must travel to San Jose forty minutes away to enjoy these things.

As an exchange student I am here learning about America and speaking about my country.

I am very happy in Hornell and think that all the people here are very special.

I want to thank you, the students and the Pauly family, for your love and patience that you have given to me.

All of you have made my experience here in America a beautiful and enriching event in my life.

Cuando de aqui me marche me llevare con migo todo el carino y el amor que recibi de todos ustedes. Pues siempre les recordare como a mi familia.

Isabel Araya Madrigal

A.F.S. 79/80

Faces of old and faces of new,
People we know and people we knew,
Growing together then drifting apart,
Always an ending and now a new start.

At graduation we all grow nearer
And all of our friends seem so much dearer.
As we say our final good-bye's
One last embrace and one more cry,
A "keep in touch" and a "promise I will",
A "remember when" but better still,
A place in my heart you'll always stay,
This is what is said as we go our own way.

The Class of '80 is a class of action. No matter where you see them they're always on the move. Whether it be at school, parties, or sport fields there is never a dull moment in the lives of the seniors. The Class of '80 is a great class that never "mellows out!"

Our teachers know that their personal and professional foundations have a great bearing upon our education in school . . .

BOARD OF EDUCATION

Row 1: Ralph Schnell, Pres. Row 2: George Prete, Rev. Lines, John Pryor, Al Smith

Gerald Walker, Ass't. Superintendent

The 10th Amendment of the United States Constitution makes it clear that education is a responsibility of the states. The responsibility is further emphasized in the New York State Constitution.

The Legislature has met this responsibility by dividing the State into local school districts, each which is governed by a local school board.

The school board maintains a carefully developed set of written policies as determined by the board. The board also is to secure a well-prepared staff.

As elected representatives of the community, board members bring to the school board the hopes and desires of the people of the community.

Captain and Co-Captain

Mr. Michael Durso

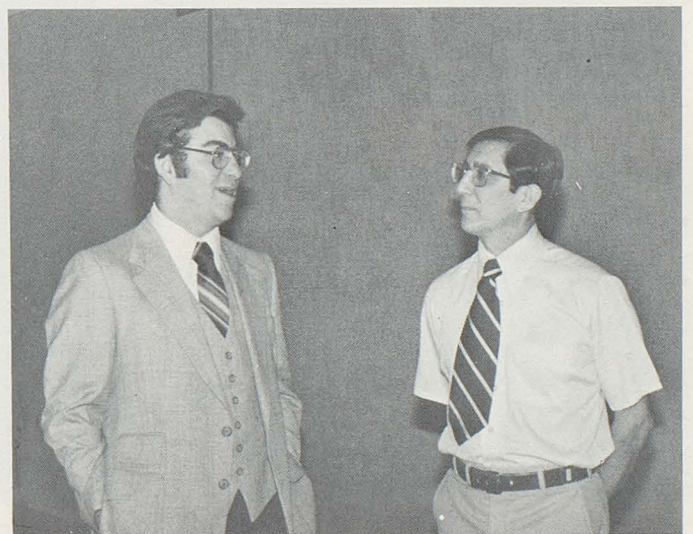

Mr. Robert Codispoti

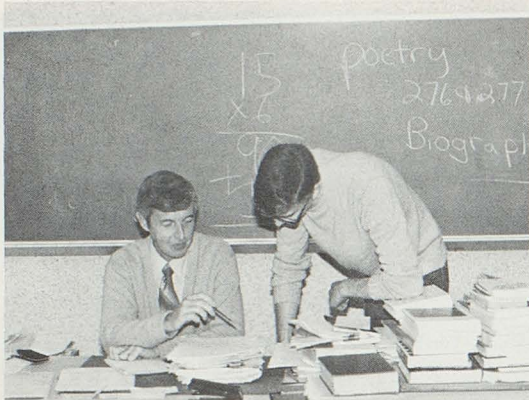

Hornell High School is fortunate to have two principals such as Mr. Durso and Mr. Codispoti.

Not only do they carry on the normal duties of regular routine—scheduling, department meetings, discipline—but they also act as chaperones for dances, counseling of students, and helping clubs such as the concession stand, the A.F.S. clubs in carrying out their duties.

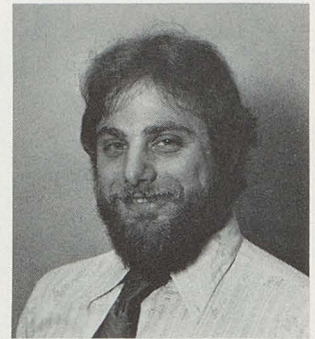

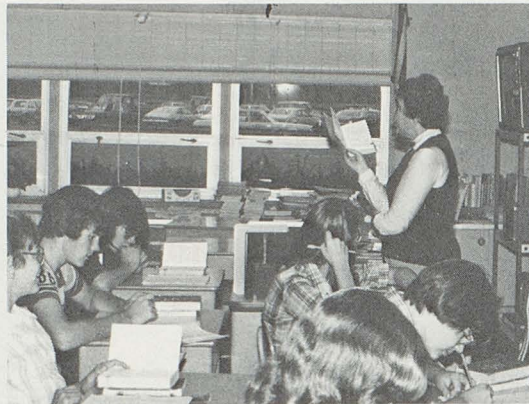

The students of Hornell High thank you.

Courses are offered to those students who do not wish to continue on with their schooling as well as courses designed for the college bound student.

Faithfulness to the truth of history involves far more than a research, however patient and scrupulous, into special facts. Such facts may be detailed with the most minute exactness, and yet the narrative, taken as a whole, may be unmeaning or untrue. The narrator must seek to imbue himself with the life and spirit of the time. He must study events in their bearings near and remote; in the character, habits, and manners of those who took part in them. He must himself be, as it were, a sharer or a spectator of the action he describes.

Reorganize without crisis

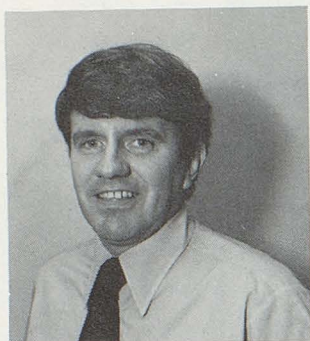

This year the Latin, Spanish and French clubs joined forces to form the Foreign Language Club. Through exposure to various cultures we have expanded our horizons. With each meeting we have explored a new aspect of a foreign land by learning basic Chinese expressions, seeing the treasures of King Tut, traveling to the Caribbean via films and tasting "gastronomic delights" by preparing dishes of other countries.

Sales campaigns of candy and pens and a dance helped finance our Christmas and end-of year "banquets". At our final "reunion" we honor, with awards, our members who have been distinguished by their hard work and efforts.

Confronting Student Time-wasters

Business is used in everyday life. The Business Department teaches us about the everyday business world. This department is very beneficial to the housewife who must make out budgets, the college bound student who must figure his cost, the advertisers who must know about printing and the secretary who must know how to type and take shorthand.

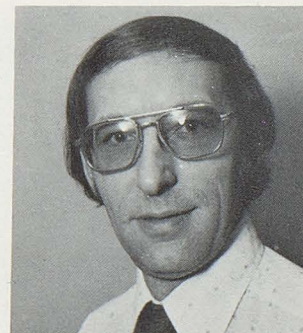

The Driver's Education Department teaches us how to be safe drivers both defensively and courteously.

The Hornell cheerleaders formed two separate units this year to cheer on the football team and to cheer on the basketball team. Both squads installed a feeling of spirit and enthusiasm into the crowds of H.H.S. spectators, who helped to cheer on the teams to successful seasons. They also ran the pep assemblies to motivate both the teams and fans.

The Hornell Red Raider Football team, led by Coach Bottone, had a most successful season ending with a 4-4 record. The success came about from an inordinate amount of team work and enthusiasm over the summer and during the season.

The highlight of the year was the game against Southside, when Hornell came from behind with a score to win 14-10.

The Raiders proved the pre-season predictions false when they took second place instead of last in the Sullivan Trail Conference.

The J.V. team established a winning record of 3-3-2 under the guidance of Coach Brungard.

This season's cross-country team only had a 1-7 record. It was the first year the team ran on it's new B.O.C.E.'s trail.

With the loss of only three seniors, next year's team should be a very strong competitor in the Sullivan Trail.

Volleyball Victors

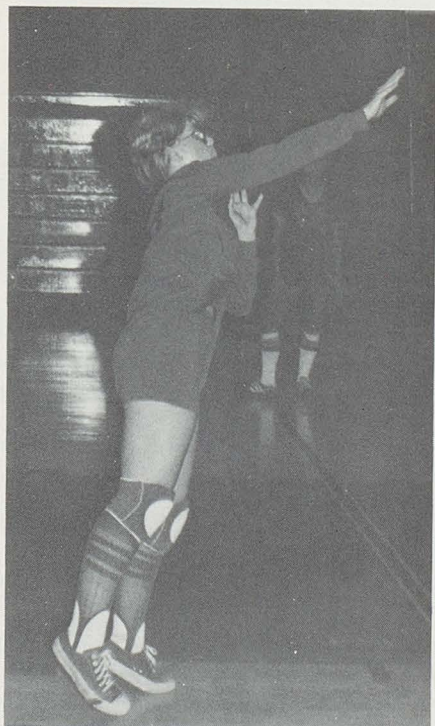

The 1979-80 Hornell High School Girl's Volleyball team had a successful season during both regular season play and sectional tournament play. The team went 8-3 for the season capturing the conference title with an undefeated record.

Led by the skill and experience of veterans Penny Coates, Nancy Hill, Mary Jo Potter, Madelene Gadsden and Brigette Hanrahan, the team qualified for the Class B sectional tournament. During the tournament, the Hornell team surprised many by advancing steadily until they were finally eliminated.

The girl's had a frustrating season this year, losing by one goal in the last couple of minutes in several games. They had a lot of depth along with a lot of underclassmen. The team had one sophomore, 13 juniors, and 9 seniors. Their overall record was 3-7-4, and their league record 3-6-3.

The outstanding defensive players were Kate Hillman and Cindy Bailey, and the outstanding offensive players were Janer Mulhollen and Patty Reardon. Senior Mary Jane (Janer) Mulhollen was also the high scorer with eight goals.

Coach Lefferts is looking forward to a good season for the coming year.

This is the second year the girls have been in the Sullivan Trail Conference and have shown a tremendous improvement over last year. In the middle of the season they stand 6-4 and 2-3 in the league. Last year they were 2-16 with no wins in the Sullivan Trail. The games that the girls lost have been very close. Coach Lefferts works very hard with the girls and stresses that the girls work as a team. Janer Mulhollen is now the team's leading scorer with Nancy Hill as the leading rebounder. The girl's basketball team has a lot of talent which they display while on the court.

Coach Caruso is optimistic about the possibilities of the 1980 season with the loss of only three seniors and the return of eight lettermen.

HIGHLIGHTS

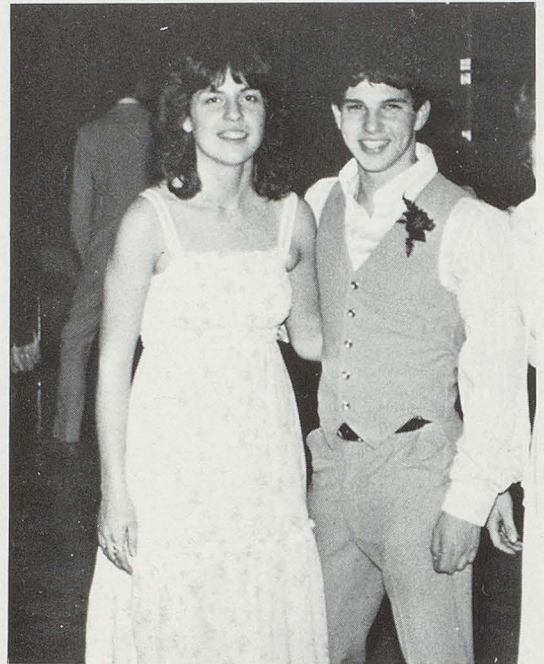

IT MUST BE CHRISTMAS

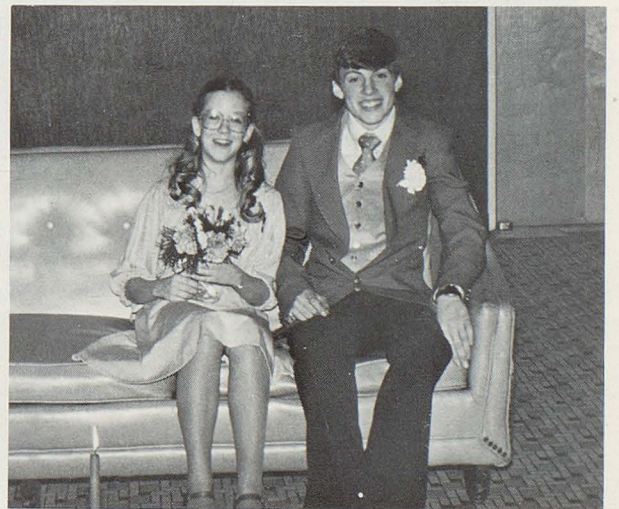

Despite the warm weather and no snow the Christmas dance this year was a huge success. The band Passage entertained the crowd so that it was truly a night to remember.

Chaperones were Mr. and Mrs. Quinlan, Mrs. Foos, Mr. Codispoti, and Mr. and Mrs. Durso.

The dance was sponsored by the Senior class.

JUST THE WAY YOU ARE

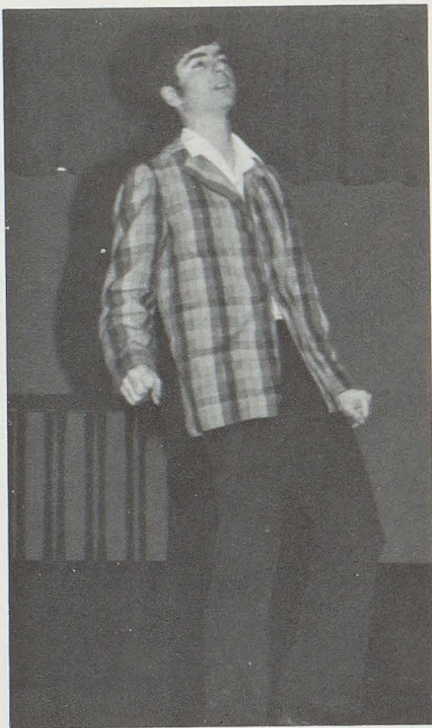

The atmosphere of this year's Junior Prom was that of a festive gala. Under the direction of Miss Gail Mularz the main entrance and the cafeteria were transformed into a scene from a Mardi Gras. Music for the occasion was supplied by Surprize Package.

The highlight of the evening was the crowning of the queen and her court. This year's queen, Colleen Connors who was escorted by Steve Davis, also had the honor of breaking a pinata made especially for the occasion.

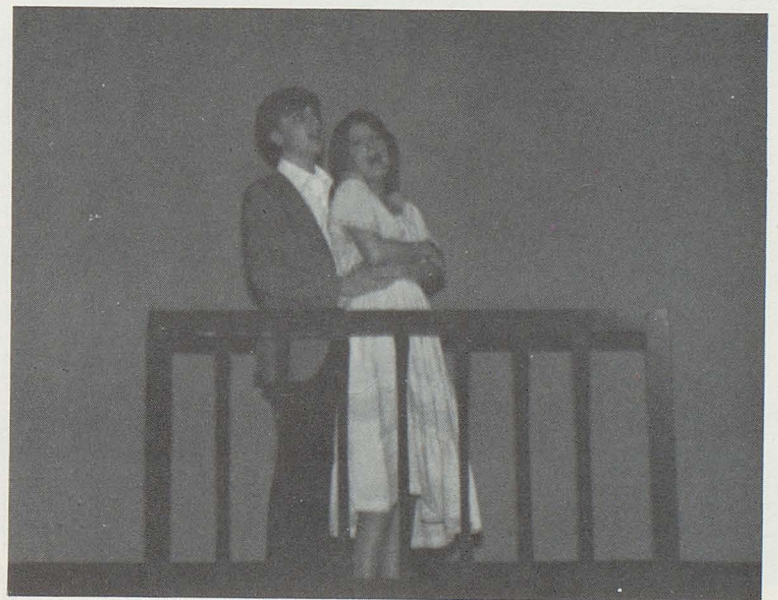

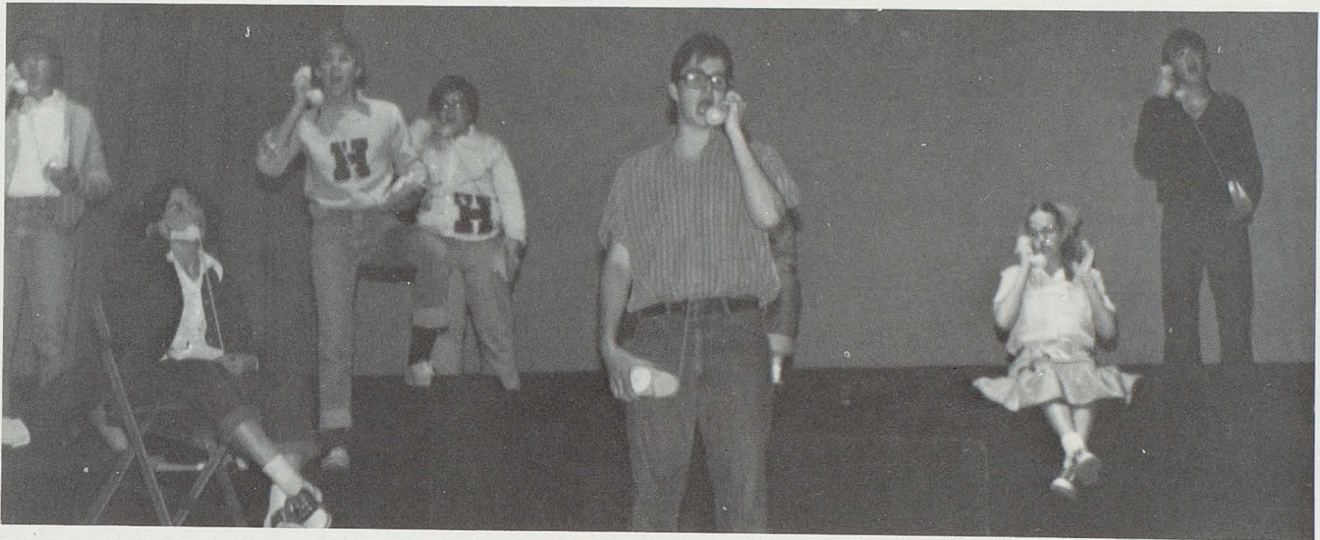

**"BROADWAY
SPECTACULAR!"**
the finest moments from American Musical Theater
A UNIQUE CHORAL CONCERT

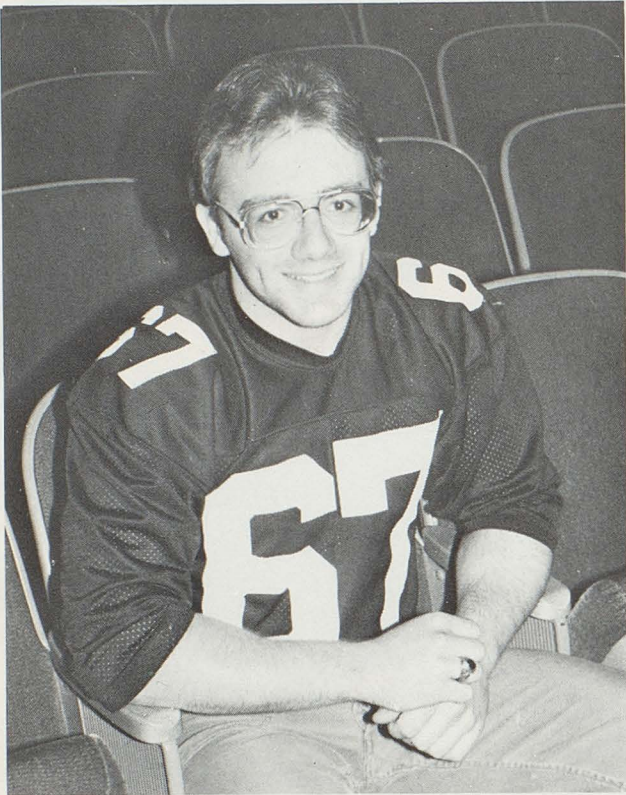

The last major musical production at H.H.S. for Mr. Donald Besig was the "Broadway Spectacular". The show consisted of songs from such musicals as South Pacific, Annie, The Wiz, Oklahoma and many other shows. Choreography, costumes and props helped to make the night a success.

Musical moments from three Broadway shows Bye Bye Birdie, Westside Story and the Music Man were recreated by Pam Davis, Suzie Davis, Lisa Davis, Macia Willsey, Frank Pappalardo, Wendy Archer, Buzz Mauro and the members of the choir. The night was indeed a Broadway Spectacular.

Members of the A.F.S. club under the leadership of Mrs. Dewey learn about other foreign cultures by hosting a foreign exchange student. Through this club the members have a deeper understanding of different cultures. This understanding helps to strengthen peace around the world.

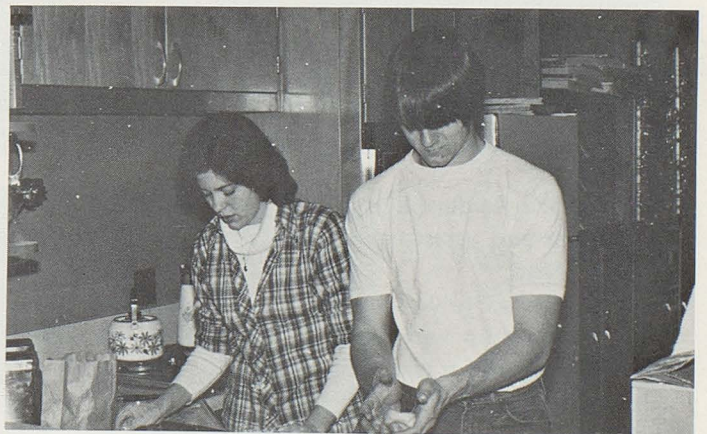

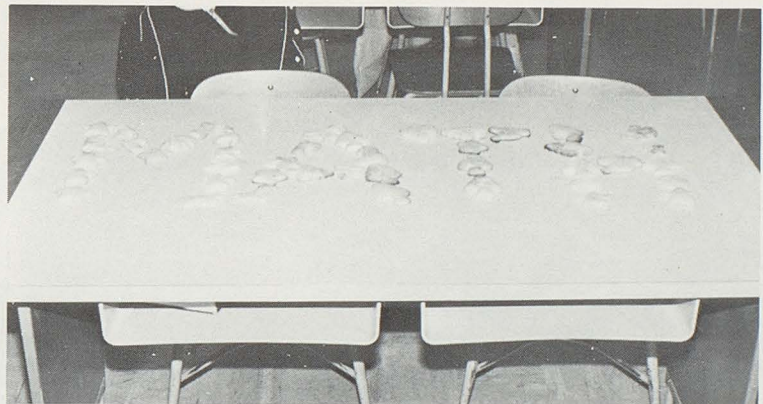

MATHEMAGICIANS

Mrs. Jamison's Math Club has had a busy year, so far. The club members' main activity has been selling cookies, which they baked themselves, to raise money. They also have participated in several math competitions against western New York schools. They hosted another math club overnight for a competition at Alfred University. Buzz Mauro received \$25 for the second highest score on that test. The club is also active in using the four computers we now have in school. Mrs. Jamison is trying to encourage more students to use these facilities.

Vice president Bea Kaplan, who serves as program chairperson along with Teresa Palmesano, planned several interesting programs: a slide presentation on the Irving school kindergarten program, films and discussions on primary age social adjustment.

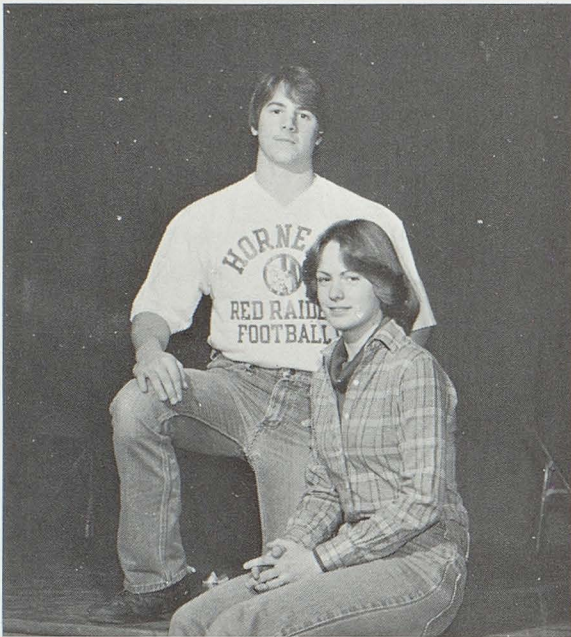

The members of the club have learned more about children, and most of all have learned what it is to give unselfishly of one's own time and effort.

All of these things will go toward helping those members to aspire to become a future teacher.

The club advisor is Mrs. Herrick.

The Students of H.H.S.

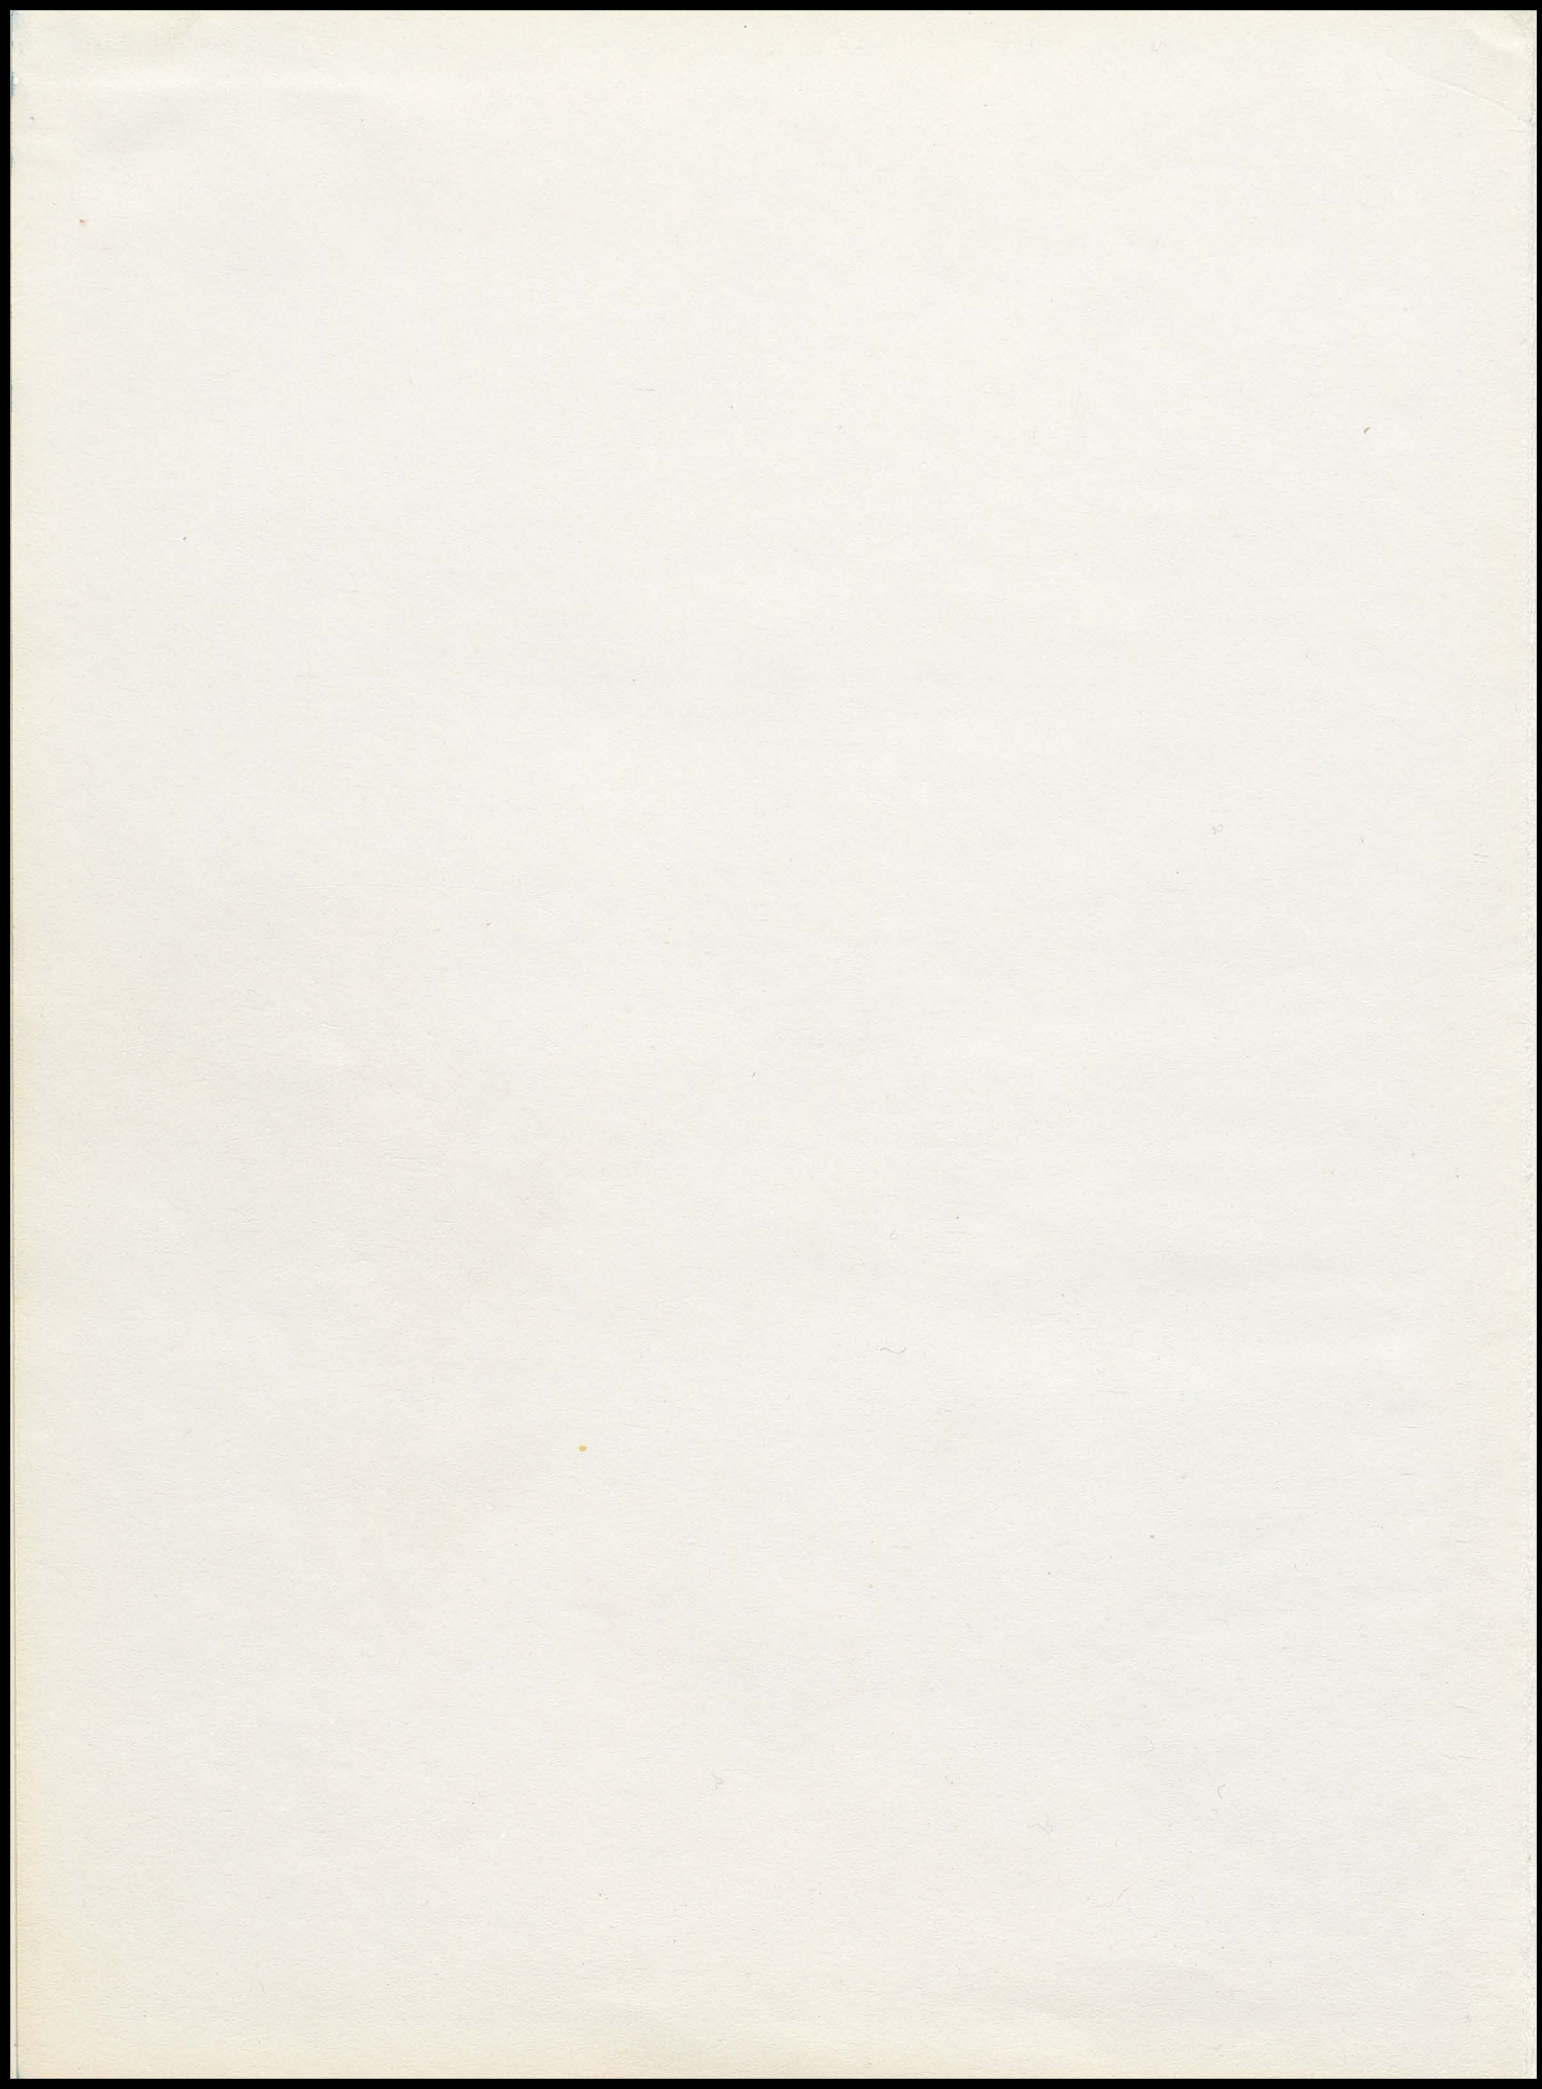

This year's Maple Leaf yearbook has set out to create a sense of pride, communication, and school spirit through the activities of our students.

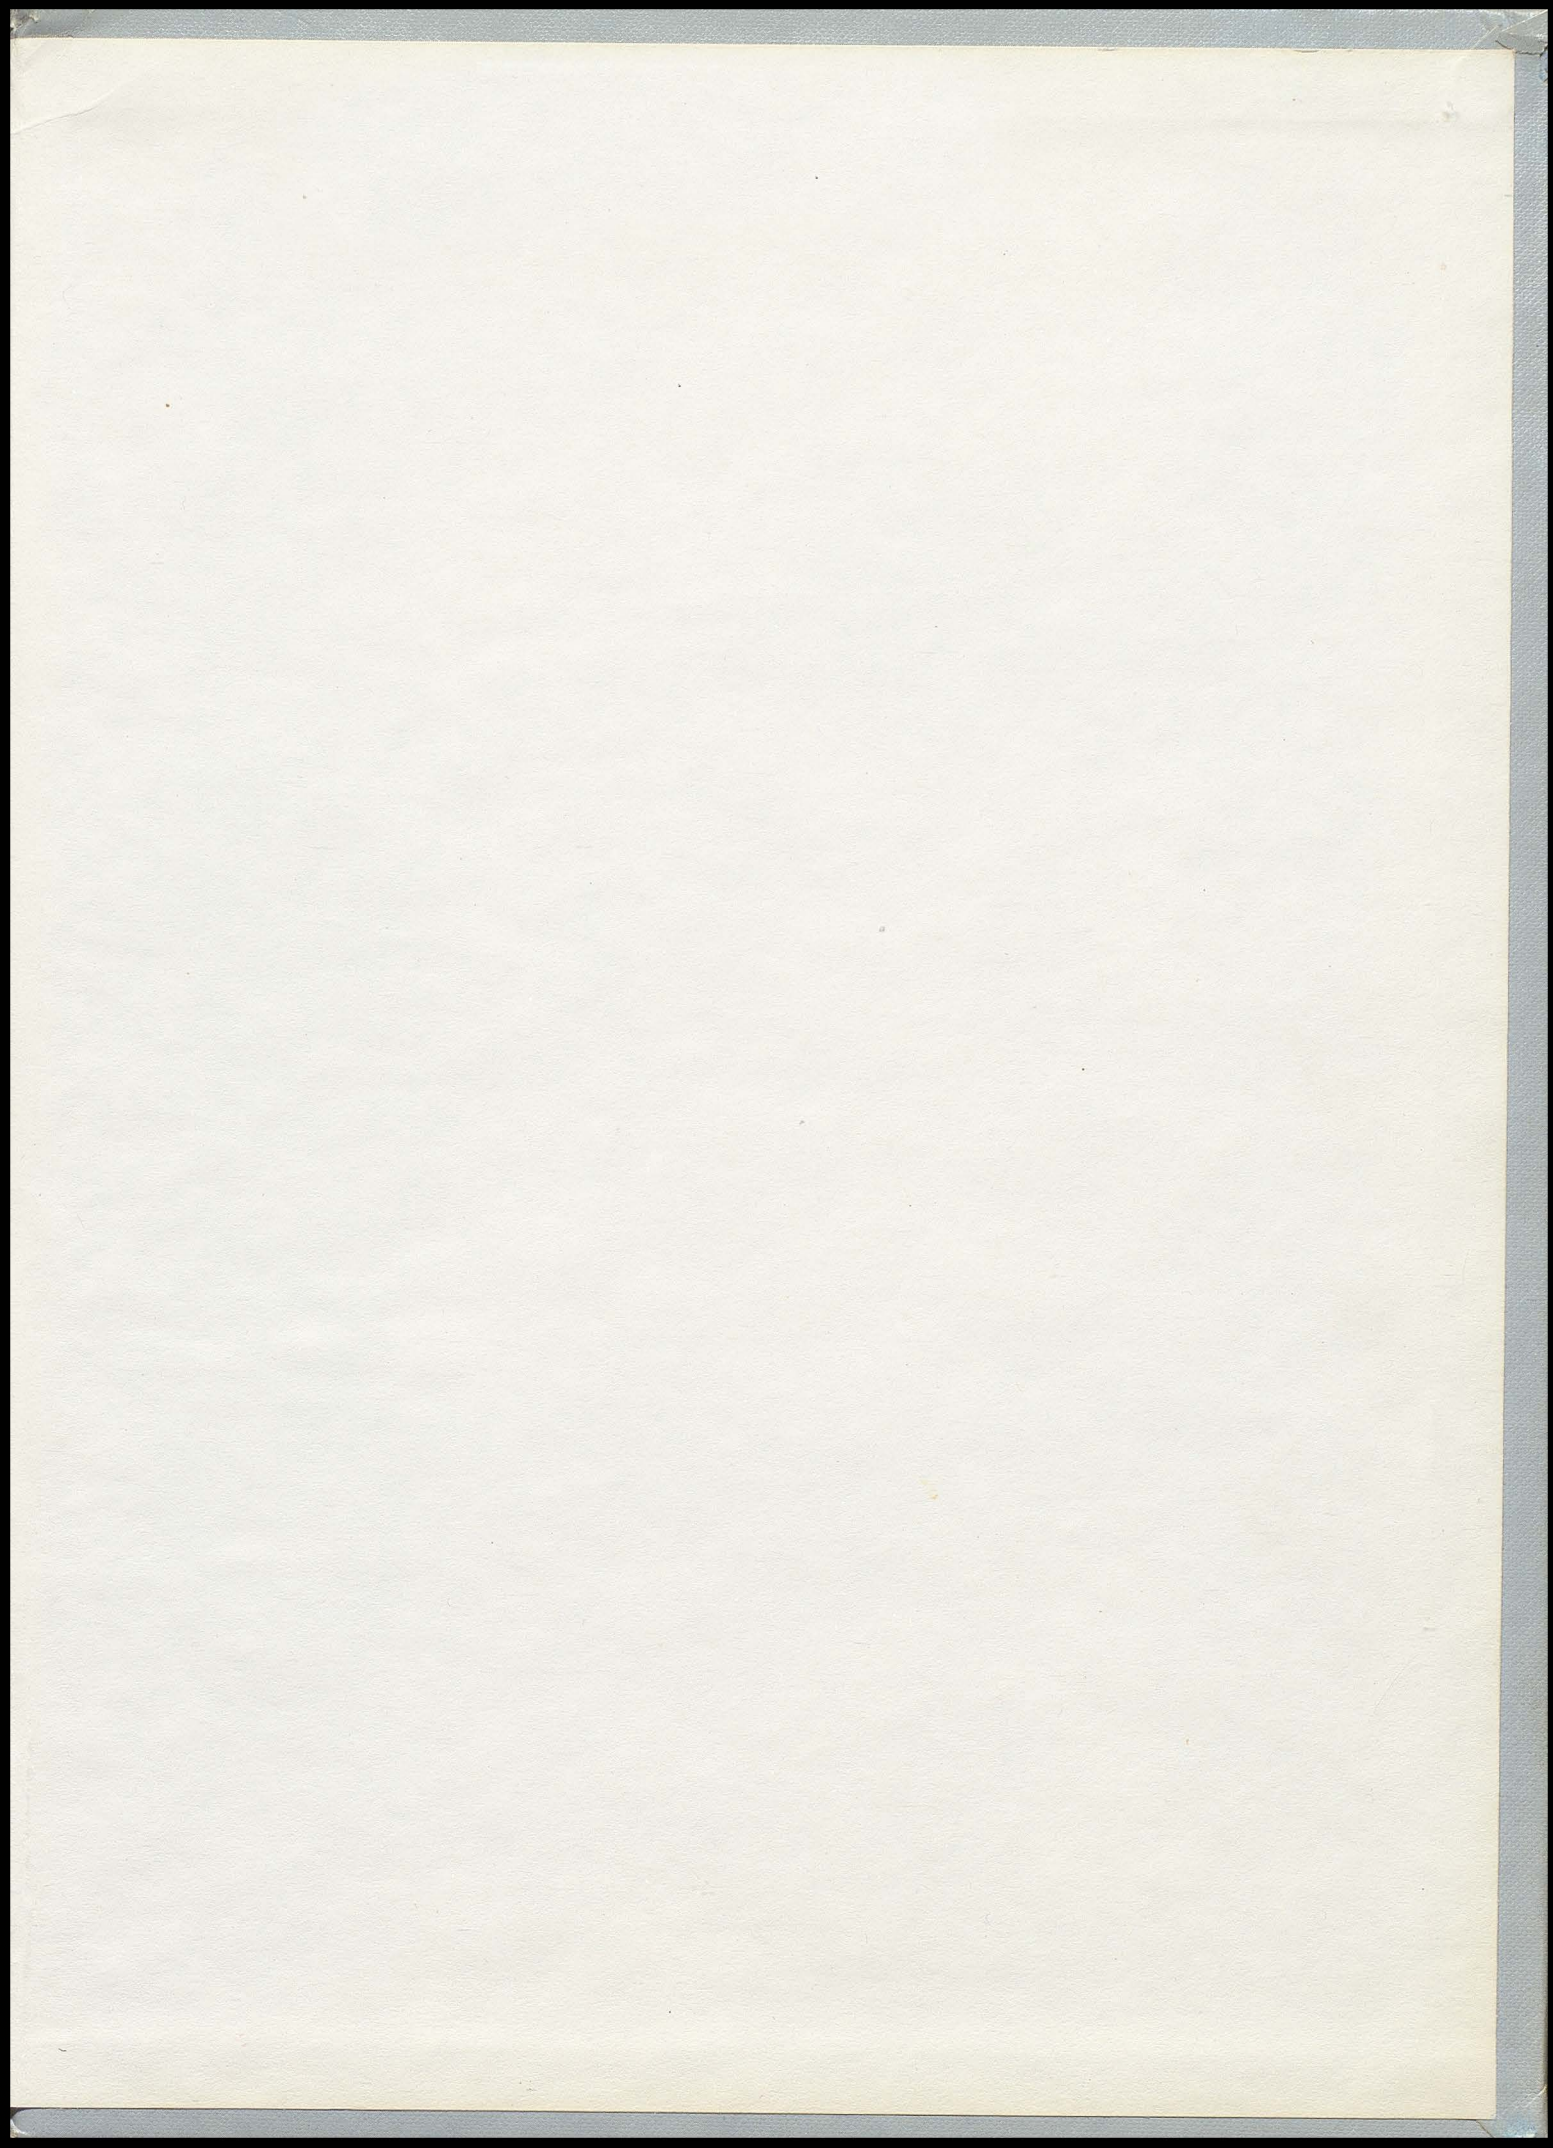

Pride, in the fact that what each individual achieves, he may contribute to our making of a progressive institution. Communication; to acquaint fellow students as well as teachers, the necessity of relating on an equivalent basis, vital in any school curriculum. And school spirit; demonstrated by the students of H.H.S., fulfilling the ultimate desire— being able to participate and to receive the satisfaction of becoming a "part" of our school.

I hope that you will acknowledge this book as a future reference to look back on and reminisce about the wonderful memories we have all shared together throughout the year 1979-80!
